Cycle world on Harley-Davidson, 1983-1987

The Harley papers. 1516-1785

Fourteen-year-old Harley Columba is convinced she's adopted. She's nothing like her abusive, alcoholic father or her bitter, romance novel-reading mother. They have brown eyes, but Harley's eyes are blue. They argue and drink and thrive in dreary suburbia while Harley paints, writes poetry, and longs for a different family and a better life. But then she finds a new, startling piece of evidence: a harlequin doll that's been hidden away for years, with a note around its neck: "Papa loves you forever and a day." Now Harley has genuine hope--hope that she can escape the chaos of the Columba household. Hope that she can find her real father. Tough, funny, and refreshingly honest, Harley, Like a Person is a compelling story of family, the power of creativity, and the enduring strength of self.

WALNECK'S CLASSIC CYCLE TRADER, JUNE 2005

The Harley-Davidson Motor Co. Archive Collection

This comprehensive history of the Harley takes a close look at the world's most famous motorcycle manufacturer, from its humble beginnings in a garden shed in 1903 to the surging popularity of today. More than 250 color and black-and-white photographs of Hogs, Shovels, Panheads, and Softails provide a visual documentary of the bike's transformation over the years, while an absorbing text by motorcycle journalist and Harley enthusiast, Tod Rafferty, follows the fortunes of this fabled marque as it approaches its centenary.

Harley-Davidson Chronicle

Reunited with his past... Running the Hunter Clinic's charity operation has given surgeon and ex-soldier Ethan Hunter a new lease on life. His reconstructive work with wounded soldiers and civilians helps block out his army traumas. But when Ethan learns that he'll be working alongside beautiful surgeon Olivia Fairchild—the woman whose heart he regretfully broke—he can't help but remember the passion they once shared...and he's surprised by the sinfully delicious sparks her touch still ignites! Is Olivia the only woman to finally provide peace for this long-tortured hero? 200 HARLEY STREET Glamour, intensity, desire—the lives and loves of London's hottest team of surgeons!

Having this book in your pocket is just like having a real marque expert by your side. Benefit from the author's years of Harley-Davidson experience, learn how to spot a bad bike quickly, and how to assess a promising one like a professional. Get the right bike at the right price!

Youth in Harley

Letters of the Lady Brilliana Harley

Harley Davidson

This dynamic volume chronicles the design and development of the Evolution engine and the machines it powers. Told through firsthand accounts from engineers and designers, this story goes beyond the new engine to Harley-Davidson's shift to a more nostalgic look. The book also covers the softtail suspension that has the appearance of 1940's-era suspension

while providing a smooth and comfortable ride. Field taps into how Harley-Davidson transformed the motorcycle of choice for outlaws and outcasts into a cultural icon for affluent excitement.

It's no wonder descriptions of riding often resemble the words of Asian mystics and Jedi knights: The ride causes your senses to open completely. You experience only the present, the now. Readers who prefer revving a Harley to meditating in a Zen garden know that biking is just as contemplative as chanting in the lotus position. Here, philosopher-bikers explore this seeming dichotomy, expounding on intriguing questions such as: Why are the motorcycles the real stars of Easy Rider? What would Marx and Foucault say about Harley riders' tight leather garb? What's it like to live a dual life as a philosophy professor who wrenches his own 1965 Electra Glide? Would Jesus hang out in a biker bar or a coffeehouse? And more importantly, would He ride a Harley or a Honda? These witty, provocative essays give readers and riders a new appreciation of what it means to become one with the road.

WALNECK'S CLASSIC CYCLE TRADER, JUNE 1998

When anyone thinks of motorcycling, whether they are enthusiasts or only casually interested, the name Harley-Davidson immediately comes to mind. Harley-Davidson is among the oldest surviving motorcycle manufacturers; the company began in 1903 and continues to this day. As you can imagine, over the course of more than 100 years, the company has seen prosperous times as well as lean times, changes in focus and direction, evolution and revolution. All of that leads to a lot of company history and trivia. American Iron Magazine associate editor Tyler Greenblatt has compiled 1,001 Harley-Davidson facts into this single volume, with subjects ranging from the historic powertrains to pop culture to Harley-Davidson as a company and manufacturer. Facts begin with the early years, when a motorcycle was not much more than a bicycle with an engine attached, to the war efforts of World War I, when 15,000 were put into service. During the 1920s, Harley-Davidson grew into the largest manufacturer in the world, and that momentum helped carry it through the Great Depression and into World War II. Postwar development and AMF ownership are also covered in detail, as well as the restructuring and revival of the brand in recent years. Whether you're a casual rider, racer, or restorer, Harley-Davidson enthusiasts will be sure to find something in this book for that next conversation with fellow hobbyists. This book will keep Harley-Davidson enthusiasts entertained for hours, and is a great edition to any motorcycling library. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

The Encyclopedia Britannica

Updated for a new generation of bike lovers, Ultimate Harley Davidson is a visually stunning and comprehensive history of Harley-Davidson that charts the company and its bikes decade by decade. From the moment the first model rolled out of a backyard shed in Milwaukee, through Harley's postwar golden age, to the sought-after bikes that distinguish the company today, Ultimate Harley-Davidson presents seventy of the most beautiful and coveted Harleys of all time. Whether it's the 1911 V-Twin or the 1999 X1 Lightning, the seventy Harley-Davidson bikes examined are presented in minute detail, with

close-ups of the engines and in-depth technical specifications.

Harley
