"Sweetened Condensed" is two parts sugar, three parts milk: the life of a writer and mother of six encapsulated into raw moments of lyrical free verse with the author's black and white photography. Rebecca Grabill's first collection brings her readers home to rural Michigan and into the world of a woman on the path less traveled-- wife, daughter, teacher, author, artist, poet. "Tender poems are shot through with a bracing dose of realism," writes reviewer Caroline Grant, Sustainable Arts Foundation. Author, Mary Logue describes them as "Full-bodied, rich." Ron Koertge (Olympusville) decries, "I loved the easy, outright affection in poem after poem. Each one is written with a skill that never calls attention to itself but is there on every page. "

Crafts for All Seasons

A stunning and provocative new novel by the internationally celebrated author of *The Blind Assassin*, winner of the Booker Prize. Margaret Atwood's new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of *Oryx and Crake*, nothing will ever look the same again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake, and slowly starving to death. He searches for supplies in a wasteland where insects proliferate and pigoons and wolvogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries to piece together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly? Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where the Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after the last chapter.

Named one of the most important nonfiction books of the 21st century by *Entertainment Weekly*, *Slate*, *Chronicle of Higher Education*, *Literary Hub*, *Book Riot*, and *Zora* A tenth-anniversary edition of the iconic bestseller—"one of the most influential books of the past 20 years," according to the *Chronicle of Higher Education*—with a new preface by the author "It is in no small part thanks to Alexander's account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system." —Adam Shatz,

London Review of Books Seldom does a book have the impact of Michelle Alexander's *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander's unforgettable argument that "we have not ended racial caste in America; we have merely redesigned it." As the Birmingham News proclaimed, it is "undoubtedly the most important book published in this century about the U.S." Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

Whether you are the caregiver or the patient, the what-if's of the waiting room can feel terrifying, and the wait can feel agonizing. Cancer, tumor, stroke, traumatic injury, or major surgery—a health crisis of any kind involves waiting. This waiting arouses many emotions: fear, uncertainty, sorrow, agony, and anger among them. In this devotional for caregivers and patients, Elizabeth Reynolds Turnage reminds us of the certain hope and surpassing peace of the gospel: God has worked miraculous deeds and redemptive wonders in the past, and Jesus will “soon” come again to end our wait, and to bring full and final healing. These sixty meditations for peace and hope will encourage you as you wait. “This brilliant book is a tender gift of the presence of God for those caught in the deep woods of medical uncertainty. Elizabeth Turnage offers a wisdom that has been hard won, meets the test of the gospel, and is beautifully and brilliantly written. Dan B. Allender PhD Professor of Counseling Psychology and Founding President The Seattle School of Theology and Psychology “Elizabeth meets us in the waiting room as an empathetic friend reminding us what is true in His Word and urging us to listen to the refreshing lyrics of the gospel.” Karen Hodge Coordinator of Women’s Ministries Presbyterian Church in America (PCA)
