Russian Steam Locomotives

This book is an essential handbook for those researching their ancestry in the counties of Cornwall, Devon and Somerset and the city of Bristol. It begins with an introduction to the identity of The West Country, its geography and history over the centuries. It then guides family historians through the wealth of historical records available both online and in archives and libraries in order to add the flesh to the bones of the names of ancestors on their family trees. West Country expert Kirsty Gray highlights fascinating details that can be uncovered about the places where our ancestors lived, their occupations and the distinctive features, identity and character of the West Country itself. She provides case studies of some notable individuals from the counties as well as records of those individuals who never hit the headlines. This practical and informative guide is a must have for readers wishing to find out more about all aspects of life in this area of England.

Leonard's insightful exegesis of Christian history vividly demonstrates the power of personal story to communicate the word of God. He returns to the roots of the Baptist story to find in the lives of John Smyth, Thomas Helwys, and Roger Williams epic examples of the potent presence of the gospel in earthen vessels.

Down the Rhodes

"Undercutting familiar myths about the downhome sources of blues authenticity, Gussow celebrates New York's mongrel blues scene: the artists, the jam sessions, the venues, the street performers, and the eccentrics. Journeyman's Road offers a portrait of the New York subculture struggling with the legacy of 9/11 and healing itself with the blues."--BOOK JACKET.

Electronic and Experimental Music: Technology, Music, and Culture provides a comprehensive history of electronic music, covering key composers, genres, and techniques used in analog and digital synthesis. This textbook has been extensively revised with the needs of students and instructors in mind. The reader-friendly style, logical organization, and pedagogical features of the fifth edition allow easy access to key ideas, milestones, and concepts. New to this edition:

- A companion website, featuring key examples of electronic music, both historical and contemporary.
- Listening Guides providing a moment-by-moment annotated exploration of key works of electronic music.
- A new chapter—Contemporary Practices in Composing Electronic Music.
- Updated presentation of classic electronic music in the United Kingdom, Italy, Latin America, and Asia, covering the history of electronic music globally.
- An expanded discussion of early experiments with jazz and electronic music, and the roots of electronic rock.
- Additional accounts of the vastly under-reported contributions of women composers in the field.
- More photos, scores, and illustrations throughout. The companion website features a number of student and instructor resources, such as additional Listening Guides, links to streaming audio examples and online video resources, PowerPoint slides, and interactive quizzes.

Jazz Guitar Voicings -

From award-winning blues scholar and musician Adam Gussow, a taut, sexy first novel about the summer busking scene in Europe and a pair of wild-hearted young men who make a pitch for fame and glory, finding a girl or two along the way. Busker's Holiday is the story of McKay Chernoff, a Columbia University grad student with a harmonica in his pocket and a

blues band in his background. Desolate and despairing after a disastrous romantic breakup, McKay decides to fly off to Paris and reinvent himself as a street performer. What follows is an epic summer voyage into the busking life, propelled by the mad exploits of Billy Lee Grant, a fearless young guitar shredder whose Memphis-to-Mississippi pedigree and Dylanesque surrealism make him, when he explodes into view, precisely the partner McKay has been yearning for. Burning like a latter-day Dean Moriarty, Bill goads McKay into a sun-drenched, all-night bender, stoked by wine, women, mushrooms, and trains, that careens down out of Avignon and across the French Riviera. What happens next--in Florence, Solingen, Amsterdam, Paris--is a story of purgatory, redemption, and love regained. Hope, in a word, as a modern troubadour returns from his wanderings, reborn.

In this concise and practical volume the authors describe and illustrate step by step all currently available reconstructive surgical techniques. The book covers both dogs and cats with skin defects caused by injury or tumor resection and the reader is given the widest possible range of treatment options for dealing with individual cases. After describing a new protocol for wound management in companion animals, and general, avascular and microvascular reconstructive techniques, the authors deal with specific techniques region by region: facial area and head, eyelids, neck and trunk, forelimb, and hindlimb. Reconstructive Surgery and Wound Management of the Dog and Cat is an accessible overview and a source of practical help to improve treatment of patients with skin wounds. The book incorporates concise text, precise instructions and a wealth of top-quality color images. It will be of value to veterinary practitioners and students alike.

(Book). The Fender Rhodes story is a historical tribute to the electric piano that changed the sound of music. Invented by Harold Rhodes as a rehabilitation tool for soldiers in World War II, the Fender Rhodes piano both revolutionized and empowered musicians to explore a new, electric frontier of music. Through interviews with a remarkable cast of music notables, the book takes an insider's look into how this electric piano played and continues to play an integral role in the creation of a wealth of music, from the 1960s through today. The collection of interviews with Michael Bearden, George Benson, Stanley Clarke, Chick Corea, D'Angelo, Eumir Deodato, George Duke, Larry Dunn, Donald Fagen, Ronnie Foster, Rodney Franklin, Robert Glasper, Jay Graydon, Dave Grusin, Don Grusin, Onaje Allan Gumbs, Ellis Hall, Herbie Hancock, Lalah Hathaway, Rami Jaffee, Bob James, Quincy Jones, Ramsey Lewis, Jeff Lorber, Robin Lumley, Ray Manzarek, Les McCann, Marcus Miller, Steve Molitz, John Novello, David Paich, Jerry Peters, Greg Phillinganes, James Poyser, Patrice Rushen, Joe Sample, Lenny White, Maurice White, Vince Wilburn Jr., Allee Willis, the CBS musical instruments staff, and others provides for a rare glimpse at the music history behind some of the most memorable music of our time.

Jazz Guitar Voicings

The devil is the most charismatic and important figure in the blues tradition. He's not just the music's namesake ("the devil's music"), but a shadowy presence who haunts an imagined Mississippi crossroads where, it is claimed, Delta bluesman Robert Johnson traded away his soul in exchange for extraordinary prowess on the guitar. Yet, as scholar and musician Adam Gussow argues, there is much more to the story of the devil and the blues than these clichéd understandings. In this groundbreaking study, Gussow takes the full measure of the devil's presence. Working from original transcriptions of more than 125 recordings released during the past ninety years, Gussow explores the varied uses to which black southern blues people have put this trouble-sowing, love-wrecking, but also empowering figure. The book culminates with a bold reinterpretation of Johnson's music and a provocative investigation of the way in which the citizens of Clarksdale, Mississippi, managed to rebrand a commercial hub as "the crossroads" in 1999, claiming Johnson and the devil as their own.

Beyond the Crossroads

Have you ever wondered how guitarists like Joe Pass, Jim Hall and Wes Montgomery find such full, luscious voicings for their chord melody playing? Well, much of that sound is based on the "Drop 2" principle of chord voicings. In this book, veteran guitarist Randy Vincent explains exactly how you can get that same sound too. Endorsed by Julian Lage, John Stowell, Larry Koonse, etc.

Rock the Dancefloor

This first book in the Marcelli Sisters of Pleasure Road series features three beautiful sisters, a family steeped in tradition, and a secret from the past that threatens to rock their once perfect worlds. A party planner extraordinaire, Katie Marcelli loves her big, boisterous family—even when their chronic matchmaking drives her crazy! In the Marcelli household, fine wine and good food are as celebrated as true love, so when her eighteen-year-old sister announces her engagement, Katie promises her the perfect wedding. There's only one hitch: the father of the groom, Zach Stryker, who is adamantly opposed to his son marrying so young. Now, despite her instant attraction to the handsome, arrogant attorney, Katie must approach with caution: Zach, who hired Katie for a major fundraiser, holds the fate of her business in his hands—and how can she trust a man who is willing to break her sister's heart? It will take a passionate battle of wills to determine if wedding bells will ring for a Marcelli bride, and to unlock the deepest desires—for family, love, and home—inside a strong-willed man's heart.

Guitar Arpeggio Studies on Jazz Standards, Mimi Fox

A BBW Paranormal Shifter Story Beneath the humdrum facade of a blue-collar town lies a dark and deep-seated secret. The past was supposed to remain buried, but Eliza couldn't help herself. She finds herself in the middle of a conflict that threatens to rear its violent head when two mysterious brothers arrive in town. ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** Eliza lives in the quiet town of Birkbridge, Indiana, where nothing big ever seems to happen. As the daughter of a legendary wartime correspondent, Eliza feels as though she has large shoes to fill. Sadly, her own career as a reporter at the local news station is beginning to feel

dull, and her once-ambitious boss, Jim, is failing to live up to his former appeal in the industry. Instead, he sends Eliza to report on boring, crowd-pleasing events, like their country livestock fair. As if Midwestern life wasn't boring enough already. With the arrival of two handsome brothers, the lives of Eliza and her best friend, Melissa, are shaken to the core. For Eliza, the arrival of this new man, Hayden, becomes a test of her relationship with her current boyfriend, Andrew, who she's been happily living with for over six years. To make matters worse, Eliza also suspects that her mysterious admirer may have more secrets than his calm demeanor reveals. Eliza struggles to negotiate her professional and private life, while also dealing with an adversary from her past. When the opportunity to investigate Hayden's past arises, Eliza simply can't resist; she leaves the normality of her comfortable life behind and takes a leap into the unknown. Does Hayden, a complete stranger, really wield the power to make Eliza reconsider her relationship with Andrew? Read this book to find out what happens.
