The English and Scottish Popular Ballads

Forty-one-year-old Miami real estate broker Clay Redmond is living the good life. He thinks his plan to retire early is unfolding nicely until his longtime business partner screws him out of his interest in a choice piece of real estate. After he tries—and fails—to recoup his investment via a nasty court battle, Redmond begins to plot his revenge. Redmond's plan includes not only eliminating his crooked business partner, but also seducing his beautiful and considerably younger wife, Vanessa. As he concocts an elaborate scheme that takes him to the heart of Fidel Castro's Cuba, Santo Domingo, and the Andes Mountains of South America where he conspires with a powerful Spaniard drug lord, Redmond unintentionally falls in love with Vanessa, all while attempting to seek justice and recover his retirement nest egg. But as he presses on into perilous territory, Redmond soon discovers that he is not only the hunter, but also the hunted. In this gripping mystery, a middle-aged real estate broker embarks on a vengeful quest where he must risk everything in an attempt to ensure his former business partner and his cronies receive their comeuppance.

Christmas from the Heart

The Sweet Heart of the Bush

In Gipsy Tents

The Christian treasury (and missionary review).

1803, the colony of Texas Marianne Phillips, the daughter of a wealthy rancher, has never agreed with her father's harsh treatment of the poor mestizos who first inhabited the colony of Texas. When rebels kidnap Marianne, in hopes her father will trade back their land for her freedom, she realizes her loyalty lies with her abductors, not her father, who plans to marry her off to the don of a nearby estate. Armando Garcia is the locals' reluctant leader, but his people revere and depend on him. Knowing that without his leadership they'd be forced from their land, Armando accepts his role, but does not approve of the latest attempt to

manipulate their enemy. When he learns that Marianne actually speaks his language, of her loyalty to his people, and of the faith that keeps her strong, Armando is faced with a difficult decision. Will his newfound love keep him from letting her go? Or will he set her free and risk losing their land forever?

When a young university student is assigned the task of writing her obituary by her journalism professor, she procrastinates. Who wants to think about their own death? An obituary is really about life how one has lived it and the assignment sends Maxine down a road of hopes and dreams, what she imagines her life to be. But life doesnt unfold in the way Maxine thinks it will. Stopping along a dark highway to help a stranger with car trouble, Maxine is attacked and left for dead at the side of the road. But like her life, Maxines death is full of unexpected twists of

fate. Her ghost tells the tale from the otherworld, an unearthly place where a renegade angel helps her escape the boredom of paradise, and God makes random appearances as a disembodied Voice, a snoring mountain and a manic rock star.

Henry Clay

Throughout the 1960s and 1970s, folklorist William Ferris toured his home state of Mississippi, documenting the voices of African Americans as they spoke about and performed the diverse musical traditions that form the authentic roots of the blues. Now, *Give My Poor Heart Ease* puts front and center a searing selection of the artistically and emotionally rich voices from this invaluable documentary record. Illustrated with Ferris's photographs of the musicians and their communities and including a CD of original music and a DVD of original film, the book features more than twenty interviews relating frank, dramatic, and engaging narratives about black life and blues music in the heart of the American South. Here are the stories of artists who have long memories and speak eloquently about their lives, blues musicians who represent a wide range of musical traditions--from one-strand instruments, bottle-blowing, and banjo to spirituals, hymns, and prison work chants. Celebrities such as B. B. King and Willie Dixon, along with performers known best in their neighborhoods, express the full range of human and artistic experience--joyful and gritty, raw and painful. In an autobiographical introduction, Ferris reflects on how he fell in love with the vibrant musical culture that was all around him but was considered off limits to a white Mississippian during a troubled era. This magnificent volume illuminates blues music, the broader African American experience, and indeed the history and culture of America itself. The enhanced ebook edition includes: * Almost 2 hours of video clips and interviews scattered throughout the text * An hour of original music, also imbedded throughout the text * Concludes with the full DVD of original film and full CD of original music Watch the video below to see a demonstration of the the features of this enhanced ebook:

Bricks and Hearts

Charismatic, charming, and one of the best orators of his era, Henry Clay seemed to have it all. He offered a comprehensive plan of change for America, and he directed national affairs as Speaker of the House, as Secretary of State to John Quincy Adams--the man he put in office--and as acknowledged leader of the Whig party. As the broker of the Missouri Compromise and the Compromise of 1850, Henry Clay fought to keep a young nation united when westward expansion and slavery threatened to tear it apart. Yet, despite his talent and achievements, Henry Clay never became president. Three times he received Electoral College votes, twice more he sought his party's nomination, yet each time he was defeated. Alongside fellow senatorial greats Daniel Webster and John C. Calhoun, Clay was in the mix almost every moment from 1824 to 1848. Given his prominence, perhaps the years should be termed not the Jacksonian Era but rather the Age of Clay. James C. Klotter uses new research and offers a more focused, nuanced explanation of Clay's programs and politics in order to answer to the question of why the man they called "The Great Rejected" never won the presidency but did win the accolades of history. Klotter's fresh outlook reveals that the best

monument to Henry Clay is the fact that the United States remains one country, one nation, one example of a successful democracy, still working, still changing, still reflecting his spirit. The appeal of Henry Clay and his emphasis on compromise still resonate in a society seeking less partisanship and more efforts at conciliation.
