Glory & Fame

Philosophy begins with wonder, according to Plato and Aristotle. Yet Plato and Aristotle did not expand a great deal on what precisely wonder is. Does this fact alone not raise curiosity in us as to why this passion or concept is important? What is wonder's role in science, philosophy, or theology except to end thinking or theorizing as soon as one begins? The primary purpose of this book is to show how seventeenth- and eighteenth-century developments in natural theology, metaphysics, epistemology, ethics, aesthetics, and the philosophy of science resulted in a complex history of the passion of wonder—a history in which the elements of continuation, criticism, and reformulation are equally present. *Philosophy Begins in Wonder* provides the first historical overview of wonder and changes the way we see early modern Europe. It is intended for readers who are curious—who wonder—about how modern philosophy and science were born. The book is for scholars and educated readers alike.

Fame and Glory in Freedom, Georgia

Thinking and Learning to Think

7 short stories, each written with a moral. Why! Bad things happen to good people, and where to turn to when you find your surroundings has all else fail. Some times the answer is right in front of your face. Crisis and he meets himself. Another story shows one mans unfaithfulness to his spouse by being haunted at the mere presence of an old crush. One kid is fed up with being ripped off and

decides to take charge by turning the tables in his own favor.

The Crayon

FAME ON YOU is a self-help parody book that is written in quick-reading, step-by-step chapters intended to spoof America's obsession with fame.

Fields of Fame & Glory

Discourses on Livy is the founding document of modern republicanism, and Harvey C. Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the Discourses reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and orders" that continue to shape the modern ethos. "[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the Discourses, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic."—Peter Stothard, *The Times* "Translated with painstaking accuracy—but also great readability."—*Weekly Standard* "A model of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice."—*Choice*

Will a spelling bee be the answer to all of Bird's problems? All her life, all Bird has ever wanted is to be noticed in her small town and to get to Disney World. As it turns out, Bird just might have a chance to realize at least one of her goals because of a state spelling bee, and she might get to make a friend along the way – a boy named Harlem Tate who has just moved to Freedom. Harlem seems like a kindred spirit – someone like Bird, whom people don't usually take the time to find the good in. (Unless it's someone like Miss Delphine, who always makes Bird feel special.) But as much as Bird tries to get his attention, Harlem is not easily won over. Then Harlem agrees to be her partner in the spelling bee, and if they study hard enough, the two might just win everything Bird's always wanted. In Barbara O'Connor's funny new novel, a spunky young girl discovers that sometimes all it takes to feel famous is a little recognition from true friends. *Fame and Glory in Freedom, Georgia* is a 2004 Bank Street - Best Children's Book of the Year. This title has Common Core connections.

Four Days to Glory

Arguing about the merits of players is the baseball fan's second favorite pastime and every year the Hall of Fame elections spark heated controversy. In a book that's sure to thrill--and infuriate--countless fans, Bill James takes a hard look at the

Hall, probing its history, its politics and, most of all, its decisions.

For Fame and Glory

Morning Glory

Jay Borschel and Dan LeClere aspire to be four-time high school wrestling champions in Iowa.

On to Nicollet

Girl, Woman, Other

Josie loves hottie Ethan Lancaster, the captain of the basketball team, but she never can do or say the right thing in front of him. So how can it be fair that Ethan is only interested in her best friend, Cami, when Cami isn't even trying for his affection? Or is she? Cami dreams of winning her basketball team's coveted MVP award, and earning the chance to take the court during a special halftime demonstration with WNBA star Rebecca Lobo, but her best friend, Josie, is a better player. So how can it be fair that Josie is a shoo-in for the honor if she is barely interested in basketball in the first place and isn't even trying to be the best? Or is she? Told from two points of view, this novel of freshman life, love, and the pursuit of free throws displays the same delightful humor as *Playing the Field* and *All's Fair in Love, War, and High School*.

Discourses on Livy

A twenty-first century reckoning with the legendary Texas Rangers that does justice to their heroic moments while also documenting atrocities, brutality, oppression, and corruption The Texas Rangers came to life in 1823, when Texas was still part of Mexico. Nearly 200 years later, the Rangers are still going--one of the most famous of all law enforcement agencies. In *Cult of Glory*, Doug J. Swanson has written a sweeping account of the Rangers that chronicles their epic, daring escapades while showing how the white and propertied power structures of Texas used them as enforcers, protectors and officially sanctioned killers. *Cult of Glory* begins with the Rangers' emergence as conquerors of the wild and violent Texas frontier. They fought the fierce Comanches, chased outlaws, and served in the U.S. Army during the Mexican War. As Texas developed, the Rangers were called upon to catch rustlers, tame oil boomtowns, and patrol the perilous Texas-Mexico border. In the 1930s they began their transformation into a professionally trained police force. Countless movies, television shows, and pulp novels have celebrated the Rangers as Wild West supermen. In many cases, they deserve their plaudits. But often the truth has been obliterated. Swanson demonstrates how the Rangers and their supporters have operated a propaganda machine that turned agency disasters and misdeeds into fables of triumph, transformed murderous rampages--including the killing of scores of Mexican civilians--into valorous feats, and elevated scoundrels to sainthood. *Cult of Glory* sets the record straight.

Download Ebook Fame Glory And Other Things On My To Do List Janette Rallison

Beginning with the Texas Indian wars, *Cult of Glory* embraces the great, majestic arc of Lone Star history. It tells of border battles, range disputes, gunslingers, massacres, slavery, political intrigue, race riots, labor strife, and the dangerous lure of celebrity. And it reveals how legends of the American West--the real and the false--are truly made.

Summa Theologica, Volume 2 (Part II, First Section)

An Urban Tale Detective Bronson (aka DB) & his partner Detective Mitchell are lead detectives in Washington, D.C.'s Homicide Division. In one month they come across several murders that are linked together in more ways than one. Meanwhile Bleek (aka Dajuan), Detective Bronson's son, is a decent student and a star athlete. The absence of his deceased mother, and a father who's consumed by his career & new love interest, is slowly changing his life. So he clings to his closest friends, and his girlfriend Tykia for love & sense of family. An unexpected twist turns the case upside down & leaves Detective Bronson with one of the toughest choices in his life.

The New Testament World

Selected from sermons delivered by C. S. Lewis during World War II, these nine addresses offer guidance and inspiration in a time of great doubt. These are ardent and lucid sermons that provide a compassionate vision of Christianity.

Notes on Fame

A small band of armed insurgents fell upon Quebec in the winter of 1775. They were sent north to liberate the Canadians, but they were abandoned in the snow, denied reinforcements, and driven up the river and out of Canada. The officers and men of the Separate Army formed their brotherhood in the anguish of their defeat, established their association following the joy of victory at Saratoga, and by doing so, launched a pervasive culture and unique lifestyle that flourished in their clubs and dominated the halls of power in the state and nation unto the second and third generation. This is a tale of the second generation, the generation that followed the American Revolution. They lived in a time of uncertainty and crisis; a time when men and women struggled against convention to find out if a nation derived from deceit, created by rebellion, and governed by greed could long survive. It's the story of a young man with a desire for success and talent for trouble who stumbles forth upon a quest for personal fame and glory in the years of political intrigue, war, and conspiracy that marked the beginning of the American Empire.

Fortune and Glory

Will a spelling bee be the answer to all of Bird's problems? All her life, all Bird has ever wanted is to be noticed in her small town and to get to Disney World. As it turns out, Bird just might have a chance to realize at least one of her goals because of a state spelling bee, and she might get to make a friend along the way - a boy named Harlem Tate who has just moved to Freedom. My Fame, His Fame

A free preview collection of essays from Tom Payne, author of *FAME* We may regard celebrities as deities, but that does not mean we worship them with deference. From prehistory to the present, humanity has possessed a primal urge first to exalt the famous but then to cut them down (Michael Jackson, anyone?). Why do we treat the ones we love like burnt offerings in a ritual of human sacrifice? Perhaps because that is exactly what they are. In this collection of essays, Tom Payne -- of the website Popcropolis and the "trenchant, unsettling, and darkly hilarious" *Fame* (New York Times Book Review) -- draws the narratives of the past and the immediate present into one intriguing story. **INCLUDES AN EXCERPT FROM FAME!**

Retake Your Fame

High school junior Jessica uses the arrival of a new boy to further her schemes of winning her ex-boyfriend back and becoming the next big Hollywood movie star. Reprint.

Celebrity, Fame, and Infamy in the Hellenistic World

Baseball was different in earlier days—tougher, rawer, more intimate—when giants like Babe Ruth and Ty Cobb ran the bases. In the monumental classic *The Glory of Their Times*, the golden era of our national pastime comes alive through the vibrant words of those who played and lived the game.

New-Church Messenger

For the Glory

From Fernanda Torres, the celebrated Brazilian actress and bestselling author of *The End*, comes a riotous tragicomedy of a famed actor's path from national sex symbol to cult icon to raving madman after a disastrous performance as King Lear. Mario Cardoso's meteoric rise to fame begins in the early sixties, when the promise of sex and revolution permeates the Rio air. But as he conquers the stage, arthouse cinema, and primetime TV, the fever and the decadence of stardom take their toll, and middle-aged Mario finds himself with an ebbing reputation, hairline, and bank account. He needs a royal comeback. Enter King Lear. Mario's turn as Shakespeare's mad monarch goes well until he's overtaken by a fit of laughter that

gets more demented with each performance. Forced to cancel the show, he's confronted with his mother's unstaged madness—she's now convinced that Mario is in fact her long-departed husband. Broke and desperate, Mario signs on for an evangelical network production: Sodoma. Yet, as low as he's fallen, Mario's final set is one he never imagined. With the wicked humor and fleet-footed pace that made her novel *The End* a runaway bestseller in Brazil, Fernanda Torres's *Glory* and its *Litany of Horrors* is a razor-sharp take on the uneasy marriage of Art and the marketplace, and on the profession of acting in all its horror and glory. Praise for *The End*: "The End, a riotous, sex-stuffed novel by Torres, which takes Technicolor pleasure in detailing the deaths of five incorrigible old beach bums of the Bossa Nova generation.... Her five men, whom she kills off in reverse chronology, are 'united by male allegiance, women, and the beach, in that order'. With America undergoing a mass reckoning with male sexuality, a novel like this feels both taboo and gleeful, a guilty kind of reprieve." —Hermione Hoby, *The New Yorker* "The intense but tenuous bonds of male friendship give shape and structure to this energetic, impressive debut from acclaimed Brazilian actress Torres. Set against the vivid backdrop of Copacabana, the episodic novel follows five contentious and devoted friends—Ciro, Silvio, Neto, Alvaro, and Ribeiro—from the hedonistic nights of their youth to the humbling days of old age. Beginning with the violent death of Alvaro, the group's last surviving member, the story meticulously works its way back through the complicated lives of each friend, culminating with the operatic death of Hiro, who retains a spark of youth until his last moments. Torres paints a sharp, intimate portrait of male sexuality and psychology (including the experience of aging), illuminating the friends' profound differences (such as between the decadent Silvio and the meeker Ribeiro) while never undermining the believability of their connection. As assured as the characterizations of the central characters are the investigations of the men and women who surround them, the wives who abide their exploits and the priests who speak at their funerals. The narration and momentum remain lively and sharp throughout." —Publishers Weekly, Starred Review "Set in Rio de Janeiro, this fine literary debut from one of Brazil's most distinguished actors tells the stories of five men as they approach their inevitable (and in some cases premature) ends. By turns tragic and hilarious, the novel is about friendship, betrayal and excess, and about male fury against the ravages of old age." —Angel Gurría-Quintana, *Financial Times* "The End is the perfect summer release. Torres creates an aging, male Carioca friend group that is a mess of cynicism, nostalgia, frustration, and a seemingly unending appetite for sex. This book is raunchy, sophisticated, and so wonderfully Brazilian. I devoured this book in one sitting. Parabens Fernanda!!!" —Daniela Roger, *Books & Books* (Coral Gables, FL) "The year of 2013 would have been worth it for Fernanda Torres' novel alone. How beautiful it is to see an authentic literary talent emerge so clearly.... In her debut *The End*, she goes beyond just being a good writer. Her tone is so well crafted." —Caetano Veloso "You think you see *The End* coming—or the ending coming—but Fernanda Torres has other plans for you on this journey. Torres presents five friends—fairly flawed, tragic clowns—and their views on life and those around them as they try to navigate their lives and deaths. This novel is a funny, smart, well conceived, and perfectly executed playful look at mortality." —Nick Buzanski, *Book Culture* (New York, NY) "Famed actress Fernanda Torres's debut novel, *The End*, is a brutally unflinching look at the lifelong friendships of five aging male friends and the women in their lives.... [Torres has an] agile hand at establishing voice, pacing, and tone. Hers is strong, economical prose.... The

Download Ebook Fame Glory And Other Things On My To Do List Janette Rallison

machismo of each character is impressively rendered.... The End is vivid and irascible as it confronts the reality of aging, regrets, and death.” —Monica Carter, Foreword Reviews, Five-Heart Review “Torres’ writing [has] flair and wit... [an] unforgiving portrait of men at their worst.” —Kirkus

Fame, Glory, and Other Things on My To Do List

Throughout the 1970s, the Essendon Football Club was at its lowest ebb. The Bombers made just three finals appearances that decade - a huge shock to the system for a club accustomed to regular success. That all changed when Kevin Sheedy walked through the doors of Windy Hill in 1981. *Glory and Fame: The Rise and Rise of The Essendon Football Club* focuses on Essendon's resurgence from its lowest ebb to become a football superpower. In a series of essays, complemented by strong photography, some of Australia's leading football writers, including Rohan Connolly, Scott Gullan, Emma Quayle, Glenn McFarlane and John Harms, retrace the key moments in the Bombers' renaissance and look at the key people who helped transform the club - on and off the field. *Glory and Fame: The Rise and Rise of The Essendon Football Club* features in-depth interviews with Kevin Sheedy, James Hird, Tim Watson, Peter Jackson, Terry Daniher, Simon Madden, Michael Long and many others who have been pivotal to the Bombers' success over the past quarter of a century. Plus there is a comprehensive review of each of the Bombers' last four Grand Final triumphs (the drought-breaker of 1984, back-to-back success of 1985, the Baby Bombers of 1993, and the redemption of 2000). *Glory and Fame: The Rise and Rise of The Essendon Football Club* gives a wonderful insight into how to achieve sporting success and is essential reading for Essendon supporters and all sports fans.

Weight of Glory

The four-time Olympic Gold medalist and her parents trace the inspirational story of how she became both a legendary athlete and a happy and confident woman, achievements that were accomplished by doing things their own way and making the right choices for their family. --Publisher's description.

Relentless Spirit

While working at the mall, organizing a school fundraiser, and trying to prove that her best friend's boyfriend is seeing another girl, high-school student Charlotte's best intentions always seem to backfire.

It's a Mall World After All

Life, Love, and the Pursuit of Free Throws

NATIONAL BESTSELLER WINNER OF THE BOOKER PRIZE “A must-read about

modern Britain and womanhood . . . An impressive, fierce novel about the lives of black British families, their struggles, pains, laughter, longings and loves . . . Her style is passionate, razor-sharp, brimming with energy and humor. There is never a single moment of dullness in this book and the pace does not allow you to turn away from its momentum.”—Booker Prize Judges Bernardine Evaristo is the winner of the 2019 Booker Prize and the first black woman to receive this highest literary honor in the English language. *Girl, Woman, Other* is a magnificent portrayal of the intersections of identity and a moving and hopeful story of an interconnected group of Black British women that paints a vivid portrait of the state of contemporary Britain and looks back to the legacy of Britain’s colonial history in Africa and the Caribbean. The twelve central characters of this multi-voiced novel lead vastly different lives: Amma is a newly acclaimed playwright whose work often explores her Black lesbian identity; her old friend Shirley is a teacher, jaded after decades of work in London’s funding-deprived schools; Carole, one of Shirley’s former students, is a successful investment banker; Carole’s mother Bummi works as a cleaner and worries about her daughter’s lack of rootedness despite her obvious achievements. From a nonbinary social media influencer to a 93-year-old woman living on a farm in Northern England, these unforgettable characters also intersect in shared aspects of their identities, from age to race to sexuality to class. Sparklingly witty and filled with emotion, centering voices we often see othered, and written in an innovative fast-moving form that borrows technique from poetry, *Girl, Woman, Other* is a polyphonic and richly textured social novel that shows a side of Britain we rarely see, one that reminds us of all that connects us to our neighbors, even in times when we are encouraged to be split apart.

Synonyms Discriminated

This revised and expanded edition is an invaluable source of information about the contributions of Blacks to world civilization, from ancient to modern times. Among the topics discussed are the ancient Black Hebrews, the Black Moors who invaded and occupied parts of Europe for centuries, great Blacks like Hannibal and Jesus Christ, and the forgotten Black civilizations of Europe, Egypt, Asia, and the Americas.

Crime, Fame, Fortune and Glory

Philosophy Begins in Wonder

"The *Summa Theologica* is the best-known work of Italian philosopher, scholar, and Dominican friar SAINT THOMAS AQUINAS (1225-1274), widely considered the Catholic Church’s greatest theologian. Famously consulted (immediately after the Bible) on religious questions at the Council of Trent, Aquinas’s masterpiece has been considered a summary of official Church philosophy ever since. Aquinas considers approximately 10,000 questions on Church doctrine covering the roles and nature of God, man, and Jesus, then lays out objections to Church teachings and systematically confronts each, using Biblical verses, theologians, and philosophers to bolster his arguments. In Volume II, Aquinas addresses: happiness

good and evil love and hatred hope and despair anger virtue sin and grace and much more. This massive work of scholarship, spanning five volumes, addresses just about every possible query or argument that any believer or atheist could have, and remains essential, more than seven hundred years after it was written, for clergy, religious historians, and serious students of Catholic thought."

Cult of Glory

Modern notions of celebrity, fame, and infamy reach back to the time of Homer's Iliad. During the Hellenistic period, in particular, the Greek understanding of fame became more widely known, and adapted, to accommodate or respond to non-Greek understandings of reputation in society and culture. This collection of essays illustrates the ways in which the characteristics of fame and infamy in the Hellenistic era distinguished themselves and how they were represented in diverse and unique ways throughout the Mediterranean. The means of recording fame and infamy included public art, literature, sculpture, coinage, and inscribed monuments. The ruling elite carefully employed these means throughout the different Hellenistic kingdoms, and these essays demonstrate how they operated in the creation of social, political, and cultural values. The authors examine the cultural means whereby fame and infamy entered social consciousness, and explore the nature and effect of this important and enduring sociological phenomenon.

Fame on You: 50 Shameless Ways to Make You Famous

A classroom standard for two decades, *The New Testament World: Insights from Cultural Anthropology* has introduced students to both the New Testament and the social-scientific study of the New Testament. This revised and expanded third edition offers new chapters on envy and the Jesus movement, updates chapters from earlier editions, augments the bibliography, and offers student study questions.

Glory and Its Litany of Horrors

Patrick S. Washburn and Chris Lamb tell the full story of the past, the present, and to a degree, the future of American sports journalism. *Sports Journalism* chronicles how and why technology, religion, social movements, immigration, racism, sexism, social media, athletes, and sportswriters and broadcasters changed sports as well as how sports are covered and how news about sports are presented and disseminated. One of the influential factors in sports coverage is the upswing in the number of women sports reporters in the last forty years. *Sports Journalism* also examines the ethics of sports journalism, how sports coverage frequently has differed from that of non-sports news, and how the internet has spawned a set of new ethical issues.

The Glory of Their Times

The untold and inspiring story of Eric Liddell, hero of Chariots of Fire, from his Olympic medal to his missionary work in China to his last, brave years in a

Japanese work camp during WWII Many people will remember Eric Liddell as the Olympic gold medalist from the Academy Award winning film Chariots of Fire. Famously, Liddell would not run on Sunday because of his strict observance of the Christian sabbath, and so he did not compete in his signature event, the 100 meters, at the 1924 Paris Olympics. He was the greatest sprinter in the world at the time, and his choice not to run was ridiculed by the British Olympic committee, his fellow athletes, and most of the world press. Yet Liddell triumphed in a new event, winning the 400 meters in Paris. Liddell ran--and lived--for the glory of his God. After winning gold, he dedicated himself to missionary work. He travelled to China to work in a local school and as a missionary. He married and had children there. By the time he could see war on the horizon, Liddell put Florence, his pregnant wife, and children on a boat to Canada, while he stayed behind, his conscience compelling him to stay among the Chinese. He and thousands of other westerners were eventually interned at a Japanese work camp. Once imprisoned, Liddell did what he was born to do, practice his faith and his sport. He became the moral center of an unbearable world. He was the hardest worker in the camp, he counseled many of the other prisoners, he gave up his own meager portion of meals many days, and he organized games for the children there. He even raced again. For his ailing, malnourished body, it was all too much. Liddell died of a brain tumor just before the end of the war. His passing was mourned around the world, and his story still inspires. In the spirit of *The Boys in the Boat* and *Unbroken*, *For the Glory* is both a compelling narrative of athletic heroism and a gripping story of faith in the darkest circumstances. From the Hardcover edition.

Fame and Glory in Freedom, Georgia

"Lord, I have heard of your fame; I stand in awe of your deeds, Lord. Repeat them in our day, in our time make them known; in wrath remember mercy." —Habakkuk 3:2 My Fame, His Fame is a call for believers to heed the example of the prophet Habakkuk by stepping to their watch on the ramparts and calling for a revelation of God's mighty acts to be repeated in our time. It is an inspiring reminder that our lives are to be lived for one aim: to increase the fame of the Famous One. Thann presents a radically different—and far better—approach to achieving success in life and you will walk away inspired and equipped to live for the purpose of His fame.

UnRapped

All In God's Glory

Col. David Ireland's regiment was extraordinary. His 137th New York State Volunteers fought crucial battles in both theaters of the Civil War. In the East, they were in the center of the line at Chancellorsville, alone on the right at Gettysburg. In the West, they held the left at Wauhatchie and led the charge at Lookout Mountain. In 1864 as part of Sherman's army, they fought in all the battles leading to the taking of Atlanta, the March to the Sea, and the march through the Carolinas that finally ended the Civil War. Twice they held the unsupported flank of the line. Twice they fought for hours, after dark—a rarity in the Civil War. Arguably, they

saved the Battle of Gettysburg by holding Culp's Hill on the night of July 2, one regiment against six. Shifted to the Western Theater, they saved Geary's Division from annihilation in the midnight Battle of Wauhatchie, holding the line though again greatly outnumbered. Stalwart in defense, they were bold in offense. The 137th NY was "the point of the sword" routing the Confederate defenders of Lookout Mountain in the "Battle Above the Clouds" at Chattanooga. With Sherman in Georgia, they contributed to the saving of the Union itself. They were the first troops into Atlanta, a victory that insured Lincoln's reelection. They were first to take the surrender of Savannah, which Sherman gave to Lincoln as a Christmas gift. After Lee had surrendered to Grant at Appomattox, the 137th NY fought on for another two weeks in Carolina until Johnston's Confederate army surrendered, ending the Civil War. Of the thousand Union regiments in the Civil War, few if any could claim such distinction in so many crucial battles in so many places. Yet history's indifference has long denied Col. David Ireland and the 137th New York the recognition and praise that they deserve. David Ireland died days after taking Atlanta, so he never wrote a memoir telling the regiment's story. Pieces of the story are told in the writings of more than thirty men of the 137th NY, their commanders and opponents, which provide a firsthand view of the regiment's 15 battles and 2,000 miles of hard marching. Taken together, the pieces yield a comprehensive history of their regiment, on their "fields of fame and glory." This is the story of ordinary men, who under the leadership of a remarkable commander, Col. David Ireland, became an extraordinary regiment—the 137th New York State Volunteers. The author hopes this will at last bring them fame - the regiment long ago earned the glory. The book includes forty maps and images of men of the 137th NY and a comprehensive index of men of the regiment and locations referred to in the text.

Whatever Happened to the Hall of Fame

This book takes you on a life long journey from being adopted by two loving people to the College Football Hall Of Fame. Along the way you will read about all the trials and tribulations of a record setting athlete trying to make life defining decisions plus having to deal with a premature, unexpected, unprepared, career ending injury.

My Father His Son

The twenty-seventh entry in the #1 New York Times bestselling series isn't just the biggest case of Stephanie Plum's career. It's the adventure of a lifetime. When Stephanie's beloved Grandma Mazur's new husband died on their wedding night, the only thing he left her was a beat-up old easy chair...and the keys to a life-changing fortune. But as Stephanie and Grandma Mazur search for Jimmy Rosolli's treasure, they discover that they're not the only ones on the hunt. Two dangerous enemies from the past stand in their way—along with a new adversary who's even more formidable: Gabriela Rose, a dark-eyed beauty from Little Havana with a taste for designer clothes. She's also a soldier of fortune, a gourmet cook, an expert in firearms and mixed martial arts—and someone who's about to give Stephanie a real run for her money. Stephanie may be in over her head, but she's got two things that Gabriela doesn't: an unbreakable bond with her family and a stubborn streak that will never let her quit. She'll need both to survive because this
