NEW YORK TIMES BESTSELLER • A deeply affecting coming-of-age memoir about

family, love, loss, basketball—and life itself—by the beloved author of *The Prince of Tides* and *The Great Santini*. During one unforgettable season as a Citadel cadet, Pat Conroy becomes part of a basketball team that is ultimately destined to fail. And yet for a military kid who grew up on the move, the Bulldogs provide a sanctuary from the cold, abrasive father who dominates his life—and a crucible for becoming his own man. With all the drama and incandescence of his bestselling fiction, Conroy re-creates his pivotal senior year as captain of the Citadel Bulldogs. He chronicles the highs and lows of that fateful 1966–67 season, his tough disciplinarian coach, the joys of winning, and the hard-won lessons of losing. Most of all, he recounts how a group of boys came together as a team, playing a sport that would become a metaphor for a man whose spirit could never be defeated. Praise for *My Losing Season* “A superb accomplishment, maybe the finest book Pat Conroy has written.”—*The Washington Post Book World* “A wonderfully rich memoir that you don’t have to be a sports fan to love.”—*Houston Chronicle* “A memoir with all the Conroy trademarks . . . Here’s ample proof that losers always tell the best stories.”—*Newsweek* “In *My Losing Season*, Conroy opens his arms wide to embrace his difficult past and almost everyone in it.”—*New York Daily News* “Haunting, bittersweet and as compelling as his bestselling fiction.”—*Boston Herald* From the Hardcover edition.

Attitude

On November 15, 1993, a white-haired, 72-year-old gentleman named Dr. Amberry stepped up to the free throw line and into the Guinness Book of World Records by sinking 2,750 shots in a row. He ended his 12-hour streak without a miss, stopping only because they had to close the gym for the night. In *Free Throw*, he reveals his secrets. Beginning with the proper mechanics of the shot, he then explains the importance of the mental game and shares his techniques to help players stay on target even while under pressure. Combining these mental and physical elements, he presents a unique and straightforward 7-step method that teaches readers how to become a 90% free throw shooter. The free throw is the Achilles heel of the basketball player -- many players are great from the floor but lousy at the line. *Free Throw* is the only book to address this important skill. Clearly written, with

principles that are easy to put into practice, it is an indispensable manual for all basketball players and coaches.

your employees, and your family! BELIEVE IN YOU. These four words can mean the difference between a fear of failure and the courage to try." In his previous bestselling books, Coach K has guided readers to success the way he has guided his teams at Duke University - - with the power of his inspirational words and phenomenal leadership skills. But that was with college kids..Now, Coach K has stepped up to take on an entirely new challenge - by volunteering to coach the US Olympic Basketball team. Comprised of some of the biggest NBA stars, Coach K had to work with huge egos and personal rivalries in order to create an American team that could win against the best competition in the world and restore Team USA to the gold standard of basketball. This is more than a celebratory book - it's Coach K's first-hand account of how he dealt with such stars as LeBron James, Kobe Bryant, Carmelo Anthony and all the rest to buy into his "total team" play. Half a book on basketball, half a book on management techniques, THE GOLD STANDARD captures Coach K's personal style and approach to getting different (and sometimes difficult) people to work hard and succeed in reaching a common goal.

Life Is Not an Accident

The story of Duke University's 2000-2001 championship basketball season is one of a young inexperienced team, insurmountable odds, and the visionary coach that brought them to victory.

The Boys from Joes

New York Times Bestseller This big-hearted memoir by the most promising professional basketball player of his generation details his rise to NBA stardom, the terrible accident that ended his career and plunged him into a life-altering depression, and how he ultimately found his way out of the darkness. Ten years ago, Jay Williams was at the beginning of a brilliant professional basketball career. The Chicago Bulls' top draft pick—and the second pick of the entire draft—he had the great Michael Jordan's locker. Then he ran his high-performance motorcycle head-on into a light pole, severely damaging himself and ending his career. In this intense, hard-hitting, and deeply profound memoir, Williams talks about the accident that transformed him. Sometimes, the memories are so fresh, he feels

like he'll never escape the past. Most days, he finds a quiet peace as a commentator on ESPN and as an entrepreneur who can only look back in astonishment at his younger self—a kid who had it all, thought he was invincible, and lost everything . . . only to gain new wisdom. Williams also shares behind the scenes details of life as an All-American. He tells it straight about the scandalous recruiting process and his decision to return to Duke and Coach K—a man who taught him about accountability—to finish his education. He also speaks out about corruption—among coaches, administrators, players, and alumni—and about his time in the NBA, introducing us to a dark underworld culture in the pros: the gambling, drugs, and sex in every city, with players on every team.

Treatment of Depression in Adolescents and Adults

In this “inspiring inside tour of the human toll, and the satisfactions of becoming a cop” (The New York Times), Irish immigrant and retired NYPD homicide detective Luke Waters takes us inside the New York City police department and offers a glimpse at the grit, the glory, and the sometimes darker side of the police force. Growing up in the rough outskirts of northern Dublin at a time when joining the guards, the army, or the civil service was the height of most parents’ ambitions for their children, Luke Waters knew he was destined for a career in some sort of law enforcement. Dreaming of becoming a police officer, Waters immigrated to the United States in search of better employment opportunities and joined the NYPD. Despite a successful career with one of the most formidable and revered police forces in the world, Waters’s reality as a cop in New York was a far cry from his fantasy of serving and protecting his community. Over the course of a career spanning more than twenty years—from rookie to lead investigator, during which time he saw New York transform from the crack epidemic of the nineties to the low crime stats of today—Waters discovered that both sides of the law were entrenched in crooked culture. Balanced with wit and humor, NYPD Green features

colorful characters Waters has met along the way as well as a “surprisingly frank” (Kirkus Reviews) and critical look at the darker side of police work. A multifaceted and engaging narrative about the immigrant experience in America, Waters’s story is also one of personal growth, success, and disillusionment—a rollicking journey through the day-to-day in the New York Police Department.
