Computers ahead is a series of 8 books recommended for use by students in classes 3 to 10. It offers a learning-based hands-on approach to the subject. Here are some salient features of the books meant for classes IX and X. More in-depth treatment as compared to other books. While the books are based on the CBSE syllabus, the author has not hesitated to go a little beyond, wherever necessary, to achieve completeness. For example, a chapter on queries, reports and forms (Chapter 5; Class X) has been added in the database section to enable students to retrieve meaningful information from a database. The books focus on practical applications and skills rather than on theoretical knowledge. That is, they have a beyond-the-classroom approach. "Lab work offers interesting exercises for practical learning as well as understanding and reinforces the concepts. It also provides an overview on tackling day-to-day work and business situations."
