Invincible

Sherrilyn Kenyon's most highly-anticipated novel in the New York Times bestselling Dark-Hunter series since *Acheron* is here—the unforgettable story of Styxx, Acheron's twin brother and one of the most powerful beings on earth. Just when you thought doomsday was over . . . Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. As the twin to Acheron, Styxx hasn't always been on his brother's side. They've spent more centuries going at each other's throats than protecting their backs. Now Styxx has a chance to prove his loyalty to his brother, but only if he's willing to trade his life and future for Acheron's. The Atlantean goddess of Wrath and Misery, Bethany was born to right wrongs. But it was never a task she relished. Until now. She owes Acheron a debt that she vows to repay, no matter what it takes. He will join their fellow gods in hell and nothing is going to stop her. But things are never what they seem, and Acheron is no longer the last of his line. Styxx and Acheron must put aside their past and learn to trust each other or more will suffer. Yet it's hard to risk your own life for someone who once tried to take yours, even when it's your own twin, and when loyalties are skewed and no one can be trusted, not even yourself, how do you find a way back from the darkness that wants to consume the entire world? One that wants to start by devouring your very soul?

A Discovery of Witches

In the war against vampires, mankind has only one hope: The Dark-Hunters. Ancient warriors who died of brutal betrayal, the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. It's a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. Until Kyrian meets the most frightening thing imaginable. An accountant who's being hunted by one of the most lethal vampires out there. If Amanda Devereaux goes down, so does he and no offense, he doesn't want to die (hence the whole immortality thing). And he doesn't want humanity dead either which is a good thing for us since he and Amanda are all that stands between us and oblivion. Let's hope they win. From the wild imagination of Sherrilyn Kenyon comes the humorous and suspenseful manga debut of the #1 internationally bestselling Dark-Hunter series. The world of manga will never be the same again.

The Satanic Verses

And his first mandate is to stay alive while everyone, even his own father, tries to kill him. He's learned to annihilate zombies and raise the dead, divination and clairvoyance, so why is learning to drive and keep a girlfriend so dang hard? But that isn't the primary skill he has to master. Survival is. And in order to survive, his next lesson makes all the others pale in comparison. He is on the brink of becoming either the greatest hero mankind has ever known or he'll be the one who ends the world. With enemies new and old gathering forces, he will have to call on every part of himself to fight, or he'll lose everyone he cares about. Even himself.

This Is Not a Test

Critically acclaimed author Kathryn Casey delivers a riveting account of the brutal murders of young women in the I-45/Texas Killing Fields—a chilling true story that has already helped police uncover evidence that may link suspected serial killer William Lewis Reece to some of the heinous crimes. Over a three-decade span, more than twenty women—many teenagers—died mysteriously in the small towns bordering Interstate 45, a fifty-mile stretch of highway running from Houston to Galveston. The victims were strangled, shot, or savagely beaten. Six met their demise in pairs. They had one thing in common: being in the wrong place at the wrong time. The day she vanished, Colette Wilson waited for her mother after band practice. Best friends Debbie Ackerman and Maria Johnson loved to surf and were last seen hitchhiking. Laura Kate Smither dreamed of becoming a ballerina and disappeared just weeks before her thirteenth birthday. In this harrowing true crime exposition, award-winning journalist Kathryn Casey tracks these tragic cases, investigates the evidence, interviews the suspects, and pulls back the cloak of

secrecy in search of elusive answers.
