A love story that can only end in tragedy She was never part of the plan. She was never to become anything. She was simply a payment, and once the debt was settled, she would be nothing to me. She thought her life had changed in a blink of an eye the moment she came home to see her father strapped to a chair, a gun being held to his head. It was my life that changed that day, not hers. They say the truth will set you free I thought she had betrayed me in ways I never expected, but in the end, it was I who had committed the ultimate betrayal. Doubts ruin, truths hurt, and just one lie can destroy an entire army. If being the king has taught me anything, it's that everyone desires the truth, but no one wants to be honest. The monster inside of me has been set free, and I will stop at nothing to destroy my enemies. I am a living, breathing, killing machine This war has just begun.

I essentially became the laughing stock of the town. People that I once called my friends became my enemies. They were finding a way to ruin my life one day at a time. Now the shitty part is I should have known a pretty boy like him was too good to be true. After ruining my reputation and life I did everything I could to stay under the radar, but it just wasn't enough. I slowly learned that all the torment and hate was all for one thing. Revenge. That's what Corey wanted, and why I didn't know. Then Rex Winchester came along. Corey's cousin and someone I knew I shouldn't be getting close with. A whole six feet of hotness, a smile that melted the panties off of every girl in a fifty mile radius, and a heart of gold. He could have anyone he wanted, so why he chose me Corey's ex, the bullied, slutty girl was beyond me. All I knew was that I wanted him. I wanted him more than anything. The problem was, I couldn't tell if Rex was just like Corey or if his intentions were as innocent as he was making them out to be. be the one thing that would hurt me the most. What happens when the one thing you least expect to happen does? What happens when all the lies and all the secrets come out?

Famine. Death. War. Pestilence. These are the harbingers of the biblical apocalypse, of the End of the World. In science fiction, the end is triggered by less figurative means: nuclear holocaust, biological warfare/pandemic, ecological disaster, or cosmological cataclysm. But before any catastrophe, there are people who see it coming. During, there are heroes who fight against it. And after, there are the survivors who persevere and try to rebuild. THE APOCALYPSE TRIPTYCH will tell their stories. Edited by acclaimed anthologist John Joseph Adams and bestselling author Hugh Howey, THE APOCALYPSE TRIPTYCH is a series of three anthologies of apocalyptic fiction. THE END IS NIGH focuses on life before the apocalypse. THE END IS NOW turns its attention to life during the apocalypse. And THE END HAS COME focuses on life after the apocalypse. THE END IS NIGH features all-new, never-before-published works by Hugh Howey, Paolo Bacigalupi, Jamie Ford, Seanan McGuire, Tananarive Due, Jonathan Maberry, Scott Sigler, Robin Wasserman, Nancy Kress, Charlie Jane Anders, Ken Liu, and many others.

The Rogue King

Fredric Jameson sweeps from the Renaissance to The Wire High modernism is now as far from us as antiquity was for the Renaissance. Such is the premise of Fredric Jameson's major new work in which modernist works, this time in painting (Rubens) and music (Wagner and Mahler), are pitted against late-modernist ones (in film) as well as a variety of postmodern experiments (from SF to The Wire, from "Eurotrash" in opera to Altman and East German literature): all of which attempt, in their different ways, to invent new forms to grasp a specific social totality. Throughout the historical periods, argues Jameson, the question of narrative persists through its multiple formal changes and metamorphoses.

Bittersweet Revenge

The history of nations is a history of haves and have-nots, and as we approach the millennium, the gap between rich and poor countries is widening. In this engrossing and important new work, eminent historian David Landes explores the complex, fascinating and often startling causes of the wealth and poverty of nations. The answers are found not only in the large forces at work in economies: geography, religion, the broad swings of politics, but also in the small surprising details. In Europe, the

invention of spectacles doubled the working life of skilled craftsmen, and played a prominent role in the creation of articulated machines, and in China, the failure to adopt the clock fundamentally hindered economic development. The relief of poverty is vital to the survival of us all. As David Landes brilliantly shows, the key to future success lies in understanding the lessons the past has to teach us - lessons uniquely imparted in this groundbreaking and vital book which exemplifies narrative history at its best.

The how of Happiness

Broken. Dead. Failure. That's what I felt every time I looked in the mirror. Depression. Sadness. Anger. That's what others saw if they were smart enough to

see past my facade. Knowing what I felt inside, I would I have to agree. I was on a path of destruction. Some would I say I was my own downfall waiting to happen. A man drowning himself in alcohol and loose women. That's what I had become. After all, that's all I was good for. Until Alzerro King f*cked up my day. One sentence completely altered my world. Hiding someone while working with the FBI was the last thing I wanted to do. Then I meet her. Isabella Vincenzo. Hurt. Beat. Fragile. I wasn't a victim. I wasn't prey to the monsters that lurked in the dark- at least that's what I told myself. Trouble had found me, I was sold to the mafia by my family. I was now property of the drug cartel ran by the Russian Mafia, and to be sold to the highest bidder. What happened was never to be expected. Somewhere in the middle of the USA I'm being kept. Hidden. Held against my will from the monsters. Little did I know, I traded one monster for another. Will Jared and Isabella save each other or will the murkiness that has tainted their lives pull them deeper into the darkness? Sometimes all we need is someone else to be our light in the moments of complete darkness. Sometimes love can smother the injustice.
