The 27 stories in Read and Understand Science address objectives drawn from the National Science Education Standards. There are stories in the areas of life science, physical science, earth and space science, and science and technology.

## **Language Arts, Grade K**

### **Books in Print Supplement**

Spectrum Language Arts encourages creativity and builds confidence by making writing fun! The four-part lessons, perfect for students in kindergarten, strengthen writing skills by focusing on the parts of speech, word usage, sentence structure and more! A Writer's Handbook can be found at the end of the workbook and offers helpful writing tips. It features easy-to-understand directions, is aligned to national and state standards, and also includes a complete answer key. Today, more than ever, students need to be equipped with the essential skills they need for school achievement and for success on proficiency tests. The Spectrum series has been designed to prepare students with these skills and to enhance student achievement. Developed by experts in the field of education, each title in the Spectrum workbook series offers grade-appropriate instruction and reinforcement in an effective sequence for learning success. Perfect for use at home or in school, and a favorite of parents, homeschoolers, and teachers worldwide, Spectrum is the learning partner students need for complete achievement.

## **Spotlight on Music**

Reading Essentials, student edition provides an interactive reading experience to improve student comprehension of science content. ## **MLA Handbook for Writers of Research Papers**

## **Integrated Science**

Inquiry-based general science curriculum for the first grade featuring a text/workbook that students can write in.

## **Prentice Hall Science Explorer: . Teacher's ed**

Inquiry-based general science curriculum for Kindergarten featuring a text/workbook that students can write in.

## **Interactive Science**

Lesson plans and activities to help teach basic science to elementary school level students.

## **Interactive Worktext**

## **Interactive Math Notebook Resource Book, Grade 8**

You don't have to love or even like spiders to love this book. In fact, if you really don't like spiders, you'll have a lot in common with the book's narrator, who despite his/her best intentions, cannot help smooshing them! This fresh and very funny non-fiction picture book shares lots of fascinating facts about spiders-like a single spider can eat 50 pounds of bugs in a year!-and in an entirely captivating way. If I'm Trying to Love Spiders doesn't cure your spider phobia, it'll at least make you appreciate how amazing they are and laugh a lot as you learn about them.

## **Math, Grade 7**

Encourage students to create their own learning portfolios with the Mark Twain Interactive Math Notebook for grade 8. This 64-page interactive notebook includes 28 lessons in the number system, ratios, equations, geometry, statistics, probability, and more.
