Cambridge IGCSE® Combined and Co-ordinated Sciences Biology Workbook

Collins Cambridge IGCSE(r) Maths Student Book Second Edition provides in-depth coverage of every aspect of the latest Cambridge IGCSE(r) Mathematics 0580 syllabus for examination from 2015 onwards. We are working with Cambridge International Examinations towards endorsement of this title. The resource covers the Core and Extended curriculum. Support and challenge students with the Core curriculum and Extended curriculum together in one book. This also aids transition from Core to Extended. Help students to prepare for examination with Cambridge questions from previous papers. Develop problem solving with flagged questions that require students to apply their skills, often in real life, international contexts. Cover the curriculum with confidence with clear references to what students will learn at the start of every chapter. See what level students are working at with all questions labelled Core or Extended. Emphasise the relevance of maths with 'Why this chapter matters' showing maths in

Cambridge IGCSE Computer Science

Prospective homeschoolers are parents looking for an alternative to the mainstream educational system for their offspring. But homeschooling children at high school level strikes fear into even the most dedicated of homeschoolers. They need information and answers to their questions. And with the current educational and unemployment problems in South Africa, young people need clear direction and guidance to help them achieve their goals. In addition to exploring the popular ways to gaining a recognised matric certificate outside the formal school system, Homeschooling High School also challenges readers to rethink their values, particularly the value they

place on certification, and to consider some unconventional or alternative paths to success. In a clearly presented format, the book includes advice on legal matters, identifying appropriate courses, sourcing study material, tips on entrepreneurship, financing tertiary studies and the testimonies of successful homeschooled graduates. Homeschooling High School is a comprehensive guide to plotting a path through high school and beyond.
