Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.

### **Elements of Literature, Grade 6 Introductory Course**

The thrilling Newbery Medal-winning classic about an Eskimo girl lost on the Alaskan tundra *Julie of the Wolves* is a staple in the canon of children's literature and the first in the Julie trilogy. The survival theme makes it a good pick for fans of wilderness adventures such as *My Side of the Mountain*, *Hatchet*, or *Island of the Blue Dolphins*. This edition, perfect for classroom or home use, includes John Schoenherr's original scratchboard illustrations throughout, as well as bonus materials such as an introduction written by Jean Craighead George's children, the author's Newbery acceptance speech, selections from her field notebooks, a discussion guide, and a further reading guide. To her small Eskimo village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she Miyax of the Eskimos—or Julie of the wolves? Don't miss any of the

### **Lifetime Health**

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (*The Telegraph*). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands

of General Zaroff, what it means to be hunted.” —Criterion

Olaudah Equiano was an influential African advocate of abolishing the slave trade in Britain during the late 18th century. This is his memoir.

### **Elements of Literature, Grade 8 Standardized Test Prep**

Poe’s preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfills his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe’s most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

## **Warriner's Handbook**

Designed for middle school teachers and students in California. Offer teachers and students a method to focus on the written and oral language convention required by the standards--to provide an effective way to teach and learn grammar, usage, and mechanics skills.

With a single kiss, a young maid saves her beloved from the Snow Queen's icy imprisonment. When splinters from an evil troll's magic mirror get into the heart and eye of Kai, he is tricked into accompanying the Snow Queen to her palace, and only the innocence and kindness of Gerda's heart can save him. The inspiration for Frozen, Hans Christian's Andersen's "The Snow Queen" is one of the most beloved fairy tales in history. HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

### **Literature and the Reader**

#1 NEW YORK TIMES BESTSELLER • From the author of the runaway phenomenon Unbroken comes a universal underdog story about the horse who came out of nowhere to become a legend. Seabiscuit was one of the most electrifying and popular attractions in sports history and the single biggest newsmaker in the world in 1938, receiving more coverage than FDR, Hitler, or Mussolini. But his success was a surprise to the racing establishment, which had written off the crooked-

legged racehorse with the sad tail. Three men changed Seabiscuit's fortunes: Charles Howard was a onetime bicycle repairman who introduced the automobile to the western United States and became an overnight millionaire. When he needed a trainer for his new racehorses, he hired Tom Smith, a mysterious mustang breaker from the Colorado plains. Smith urged Howard to buy Seabiscuit for a bargain-basement price, then hired as his jockey Red Pollard, a failed boxer who was blind in one eye, half-crippled, and prone to quoting passages from Ralph Waldo Emerson. Over four years, these unlikely partners survived a phenomenal run of bad fortune, conspiracy, and severe injury to transform Seabiscuit from a neurotic, pathologically indolent also-ran into an American sports icon. BONUS: This edition contains a Seabiscuit discussion guide and an excerpt from *Unbroken*. Praise for Seabiscuit "Fascinating . . . Vivid . . . A first-rate piece of storytelling, leaving us not only with a vivid portrait of a horse but a fascinating slice of American history as well."—The New York Times "Engrossing . . . Fast-moving . . . More than just a horse's tale, because the humans who owned, trained, and rode Seabiscuit are equally fascinating. . . . [Laura Hillenbrand] shows an extraordinary talent for describing a horse race so vividly that the reader feels like the rider."—Sports Illustrated "REMARKABLE . . . MEMORABLE . . . JUST AS COMPELLING TODAY AS IT WAS IN 1938."—The Washington Post
