Cleopatra

Kristiana Gregory returns with a stunning new sequel to the bestselling Dear America title THE WINTER OF RED SNOW! Abigail Jane Stewart returns in this brand-new sequel to THE WINTER OF RED SNOW. The Revolutionary War toils on, but the Stewart family can no longer avoid getting involved. Abby's father joins the Continental Army, while Abby, her mother, and her siblings become camp followers. They face daily hardships alongside the troops and continue to spend time helping the Washingtons. Filled with romance and adventure, Abby's frontline view of the war captures the heartache and bravery of the soldiers, as well as the steep cost of freedom.

Lily of the Nile

"The Luxe" meets the ancient world in the extraordinary story of Cleopatra's daughter. Selene has grown up in a palace on the Nile with her parents, Cleopatra & Mark Antony--the most brilliant, powerful rulers on earth. But the jealous Roman Emperor Octavianus wants Egypt for himself, & when war finally comes, Selene faces the loss of all she's ever loved. Forced to build a new life in Octavianus's household in Rome, she finds herself torn between two young men and two possible destinies--until she reaches out to claim her own. This stunning novel brings to life the personalities & passions of one of the greatest dramas in history, & offers a wonderful new heroine in Selene.

CLEOPATRA

The Pulitzer Prize-winning biographer brings to life the most intriguing woman in the history of the world: Cleopatra, the last queen of Egypt. Her palace shimmered with onyx, garnets, and gold, but was richer still in political and sexual intrigue. Above all else, Cleopatra was a shrewd strategist and an ingenious negotiator. Though her life spanned fewer than forty years, it reshaped the contours of the ancient world. She was married twice, each time to a brother. She waged a brutal civil war against the first when both were teenagers. She poisoned the second. Ultimately she dispensed with an ambitious sister as well; incest and assassination were family specialties. Cleopatra appears to have had sex with only two men. They happen, however, to have been Julius Caesar and Mark Antony, among the most prominent Romans of the day. Both were married to other women. Cleopatra had a child with Caesar and--after his murder--three more with his protégé. Already she was the wealthiest ruler in the Mediterranean; the relationship with Antony confirmed her status as the most influential woman of the age. The two would together attempt to forge a new empire, in an alliance that spelled their ends. Cleopatra has lodged herself in our imaginations ever since. Famous long before she was notorious, Cleopatra has gone down in history for all the wrong reasons. Shakespeare and Shaw put words in her mouth. Michelangelo, Tiepolo, and Elizabeth Taylor put a face to her name. Along the way, Cleopatra's supple personality and the drama of her circumstances have been lost. In a masterly return to the classical sources, Stacy Schiff here boldly separates fact from fiction to rescue the magnetic queen whose death ushered in a new world order. Rich in detail, epic in scope, Schiff's is a luminous, deeply original reconstruction of a dazzling life.

Cleopatra

Few personalities from classical antiquity are more familiar yet more poorly grasped than Cleopatra (69-30 BC), queen of Egypt. In this work, Duane Roller has written the definitive biography of the queen, not as a figure in popular culture or even in the arts and literature of the last 500 years, but as the last Greek queen of Egypt.

Eleanor, Crown Jewel of Aquitaine

Before Julius Caesar before Marc Antony she was Cleopatra, Princess of the Nile, growing up in a climate of danger where sisters can also be assassins, and her pet leopard stalks the garden at night. Princess Cleopatra just cannot keep away from the marble tomb of Alexander the Great she hopes that one day people will call her 'Great'.

Cleopatra Unconquered

Cleopatra VII Philopator was the last active ruler of the Ptolemaic Kingdom of Egypt, nominally survived as pharaoh by her son Caesarion. She was also a diplomat, naval commander, polyglot, and medical author. As a member of the Ptolemaic

dynasty, she was a descendant of its founder, Ptolemy I Soter, a Macedonian Greek general and companion of Alexander the Great.

Inside you'll read about

- Rome comes to Egypt
- Sibling rivalry
- Caesar and Cleopatra
- Assassination
- Antony and Cleopatra
- An Alexandrian idyll
- Dusk approaches

And much more!

Julius Caesar maintained a private affair with Cleopatra that produced a son, Caesarion (Ptolemy XV). When Caesar was assassinated Cleopatra attempted to have Caesarion named as his heir, but this fell instead to Caesar's grandnephew Octavian. In the Liberators' civil war Cleopatra sided with the Roman Second Triumvirate formed by Octavian, Mark Antony, and Marcus Aemilius Lepidus. Cleopatra had an affair with Antony that would eventually produce three children: Alexander Helios, Cleopatra Selene II, and Ptolemy Philadelphus. Octavian's forces invaded Egypt and defeated those of Antony, leading to his suicide. When Cleopatra learned that Octavian planned to bring her to Rome for his triumphal procession, she committed suicide by poisoning, the popular belief being that she was bitten by an asp.

The Reign of Cleopatra

Few other civilizations rival Ancient Egypt in its power to capture the modern imagination, and Cleopatra VII, monarch at the end of the Ptolemaic period, has always been preeminent among its cast of characters. Coming to power just before the unstable state was about to be absorbed into an autocratic empire, Cleopatra oversaw not only Egypt's progress as an influential regional power but also the fragile peace of its ethnically mixed population. Michel Chauveau looks at many facets of life under this queen and her dynasty, drawing on such sources as firsthand accounts, numismatics, and Greek, Demotic, and hieroglyphic inscriptions. His use of such sources helps to free the narrative of dependence on later (and usually

hostile) Greek and Roman historians. By taking up such subjects as funeral customs, language and writing, social class structure, religion, and administration, he affords the reader an unprecedented and comprehensive picture of Greek and Egyptian life in both the cities and the countryside. Originally published in French in 1997, *Egypt in the Age of Cleopatra* fulfills a long-standing need for an accessible introduction to the social, economic, religious, military, and cultural history of Ptolemaic Egypt. --Denise Doxey, Museum of Fine Arts, Boston. *Religious Studies Review*, Vol. 28, No. 3, July 2002

Cleopatra Rules!

Award-winning author Carolyn Meyer's *ANASTASIA* is back in print with a gorgeous new package! Thirteen-year-old Anastasia is the youngest daughter of Czar Nicholas II, ruler of Russia. Anastasia is used to a life of luxury; her major concerns are how to get out of her detested schoolwork to play in the snow, go ice-skating, or have picnics. She wears diamonds and rubies, and every morning her mother tells her which matching outfit she and her three sisters shall wear that day. It's a fairy tale life -- until everything changes with the outbreak of war between Russia and Germany. As Russia enters WWI, hunger and poverty grows among the peasants, and soon they are not pleased with their ruler. While the czar is trying to win a war and save their country, the country is turning on the royal family. When her father and the rest of the family are imprisoned by the Bolsheviks, suddenly Anastasia understands what this war is costing the people. In the pages of her diary, Anastasia chronicles the wealth and luxury of her royal days, as well as the fall from power, and her uncertain fate.

Jahanara, Princess of Princesses

Cleopatra the Great tells the story of a turbulent time and the extraordinary woman at its centre. She was Greek by descent ? the last, and greatest, Egyptian pharaoh. But our understanding of her has been obscured by Roman propaganda, Shakespearean tragedy and Hollywood, with little attempt to tell her true story ? until now. In the first biography for over thirty years, Joann Fletcher draws on a wealth of overlooked detail and the latest research to reveal Cleopatra as she truly was, from her first meeting with Julius Caesar to her legendary death by snakebite. Bringing the ancient world to life, *Cleopatra the Great* is full of tantalising details about the Pharaoh's infamous banquets, her massive library, her goddess outfits, beauty regimes and hairstyles. Joann Fletcher discovers the real woman behind the myth.

Mummy Cat

The extraordinary daughter of Cleopatra and Mark Antony seeks to reclaim her birthright in the first novel of an epic historical fiction trilogy from the New York Times bestselling author of *America's First Daughter*. From the first breath of her

life, young Princess Selene understands herself to be a cherished daughter and the future queen of Egypt. But when Alexandria falls and her parents are forced into suicide, the once-pampered princess and her two surviving brothers are left at the mercy of their captors and dragged through the streets of Rome in chains. Trapped in an empire that reviles her heritage and is suspect of her faith, Selene struggles for survival in a court of intrigue. She can't hide the hieroglyphics that carve themselves into her hands, nor can she stop the Roman emperor from using her powers for his own ends. Faced with a new and ruthless Caesar who is obsessed with having a Cleopatra of his very own, Selene is determined to resurrect her mother's dreams and succeed where she failed. But there's no telling what success will cost her in a treacherous political game where the only rule is win or die.

Plutarch: Life of Antony

Presents the life of the last Egyptian queen, who survived internal politics to become the powerful ruler of her country and was linked to two famous Roman leaders, Julius Caesar and Marc Antony.

Cleopatra VII, Daughter of the Nile

Written in a diary-style format, this work presents the experiences and feelings of the young queen-to-be while providing informative facts about her homelife, family and royal environment. 90,000 first printing.

Elizabeth

This riveting narrative explores the lives of six remarkable female pharaohs, from Hatshepsut to Cleopatra--women who ruled with real power--and shines a piercing light on our own perceptions of women in power today. Female rulers are a rare phenomenon--but thousands of years ago in ancient Egypt, women reigned supreme. Regularly, repeatedly, and with impunity, queens like Hatshepsut, Nefertiti, and Cleopatra controlled the totalitarian state as power-brokers and rulers. But throughout human history, women in positions of power were more often used as political pawns in a male-dominated society. What was so special about ancient Egypt that provided women this kind of access to the highest political office? What was it about these women that allowed them to transcend patriarchal obstacles? What did Egypt gain from its liberal reliance on female leadership, and could today's world learn from its example? Celebrated Egyptologist Kara Cooney delivers a fascinating tale of female power, exploring the reasons why it has seldom been allowed through the ages, and why we should care.

Cleopatra's Moon

September AD 81. Flavia and her friends learn of the mysterious and sudden death of the Emperor Titus. Was his death natural? Or was it murder? As the four detectives investigate this mystery, they little dream how much their lives - as well as the future of Italy - will be changed as a result.

Cleopatra of Egypt

Experience the sumptuous wealth and the unforgettable drama within the Moghul Dynasty of seventeenth-century India through Newbery Honor- author Kathryn Lasky's diary of Princess Jahanara. In the 1600s, the Moghul emperors of India were among the greatest and most superb rulers of the East. Jahanara is the daughter of one of these powerful figures, Shah Jahan, The Magnificent. A lover of refinement, his courts are of the finest architecture, priceless painting, unbelievable gardens, and ultra-fabulous wealth. Jahanara, the oldest and favorite of his children, is showered with emeralds and diamonds and rubies. She is attended by numerous servants and learned tutors. But her world is not one of complete

Daughters of the Nile

Queen Cleopatra Selene becomes involved in the imperial plots and intrigue of Rome when Augustus Caesar demands that her children be raised there, instead of the kingdom of Mauretania in the conclusion to the trilogy following Song of the Nile. Original. 35,000 first printing.

Cleopatra

She was the last ruler of the Macedonian dynasty of Ptolemies who had ruled Egypt for three centuries. Highly educated (she was the only one of the Ptolemies to read and speak ancient Egyptian as well as the court Greek) and very clever (her famous liaisons with Julius Caesar and Mark Antony were as much to do with politics as the heart), she steered her kingdom through impossibly taxing internal problems and railed against greedy Roman imperialism. Stripping away preconceptions as old as her Roman enemies, Joyce Tyldesley uses all her skills as an Egyptologist to give us this magnificent biography.

Cleopatra VII

Anastasia: The Last Grand Duchess, Russia, 1914

Daughter of a fallen queen, young Princess Elizabeth lives a complicated and dangerous life. She fears her father's famous temper but loves him dearly - she would trade all her jewels just to be noticed by him! As the royal family moves palaces, court intrigue swirls around the young princess, under the threat of a French invasion

Mara, Daughter of the Nile

Fabled for her sexual allure and cunning intelligence, Cleopatra VII of Egypt has fascinated generations of admirers and detractors since her tumultuous life ended in suicide on Octavian's capture of Egypt in 30 BC. The last of the Ptolemaic monarchs who had ruled Egypt as Hellenistic Greek kings and Egyptian pharaohs for 300 years, Cleopatra created her own mythology, becoming an icon in her own lifetime and even more so after her death. This book explores the ways in which she was depicted in antiquity, within the context of the iconography of contemporary coinage, statues and other images of Egyptian, Greek and Roman rulers, and then examines the image of Cleopatra from the Renaissance to modern times, as seen in plays, opera, painting, ceramics and even jewellery. Exciting new research has revealed seven Egyptian-style statues believed to represent Cleopatra, and two portraits probably commissioned in Rome while she lived there with Julius Caesar.

When We Were Gods

An engaging, accessible biography of the legendary Egyptian queen, with source documents Ambitious, intelligent, and desired by powerful men, Cleopatra VII came to power at a time when Roman and Egyptian interests increasingly concerned the same object: Egypt itself. Cleopatra lived and reigned at the center of this complex and persistent power struggle. Her legacy has since lost much of its former political significance, as she has come to symbolize instead the potent force of female sexuality and power. In this engaging and multifaceted account, Stanley M. Burstein displays Cleopatra in the full manifold brilliance of the multiple cultures, countries, and people that surrounded her throughout her compelling life, and in so doing develops a stunning picture of a legendary queen and a deeply historic reign. Designed as an accessible introduction to Cleopatra VII and her time, *The Reign of Cleopatra* offers readers and researchers an appealing mix of descriptive chapters, biographical sketches, and annotated primary documents. The narrative chapters conclude with a discussion of Cleopatra's significance as a person, a queen, and a symbol. A glossary and annotated bibliography round out the volume.

Kaiulani

Readers can embark on an extraordinary journey to Southern China in the 6th century A.D. where they will meet sixteen-

year-old Ch'iao Kuo, a born leader called Red Bird, whose bravery and brilliance is unrivaled.

Hear My Sorrow

Dear America: Cannons at Dawn

Forced to drop out of school at the age of fourteen to help support her family, Angela, an Italian immigrant, works long hours for low wages in a garment factory, and becomes a participant in the shirtwaist worker strikes of 1909.

The Memoirs of Cleopatra

Cleopatra, Queen of Egypt, was also a scholar, murderer, lover of Julius Caesar and Mark Antony and one of the most remarkable women in history. The distinguished historian and classicist Michael Grant confirms that her reputation as a temptress was well-founded. However, by unravelling the sources behind the tangle of myth, gossip and invention he shows that the popular image of a wayward woman opting for a life of sensuous luxury and neglecting her affairs of state is far from the truth. A brilliant linguist and the first of her Greek-speaking dynasty who learned Egyptian, she was reputed to be the author of treatises on agriculture, make-up and alchemy. Her love affairs were carefully calculated to further her plans to restore her empire to its former greatness and she was a ruthless foe to all who stood in her way. But dead on her golden couch in the palace at Alexandria her life seemed to have ended in failure; her dreams of empire shattered; her lover Mark Antony a suicide himself and she a prisoner of her conqueror Octavian. An unforgettable portrait of an extraordinary queen and her stormy life.

Cleopatra

From the internationally bestselling author of Nefertiti comes the tumultuous story of Antony and Cleopatra's daughter, Selene. The marriage of Marc Antony and Cleopatra is one of the greatest love stories of all time, a tale of unbridled passion with earth-shaking political consequences. When the lovers choose to die by their own hands, their three orphaned children are taken in chains to Rome; only two—the ten-year-old twins Selene and Alexander—survive the journey. Delivered to the household of Octavian's sister, the siblings cling to each other and to the hope that they will return one day to their rightful place on the throne of Egypt. Recounted in Selene's youthful and engaging voice, Moran introduces a compelling cast of historical characters: Octavia, the emperor Octavian's kind and compassionate sister, abandoned by Marc Antony for Cleopatra; Livia, Octavian's bitter and jealous wife; Marcellus, Octavian's handsome, flirtatious nephew and heir apparent;

Tiberius, Livia's sardonic son and Marcellus's great rival for power; and Juba, Octavian's watchful aide, whose honored position at court has far-reaching effects on the lives of the young Egyptian royals. Selene's narrative is animated by the concerns of a young girl in any time and place—the possibility of finding love, the pull of friendship and family, and the pursuit of her unique interests and talents. And as Selene and Alexander come of age, they are buffeted by the personal ambitions of Octavian's family and court, by the ever-present threat of slave rebellion, and by the longings and desires deep within their own hearts. Based on meticulous research, *Cleopatra's Daughter* is a fascinating portrait of imperial Rome and of the people and events of this glorious and most volatile period in human history. Emerging from the shadows of the past, Selene, a young woman of irresistible charm and preternatural intelligence, will capture your heart.

Cleopatra

Newbery Honor author Kathryn Lasky's *MARIE ANTOINETTE* is back in print with a gorgeous new package! To forge an incredibly powerful political alliance, thirteen-year-old Marie Antoinette of Austria is betrothed to Dauphin Louis Auguste, who will one day be the king of France. To prepare her for this awesome responsibility, she must be trained to write, read, speak French, dress, act . . . even breathe. Things become more difficult for her when she is separated from her family and sent to the court of Versailles to meet her future husband. Opinionated and headstrong Marie Antoinette must find a way to fit in at the royal court, and get along with her fiancé. The future of Austria and France falls upon her shoulders. But as she lives a luxurious life inside the palace gates, out on the streets the people of France face hunger and poverty. Through the pages of her diary, Marie captures the isolation, the lavish parties and gowns, her struggle to find her place, and the years leading up her ascendance of the throne . . . and a revolution.

Cleopatra's Daughter

Bestselling novelist Margaret George brings to life the glittering kingdom of Cleopatra, Queen of the Nile, in this lush, sweeping, and richly detailed saga. Told in Cleopatra's own voice, *The Memoirs of Cleopatra* is a mesmerizing tale of ambition, passion, and betrayal in the ancient Egyptian world, which begins when the twenty-year-old queen seeks out the most powerful man in the world, Julius Caesar, and does not end until, having survived the assassination of Caesar and the defeat of the second man she loves, Marc Antony, she plots her own death rather than be paraded in triumph through the streets of Rome. Most of all, in its richness and authenticity, it is an irresistible story that reveals why Margaret George's work has been widely acclaimed as "the best kind of historical novel, one the reader can't wait to get lost in." (San Francisco Chronicle).

Julius Caesar and Cleopatra VII

Decoding SEO the right way is a book which can take you places - especially to the first page of search engine results. From shoes to submarines, everything can be sold on the internet provided you know the secret of selling online. SEO or Search Engine Optimization is a huge part of this secret. Understanding SEO is therefore critical to your online success. You will learn about various SEO white hat or ethical techniques in this book. You will be able to dominate search results by using the secret sauce which you learn to mix into your website. This secret sauce consists of terms like keywords, backlinks, authority, online and offline optimization. You will learn about each of these in detail. But the purpose of this book goes beyond learning SEO terms. Its objective is to give you the big picture. Its goal is to provide you with the tools to dominate the search engine results pages by decoding SEO secrets. Many books on SEO merely complicate and confuse readers. You get a feeling that SEO is a massive task you are not capable of executing. This is a false notion. This book on Decoding SEO the right way will show you how optimization is only a process from which you can benefit enormously. Go ahead, read the book and get enlightened.

Cleopatra

Mara is a proud and beautiful slave girl who yearns for freedom in ancient Egypt, under the rule of Queen Hatshepsut. Mara is not like other slaves; she can read and write, as well as speak the language of Babylonian. So, to barter for her freedom, she finds herself playing the dangerous role of double spy for two arch enemies-each of whom supports a contender for the throne of Egypt. Against her will, Mara finds herself falling in love with one of her masters, the noble Sheftu, and she starts to believe in his plans of restoring Thutmose III to the throne. But just when Mara is ready to offer Sheftu her help and her heart, her duplicity is discovered, and a battle ensues in which both Mara's life and the fate of Egypt are at stake.

When Women Ruled the World

The exciting true story of Egypt's most famous queen! Cleopatra Thea Philopator refused to do what she was told. In an age where patriarchy denied full citizenship to even the most elite of Roman women, Cleopatra ruled her Egypt determined to keep it independent and free from Roman control -- at any price necessary. Demonized as a simple seductress by Gaius Julius Caesar Octavianus (the future Caesar Augustus) and his political allies, Cleopatra VII proved herself the equal to three of the most powerful men of the Roman world: Gaius Julius Caesar, Marcus Antonius, and Octavian Caesar. Includes a detailed timeline, suggested reading list/bibliography, and a special Easter egg for science fiction fans.

Herbs and Healers from the Ancient Mediterranean through the Medieval West

Accessible and affordable illustrated biography

Cleopatra the Great

After being forcibly annexed by the U.S., the Hawaiian people turn to the young Princess Kaiulani in the hopes that their toppled monarchy can be restored.

The Man from Pomegranate Street

The first book of three in a richly imagined ancient world where the course of history is altered by one battle. In this world, Antony and Cleopatra triumph at the Battle of Actium, and Cleopatra emerges as a queen, stateswoman, and politician. Those around her come to life as the reader returns to those days to live them with her.

The Royal Diaries: Marie Antoinette: Princess of Versailles, Austria-France, 1769

The story of Cleopatra VII of Egypt, her bold plot to woo Julius Caesar in order to save her country, and her wild affair with Marc Antony, Caesar's protégé and successor.

My Story: Cleopatra

Herbs and Healers from the Ancient Mediterranean through the Medieval West brings together eleven papers by leading scholars in ancient and medieval medicine and pharmacy. Fittingly, the volume honors Professor John M. Riddle, one of today's most respected medieval historians, whose career has been devoted to decoding the complexities of early medicine and pharmacy. "Herbs" in the title generally connotes drugs in ancient and medieval times; the essays here discuss interesting aspects of the challenges scholars face as they translate and interpret texts in several older languages. Some of the healers in the volume are named, such as Philotas of Amphissa, Gariopontus, and Constantine the African; many are anonymous and known only from their treatises on drugs and/or medicine. The volume's scope demonstrates the breadth of current research being undertaken in the field, examining both practical medical arts and medical theory from the ancient world into early modern times. It also includes a paper about a cutting-edge Internet-based system for ongoing academic collaboration. The essays in this volume reveal insightful research approaches and highlight new discoveries that will be of interest to the international academic community of classicists, medievalists, and early-modernists because of the scarcity of publications objectively evaluating long-lived traditions that have their origin in the world of the ancient Mediterranean.

Lady of Ch'iao Kuo

This edition will be of interest to all Greek scholars, ancient historians, and also the students of English literature since the relevant discussions require no knowledge of Greek.

Antony and Cleopatra

"Mummy Cat prowls his pyramid home, longing for his beloved owner. As he roams the tomb, lavish murals above his head display scenes of the cat with his young Egyptian queen. Hidden hieroglyphs deepen the tale and are explained in an informative author's note"--

Antony and Cleopatra

Re-creates the life and loves of the storied queen as she ascends the throne of Egypt, embarks on passionate love affairs with Julius Caesar and Mark Antony, and struggles with the intrigues of the Roman Empire.

Egypt in the Age of Cleopatra

The diary of Eleanor, first daughter of the duke of Aquitaine, from 1136 until 1137, when at age fifteen she becomes queen of France. Includes historical notes on her later life.
