Black Beauty

Heidi (1881) is a children's novel written by Swiss author Johanna Spyri. One of the best-selling books of all time, Heidi is not only a defining work of Swiss literature, but a beloved masterpiece of children's fiction. It was adapted into a 1937 film starring Shirley Temple, and has since gone on to inspire numerous feature films,

television series, and animated works. It is especially popular in Japan, serving as source material for the early hit anime series *Heidi, Girl of the Alps*. Heidi, a young orphan girl, is sent by her aunt to live with her grandfather in the Swiss Alps. A reclusive man, he is known as the Alm-Uncle by the townsfolk he avoids and disdains. Although initially wary of Heidi's presence, he soon softens, learning to love the young girl and to appreciate her inherent goodness and unusual intelligence. Although she wants to go to school, he refuses on account of his distrust of the town and its people. Despite this, Heidi befriends a neighboring family—a young goatherd named Peter, his mother Brigitte, and her elderly mother—who eventually accept her as one of their own. When her aunt Dete returns to take her to Frankfurt, however, her newfound life in the country is exchanged for one of service in the city. There, she works as a companion for Clara, the crippled daughter of a wealthy family. The two become fast friends, and in exchange for her love and affection, Heidi is encouraged to learn reading and writing, as well as to study the teachings of Christianity. She misses the countryside, however, and longs to return to the Swiss Alps once more. Beloved by readers around the world for well over a century, Johanna Spyri's *Heidi* is a classic tale of faith and friendship with lessons for children and adults alike. With a beautifully designed cover and professionally typeset manuscript, this edition of Johanna Spyri's *Heidi* is a classic of Swiss literature and children's fiction reimagined for modern readers.

Gogol is named after his father's favourite author. But growing up in an Indian family in suburban America, the boy starts to hate his name and itches to cast it off, along with the inherited values it represents. Gogol sets off on his own path only to discover that the search for identity depends on much more than a name.

The Lost Laugh

In The Merchant of Venice, the path to marriage is hazardous. To win Portia, Bassanio must pass a test prescribed by her father's will, choosing correctly among three caskets or chests. If he fails, he may never marry at all. Bassanio and Portia also face a magnificent villain, the loan shark Shylock. In creating Shylock, William

Shakespeare seems to have shared in a widespread prejudice against Jews. Shylock would have been regarded as a villain because he was a Jew. Yet he gives such powerful expression to his alienation due to the hatred around him that, in many productions, he emerges as the hero. Portia is most remembered for her disguise as a lawyer, Balthazar, especially the speech in which she urges Shylock to show mercy that "droppeth as the gentle rain from heaven." The Merchant of Venice is an intriguing drama of love, greed, and revenge.

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

'I had placed one [owl] on a branch of the mango tree, and was stooping to pick up the other, when I received quite a heavy blow on the back of my head. A second or two later, the mother owl swooped down at Grandfather, but he was agile enough to duck out of its way.' This is a collection of Ruskin Bond's 'small town' stories. Meet Ranji's wonderful bat which is his lucky charm, along with wacky parrots, ostriches, owls and a number of idiosyncratic characters in other stories. Hold your breath as Romi cycles through a raging forest fire and follow the Boy Scouts on delightful adventures. The Gift of the Magi

As the aspirations of the two rising Asian powers collide, the China-India rivalry is likely to shape twenty-first-century international politics in the region and far beyond. This volume by T.V. Paul and an international group of leading scholars examines whether the rivalry between the two countries that began in the 1950s will intensify or dissipate in the twenty-first century. The China-India relationship is important to analyze because past experience has shown that when two rising great powers share a border, the relationship is volatile and potentially dangerous. India and China's relationship faces a number of challenges, including multiple border disputes that periodically flare up, division over the status of Tibet and the Dalai Lama, the strategic challenge to India posed by China's close relationship with Pakistan, the Chinese navy's greater presence in the Indian Ocean, and the two states' competition for natural resources. Despite these irritants, however, both countries agree on issues such as global financial reforms and climate change and have much to gain from increasing trade and investment, so there are reasons for optimism as well as pessimism. The contributors to this volume answer the following questions: What explains the peculiar contours of this rivalry? What

influence does accelerated globalization, especially increased trade and investment, have on this rivalry? What impact do US-China competition and China's expanding navy have on this rivalry? Under what conditions will it escalate or end? The China-India Rivalry in the Globalization Era will be of great interest to students, scholars, and policymakers concerned with Indian and Chinese foreign policy and Asian security.

The Hunting of the Snark

The Canterville Ghost is a humorous short story by Oscar Wilde. It was the first of Wilde's stories to be published, appearing in two parts in *The Court and Society Review*, 23 February and 2 March 1887. The story is about an American family who move to a castle haunted by the ghost of a dead English nobleman, who killed his wife and was then walled in and starved to death by his wife's brothers. It has been adapted for the stage and screen several times.

The Merchant of Venice

When Yannick learns that he is to stay with his Aunt Mathilde in the South of France, he cannot believe his luck. If the paintings of his mother's beloved Cezanne are to be believed, surely Provence is paradise itself. So begins an idyllic month for the young boy. Then one evening the idyll is spoilt when an important local comes for dinner and Yannick accidentally destroys a precious drawing the man leaves behind. He could never have imagined that his mother's hero, the world-famous Cezanne, would come to his inn, and sit at one of his tables Yannick is devastated by what he has done, and resolves to make things right. But in so doing he makes a surprising discovery."

Sir Lawley's Ghost and Other Stories

Soon to be a major motion picture! Winner of the Newbery Medal and a #1 New York Times bestseller This stirring and unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendships. Inspired by the true story of a captive gorilla known as Ivan, this novel is told from the point of view of Ivan himself. Having spent 27 years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead,

Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. The One and Only Ivan was hailed as a best book of the year by Kirkus, School Library Journal, and Amazon, demonstrating it is a true classic in the making. In the tradition of timeless stories like Charlotte's Web and Stuart Little, Katherine Applegate blends humor and poignancy to create Ivan's unforgettable first-person narration in a story of friendship, art, and hope. An author's note depicts the differences between the fictional story and true events. Plus don't miss The One and Only Bob, Katherine Applegate's return to the world of Ivan, Bob, and Ruby, coming in 2020!

'Go, kiss the world' were Subroto Bagchi's blind mother's last words to him. These words became the guiding principle of his life. Subroto Bagchi grew up amidst what he calls the 'material simplicity' of rural and small-town Orissa, imbibing from his family a sense of contentment, constant wonder, connectedness to a larger whole and learning from unusual sources. From humble beginnings, he went on to achieve extraordinary professional success, eventually co-founding MindTree, one of India's most admired software services companies. Through personal

anecdotes and simple words of wisdom, Subroto Bagchi brings to the young professional lessons in working and living, energizing ordinary people to lead extraordinary lives. Go Kiss the World will be an inspiration to 'young India', and to those who come from small-town India, urging them to recognize and develop their inner strengths, thereby helping them realize their own, unique potential.

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of

tackling the troubling figure of Shylock.
