The Boat of a Million Years

When the ancient evil of the Blackbringer rises to unmake the world, only one determined faerie stands in its way. However, Magpie Windwitch, granddaughter of the West Wind, is not like other faeries. While her kind live in seclusion deep in the forests of Dreamdark, she's devoted her life to tracking down and recapturing devils escaped from their ancient bottles, just as her hero, the legendary Bellatrix, did 25,000 years ago. With her faithful gang of crows, she travels the world fighting where others would choose to flee. But when a devil escapes from a bottle sealed by the ancient Djinn King himself- the creator of the world- she may be in over her head. How can a single faerie, even with the help of her friends, hope to defeat the impenetrable darkness of the Blackbringer? At a time when fantasy readers have an embarrassment of riches in choosing new worlds to fall in love with, this first novel by a fresh, original voice is sure to stand out.

The Witch's Mirror

This bundle includes the complete Faerie Sworn series: 3 novels plus 1 novella THE WILD HUNT People believe faeries aren't real. They're wrong. Lily Boyd always thought her grandmother was a little eccentric. She never suspected the old rhymes and children's games the old woman taught her when she was a kid were anything but colorful tradition, and when her mother moved the family to Manchester and forbade her from returning to the Scottish Highlands, she just forgot the ancient tales. However, when she returns years later to help her grandmother after she's been injured in an accident, the memories start to trickle back... along with the unexplainable. Lily's grandmother is gone. Strange creatures, dark and terrible, have invaded her home. Her savior is darker, more terrible than those who would have killed her, and he has his own agenda, his own goals. Troy's her only lead, but can she trust him? Can she learn the rules of his game before losing everything she cares about? Don't give a faerie your name. Don't give them your thanks. And never, ever give them your trust... THE WILD CURSE Faeries play a game mortals cannot win or can they? Lily Boyd has made many mistakes: she has trusted blindly, she has freely given her name and she has indebted herself to faeries both dark and light. It seems she's already lost the game, but she still has one winning card up her sleeve: the Wild Horn, the one item of power that can summon the unstoppable Wild Hunt. With the balance between Seelie and Unseelie Courts in her hands, Lily must wisely choose her allies: should she side with Cadowain, the light Knight who swore to help her find her missing grandmother? Or should she keep trusting Troy, the dark Trickster who has the power to command her at will through her True Name? Either way, Lily needs to keep her head and formulate a plan to find her grandmother before it's too late. She needs to remind the immortal faeries that she, too, is willing to play and they're not unbeatable. When playing for the win, do not lose sight of what you're willing to sacrifice FAERIE HEARTS How far would you go for vengeance? After losing his one true friend to treachery and deceit, Troy is willing to go to great lengths to ensure the only other person that ever held an interest for him has a chance of survival. Even if doing so means risking the wrath of the Unseelie Queen, entering into impossible bargains and stirring secrets buried long before Time was born. How much would you risk for curiosity? Troy might be a solitary fae who despises the games of court, but he is also the Unseelie Trickster. When he chooses to play, he always wins. No odds are truly insurmountable. THE WILD HERALD Beware the broken ones. They have nothing to lose. Lily's gambit failed and the fallout is devastating. She misplaced her trust, betrayed the one who least deserved it and gave up the Wild Horn. She has lost. Unfortunately, Lily doesn't have time to mourn for her mistakes. The most powerful weapon known to Fay and men alike is on its way to the Seelie Queen's hands, and if it reaches its destination, war will ravage both Courts. The only one who can stop the unraveling of the eternal balance between Summer and Winter is the Wild Herald. Lily Boyd adopted that name once. Now she must embrace it. With Troy by her side and under Marast's protection, she needs to outplay everyone

and master the secrets of the Wild Hunt before it's too late. But are the Unseelie Trickster and the Hunter enough to stand against two Queens, and to unmake a legend? Beware those who broke and learned to stand up again. They will not lose

Fae Archaic

The Fairy-Faith in Celtic Countries is a study by W. Y. Evans-Wentz, American anthropologist who studied Celtic mythology and folklore. He performed ethnographic fieldwork collecting fairy folklore in Wales, Scotland, Ireland, Cornwall, Brittany, and the Isle of Man, and in this book he published his degree thesis. His goal was to elucidate the phenomenon of the Celtic belief in fairies. Some of the theories he came across are that the fairies were a cloistered race of dwarfs, that they are a product of our imagination, or that they are incorporeal spirits.
