"IELTS Reading Practice Tests: IELTS Guide for Self-Study Test Preparation for IELTS for Academic Purposes" by IELTS Success Associates contains three complete IELTS practice reading tests. Practice in the same format as the real test: Each practice reading test in this book has three passages, just like the actual IELTS Academic Exam. In other words, there are nine reading passages in the publication for you to study. All of the reading passages in the book are on factual,

informative, or academic topics, like the actual IELTS reading test. The practice exams have questions of all of the types that you will see on the real IELTS reading test, so the book has: multiple choice questions form, diagram and summary completion identification of the writer's views matching features and headings gap-fill questions Tips to improve your IELTS reading score: The tips at the beginning of the book explain the format of the IELTS reading test and tell you what to expect on your exam day. Practice Reading Test 1 in the publication is in tutorial mode, so it includes tips and suggestions at the beginning of each section. Each question on Test 1 gives you strategies to help you answer all of the types of questions on the IELTS reading tests. Includes answers and explanations: There is a complete answer key with in-depth explanations for each answer, so that you can understand why each answer is the correct one. The explanations give you additional tips to help you improve your test-taking technique. IELTS General Training Book 2018

This volume reports research that informs the development of reading and listening assessment in IELTS. This volume brings together a set of eight IELTS-related research studies - four on reading and four on listening - conducted between 2005 and 2010. Findings from these studies provide valuable evidence on the validity, reliability, impact and practicality of the IELTS test; they are also instrumental in highlighting aspects needing attention, and thus directly inform the continuing evolution of the IELTS reading and listening tests. The volume reviews and comments on the specific contribution of each study to the ongoing process of IELTS reading and listening test design and development.
