From bestselling author Stuart Woods, a thriller featuring John Howell, a former investigative journalist trying to escape from his past who finds a perfect sanctuary in a lakeside home in the North Georgia Mountains. But little does he realize the small town harbors a dark and evil secret, hidden deep within the lake's waters. In the beautiful mountains of North Georgia lies a lake built by an obsessed man at a terrible price. This placid body of water has brought prosperity to an isolated community, and with it, two

strangers who intermingle with the insular local folk, strangers probing into crimes against nature from generations past that cannot remain submerged beneath the waters' surface. Under the Lake marks the eagerly awaited return to the South of his Edgar Award-winning novel *Chiefs*. John Howell, once a top investigative journalist, comes to this backcountry town on the run from a once promising personal and professional life that has somehow gone sour. What he finds is a mystery so deep, so complex, so bizarre, that he cannot concentrate on the book he has come here to write. The story begins with his entanglement in a subtle, but relentless battle waged by the autocratic town father and the local sheriff against an outcast family, ravaged by its origins. Howell is further drawn in by his involvement with two women—an ambitious young reporter on the prowl for corruption, and a shy backwoods beauty, forsaken by the world because of her family's ill kept secret. Then, without warning, visits from an otherworldly young girl haunt Howell as his rustic cabin becomes a spectral theater offering strange and frightening images of a hideous event of long ago.

A Wind Named Amnesia

The powerful story that has captivated the sports world and inspired many to believe in miracles On October 16, 2010, Eric LeGrand's life drastically changed course in a single moment. Eric was known for his skill as a key Rutgers defensive lineman and as a much-loved teammate who could make anyone smile. During the heated fourth quarter of a tie game

against Army, a crushing tackle left Eric sprawled motionless on the ground while the entire stadium went silent with fear and anticipation. Doctors later discovered that Eric's body was paralyzed from the neck down, marking the beginning of a long, grueling, and emotional road to recovery. What Eric didn't know then, however, was that the months to come would be a remarkable, transformative journey—one so profound that he would call the time since his accident the best years of his life. In this moving memoir, Eric tells the uplifting story of how he is rebuilding his future in the face of hardship. Doctors said that he would never again breathe without a ventilator. Five weeks later, though, he astonished them by drawing breath on his own. He thrilled fans only months later by posting a picture of himself online standing with support during a rehabilitation session. A year after the accident, the nation watched as he led his Rutgers teammates onto the field in his wheelchair—a powerful gesture that was voted best sports moment of 2011 by Sports Illustrated readers. Now, Eric is on his way to graduating from Rutgers University, has a budding career as a sports broadcaster, and uses his experience to spread a message of belief and positivity. He also joined the roster of the Tampa Bay Buccaneers in May 2012 in a symbolic move that recognized his "character, spirit, and perseverance," said Bucs head coach Greg Schiano. Though Eric relies on his family, friends, and faith, his belief and hope for a better future make him a role model for anyone who has experienced tragedy or faced daunting obstacles. Believe is a story of finding purpose in pain and facing setbacks with strength.

Self-sacrifice, Oriental mysticism, racial "truth," the public good, doing one's duty—these are among the seductive catch-phrases that Leonard Peikoff dissects, examining the kind of philosophy they symbolize, the type of thinking that lured Germany to its doom and that he says is now prevalent in the United States.
