### Song Quest

From award-winning author Sally Nicholls, her debut novel about a boy's last months with leukemia. 1. My name is Sam. 2. I am eleven years old. 3. I collect stories and fantastic facts. 4. I have leukemia. 5. By the time you read this, I will probably be dead. Living through the final stages of leukemia, Sam collects stories, questions, lists, and pictures that create a profoundly moving portrait of how a boy

lives when he knows his time is almost up.

The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

incontaminata. Ma se rubi o uccidi o solo metti in discussione l'autorità, quello che ti aspetta è la prigione definitiva, che sorge su un'isola vulcanica lontana dal mondo civile: Inferno. Costruita in modo da ricalcare l'inferno che Dante ha immaginato nella Divina Commedia, qui ogni reato ha il suo contrappasso. Piogge di fuoco, fiumi di lava, gelo, animali mostruosi rendono la vita difficile ai prigionieri che spesso muoiono prima di terminare la pena. Nessuno sceglierebbe di andare volontariamente a Inferno, tranne Alec, un giovane cresciuto nella parte sbagliata del mondo, quando scopre che la ragazza che ama, Maj, vi è stata mandata con una falsa accusa. Alec dovrà compiere l'impresa mai riuscita a nessuno, quella di scappare con lei dall'Inferno, combattendo per sopravvivere prima che chi ha complotto per uccidere entrambi riesca a trovarli Il primo romanzo di una trilogia fantasy di grandissima potenza, scritta da uno degli autori italiani young adult più amati.

### **Purgatorio. Canti delle terre divise**

A fierce, searing response to the chaos of the war on terror—an utterly original and blackly comic debut In the early years of the Iraq War, a severely burned boy appears on a remote rock formation in the Akkad Valley. A shadowy, powerful group within the U.S. government speculates: Who is he? Where did he come from? And, crucially, what does he know? In pursuit of that information, an interrogator is summoned from his prison cell, and a hideous and forgotten apparatus of torture, which extracts "perfect confessions," is retrieved from the vaults. Over the course of four days, a cavalcade of voices rises up from the Akkad boy, each one striving to tell his or her own story. Some of these voices are familiar: Osama bin Laden, L. Paul Bremer, Condoleezza Rice, Mark Zuckerberg. Others are less so. But each one has a role in the world shaped by the war on terror. Each wants to tell us: This is the world as it exists in our innermost selves.

This is what has been and what might be. This is The Infernal.

### **The Infernal**

The Coldest Girl in Coldtown is a wholly original story of rage and revenge, of guilt and horror, and of love and loathing from bestselling and acclaimed author Holly Black. Tana lives in a world where walled cities called Coldtowns exist. In them, quarantined monsters and humans mingle in a decadently bloody mix of predator and prey. The only problem is, once you pass through Coldtown's gates, you can never leave. One morning, after a perfectly ordinary party, Tana wakes up surrounded by corpses. The only other survivors of this massacre are her exasperatingly endearing ex-boyfriend, infected and on the edge, and a mysterious boy burdened with a terrible secret. Shaken and determined, Tana enters a race against the clock to save the three of them the only way she knows how: by going straight to the wicked, opulent heart of Coldtown itself. The Coldest Girl in Coldtown is a wholly original story of rage and revenge, of guilt and horror, and of love and loathing from bestselling and acclaimed author Holly Black.

And now, he'd give anything for one more glimpse of her. But when Cam makes a visit to the site of Viv's deadly car accident, he sees some kind of apparition. And it isn't Viv. The apparition's name is Nina, and she's not a ghost. She's a girl from a parallel world, and in this world, Viv is still alive. Cam can't believe his wildest dreams have come true. All he can focus on is getting his girlfriend back, no matter the cost. But things are different in this other world: Viv and Cam have both made very different choices, things between them have changed in unexpected ways, and Viv isn't the same girl he remembers. Nina is keeping some dangerous secrets, too, and the window between the worlds is shrinking every day. As Cam comes to terms with who this Viv has become and the part Nina played in his parallel story, he's forced to choose - stay with Viv or let her go - before the window closes between them once and for all.

Micael e al suo amico Federico. Sfolgiando quelle pagine, Federico inizia a scoprire il particolare talento che possiede e l'ambiguo potere che il libro è in grado di esercitare su chi lo legge: in breve tempo, da umile manovale diventa architetto dell'Inferno e viene sedotto dal fascino sinistro dell'antico volume. Ma quando si accorge di aver perso il controllo sia dell'Inferno sia della sua vita, potrebbe già essere troppo tardi: dovrà tentare il tutto per tutto per salvare se stesso e le persone che ama dal mostro che ha creato. A guidarlo, un simbolo e un enigma dal significato oscuro: *Visita interiora terrae rectificando invenies occultum lapidem*. "Visita l'interno della Terra e, rettificando, troverai la pietra nascosta". Dopo la trilogia dei Canti delle Terre Divise, Francesco Gungui torna con *Genesi*: il primo, imperdibile episodio della saga che ha conquistato migliaia di lettori. Perché è arrivato il momento di capire come tutto è cominciato.

### **Inferno - versione light**

When Giuseppe Mundula first sees Michele Angelo Chironi across the corridor of a Sardinian orphanage, the reserved blacksmith realises he has found the son and heir he never knew he needed. And when, a few years later, Michele himself looks down from a church rooftop and sees the beautiful Mercedes, the quiet orphan realises he has found the woman he will marry. So begins Marcello Fois' magisterial domestic epic of the lives and loves of the Chironi family, as they struggle through war and fascism. Deftly endowing familial horrors with mythical resonance, Fois

creates a Dantesque triptych that inscribes the history of twentieth-century Sardinia onto a single misbegotten household.

### **Ways To Live Forever**

Le strade di Maj e Alec, i due ragazzi che hanno acceso i fuochi di rivolta a Europa, si sono divise. Mentre Maj è alla testa dei ribelli nel momento più difficile della loro esistenza, Alec ha accettato l'offerta degli oligarchi di diventare uno di loro, per mostrare al mondo che tutti possono accedere ai gradini più alti del potere. Il volto di Alec è ormai il volto della propaganda dell'Oligarchia e viene trasmesso ventiquattrore su ventiquattro sui megaschermi che campeggiano ovunque, odiato dal Movimento che lo considera un traditore. Ma se Alec si è davvero venduto in cambio di una lussuosa vita in Paradiso, dove gli oligarchi e le loro famiglie vivono accuditi da centinaia di servi e protetti dall'esercito, per quale motivo sembra agire di nascosto dai suoi stessi alleati? E soprattutto, perché vuole a ogni costo andare in America, il continente da poco riscoperto e che è sopravvissuto al cataclisma che ha sconvolto il mondo diventando un impero dedito allo schiavismo? La risposta è nascosta in una mappa che viene dal passato e che è in grado di cambiare i destini dell'umanità. L'emozionante conclusione della trilogia che ha rinnovato il fantasy italiano.

## **Canti delle Terre Divise - 3. Paradiso**

A semiautobiographical coming-of-age story, framed by the harrowing 1975 Circeo massacre Edoardo Albinati's *The Catholic School*, the winner of Italy's most prestigious award, The Strega Prize, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men—former students at Rome's prestigious all-boys Catholic high school San Leone Magno—brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered, producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates—the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max—Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.

## **Barlowe's Inferno**

Things seem to be going well for Liv Silver: she's adjusting to her new home (and her new family) in London; she has a burgeoning romance with Henry Harper, one of the cutest boys in school; and the girl who's been turning her dreams into nightmares, Anabel, is now locked up. But serenity doesn't last for long. It seems that Liv's troubles are far from over--in fact, suddenly they're piling up. School gossip blogger Secrecy knows all of Liv's most intimate secrets, Henry might be hiding something from her, and at night Liv senses a dark presence following her through the corridors of the dream world. Does someone have a score to settle with Liv? Romance, adventure, and danger abound in *Dream On*, the second book in the Silver trilogy.

Alec e Maj sono riusciti nell'impresa impossibile. Sono scappati dall'Inferno, la prigione che nel prossimo futuro serve a rinchiudere e spesso eliminare chi si oppone al potere dell'Oligarchia, costringendolo a interminabili prove di sopravvivenza ispirate dall'Inferno di Dante. Scappando, però, Alec e Maj hanno creato una frattura nel mondo strettamente controllato da eserciti e tecnologia. Hanno dimostrato che opporsi è possibile e hanno dato il via a tanti piccoli focolai di rivolta. Per questo l'Oligarchia deve trovarli ed eliminarli al più presto. Intanto i due ragazzi, nati agli estremi opposti delle Terre Divise - lei cresciuta a Paradiso tra i ricchi, lui a Europa, la città stato dei miserabili - hanno raggiunto un'isola che l'Oligarchia non sa nemmeno esistere. È Purgatorio, dove ribelli e profughi da tutto il mondo trovano rifugio e progettano di rovesciare l'Oligarchia. Per essere accettati a Purgatorio, però, occorre compiere un difficile cammino scalando la montagna che sorge al centro dell'Isola, una prova da cui non è detto si riesca a tornare vivi. Ma la sorpresa più grande per Alec è la scoperta che a capo di Purgatorio vi è uno dei primi architetti di Inferno, un uomo che credeva morto da anni: suo padre. Dopo Inferno, Francesco Gungui ritorna all'opera che sta cambiando il panorama del fantasy italiano.

lawyer with a passion for justice, and a boy in love. The incident happened in a small provincial town, Nuoro, in Sardinia about a hundred years ago. A prosperous farmer was shot dead in his olive grove, and the man's hired hand, a boy called Zenobi, was found guilty in absentia - he had already gone to ground earlier after being accused of stealing from his master's flock. The boy was now a bandit with a price on his head. An open-and-shut case. Only Zenobi's peasant mother was convinced that the lad was being framed, and the lawyer Bustianu was willing to see whether the evidence for conviction on either charge stood up against the facts. Neither the courts, however, nor the police had any wish to reopen the case - the lad had effectively admitted his guilt by absconding. And in view of the conspiracy of silence among the eyewitnesses to the shooting, the lawyer's chances looked negligible; his only recourse was to set a trap of his own. ## **Dangerous Dream: A Beautiful Creatures Story**

Sixty artists from 22 African countries thematically explore The Divine Comedy by Dante Alighieri, employing a broad range of artistic media such as painting, photography, sculpture, video works, installations, and performances. This catalogue may be considered a triptych, following the rhythm of Dante's famous poem. The African artists at the core of this project, which presents reproductions and presentations of their artwork, focus on notions taken from the poem that they have charged with different meanings, linked both to their artistic practices and their respective personalities. Five essays written by authors from various countries create immediate links to our contemporary times and add a further dimension to the interpretation of the works presented. Artists include: Kader Attia, Mohamed Bourouissa, Nicholas Hlobo, Wangechi Mutu, Youssef Nabil, Zineb Sedira, Yinka Shonibare, Guy Tillim, and many others. Published to accompany the exhibition The Divine Comedy: Heaven, Hell, and Purgatory at MMK Museum für Moderne Kunst, Frankfurt, March - June 2014, and touring to SCAD Museum of Art, Savannah; Smithsonian National Museum of African Art, Washington; and Ca' Foscari, Venedig until 2015.

A groundbreaking major bestseller in Italy, Gomorrah is Roberto Saviano's gripping nonfiction account of the decline of Naples under the rule of the Camorra, an organized crime network with a large international reach and stakes in construction, high fashion, illicit drugs, and toxic-waste disposal. Known by insiders as "the System," the Camorra affects cities and villages along the Neapolitan coast, and is the deciding factor in why Campania, for instance, has the highest murder rate in all of Europe and why cancer levels there have skyrocketed in recent years. Saviano tells of huge cargoes of Chinese goods that are shipped to Naples and then quickly distributed unchecked across Europe. He investigates the Camorra's control of thousands of Chinese factories contracted to manufacture fashion goods, legally and illegally, for distribution around the world, and relates the chilling details of how the abusive handling of toxic waste is causing devastating pollution not only for Naples but also China and Somalia. In pursuit of his subject, Saviano worked as an assistant at a Chinese textile manufacturer, a waiter at a Camorra wedding, and on a construction site. A native of the region, he recalls seeing his first murder at the age of fourteen, and how his own father, a doctor, suffered a brutal beating for trying to aid an eighteen-year-old victim who had been left for dead in the street. Gomorrah is a bold and important work of investigative writing that holds global significance, one heroic young man's impassioned story of a place under the rule of a murderous organization.
