Humanism and the Culture of Renaissance Europe

Written by a classroom AP European History teacher who has taught both in the U.S. and abroad, Barron's AP European History Premium is updated to reflect the latest scoring rubrics and exam framework. You'll get the comprehensive content review and practice you need to be prepared for the exam. This premium edition features: Two full-length practice tests in the book to help you apply the knowledge you learned in class Three full-length practice tests online A comprehensive review of European history, starting with Europe during the Italian Renaissance and progressing to Europe in the twenty-first century Practice multiple-choice, short-answer, and essay questions with answers following each chapter Extensive charts that summarize Europe's history Content presented in easily digestible bulleted lists, peppered throughout commentary text This edition has been refined to closely match the exam content now that the new course curriculum has been in practice for two full academic years.

CliffsNotes AP European History Cram Plan

Europe's second Thirty Years' War—an epoch of blood and ashes Fire and Blood looks at the European crisis of the two world wars as a single historical sequence: the age of the European Civil War (1914–1945). Its overture was played out in the trenches of the Great War; its coda on a ruined continent. It opened with conventional declarations of war and finished with “unconditional surrender.” Proclamations of national unity led to eventual devastation, with entire countries torn to pieces. During these three decades of deepening conflicts, a classical interstate conflict morphed into a global civil war, abandoning rules of engagement and fought by irreducible enemies rather than legitimate adversaries, each seeking the annihilation of its opponents. It was a time of both unchained passions and industrial, rationalized massacre. Utilizing multiple sources, Enzo Traverso depicts the dialectic of this era of wars, revolutions and genocides. Rejecting commonplace notions of “totalitarian evil,” he rediscovers the feelings and reinterprets the ideas of an age of intellectual and political commitment when Europe shaped world history with its own collapse.

Cambridge International AS Level European History 1789-1917

PREMIUM PRACTICE FOR A PERFECT 5—WITH THE MOST PRACTICE ON THE MARKET! Ace the 2021 AP European History Exam with this Premium version of The Princeton Review's comprehensive study guide. ASAP European History: A Quick-Review Study Guide for the AP Exam

"A handbook for hunting and punishing witches to assist the Inquisition and Church in exterminating undesirables. Mostly a compilation of superstition and folklore, the book was taken very seriously at the time it was written in the 15th century and became a kind of spiritual law book used by judges to determine the guilt of the accused"--From publisher description.

The Malleus Maleficarum

Discusses the best methods of learning, describing how rereading and rote repetition are counterproductive and how such techniques as self-testing, spaced retrieval, and finding additional layers of information in new material can enhance

learning.

A History of Western Society: From antiquity to the Reformation

"This comprehensive study guide offers a crash course for the the official AP European History Exam. Includes detailed test information, helpful review, and essential practice to help you prepare." --

- Subject reviews that include test tips and chapter-end quizzes
- Full-length model practice exam with answers and explanations

Study Manual for European History

The economic history of revolutionary France is still a neglected area in studies of the revolution of 1789. While some attention has been given to the condition of the peasants, the urban working classes and the financial crisis of the Ancien Régime, there has been a general tendency to regard economic factors as external and somewhat peripheral to the truly political nature of the Revolution. This book is designed to redress the balance, providing a clear, accessible and thought-provoking guide to the economic background to the French Revolution. Professor Aftalion analyzes the policies followed by successive Revolutionary assemblies, examining in detail taxation, the confiscation of church property, the assignats, and the siege economy of the Terror. He shows how decisions taken in 1789 by the Constituent Assembly inevitably led to a deepening financial and economic crisis, and to increasingly radical and disastrous policies. The study is important also for its exposure of many of the economic fallacies propounded both by many Frenchmen at the time, and later by many modern historians.

AP World History

How Roman law has influenced European legal and political thought from antiquity to the present day.

AP U.S. History

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Princeton Review AP European History Premium Prep, 2021

A History of the Modern World is a careful, well-written narrative of major events

from the late Middle Ages to the political and religious conflicts at the beginning of the twenty-first century. It offers a wide-ranging survey that helps readers understand both the complexities of great events (e.g., the French Revolution, the First World War, or the collapse of great imperial systems) and the importance of historical analysis. It also provides a careful summary of the modern political changes that have affected the social and cultural development of all modern cultures. Throughout the book's lifetime, *A History of the Modern World* has been hailed as an elegantly written historical narrative, filled with analysis and balanced historical insights as well as its traditional attention to the processes of historical change, conflict, and political transformations. The tenth edition has been updated to include the clear maps, the survey of global economic connections, the chronologies, the illustrations, and the up-to-date bibliographies that today's students need and expect. - Publisher.

CliffsAP European History

Provides test-taking strategies, a subject review, and two full-length practice tests.

The Complete Idiot's Guide to European History, 2e

The AP World History course and test are being overhauled in 2019-2020. This revised edition captures the latest College Board test changes, which include a reduction in the time range covered by the exam (now 1200 CE to present; was previously 8000 BCE to present.) For students specifically looking to brush up on AP World History content right before the exam--or to cram in a course's worth of topic review in a short time--our ASAP Exam book is a perfect fit! This book includes a brief structure and tips overview, but the real emphasis is on need-to-know content review, not strategy or practice. With key topic lessons and lots of charts, timelines, outlines, mnemonics, call-out boxes, and critical terms & dates lists, it's also perfectly positioned for visual learners.

Cracking the AP Psychology Exam, 2019 Edition

Available in both one-volume and two-volume paperback editions, *A History of Modern Europe* presents a panoramic survey of modern Europe from the Renaissance to the present day. A seasoned teacher and talented historian, Professor John Merriman offers a carefully crafted narrative that guides students through a vast amount of complex material, integrating the many aspects of the European experience into a larger, interconnected whole. A full ten percent shorter than its predecessor, the Second Edition has tightened organization throughout to make room for recent research and descriptions of the current issues and events that define Europe's role in the world today.
