100 Funny IQ Questions

If someone hangs a stop sign upside down or paints crooked lines on a highway, count on someone else to snap a photo and post it online. *You Had One Job!* is a collection of hilarious pictures features job-related disasters and general ineptitudes. All of these new, never-before-seen images will be accompanied by witty captions.

The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration

Hilarious, entertaining, and irresistibly binge-worthy, this officially licensed ultimate collection of BuzzFeed quizzes -- from the most popular to the never-before-published -- includes hundreds of questions on everything you love all in one place! If you've been on the internet, chances are you've taken a BuzzFeed quiz or three in your lifetime. And if so, you probably know which Friends character you are or what your favorite fruit says about you. For years, BuzzFeed quizzes have made the rounds online and have gone crazy viral for a good reason -- they're fun, interactive, and super shareable. For the first time ever, BuzzFeed brings you one jam-packed book overflowing with 200 quizzes covering love, food, friendship, TV, movies, personality, and everything under the pop-culture sun. So whether you want to know which Disney character is your soul mate, where you should go on your next vacation, or what age you really are, gather your closest friends, break out the gel pens, and crack this quiz book open to find out.

Funny you should ask

In James Patterson's heartwarming #1 New York Times bestseller, middle schooler Jamie Grimm faces bullying and self-doubt as he chases his dream to become the world's greatest comedian. Jamie Grimm is a middle schooler on a mission: he wants to become the world's greatest standup comedian--even if he doesn't have a

lot to laugh about these days. He's new in town and stuck living with his aunt, uncle, and their evil son Stevie, a bully who doesn't let Jamie's wheelchair stop him from messing with Jamie as much as possible. But Jamie doesn't let his situation get him down. When his Uncle Frankie mentions a contest called The Planet's Funniest Kid Comic, Jamie knows he has to enter. But are the judges only rewarding him out of pity because of his wheelchair, like Stevie suggests? Will Jamie ever share the secret of his troubled past instead of hiding behind his comedy act? Following the bestselling success of the hilarious *Middle School, The Worst Years of My Life*, James Patterson continues to dish out the funnies in another highly-illustrated, heartfelt middle school story. (Includes more than 175 black-and-white illustrations.)

Wonder

Lecturers - request an e-inspection copy of this text or contact your local SAGE representative to discuss your course needs. Watch Andy Field's introductory video to *Discovering Statistics Using R* Keeping the uniquely humorous and self-deprecating style that has made students across the world fall in love with Andy Field's books, *Discovering Statistics Using R* takes students on a journey of statistical discovery using R, a free, flexible and dynamically changing software tool for data analysis that is becoming increasingly popular across the social and behavioural sciences throughout the world. The journey begins by explaining basic statistical and research concepts before a guided tour of the R software environment. Next you discover the importance of exploring and graphing data, before moving onto statistical tests that are the foundations of the rest of the book (for example correlation and regression). You will then stride confidently into intermediate level analyses such as ANOVA, before ending your journey with advanced techniques such as MANOVA and multilevel models. Although there is enough theory to help you gain the necessary conceptual understanding of what you're doing, the emphasis is on applying what you learn to playful and real-world examples that should make the experience more fun than you might expect. Like its sister textbooks, *Discovering Statistics Using R* is written in an irreverent style and follows the same ground-breaking structure and pedagogical approach. The core material is augmented by a cast of characters to help the reader on their way, together with hundreds of examples, self-assessment tests to consolidate knowledge, and additional website material for those wanting to learn more. Given this book's accessibility, fun spirit, and use of bizarre real-world research it should be essential for anyone wanting to learn about statistics using the freely-available R software.

Objective First For Schools Practice Test Booklet with Answers and Audio CD

NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of *The Kite Runner*! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant

immigrant embrace of America.”—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father’s glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. *Funny in Farsi* chronicles the American journey of Dumas’s wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh’s parents laugh uproariously at Bob Hope on television, although they don’t get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for *Funny in Farsi* “Heartfelt and hilarious—in any language.”—*Glamour* “A joyful success.”—*Newsday* “What’s charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It’s the brilliance of true sophistication at work.”—*Los Angeles Times Book Review* “Often hilarious, always interesting . . . Like the movie *My Big Fat Greek Wedding*, this book describes with humor the intersection and overlapping of two cultures.”—*The Providence Journal* “A humorous and introspective chronicle of a life filled with love—of family, country, and heritage.”—Jimmy Carter “Delightfully refreshing.”—*Milwaukee Journal Sentinel* “[*Funny in Farsi*] brings us closer to discovering what it means to be an American.”—*San Jose Mercury News*

A Funny Thing Happened on the Way to My Diploma

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website *Ask a Manager* and New York’s work-advice columnist. There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you’re being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate’s loud speakerphone is making you homicidal
- you got drunk at the holiday party

Advance praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—*Booklist* (starred review) “I am a huge

fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Clear and concise in its advice and expansive in its scope, *Ask a Manager* is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck*

There is Always Pooh and Me

This book was created to help ambitious, highly motivated kids maximize their SAT math scores. Do you crave a higher score? Are you willing to do a little hard work to achieve it? Good. I knew I liked you. Read this book from beginning to end, with a pencil in hand and a calculator and Blue Book by your side. When you're done, you'll be able to approach the SAT with confidence—very few questions will surprise you, and even fewer will be able to withstand your withering attacks. Stand tall, intrepid student. Destiny awaits. Inside you'll find: Essential test-taking strategies Difference-making techniques The math you need to know Challenging diagnostic drills Solutions worked out by hand Question-by-question breakdowns of the tests in the Official SAT Study Guide Candy (not really)

Funny in Farsi

Based on mutual respect, collaboration, and dignity, offers practical strategies to help students work more willingly, diligently, and intelligently.

501 Word Analogy Questions

Originally written by Milne for his son, Christopher Robin, these poems introduce the world of Winnie-the-Pooh, including "Furry Bears", "The King's Breakfast", and "Us Two."

PWN the SAT: Math Guide

In this madcap journey, a bestselling journalist investigates psychopaths and the industry of doctors, scientists, and everyone else who studies them. The Psychopath Test is a fascinating journey through the minds of madness. Jon Ronson's exploration of a potential hoax being played on the world's top neurologists takes him, unexpectedly, into the heart of the madness industry. An influential psychologist who is convinced that many important CEOs and politicians are, in fact, psychopaths teaches Ronson how to spot these high-flying individuals by looking out for little telltale verbal and nonverbal clues. And so Ronson, armed with his new psychopath-spotting abilities, enters the corridors of power. He spends time with a death-squad leader institutionalized for mortgage fraud in Cocksackie, New York; a legendary CEO whose psychopathy has been speculated about in the press; and a patient in an asylum for the criminally insane who insists he's sane and certainly not a psychopath. Ronson not only solves the mystery of the hoax but also discovers, disturbingly, that sometimes the personalities at the

helm of the madness industry are, with their drives and obsessions, as mad in their own way as those they study. And that relatively ordinary people are, more and more, defined by their maddest edges.

Infinite Jest

Third edition of the best-selling Cambridge English: First (FCE) course.

F in Exams: Pop Quiz

A collection of silly poems on a variety of subjects, from mashed potatoes on the ceiling to skunks in love.

The Psychopath Test

From the author of the national bestseller *F in Exams* comes a brand new compendium of hilarious and inventive wrong test answers and homework hiccups. Featuring gems from elementary school ("two halves make a whale"), middle grades (Q: What does "germinate" mean? A: To become a German citizen), and high school (Q: Fossil fuels are usually associated with which major type of rock? A: Classic rock), these 250 examples of creative invention are sure to charm anyone who has had to bluff or blunder their way through a test.

Inspiring Active Learning

Will some students ever learn from their mistakes? We hope not! This all-new collection of hilarious, totally wrong, real test answers serves a fresh batch of A+ wit misapplied to F- quiz scores. A little studying would reveal that the most powerful light source known to man isn't lightsabers

There Was an Old Lady Who Swallowed Fly Guy (Fly Guy #4)

F stands for "funny" in this perfect gift for students or anyone who has ever had to struggle through a test and needs a good laugh. Celebrating the creative side of failure in a way we can all relate to, *F in Exams* gathers the most hilarious and inventive test answers provided by students who, faced with a question they have no hope of getting right, decide to have a little fun instead. Whether in science (Q: What is the highest frequency noise that a human can register? A: Mariah Carey), the humanities (Q: What did Mahatma Gandhi and Genghis Khan have in common? A: Unusual names), math, or other subjects, these 250 entries prove that while everyone enjoys the spectacle of failure, it's even sweeter to see a FAIL turn into a WIN.

Ask a Manager

Based on the bestselling *F in Exams* book series, this laugh-a-day calendar presents stunningly wrong but hilariously true student test answers.

F in Exams: Complete Failure Edition

The Rorschach for relationships, The Redstone Psych Tests will generate self-reflection, conversation, and amusement. Based on long-forgotten psychiatric tests, three different games offer revelations about important relationships, insights into feelings about family, and interpretations of moods. Who needs a therapist?

Funny, You Don't Look Autistic

The Absolutely True Diary of a Part-Time Indian

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do.

Pwn Test Prep

Jamie Grimm has hit the big time in book four of the #1 bestselling I Funny series! Jamie Grimm has finally accomplished his dream of proving himself the Planet's Funniest Kid Comic, and the sky's the limit from there. Enter a couple of TV executives with a huge plan for Jamie: a new show about Jamie and his oddball friends! Factfulness

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business

(instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

Hyperbole and a Half

Unlike most resources, this handy, portable study aid is not prepared exclusively for the Miller Analogy Test. Though it can certainly be used for it, this book prepares test takers for any standardized test containing word analogies, such as: SAT, GRE, GMAT, or LSAT. Often cited as a difficult section for even the best students, discover the best resource for word analogies practice, and no extras. Test-takers work with these questions and find out how to score better through practice. All answers are explained, reinforcing strategies and identifying tricks to figuring out the questions.

You Had One Job!

In a People House

Like many others on the autism spectrum, 20-something stand-up comic Michael McCreary has been told by more than a few well-meaning folks that he doesn't "look" autistic. But, as he's quick to point out in this memoir, autism "looks" different for just about everyone with Autism Spectrum Disorder (ASD). Diagnosed with ASD at age five, McCreary got hit with the performance bug not much later. During a difficult time in junior high, he started journaling, eventually turning his pain e into something empowering--and funny. He scored his first stand-up gig at age 14, and hasn't looked back. This unique and hilarious #OwnVoices memoir breaks down what it's like to live with autism for readers on and off the spectrum. Candid scenes from McCreary's life are broken up with funny visuals and factual asides. Funny, You Don't Look Autistic is an invaluable and compelling read for young readers with ASD looking for voices to relate to, as well as for readers hoping to broaden their understanding of ASD.

F for Effort

#1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s Hyperbole and a Half showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular

blog Hyperbole and a Half the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

Texts from Mittens

Easy-to-read rhyme cites a number of common household items.

Discovering Statistics Using R

Her not-so-jolly Christmas... or a holiday surprise? Bridget Montgomery’s Christmas is looking decidedly not festive. Her beloved aunt is gone, leaving only a struggling diner and a mountain of debt. Which Bridget now shares with her ex-fiancé and newly single dad, Jack Holdstrom. Saving the diner is their first priority. But Bridget’s already falling for Jack’s troubled adopted girls. Will the spirit of Christmas mean losing her broken heart to Jack again, too?

BuzzFeed Ultimate Book of Quizzes

The fourth book in a humorous, easy-to-read series about a boy and his pet fly! Each book in the series has a fun foil cover! Buzz is visiting Grandma, and Fly Guy comes along for the ride. Oops! Grandma swallows Fly Guy, then a spider, then a bird, then a cat, then a dog. . . . She's about to swallow a horse, when Fly Guy shouts: "BUZZZ!" Buzz is starting to worry, but there is nothing Fly Guy can't handle! He flies out, and all the critters follow. And everybody parties!

Princeton Review GED Test Prep 2021

The ultimate compendium of the international and New York Times bestselling series, this fun omnibus features the complete content from all four books—F in Exams, F for Effort, F this Test, and F in Exams: Pop Quiz—plus more than 100 brand-new, sadly real, hilariously wrong student answers (Q: What is the role of a catalyst in a chemical reaction? A: It lists the cats involved). Also including bonus trivia in the form of "Stuff They Should Have Taught Us in School" facts (did you know a sneeze can travel up to 100 MPH?), this A+ collection will amuse anyone

facing down a test as well as those happy to have the classroom behind them.

I Funny

F in Exams

Do you want to be the SMARTEST and FUNNIEST person among your friends? Purchase 100 FUNNY IQ Questions and challenge your friends and family! Share 100 FUNNY IQ Questions at school, at home or even in a school bus. It is the best way to be SMART and FUNNY as 100 FUNNY IQ Questions are making everyone laugh!! GOT TO KNOW THEM ALL!!! DO NOT BUY IF YOU KNOW ALL THE ANSWERS FROM BELOW!!! Sample Questions: 1) You can do it, I can do it, we can do it, but two people cannot do it together. What is it? 2) There are two places on Earth, where yesterday can be today, today can be tomorrow, where are these places? 3) There is a thing that everyone might have the chance of using it, but when you see it, you don't want to buy it. Even if you buy it, you don't want to use it now, and

you don't know that you are using it when you are using it. What is this thing?4) There is a woman behind every successful man, then who behind every unsuccessful man?5) Jack is trapped in a room, there is only one door in the room and no matter how hard he push the door, the door just cannot be opened. Then how can he escape? 6) There was a day Napoleon fought a great battle in Waterloo. When he was facing the enemy, and he commanded his strongest army to fight off the enemy, he said "Go! All My Army! Go All Out! Win This Battle With Honour And Dignity!" He said it loud and clear but no one was following him and he lost this battle at the end. Why was it? What happened to this one of the greatest hero is history?7) I think everyone heard of a story called "The Boy Who Cried Wolf". There was a shepherd boy who was fond of playing practical jokes, saying that wolves had attacked his sheep. Two times the inhabitants came rushing out in alarm- and then went back with the shepherd laughing at them. Eventually, some wolves really came. The shepherd boy cried out for help but no one believes in him. So he lost his sheep. The question is: "What can you learn from it?"

There's a Boy in the Girls' Bathroom

A little extra practice can make all the difference Once you reach a certain point in your prep journey-and if you're reading this then you might have reached it-you end up spending most of your prep time working on questions you could do in your sleep. This isn't a bad thing: you don't get to be a top scorer without being able to cruise through easy questions without error, and you don't get to that level of consistency without practice. But if you find yourself wishing there were more than just a few challenging questions per practice test, then you've come to the right place. The finishing touches This no-frills collection of practice questions is intended for you to use when you think you're basically done with your math prep, but just need a few more workouts to be sure. There are solutions in case you get stuck, of course, but no comprehensive lessons. Just 125 problems, sorted roughly by difficulty.

F in Exams

Answers to over 100 questions about superstitions, customs, clothes, food, music, science, etc.

The Aliens Have Landed!

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

McGraw-Hill Education: 10 ACT Practice Tests, Fifth Edition

Texts from Mittens is a series of text message conversations between a snappy, self-absorbed housecat named Mittens and his long-suffering human, a single woman who works away from home during the day. Mittens relentlessly hassles his human all day long, while only taking breaks to watch Judge Judy, hang with his best friend Stumpy, complain about the antics of Drunk Patty the neighbor, ask Grandma for money to buy useless items from QVC, and harass the "filthy beast" dog, Phil. Angie Bailey is an award-winning writer and blogger, humorist, and professional member of the Cat Writers' Association. Her primary blog, Catladyland, has won many awards, and her humor writing is featured nearly daily on Catster.com, one of the most popular cat sites on the Web. She loves to photograph her cats in silly poses and sleeps with one eye open. And yes, she has three cats. "Each installment of Texts From Mittens is like a little gift to brighten your day!" —Kate Benjamin, Hauspanther founder and co-author of Catification with Jackson Galaxy "Texts From Mittens makes me wish my cat had thumbs! This is a hilarious book; Angie Bailey has done it again!" —Jeremy Greenberg, Author of Sorry I Barfed on Your Bed "We all knew that cats were hilarious, but Ms. Bailey's sardonic cat quips really take their mannerisms, attitude and occasional apathy to another level." —Susan Michals, Curator of Cat Art Show Los Angeles Come home! There's an emergency! What?? Are you OK? My dish is half empty! I'll be home soon. You wish starvation upon me! Stop being dramatic. Am weeak. Caan hasrdly tyyppe. Are you going to wear those black pants on your bed? Yes. I have a date. They're comfortable. Mittens, get off my pants! FYI: Poly-blend makes your butt look big

The Complete Book of Intelligence Tests

Auggie Pullman, who was born with extreme facial abnormalities, goes from being home-schooled to entering fifth grade at a private middle school in Manhattan, which entails enduring the taunting and fear of his classmates.

All They Want for Christmas

INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." - Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED

phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, *Factfulness* is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance. Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

I Funny TV

The beloved bestseller from Newbery Medalist and National Book Award winner Louis Sachar (*Holes*), with a brand-new cover! "Give me a dollar or I'll spit on you." That's Bradley Chalkers for you. He's the oldest kid in the fifth grade. He tells enormous lies. He picks fights with girls, and the teachers say he has serious behavior problems. No one likes him—except Carla, the new school counselor. She thinks Bradley is sensitive and generous, and she even enjoys his far-fetched stories. Carla knows that Bradley could change, if only he weren't afraid to try. But when you feel like the most hated kid in the whole school, believing in yourself can be the hardest thing in the world. . . .

It's Kind of a Funny Story

Like many ambitious New York City teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.
