This adult coloring book contains 36 unique coloring pages based on the charming early twentieth-century textile designs of the Indonesian artist and illustrator Mas Prignadie. Printed on one side of the paper. Imagery includes botanicals, birds and insects incorporated into designs that vary in complexity. The light-weight paper quality of this economy edition makes this coloring book most suitable for use with colored pencils or crayons. Paper does hold up to markers (water or alcohol-based) if a heavy-weight bleeder page is used. Not suitable for use with watercolors.
