### Natchez Burning

Ulysses S. Grant's ingenious campaign to capture the last Confederate stronghold on the Mississippi River was one of the most decisive events of the Civil War and one of the most storied military expeditions in American history. The ultimate victory at Vicksburg effectively cut the Confederacy in two, gave control of the river to Union forces, and delivered a devastating blow from which the South never fully recovered. Editors Steven E. Woodworth and Charles D. Grear have assembled essays by prominent and emerging scholars, who contribute astute analysis of this famous campaign's most crucial elements and colorful personalities. Encompassed in this first of five planned volumes on the Vicksburg campaign are examinations of the pivotal events that comprised the campaign's maneuver stage, from March to May of 1863. The collection sheds new light on Grant's formidable intelligence network of former slaves, Mississippi loyalists, and Union spies; his now legendary operations to deceive and confuse his Confederate counterparts; and his maneuvers from the perspective of classic warfare. Also presented are insightful accounts of Grant's contentious relationship with John A. McClernand during the campaign; interactions between hostile Confederate civilians and Union army troops; and the planning behind such battles as Grierson's Raid, Port Gibson, Raymond, Jackson, Champion Hill, and Big Black River Bridge.

### Blood Memory

Widower Penn Cage returns to his hometown of Natchez, Mississippi, where, finding that his father is being blackmailed, he reopens a notorious murder case that involves powerfully dangerous town forces, the FBI, and his own past. Reissue.

### Third Degree

### Unwritten Laws

From the #1 New York Times bestselling author of the Penn Cage series comes a gripping World War II thriller that "vaporizes almost every cliché about the limits of the genre[it's] good enough to read twice" (Kirkus Reviews). It is January

1944—and as Allied troops prepare for D-Day, Nazi scientists develop a toxic nerve gas that will repel and wipe out any invasion force. To salvage the planned assault, two vastly different but equally determined men are sent to infiltrate the secret concentration camp where the poison gas is being perfected on human subjects. Their only objective: destroy all traces of the gas and the men who created it—no matter how many lives may be lost including their own.

## **Spandau Phoenix**

The ancient Greeks' concept of "the hero" was very different from what we understand by the term today. In 24 installments, based on the Harvard course Nagy has taught and refined since the 1970s, *The Ancient Greek Hero in 24 Hours* explores civilization's roots in Classical literature—a lineage that continues to challenge and inspire us.

## **The Quiet Game**

From the #1 New York Times bestselling author of the Penn Cage series comes a heartstopping thriller about one of the great unsolved mysteries of World War II. The Spandau Diary—what was in it? Why did the secret intelligence agencies of every major power want it? Why was a brave and beautiful woman kidnapped and sexually tormented to get it? Why did a chain of deception and violent death lash out across the globe, from survivors of the Nazi past to warriors in the new conflict now about to explode? Why did the world's entire history of World War II have to be rewritten as the future hung over a nightmare abyss? "Entirely plausible, totally engrossing...a remarkable, impressive novel."—Nelson DeMille "An incredible web of intrigue and suspense, an avalanche of action from first page to last."—Clive Cussler

When a psychopathic con man kidnaps Will and Karen Jennings's five-year-old daughter, the couple decide to fight back to save their daughter. Reprint.

### **Minnesota Caves**

From the author of the New York Times bestselling Natchez Burning Trilogy, and hailed by Dan Brown (The Da Vinci Code) for his "utterly consuming" suspense fiction, Greg Iles melds forensic detail with penetrating insight into the heart of a killer in a southern town. Some memories live deep in the soul, indelible and dangerous, waiting to be resurrected. Forensic expert "Cat" Ferry is suspended from an FBI task force when the world-class odontologist is inexplicably stricken with panic attacks and blackouts while investigating a chain of brutal murders. Returning to her Mississippi hometown, Cat finds herself battling with alcohol, plagued by nightmares, and entangled with a married detective. Then, in her childhood bedroom, some spilled chemicals reveal two bloody footprints and the trauma of her father's murder years earlier comes flooding back. Facing the secrets of her past, Cat races to connect them to a killer's present-day violence. But what emerges is the frightening possibility that Cat herself has blood on her hands.

### **The Vicksburg Campaign, March 29-May 18, 1863**

## **Access**

The #1 New York Times Bestseller GoodReads Choice Award semi finalist, Amazon Best Mysteries & Thrillers of 2017 selection The final installment in the epic Natchez Burning trilogy by Greg Iles "Natchez Burning is extraordinarily entertaining and fiendishly suspenseful. I defy you to start it and find a way to put it down; as long as it is, I wished it were longer. . . . This is an amazing work of popular fiction." — Stephen King "One of the longest, most successful sustained works of popular fiction in recent memory... Prepare to be surprised. Iles has always been an exceptional storyteller, and he has invested these volumes with an energy and sense of personal urgency that rarely, if ever, falter." — Washington Post The endgame is at hand for Penn Cage, his family, and the enemies bent on destroying them in this revelatory volume in the epic trilogy set in modern-day Natchez, Mississippi—Greg Iles's epic tale of love and honor, hatred and revenge

that explores how the sins of the past continue to haunt the present. Shattered by grief and dreaming of vengeance, Penn Cage sees his family and his world collapsing around him. The woman he loves is gone, his principles have been irrevocably compromised, and his father, once a paragon of the community that Penn leads as mayor, is about to be tried for the murder of a former lover. Most terrifying of all, Dr. Cage seems bent on self-destruction. Despite Penn's experience as a prosecutor in major murder trials, his father has frozen him out of the trial preparations--preferring to risk dying in prison to revealing the truth of the crime to his son. During forty years practicing medicine, Tom Cage made himself the most respected and beloved physician in Natchez, Mississippi. But this revered Southern figure has secrets known only to himself and a handful of others. Among them, Tom has a second son, the product of an 1960s affair with his devoted African American nurse, Viola Turner. It is Viola who has been murdered, and her bitter son--Penn's half-brother--who sets in motion the murder case against his father. The resulting investigation exhumes dangerous ghosts from Mississippi's violent past. In some way that Penn cannot fathom, Viola Turner was a nexus point between his father and the Double Eagles, a savage splinter cell of the KKK. More troubling still, the long-buried secrets shared by Dr. Cage and the former Klansmen may hold the key to the most devastating assassinations of the 1960s. The surviving Double Eagles will stop at nothing to keep their past crimes buried, and with the help of some of the most influential men in the state, they seek to ensure that Dr. Cage either takes the fall for them, or takes his secrets to an early grave. Unable to trust anyone around him--not even his own mother--Penn joins forces with Serenity Butler, a famous young black author who has come to Natchez to write about his father's case. Together, Penn and Serenity battle to crack the Double Eagles and discover the secret history of the Cage family and the South itself, a desperate move that risks the only thing they have left to gamble: their lives. Mississippi Blood is the enthralling conclusion to a breathtaking trilogy seven years in the making--one that has kept readers on the edge of their seats. With piercing insight, narrative prowess, and a masterful ability to blend history and imagination, Greg Iles illuminates the brutal history of the American South in a highly atmospheric and suspenseful novel that delivers the shocking resolution his fans have eagerly awaited.

## **Black Cross**

## **I'll Take You There**

The #1 New York Times bestselling author of Mississippi Blood, Greg Iles, keeps the secrets of the South alive in this vibrant novel of infatuation, murder, and sexual intrigue set in his hometown of Natchez, Mississippi. Turning Angel marks the long-awaited return of Penn Cage, the lawyer hero of The Quiet Game, and introduces Drew Elliott, the highly respected doctor who saved Penn's life in a hiking accident when they were boys. As two of the most prominent citizens of Natchez, Drew and Penn sit on the school board of their alma mater, St. Stephen's Prep. When the nude body of a young female student is found near the Mississippi River, the entire community is shocked—but no one more than Penn, who discovers that his best friend was entangled in a passionate relationship with the girl and may be accused of her murder. On the surface, Kate Townsend seems the

most unlikely murder victim imaginable. A star student and athlete, she'd been accepted to Harvard and carried the hope and pride of the town on her shoulders. But like her school and her town, Kate also had a secret life—one about which her adult lover knew little. When Drew begs Penn to defend him, Penn allows his sense of obligation to override his instinct and agrees. Yet before he can begin, both men are drawn into a dangerous web of blackmail and violence. Drew reacts like anything but an innocent man, and Penn finds himself doubting his friend's motives and searching for a path out of harm's way. More dangerous yet is Shad Johnson, the black district attorney whose dream is to send a rich white man to death row in Mississippi. At Shad's order, Drew is jailed, the police cease hunting Kate's killer, and Penn realizes that only by finding Kate's murderer himself can he save his friend's life. With his daughter's babysitter as his guide, Penn penetrates the secret world of St. Stephen's, a place that parents never see, where reality veers so radically from appearance that Penn risks losing his own moral compass. St. Stephen's is a dark mirror of the adult world, one populated by steroid-crazed jocks, girls desperate for attention, jaded teens flirting with nihilism, and hidden among them all—one true psychopath. It is Penn's journey into the heart of his alma mater that gives *Turning Angel* its hypnotic power, for on that journey he finds that the intersection of the adult and nearly adult worlds is a dangerous place indeed. By the time Penn arrives at the shattering truth behind Kate Townsend's death, his quiet Southern town will never be the same.

## **Turning Angel**

The second edition of *Mississippi: A History* features a series of revisions and updates to its comprehensive coverage of Mississippi state history from the time of the region's first inhabitants into the 21st century. Represents the only available comprehensive textbook on Mississippi history specifically for use in college-level courses. Features an engaging narrative mix of topical and chronological chapters. Includes chapter objectives that may be used by professors and students. Offers coverage of Mississippi's major political, economic, social, and cultural developments. Presents two entirely new chapters on important 21st-century developments in Mississippi. Contains expanded coverage of slavery in Mississippi history. Includes completely up-to-date chapter sources, selected bibliography, and subject index.

## **Sleep No More**

Minnesota's caves have a deep history. Carver's Cave is the first to be described in the literature of North America after explorer Jonathan Carver visited it in 1766. The storied Fountain Cave was the birthplace of the city of St. Paul. Just after the American Civil War, Chute's Cave inspired an elaborate national hoax regarding an ancient civilization. Folklore surrounds Petrified Indian Cave, where a strangely shaped stalagmite was mistaken for a person turned to stone. Geologist and urban explorer Greg Brick, PhD, uses decades of research to uncover the secrets of geological wonders.

## **Energy and water development appropriations for 1984**

This is a print on demand edition of a hard to find publication. Hurricane Katrina, in Aug. 2005, was the costliest hurricane as well as one of the five deadliest storms in U.S. history. It caused extensive destruction along the Gulf coast from central Florida to Texas. Some 22,000 Active-Duty Army personnel assisted with relief-and-recovery operations in Mississippi and Louisiana. At the same time, all 50 states sent approx. 50,000 National Guard personnel to deal with the storm's aftermath. Because the media coverage of this disaster tended toward the sensational more than the analytical, many important stories remain to be told in a dispassionate manner. This study offers a dispassionate analysis of the Army's response to the natural disaster by providing a detailed account of the operations in Louisiana and Mississippi.

### **The Devil's Punchbowl**

A man with a secret life risks everything to clear his name in this "ingenious suspense thriller" (The New York Times Book Review) from the bestselling author of the Penn Cage series. By day, Harper Cole trades commodities from his isolated home in the Mississippi Delta. By night he leads quite a different life, serving as a systems operator for an exclusive, anonymous erotic online service that caters to the rich and famous. But now a stranger has penetrated the network's state-of-the-art security, brutally murdering six celebrated female clients. Falsely accused of these horrible crimes, Harper realizes there's only one way to lure the elusive madman offline and into the open. But as he enacts his daring plan, Harper will put everything and everyone he holds dear directly in the path of a brilliant, unstoppable killer

### **Baseball America 2006 Almanac**

Sometimes the price of justice is a good man's soul. The #1 New York Times bestselling author of the Natchez Burning trilogy returns with an electrifying tale of friendship, betrayal, and shattering secrets that threaten to destroy a small Mississippi town. "An ambitious stand-alone thriller that is both an absorbing crime story and an in-depth exploration of grief, betrayal and corruption... Iles's latest calls to mind the late, great Southern novelist Pat Conroy. Like Conroy, Iles writes with passion, intensity and absolute commitment." — Washington Post When Marshall McEwan left his Mississippi hometown at eighteen, he vowed never to

return. The trauma that drove him away spurred him to become one of the most successful journalists in Washington, DC. But as the ascendancy of a chaotic administration lifts him from print fame to television stardom, Marshall discovers that his father is terminally ill, and he must return home to face the unfinished business of his past. On arrival, he finds Bienville, Mississippi very much changed. His family's 150-year-old newspaper is failing; and Jet Talal, the love of his youth, has married into the family of Max Matheson, one of a dozen powerful patriarchs who rule the town through the exclusive Bienville Poker Club. To Marshall's surprise, the Poker Club has taken a town on the brink of extinction and offered it salvation, in the form of a billion-dollar Chinese paper mill. But on the verge of the deal being consummated, two murders rock Bienville to its core, threatening far more than the city's economic future. An experienced journalist, Marshall has seen firsthand how the corrosive power of money and politics can sabotage investigations. Joining forces with his former lover—who through her husband has access to the secrets of the Poker Club—Marshall begins digging for the truth behind those murders. But he and Jet soon discover that the soil of Mississippi is a minefield where explosive secrets can destroy far more than injustice. The South is a land where everyone hides truths: of blood and children, of love and shame, of hate and murder—of damnation and redemption. The Poker Club's secret reaches all the way to Washington, D.C., and could shake the foundations of the U.S. Senate. But by the time Marshall grasps the long-buried truth about his own history, he would give almost anything not to have to face it.

When a psychopathic con man kidnaps Will and Karen Jennings's five-year-old daughter, the couple decides to fight back to save their daughter. Reissue. (A Columbia Pictures film, releasing August 2002, starring Charlize Theron, Kevin Bacon, & Courtney Love) (Suspense)

### **Current Law Index**

This book presents the fullest account yet written of the impact of Hurricane Katrina on the Mississippi Gulf Coast. Rooted in a wealth of oral histories, it tells the dramatic but underreported story of a people who confronted the

unprecedented devastation of sixty-five-thousand homes when the eye wall and powerful northeast quadrant of the hurricane swept a record thirty-foot storm surge across a seventy-five-mile stretch of unprotected Mississippi towns and cities. James Patterson Smith takes us through life and death accounts of storm day, August 29, 2005, and the precarious days of food and water shortages that followed. Along the way the narrative treats us to inspiring episodes of neighborly compassion and creative responses to the greatest natural disaster in American history. The heroes of this saga are the local people and local officials. In often moving accounts, the book addresses the Mississippi Gulf Coast's long struggle to remove a record-setting volume of debris and get on with the rebuilding of homes, schools, jobs, and public infrastructure. Along the way readers are offered insights into the politics of recovery funding and the bureaucratic bungling and hubris that afflicted the storm response and complicated and delayed the work of recovery. Still, there are ample accounts of things done well, and a moving chapter gives us a feel for the psychological, spiritual, and material impact of the eight hundred thousand people from across the nation who gave of themselves as volunteers in the Mississippi recovery effort.

## **NCAA Championships**

From #1 New York Times bestselling author Greg Iles comes the first novel in his Natchez Burning trilogy—which also includes *The Bone Tree* and the upcoming *Mississippi Blood*—an epic trilogy that interweaves crimes, lies, and secrets past and present in a mesmerizing thriller featuring Southern lawyer and former prosecutor Penn Cage. Raised in the southern splendor of Natchez, Mississippi, Penn Cage learned all he knows of duty from his father, Dr. Tom Cage. But now the beloved family doctor has been accused of murdering the African American nurse with whom he worked in the dark days of the 1960s. Once a crusading prosecutor, Penn is determined to save his father, but Tom, stubbornly invoking doctor-patient privilege, refuses even to speak in his own defense. Penn's quest for the truth sends him deep into his father's past, where a sexually charged secret lies. More chilling, this long-buried sin is only one thread in a conspiracy of greed and murder involving the vicious Double Eagles, an offshoot of the KKK controlled by some of the most powerful men in the state. Aided by a dedicated reporter privy to Natchez's oldest secrets and by his fiancée, Caitlin Masters, Penn uncovers a trail of corruption and brutality that places his family squarely in the Double Eagles' crosshairs. With every step costing blood and faith, Penn is forced to confront the most wrenching dilemma of his life: Does a man of honor choose his father or the truth?

## **Mississippi**

Enjoying a happy marriage while remembering an obsessive love affair years earlier with a woman who subsequently died, John Waters encounters a woman with a secret only his ex-girlfriend knows, and when she, too, is killed, Waters' life is enveloped by guilt and suspicion.

## **Mississippi Blood**

“A biography that will send readers back to the music of Mavis and the Staple Singers with deepened appreciation and a renewed spirit of discovery” (Kirkus Reviews, starred review)—from the acclaimed music journalist and author featured prominently in the new HBO documentary *Mavis!* This is the untold story of living legend Mavis Staples—lead singer of the Staple Singers and a major figure in the music that shaped the civil rights era. One of the most enduring artists of popular music, Mavis and her talented family fused gospel, soul, folk, and rock to transcend racism and oppression through song. Honing her prodigious talent on the Southern gospel circuit of the 1950s, Mavis and the Staple Singers went on to sell more than 30 million records, with message-oriented soul music that became a soundtrack to the civil rights movement—inspiring Martin Luther King, Jr. himself. Critically acclaimed biographer and Chicago Tribune music critic Greg Kot cuts to the heart of Mavis Staples’s music, revealing the intimate stories of her sixty-year career. From her love affair with Bob Dylan, to her creative collaborations with Prince, to her recent revival alongside Wilco’s Jeff Tweedy, this definitive account shows Mavis as you’ve never seen her before. *I’ll Take You There* was written with the complete cooperation of Mavis and her family. Readers will also hear from Prince, Bonnie Raitt, David Byrne, and many others whose lives have been influenced by Mavis’s talent. Filled with never-before-told stories, this fascinating biography illuminates a legendary singer and group during a historic period of change in America. “Ultimately, Kot depicts the endurance of Mavis Staples and her family’s music as an inspiration, a saga that takes us, like the song that inspired this book’s name, to a place where ain’t nobody crying” (The Washington Post).

## **Mortal Fear**

A deep river pit in Natchez, Mississippi, reputed to be the hiding spot for Jean Lafitte's hidden treasure and a dumping ground for numerous murder victims, becomes the site of a dangerous showdown for Penn Cage, in a tale beset by racial tension, betrayals and illicit sex. By the author of *Third Degree*. Reprint.

## **The Working Press of the Nation**

From Raina Telgemeier, the #1 New York Times bestselling, multiple Eisner Award-winning author of *Smile and Sisters!* Callie loves theater. And while she would totally try out for her middle school's production of *Moon over Mississippi*, she can't really sing. Instead she's the set designer for the drama department's stage crew, and this year she's determined to create a set worthy of Broadway on a middle-school budget. But how can she, when she doesn't know much about carpentry, ticket sales are down, and the crew members are having trouble working together? Not to mention the onstage AND offstage drama that occurs once the actors are chosen. And when two cute brothers enter the picture, things get even crazier!

## **Broadcasting & Cable Yearbook**

From the #1 New York Times bestselling author of the *Natchez Burning* trilogy—*Natchez Burning*, *The Bone Tree*, and the upcoming *Mississippi Blood*—comes this e-original novella featuring former prosecutor Penn Cage, a story of family secrets and justice denied, plus an excerpt from *Natchez Burning*.

Death is the end, and if a man doesn't speak before it silences him, then his deepest secrets go with him. When a heart attack sends Penn's father, Tom Cage, to the ER, Tom begs that his son be brought to his side to hear a dying declaration. But when Penn arrives, Tom denies ever making the request—keeping his secrets for another day. The emergency hurls Penn back to a chilling case in Houston, where he worked in a DA's office known as the "death factory," which sent more killers to death row than any other in America. While Penn cares for his ailing wife, a tormented forensic technician brings him evidence of a crime lab in chaos, throwing past convictions into doubt and begging Penn to prevent an imminent travesty of justice. With the desperation of a man fighting death in his own home, Penn must find a way to bring the machinery of the death factory to a halt.

## **The Times-picayune Index**

A woman comes face-to-face with a serial killer who glorifies the art of death in this "ingenious"\* thriller from the #1 New York Times bestselling author of the Penn Cage series. They are called "The Sleeping Women." A series of unsettling paintings in which the nude female subjects appear to be not asleep, but dead. Photojournalist Jordan Glass has another reason to find the paintings disturbing...The face on one of the nudes is her own—or perhaps the face of her twin sister, who disappeared and is still missing. At the urging of the FBI, Jordan becomes both hunter and hunted in a search for the anonymous artist—an obsessed killer who seems to know more about Jordan and her family than she is prepared to face
