Girl in the Woods

Maleeka suffers every day from the taunts of the other kids in her class. If they're not getting at her about her homemade clothes or her good grades, it's about her dark, black skin. When a new teacher, whose face is blotched with a startling white patch, starts at their school, Maleeka can see there is bound to be trouble for her too. But the new teacher's attitude surprises Maleeka. Miss Saunders loves the skin she's in. Can Maleeka learn to do the same?

The Prison Memoirs of a Japanese Woman

A doctor specializing in integrative, natural and aesthetic medicine provides a research-based, month-long plan to help women restore their healthy hormone levels to lose weight, improve moods and increase vitality, through lifestyle modifications and nutritional adjustments and supplements.

The Third Rainbow Girl

When Alexandra Kuykendall became a mother it was the beginning of a soul-searching journey that took her into her past and made her question everything she'd experienced--and a lot of what she hadn't. The only daughter of a single, world-traveling mother and an absent artist father, Alexandra shares her unique quest to answer universal questions: Am I lovable? Am I loved? Am I loving? In short, moving episodes, Alexandra transports readers into a life that included a childhood in Europe, a spiritual conversion marked more by questions than answers, a courtship in the midst of a call to be with troubled teens, marriage and motherhood--and always, always, the question of identity. Through her personal journey, women will discover their own path to understanding the shape of their lives and a deeper sense of God's intimate presence within it.

The Skin I'm in

Tying in with the publication of the singer's long-awaited autobiographical sequel--"Still Woman Enough"--this is the original autobiography of the girl from Butcher Holler. of photos.

Girl, Interrupted

Co-founder of the Women's March makes her YA debut in a near future dystopian where a young girl and her brother must escape a xenophobic government to find sanctuary. It's 2032, and in this near-future America, all citizens are chipped and everyone is tracked--from buses to grocery stores. It's almost impossible to survive as an undocumented immigrant, but that's exactly what sixteen-year-old Vali is doing. She and her family have carved out a stable, happy life in small-town Vermont, but when Vali's mother's counterfeit chip starts malfunctioning and the Deportation Forces raid their town, they are forced to flee. Now on the run, Vali and her family are desperately trying to make it to her tía Luna's in California, a sanctuary state that is currently being walled off from the rest of the country. But when Vali's mother is detained before their journey even really begins, Vali must carry on with her younger brother across the country to make it to safety before it's too late. Gripping and urgent, co-authors Paola Mendoza and Abby Sher have crafted a narrative that is as haunting as it is hopeful in envisioning a future where everyone can find sanctuary.

Sanctuary

Just in time for the holidays comes the perfect winter break read! This fun, sweet, wintertime book is filled with humor and romance. The picturesque mountain ski lodge is the perfect place to spend winter break if you have a boyfriend! Otherwise, that cozy leather couch in front of the crackling fire looks a lot less inviting. Good thing that there are lots of cute, blond, sweater-wearing ski instructors around to choose from. This fun, sweet tale of holiday romance on the slopes is the perfect wintertime read!

A Memoir of Lady Colquhoun

In *Wishful Drinking*, Carrie Fisher tells the true and intoxicating story of her life with inimitable wit. Born to celebrity parents, she was picked to play a princess in a little movie called *Star Wars* when only 19 years old. "But it isn't all sweetness and light sabres." Alas, aside from a demanding career and her role as a single mother (not to mention the hyperspace hairdo), Carrie also spends her free time battling addiction and weathering the wild ride of manic depression. It's an incredible tale - from having Elizabeth Taylor as a stepmother, to marrying (and divorcing) Paul Simon, and from having the father of her daughter leave her for a man, to ultimately waking up one morning and finding a friend dead beside her in bed.

Honky Tonk Girl

Outlines a step-by-step program for women to improve health and well-being by

Read PDF Amen Memoir Of A Girl Who Couldnt Stop Praying Among Other Things Abby Sher

addressing the unique needs of the female brain, answering common questions in areas ranging from fertility and menopause to weight and stress.

Nisei Daughter

Tells the stories of three girls who survived sexual slavery and how they are now working to help others who face the same struggle.

Forever and Ever, Amen

A stunning, complex narrative about the fractured legacy of a decades-old double murder in rural West Virginia -- and the writer determined to put the pieces back together. In the early evening of June 25, 1980 in Pocahontas County, West Virginia, two middle-class outsiders named Vicki Durian, 26, and Nancy Santomero, 19, were murdered in an isolated clearing. They were hitchhiking to a festival known as the Rainbow Gathering but never arrived. For thirteen years, no one was prosecuted for the "Rainbow Murders" though deep suspicion was cast on a succession of local residents in the community, depicted as poor, dangerous, and backward. In 1993, a local farmer was convicted, only to be released when a known serial killer and diagnosed schizophrenic named Joseph Paul Franklin claimed responsibility. As time passed, the truth seemed to slip away, and the investigation itself inflicted its own traumas -- turning neighbor against neighbor and confirming the fears of violence outsiders have done to this region for centuries. In *The Third Rainbow Girl*, Emma Copley Eisenberg uses the Rainbow Murders case as a starting point for a thought-provoking tale of an Appalachian community bound by the false stories that have been told about it. Weaving in experiences from her own years spent living in Pocahontas County, she follows the threads of this crime through the complex history of Appalachia, revealing how this mysterious murder has loomed over all those affected for generations, shaping their fears, fates, and desires. Beautifully written and brutally honest, *The Third Rainbow Girl* presents a searing and wide-ranging portrait of America -- divided by gender and class, and haunted by its own violence.

Unleash the Power of the Female Brain

The long-awaited, deeply personal story of one of American music's greatest icons, a remarkable tale of the utmost heights of fame and success, the deepest lows of life's sorrows, and a miraculous return from the brink of death—told as only Randy Travis can. Beloved around the world, Randy Travis has sold more than 25 million albums in both country and gospel and is considered one of the finest performers of his generation, admired by superstars across the musical landscape, from Garth Brooks to Mick Jagger. From a working-class background in North Carolina to a job as a cook and club singer in Nashville to his "overnight success" with his smash 1986 album *Storms of Life*--which launched the neotraditional movement in country music--Randy's first three decades are a true rags-to-riches story. But in 2009, this seemingly charmed life began a downward spiral. His marriage dissolved, he discovered that his finances had unraveled, and his struggles with anger led to alcohol abuse, public embarrassment, and even police arrest in 2012. Then, just as he was putting his life back together, Randy suffered a devastating

Read PDF Amen Memoir Of A Girl Who Couldnt Stop Praying Among Other Things Abby Sher

viral cardiomyopathy that led to a massive stroke which he was not expected to survive. Yet he not only survived but also learned to walk again and in 2016 accepted his induction into the Country Music Hall of Fame by singing the hymn that explains his life today: "Amazing Grace." Filled with never-before-told stories, *Forever and Ever, Amen* is a riveting tale of unfathomable success, great joy, deep pain, and redemption that can come only from above.

Kissing Snowflakes

Renowned songwriter, singer, and wife of Waylon Jennings writes an intimate, enormously entertaining memoir of American music, of life with Waylon and the Outlaws, and of faith lost and found. The daughter of a Pentecostal evangelist and a race-car driver, Jessi Colter played piano and sang in church before leaving Arizona to tour with rock-n-roll pioneer Duane Eddy, whom she married. Colter became a successful recording artist, appearing on *American Bandstand* and befriending stars such as the Everly Brothers and Chet Atkins, while her songs were recorded by Nancy Sinatra, Dottie West, and others. Her marriage to Eddy didn't last, however, and in 1969 she married the electrifying Waylon Jennings. Together, they made their home in Nashville which, in the 1970s, was ground zero for roots music, drawing Bob Dylan, Johnny Cash, Willie Nelson, Kris Kristofferson, Shel Silverstein, and others to the Nashville Sound. And Jessi was at the center of it all, the only woman on the landmark *Wanted: The Outlaws* album, the record that launched the Outlaw Country genre and was the first country album to go platinum. She also tasted personal commercial success with the #1-single "I'm Not Lisa." But offstage, life was a challenge, as Waylon pursued his addictions and battled his demons. Having drifted from the church as a young woman, Jessi returned to her faith and found in it a source of strength in the turmoil of living with Waylon. In the 1980s, Waylon helped launch the super group *The Highwaymen* with Willie Nelson, Johnny Cash, and Kris Kristofferson, and the hits kept rolling, as did Waylon's reckless living. Amid it all, Jessi faithfully prayed for her husband until finally, at Thanksgiving 2001, Waylon found Jesus, just months before he died. *An Outlaw and a Lady* is a powerful story of American music, of love in the midst of heartache, and of faith that sustains.

The Hormone Secret

A Memoir of Elizabeth Fry: by her daughter, Mrs. Francis Cresswell. Abridged from the larger memoir [by Katherine Fry and R. E. Cresswell], with alterations and additions

Forever and Ever, Amen

The Artist's Daughter

When Ayn Carrillo-Gailey confronted her boyfriend about his porn habit, he pronounced her "pornophobic." Determined to prove she wasn't phobic, simply

Read PDF Amen Memoir Of A Girl Who Couldnt Stop Praying Among Other Things Abby Sher

more enlightened, Ayn set out to learn all she could about this phenomenon. Like any good researcher, she added her new quest to her daily To-Do list: 1. Drop off dry cleaning 2. Call Mom 3. Visit sex toy store on Melrose Acting as an amateur anthropologist introduced Ayn to a world populated by everyday people. Her quest aroused the curiosity of her female friends: her knitting group quickly turned into informal information sessions, as the women—single or married, involved or not—were desperate for information. What does XXX mean vs. un-rated? What's the difference between topless dancers and strip clubs? Why is some of it actually not that stimulating? And why are men obsessed with it? Along the way, Ayn ditched the porn-obsessed boyfriend, and learned that one should not try to make change from a stripper's G-string tips, nor is the Hustler store the best place to make a first impression on a hot guy. Pornology is the result of one woman's quest to pierce the veil that modestly covers something many women actually want to know about. Surprising, hilarious, informative, and ultimately non-judgmental, this narrative is one readers won't put down—once they admit they're curious enough to pick it up!

The Jewish Daughter Diaries

Girl in the Woods is Aspen Matis's exhilarating true-life adventure of hiking from Mexico to Canada—a coming of age story, a survival story, and a triumphant story of overcoming emotional devastation. On her second night of college, Aspen was raped by a fellow student. Overprotected by her parents who discouraged her from telling of the attack, Aspen was confused and ashamed. Dealing with a problem that has sadly become all too common on college campuses around the country, she stumbled through her first semester—a challenging time made even harder by the coldness of her college's "conflict mediation" process. Her desperation growing, she made a bold decision: She would seek healing in the freedom of the wild, on the 2,650-mile Pacific Crest Trail leading from Mexico to Canada. In this inspiring memoir, Aspen chronicles her journey, a five-month trek that was ambitious, dangerous, and transformative. A nineteen-year-old girl alone and lost, she conquered desolate mountain passes and met rattlesnakes, bears, and fellow desert pilgrims. Exhausted after each thirty-mile day, at times on the verge of starvation, Aspen was forced to confront her numbness, coming to terms with the sexual assault and her parents' disappointing reaction. On the trail and on her own, she found that survival is predicated on persistent self-reliance. She found her strength. After a thousand miles of solitude, she found a man who helped her learn to love and trust again—and heal. Told with elegance and suspense, Girl in the Woods is a beautifully rendered story of eroding emotional and physical boundaries to reveal the truths that lie beyond the edges of the map.

Because We Are Bad

Breaking Free

Kaneko Fumiko (1903-1926) wrote this memoir while in prison after being convicted of plotting to assassinate the Japanese emperor. Despite an early life of misery, deprivation, and hardship, she grew up to be a strong and independent young woman. When she moved to Tokyo in 1920, she gravitated to left-wing

Read PDF Amen Memoir Of A Girl Who Couldnt Stop Praying Among Other Things Abby Sher

groups and eventually joined with the Korean nihilist Pak Yeol to form a two-person nihilist organization. Two days after the Great Tokyo Earthquake, in a general wave of anti-leftist and anti-Korean hysteria, the authorities arrested the pair and charged them with high treason. Defiant to the end (she hanged herself in prison on July 23, 1926), Kaneko Fumiko wrote this memoir as an indictment of the society that oppressed her, the family that abused and neglected her, and the imperial system that drove her to her death.

Help Me Be a Good Girl Amen

When you hear a riveting story, does it thrill your heart and stir your soul? Do you hunger for truth and goodness? Do you secretly relate to Belle's delight in the library in *Beauty and the Beast*? If so, you may be on your way to being a book girl. Books were always Sarah Clarkson's delight. Raised in the company of the lively Anne of Green Gables, the brave Pevensie children of Narnia, and the wise Austen heroines, she discovered reading early on as a daily gift, a way of encountering the world in all its wonder. But what she came to realize as an adult was just how powerfully books had shaped her as a woman to live a story within that world, to be a lifelong learner, to grasp hope in struggle, and to create and act with courage. She's convinced that books can do the same for you. Join Sarah in exploring the reading life as a gift and an adventure, one meant to enrich, broaden, and delight you in each season of your life as a woman. In *Book Girl*, you'll discover: how reading can strengthen your spiritual life and deepen your faith, why a journey through classic literature might be just what you need (and where to begin), how stories form your sense of identity, how Sarah's parents raised her to be a reader—and what you can do to cultivate a love of reading in the growing readers around you, and 20+ annotated book lists, including some old favorites and many new discoveries. Whether you've long considered yourself a reader or have dreams of becoming one, *Book Girl* will draw you into the life-giving journey of becoming a woman who reads and lives well.

Loretta Lynn

The New York Times bestselling memoir about growing up in small-town Indiana,

Read PDF Amen Memoir Of A Girl Who Couldnt Stop Praying Among Other Things Abby Sher

from the author of *The Solace of Leaving Early*. When Haven Kimmel was born in 1965, Mooreland, Indiana, was a sleepy little hamlet of three hundred people. Nicknamed "Zippy" for the way she would bolt around the house, this small girl was possessed of big eyes and even bigger ears. In this witty and lovingly told memoir, Kimmel takes readers back to a time when small-town America was caught in the amber of the innocent postwar period—people helped their neighbors, went to church on Sunday, and kept barnyard animals in their backyards. Laced with fine storytelling, sharp wit, dead-on observations, and moments of sheer joy, Haven Kimmel's straight-shooting portrait of her childhood gives us a heroine who is wonderfully sweet and sly as she navigates the quirky adult world that surrounds Zippy.

Wishful Drinking

Memoirs of a Broken Hearted Girl

Until the age of ten, Abby Sher was a happy child in a fun-loving, musical family. But when her father and favorite aunt pass away, Abby fills the void of her loss with rituals: kissing her father's picture over and over each night, washing her hands, counting her steps, and collecting sharp objects that she thinks could harm innocent pedestrians. Then she begins to pray. At first she repeats the few phrases she remembers from synagogue, but by the time she is in high school, Abby is spending hours locked in her closet, urgently reciting a series of incantations and pleas. If she doesn't, she is sure someone else will die, too. The patterns from which she cannot deviate become her shelter and her obsession. In college Abby is diagnosed with obsessive-compulsive disorder, and while she accepts this as an explanation for the counting and kissing and collecting, she resists labeling her fiercest obsession, certain that her prayers and her relationship with G-d are not an illness but the cure. She also discovers a new passion: performing comedy. She is never happier than when she dons a wig and makes people laugh. Offstage, however, she remains unable to confront the fears that drive her. She descends into darker compulsions, starving and cutting herself, measuring every calorie and incision. It is only when her earliest, deepest fear is realized that Abby is forced to examine and redefine the terms of her faith and her future. Amen, Amen, Amen is an elegy honoring a mother, father, and beloved aunt who filled a child with music and their own blend of neuroticism. It is an adventure, full of fast cars, unsolved crimes, and close calls. It is part detective story, part love story, about Abby's hunt for answers and someone to guide her to them. It is a young woman's radiant and heartbreaking account of struggling to recognize the bounds and boundlessness of obsession and devotion.

Memoir of Ann H. Judson, Missionary to Burmah

Memoir of the Egypt Exploration Society

All the Ways the World can End by Abby Sher is at times heart wrenching while at others hilarious. Lenny (short for Eleanor) feels like the world is about to end. Her

Read PDF Amen Memoir Of A Girl Who Couldnt Stop Praying Among Other Things Abby Sher

best friend is moving to San Francisco and her dad is dying. To cope with her stress Lenny is making a list of all the ways the world can end—designer pathogens, blood moon prophecies, alien invasion—and stockpiling supplies in a bunker in the backyard. Then she starts to develop feelings for her dad's very nice young doctor—and she thinks he may have feelings for her too. Spoiler alert: he doesn't. But a more age-appropriate love interest might. In a time of complete uncertainty, one thing's for sure: Lenny's about to see how everything is ending and beginning. All at the same time.

Book Girl

Moms who impersonate their daughters on JDate. Moms who try to set their daughters up with celebrities. Moms who can't stop taking selfies with their dogs. Moms who make their daughters' beds while their daughters are still sleeping in the other half. This collection of 28 essays is a heartfelt, hilarious tribute to mom and daughterhood, exploring the often complex, colorful and (at times) claustrophobic relationship. The Jewish Daughter Diaries features stories from some of the most compelling Jewish female voices today, who sound off on what it is like to be loved and adored by a modern-day Jewish mom. Mayim Bialik: "My mother met my bewilderment with a sympathetic glance and a modest recounting of my assets as she saw them. If Barbra Streisand could be so famous and amazing and wonderful with her nose, why should mine be any problem?" Iliza Shlesinger: "I knew my mom was special because once I asked her, "If a witch turned me into a bug, what would you do? Without missing a beat, she said, "I'd put you in my pocket to keep you with me always." Also featuring: Lauren Greenberg, Sari Botton, Abby Sher, Kerry Cohen, Meredith Hoffa, Anna Breslaw, Chaya Kurtz, Iris Bahr, Jena Friedman, Rachel Shukert, Leonara Ariella Nonni Epstein, Jenny Jaffe, Lauren Yapalater, Rebecca Drysdale, Emmy Blotnik, Arianna Stern, Almie Rose, Nadine Friedman, Deb Margolin, Gaby Dunn, Wendy Liebman, Mireille Silcoff, Dylan Joffe, and Mara Altman. The stories in this collection will make you laugh, cry, panic—and finally, pick up the phone. For anyone who has ever been overloved, overprotected or overmothered, this collection will feel like home.

Amen

Born to missionary parents in China, Rebecca Jean discovered life from a perspective few of us has ever known. As a young girl living amidst the ravages of war, she traveled across China, India, and Australia, and as she crossed the Pacific on her way to the United States her ship caught fire. She was only seventeen, but her life of adventure, tragedies and triumphs had only begun. In quiet desperation she discovered the truth of God's word and a relationship with him she never dreamed possible. Years later she returned to China to pick up where her parents left off and authored this book as a memoir. Filled with details from her childhood diary, and vivid images of adventure, you will follow her through the laughter and the tears and her ultimate joy.

Amen, Amen, Amen

On 31 August 2008, Sister Jesme left the Congregation of Mother of Carmel. The

Read PDF Amen Memoir Of A Girl Who Couldnt Stop Praying Among Other Things Abby Sher

authorities repeated attempts to have her declared insane, she says, left her no other option. This book, a first of its kind in India, is an outpouring of her experiences as a nun for thirty-three years. Spirited and fun-loving, from a good family, deeply-rooted in Catholicism, Jesme was drawn to religious life at seventeen after a Retreat at junior college. As a nun, seven years later, she felt distressed at the many ills growing inside the convent and being forced to remain silent about them. There was corruption, by way of donations for college seats; sexual relations between some priests and nuns, and between nuns; class distinctions whereby the cheduthies, or poorer and less-educated sisters, did menial jobs; and a wide gap between comforts and facilities enjoyed by the priests and nuns. Jesme was permitted to complete her doctorate in English Literature, to pursue her passion for literature, cinema and teaching college students. She exposed them to classic films, believing that aesthetics enhances spirituality. But these joys were clouded by the troubles she faced. Searing, sincere, and sensitive, Amen is a plea for a reformation of the Church and comes at a time of its growing concern about nuns and priests. It affirms Jesme's unbroken spirit and faith in Jesus and the Church, living like a nun, but outside the Four Walls of the convent.

Miss You Love You Hate You Bye

A darkly comic and heartbreakingly honest YA novel about finding the courage to help a friend who can't stop hurting herself. Zoe and Hank (short for Hannah) have been inseparable since they met in elementary school. The leader of the pack, Zoe is effortlessly popular while Hank hides comfortably in her shadow. But when Zoe's parents unexpectedly divorce, Zoe's perfect facade starts cracking little by little. Sinking under the weight of her broken family, Zoe develops an eating disorder. Now she must rely on Hank for help. Hank struggles to help Zoe; after all, she is used to agreeing, not leading. How can she help her best friend get better before it's too late? Written partially in letters from Zoe and mostly in narrative from Hank's perspective, Abby Sher's Miss You Love You Hate You Bye is a poignant and eye-opening novel about friendship, mental health, and learning to put yourself first.

Memoirs of a Little Girl

In 1967, after a session with a psychiatrist she'd never seen before, eighteen-year-old Susanna Kaysen was put in a taxi and sent to McLean Hospital. She spent most of the next two years in the ward for teenage girls in a psychiatric hospital as renowned for its famous clientele—Sylvia Plath, Robert Lowell, James Taylor, and Ray Charles—as for its progressive methods of treating those who could afford its sanctuary. Kaysen's memoir encompasses horror and razor-edged perception while providing vivid portraits of her fellow patients and their keepers. It is a brilliant evocation of a "parallel universe" set within the kaleidoscopically shifting landscape of the late sixties. Girl, Interrupted is a clear-sighted, unflinching document that gives lasting and specific dimension to our definitions of sane and insane, mental illness and recovery.

New Books on Women and Feminism

When Robin Romm's *The Mother Garden* was published, *The New York Times Book Review* called her "a close-up magician," saying, "hers is the oldest kind [of magic] we know: the ordinary incantation of words and stories to help us navigate the darkness and finally to hold the end at bay." In her searing memoir *The Mercy Papers*, Romm uses this magic to expand the weeks before her mother's death into a story about a daughter in the moments before and after loss. With a striking mix of humor and honesty, Romm ushers us into a world where an obstinate hospice nurse tries to heal through pamphlets and a yelping grandfather squirrels away money in a shoe-shine kit. Untrained dogs scamper about as strangers and friends rally around death, offering sympathy as they clamor for attention. The pillbox turns quickly into a metaphor for order; questions about medication turn to musings about God. The mundane and spiritual melt together as Romm reveals the sharp truths that lurk around every corner and captures, with great passion, the awe, fear, and fury of a daughter losing her mother. *The Mercy Papers* was started in the midst of heartbreak, and not originally intended for an audience. The result is a raw, unsentimental book that reverberates with humanity. Robin Romm has created a tribute to family and an indelible portrait that will speak to anyone who has ever loved and lost.

Autobiography of a Female Slave

A unique coming-of-age story, this entertaining memoir recounts a young woman's experience becoming a nun in the '60s, a decade of serious change not only for America but also for the Roman Catholic Church. In 1964, 18-year-old Karol Jackowski joined the Sisters of the Holy Cross in Indiana, beginning what would be a seven-year journey towards her final vows. In that time, the Second Vatican Council decided to change liturgy to allow sisters to preside with priests at the altar, permit young nuns to keep their birth names, and modify the traditional black habit, among other advancements meant to put women on equal footing with men. Alongside this, Jackowski writes of her appreciation of the more traditional aspects of her vocation, such as silence, contemplative prayer, and the three-fold vow of poverty, chastity, and obedience. She mixes these lessons with humorous anecdotes—such as the time her high school friends unsuccessfully attempted to smuggle a bag of vodka-laced oranges to her—to craft a memoir marked by both spiritual enlightenment and hilarious candor.

An Outlaw and a Lady

For as long as she could remember, her life has always been in turmoil. With a drug abusing mother and an abusive step father, Sophie, an intelligent, pretty girl, has a desire to escape the hell that her life has become. She successfully hides her scars from the world, but keeps them close to her hardened heart. Trained by the best, Sophie has a short fuse and the skills of a trained killer. Often finding herself unable to tame the monster within, she is tempted by the dark side more times than she can count. Unfortunate circumstances occur in her life, which threaten to pull the darkness that she strives to keep buried deep inside to the surface. Once that darkness is freed, Sophie is unable to recapture it to lock it away. Traumatized by her abusive childhood, haunting memories fuel her inability to love. But soon, Sophie finds her inability to feel challenged when she meets an irresistible man that gives her a glimpse of what falling in love could mean for her life. Stunned by

Read PDF Amen Memoir Of A Girl Who Couldnt Stop Praying Among Other Things Abby Sher

the amount of love that she feels for him, she is finally ready to open her heart and experience true love. Unfortunately for Sophie, life never goes that smoothly for her. Her overbearing, overprotective stepfather has plans for her life that do not include her falling in love. The secrets from her past that she has been harboring have a horrifying hold on her and refuse to remove their grip from her life. Driven by love, lies and murder, she finds herself making decisions that could, in the end cause her to lose everything, when the past comes knocking on her door. She has choices to make. Choices that could either pull her towards love, or pull her deeper into the darkness.

All the Ways the World Can End

Tells the story of a Japanese-American woman growing up in Seattle in the 1930s who was subjected to relocation during World War II

New Books on Women, Gender and Feminism

WASHINGTON POST TOP 50 NON-FICTION BOOK 'Extremely compelling' - The Guardian 'Searing funny, eloquent and honest' - Psychologies 'Remarkable I hope this book finds a wide readership' - Washington Post

As a child, Lily Bailey knew she was bad. By the age of 13, she had killed someone with a thought, spread untold disease, and spied upon her classmates. Only by performing a series of secret routines could she correct her wrongdoing. But it was never enough. She had a severe case of Obsessive Compulsive Disorder, and it came with a bizarre twist. This true story is from a startling new voice in non-fiction. It lights up the workings of the mind like Mark Haddon or Matt Haig. Anyone who wants to know about OCD, and how to fight back, should read this book. Immerse yourself in a new world. Reviews Model and journalist Bailey offers an authentic and stunning account of her struggle with Obsessive Compulsive Disorder in this beautifully-rendered memoir. - Publishers Weekly I laughed, I cried. I could not put this book down. Intensely moving with flashes of black humour, *Because We Are Bad* is the compelling account of one young woman's experience of Obsessive Compulsive Disorder. - Rosanna Greenstreet writes for The Guardian Often as chilling as Sylvia Plath's *The Bell Jar*, but also full of so much inner and external turbulence that it reminded me at times of *The Bourne Identity* and *Memento*. *Because We Are Bad* is an intense heart-rending roller coaster of a book - Will Black, Huffpost UK A harrowingly honest memoir of profound psychological struggle. In her courageous book, the author offers compelling insight into the pain and destructive power of OCD as well as the resilience of a young woman determined to beat the odds. - Kirkus Reviews A fascinating read. It's brilliantly written; I felt inside your head - Ray D'Arcy Show, RTE Radio 1 *Because We Are Bad* is an emotional, challenging read. Lily takes us deep into the heart of the illness but she is also a deft writer, and even the darkest moments are peppered with wit and wry observations. - James Lloyd, OCD-UK Remarkable. She writes with literary poise and a gift for mordant observation and self-deprecating humor that belie her youth. I hope this book finds a wide readership. - Scott Stossel, Washington Post It's a fascinating read Buy the book! Buy the book! - Jo Good, BBC Radio London
