If one asks, how Vedanta can be made practical in our

day-to-day life, here is a book published by Advaita Ashrama, a publication centre of Ramakrishna Math, Belur Math, India, which provides the answer. It contains some of the most important lectures delivered by Swami Vivekananda in London regarding the application of Vedanta in our daily lives. Highly practical, this book helps the readers to bring about a deep transformation in their lives by spiritualizing their every moment and movement.

World Geography

World Geography provides a coherent and organized geography of the world as we now know it - where we are. It studies how people are distributed over the earth, how they make their living from it, and how they transform it. Various geographical regions of the world have been discussed in eighteen chapters with individual nations within each of these regions. Written in a logical, cogent and convincing style, the principles of brevity and clarity have been followed all through the book. Combining informative text with a wealth of latest data, maps and illustrations, this attempt offers a comprehensive coverage of almost all the countries of the world in a single volume. It is hoped that this compact, yet wide-ranging, account will be of immense help to the students and teachers alike.

History of Modern India presents an authoritative overview of the history of what was known as British India. The text is largely based on the author's research on nationalism and colonialism in India and also draws from the works of eminent historians of the period. Challenging and revising colonial and nationalist interpretations of history, this book moves away from a largely political narrative to a social, economic and religious history of modern India. It explains how conditions in India during the eighteenth century helped the British East India Company

establish its rule in India. It also gives us important insights into the primary aim of colonial rule which was the economic exploitation of India through trade and investment. The topics are arranged thematically in order to showcase the various forces that went into the making of independent India. However, in the entire arrangement of themes, the chronology of the period is enmeshed innovatively with the various forces that evolved both as a cause and effect of British imperialist rule of the subcontinent. The book also provides a detailed account of the nationalist movement and introduces us to the contributions of different individuals who were behind the nationalist movement. A comprehensive textbook for students of history and interested readers, History of Modern India is essential reading for a broad based understanding of the making of modern India.

Chhattisgarh Public Service Commission, known commonly as CGPSC is a state government agency of Chhattisgarh state, responsible for conducting Civil Services examinations and Competitive Examinations to select the eligible candidates for various civil services and departmental posts. Every year Chhattisgarh Public Service Commission conducts CGPSC examination to recruit the eligible candidates in Grade A and Grade B jobs under Chhattisgarh State government. These Grade A and Grade B jobs are State Civil Service, CG Subordinate Account Service Officer, State Finance Service Officer, Assistant Director, State Police Service, Assistant Superintendent (Land Records), Labor Officer, Deputy Registrar and Assistant Jail Superintendent. CGPSC 2020 exam will be conducted in Three Phases : Prelims, Mains and Interview. There will be two papers in preliminary exam paper I and Paper II. Paper I consists of GS questions and is for 200 marks and

Paper II consists of aptitude questions and is for 200 marks to be solved in 2 hours. In mains examination there will be VII compulsory papers.
