Well, Rosie Shalhoub--a life-long, dedicated, die-hard fan of Chocolate--has developed a system that proves that while you may have reason to love chocolate, chocolate, in its own way, loves you right back! What better high can you get than the one that comes from knowing you're on the right track in life--all because you've chosen to heed the advice of chocolate! Who would have thought?! Offering 70 different 'types' of chocolate, including a variety of chocolate sorts, variations on the chocolate theme, chocolate flavours and centres and chocolate-worthy occasions, the CHOCOLATE LOVER'S MESSAGE CARDS are a 70-card affirmation deck offering the reader clear instructions for use. By turning the card over, the reader is offered a three-phase message that explains the meaning of the chocolate, the 'action' the chocolate is suggesting we take to improve or enhance our life, and an affirmation that helps still the mind and lull the reader into a state of spiritual and emotional confirmation, insight and healing.

### **The Paleo Chocolate Lovers' Cookbook**

With a cast of characters that wouldn't be out of place in a Victorian novel, *Chocolate Wars* tells the story of the great chocolatier dynasties, through the prism of the Cadburys. Chocolate was consumed unrefined and unprocessed as a rather bitter, fatty drink for the wealthy elite until the late 19th century, when the Swiss discovered a way to blend it with milk and unleashed a product that would conquer every market in the world. Thereafter, one of the great global business rivalries unfolded as each chocolate maker attempted to dominate its domestic market and innovate new recipes for chocolate that would set it apart from its rivals. The contest was full of dramatic contradictions: The Cadburys were austere Quakers who found themselves making millions from an indulgent product; Kitty Hershey could hardly have been more flamboyant yet her husband was moved by the Cadburys tradition of philanthropy. Each was a product of their unique time and place yet they shared one thing: they want to make the best chocolate in the world.

## **Passion and Ponies**

When Sarah Westwood's deadbeat husband deserts her and their young son, she takes a job at her family's restaurant, The Three Chocolatiers, working with her famous chef grandfather and her pastry chef cousin, Paisley. Determined to never fall for the wrong guy again, Sarah vows to stick to chocolate and steer clear of men, especially her delicious ice-cream supplier, Blake Harrison. But when Paisley signs her up for a dating site, Sarah is soon engaging in a sexy online flirtation with a stranger. Blake Harrison wants nothing more than for Sarah to give him a chance, but all she'll give him is the cold shoulder. Never one to run from a challenge, he works on becoming the kind of man Sarah can't refuse. And since he just happens to be on the same dating site, he's not above using a little cyber-intel to worm his way into her heart. When Sarah's grandfather collapses just weeks before an upscale chocolate-themed wedding that could make or break the business, the staff of The Three Chocolatiers is sent into a tailspin. With the pressure rising on personal and professional fronts, Sarah might just have to let someone sweet melt her defenses. Includes four recipes from The Three Chocolatiers Cookbook.
