The Four Ds: No Dating (Thanks to Carly and Momma Joe, that was nixed at sixteen.) No Drinking (Shots of Jack at prom.) No Drugs (College frat party and a bear-shaped bong named Smokey.) A long time ago I was young and naive. I thought I could save the world. I thought that protecting those around me from hurt and pain was what I was born to do. She made me feel that way. Ava Links, the little girl who was too fucking stubborn for her own good. The little girl who absorbed the hurt and pain of everyone around her and tried to bring sunshine to them all. The little girl who didn't give a damn if people picked on her about wearing a crown and tutu every day. A little girl who somehow looked at me, expecting-no, damn near demanding-I protect her. I saw the pain she hid, and as I grew older, I understood that pain. The pain of being so much to so many that there is really never a "you." I took control of my life I had to get away from everyone who pulled at me in order to claim myself. When I became the man I was destined to be, I began to live. Then, one drunken night, Ava Links, no longer a little girl, said the right damn thing to me, and everything changed. After seven years of fucking her while home on leave with no expectations, now my life is out of control. One bad dream, one I love you, one night of pushing her the hell out of my life, one drummer stealing her heart, and one explosion took everything away. Lies are told. Lies are unraveling. Lies are going to destroy. These are my truths.

From USA Today Bestselling author, MJ Fields, comes a gripping story of love and its many truths. Once upon a time, Luke Lane loved a little, stubborn, delusional girl, and that little girl was me. Then I grew up and convinced myself that it wasn't a fairytale after all. It was Fate. I twisted Fate to make her story come to life, but Fate fought back, and now I am

looking at a man I still love, but he doesn't feel the same. I have to walk away. Not just for me, but for him. And not for the version of him who broke my heart, but for the version who was truly a knight in shining armor to the little girl I was, so many fairy tales ago.

They provide not only an urgent call to action but also a practical guide for our nation's leading institutions to make the most of the opportunities available to be major players in solving the world's biggest problems. "How I would like to catch the world / at pure idea," writes Jorie Graham, for whom a bird may be an alphabet, and flight an arc. Whatever the occasion--and her work offers a rich profusion of them--the poems reach to where possession is not within us, where new names are needed and meaning enlarged. Hence, what she sees reminds her of what is missing, and what she knows suggests what she cannot. From any event, she arcs bravely into the farthest reaches of mind. Fast readers will have trouble, but so what. To the good reader afraid of complexity, I would offer the clear trust that must bond us to such signal poems as (simply to cite three appearing in a row) "Mother's Sewing Box," "For My Father Looking for My

Uncle," and "The Chicory Comes Out Late August in Umbria." Finally, the poet's words again: ". . . you get / just what you want" and (just before that), "Just as / from time to time / we need to seize again / the whole language / in search of / better desires."--Marvin Bell

New Love

We don't always choose who we fall in love with. It just so happened that I fell in love over a box of crayons and a smile.

Growing up, it was always the three of us: Elijah Donahue, with his genius IQ and a smile he only shared with me. Our best friend, Aaron Esposito, with his crystal-blue eyes and a smile he shared with everyone. And me, Stella McCarty, the girl with the chapped lips and unruly hair. Then we grew apart, which is putting it mildly. I felt the loss, though my heart belonged to Elijah and his to me. When my father passed away, we grew back together again. I couldn't have gotten through that time if not for the both of them. But then, when I graduated from college and moved back home from London, it became obvious that I had been oblivious to the fact that they had never stopped hating one another. Elijah and Aaron's hate for one another had apparently been hindered by their love for me. Only, I didn't know that they both loved me in the same way. And I wished I never did. Love isn't supposed to feel like this. It isn't supposed to hurt.

Okay. Harken to my tale. Once upon a time (a couple of years ago) there were these brothers who had a bunch of really successful podcasts, and they decided to do a new podcast with their dad, where they all played D&D together as a family, and lo, this new podcast was called The Adventure Zone, and verily did it get downloaded over 10 million times, and wow did it totally eat the brains of all who listened, because: It was just. That. Rad. AND THEN did these guys team up with artist Carey Pietsch, and make a graphic novel where the weirdly sweet and brilliant but also super SUPER vulgar and honestly kind of bizarre story of The Adventure Zone got adapted into a goofy, innovative, and compelling graphic novel! Let no man deny that it was the best idea ever, right? Reader, we're publishing it.

USA TODAY BESTSELLER • Full of swagger and sensuality, the Caldwell Brothers series—perfect for fans of Katy Evans and Emma Chase—packs an emotional punch as the last bachelor standing fights for a woman who’s worth every ounce of trouble. Jagger Caldwell is no one’s hero. With a reputation for busting heads and breaking hearts on the underground MMA circuit, he lives for easy cash and easier women. But when he stumbles upon an all-too-familiar scene, painful memories awaken Jagger’s sensitive side and compel him to act. As a kid, he stood by helplessly as his old man beat his mom. Now, Jagger won’t let seventeen-year-old Tatiana Rand suffer the same fate. Nothing matters except saving her. Tatiana is a prisoner in her own home, at the mercy of her violent father—until an unlikely savior bursts through her door and into her life. Six-feet-plus of tattooed muscle and raw power, Jagger is no prince charming—but Tatiana stopped believing in fairy tales long ago. Despite their differences in age and, well, everything else, the sexy bad boy sparks a fire that Tatiana never knew she had—and desires that only Jagger can quench. Praise for Jagger “The youngest of the Caldwell brothers packs a good punch! In this fast-paced story, Jagger falls for the girl cowering in the corner—and claims his legacy along the way.”—New York Times bestselling author Heidi McLaughlin “The Caldwell brothers never disappoint. Jagger will fight for your heart and win it a thousand times over!”—Stacey Kennedy, USA Today bestselling author of the Club Sin series “Heartwarming and humorous, Jagger gives us the modern-day hero everyone needs.”—Ryan Michele, author of Ravage Me “Chelsea Camaron and MJ Fields find that cool mix between beauty and beast with Jagger. He was born to be a fighter, and Tatiana needs him in her corner.”—S. M. Donaldson, author of the Game Time series “The word flow of these books is so good and melodic. . . . The drama, when looked at in the context of the whole story, fits in with the general tone the story sets.”—The Romance Factor “Jagger brought me to my knees emotionally and had me falling hard for three of the sexiest heroes and the strong women who make them better men.”—Rochelle’s Reviews “A successful final installment . . . [Jagger Caldwell is] probably my favorite of the three.”—Carlene Inspired “I absolutely love this series about the Caldwell Brothers. I couldn’t wait to read Jagger’s story.”—She Hearts Books (4 hearts) “I found Jagger to be an excellent conclusion to the story (and I still loved the overlap from the other books, seeing scenes in Jagger’s and Totty’s eyes), and found Baby Caldwell to have just as much emotional capacity as his brothers.”—Mignon Mykel Reviews “Thank you, Chelsea and MJ, for this wonderful series about fighting for a better life.”—Ripe for Reader “What a wonderful finish to this series. The Caldwell Brothers are not to be missed. I have read each book in this series and I have enjoyed each one in its own way.”—DRC Promotions Includes a special message from the editor, as well as an excerpt from another Loveswept title.

"I'm no one's idea of a savior, Jailbait." Creed Hayes wasn't looking for redemption or a happily ever after, and he sure as hell wasn't looking to save a girl that tempted him beyond all reason. Sloan Spencer was trouble with a capital T. Too young, too innocent, and too damn beautiful. She was also alone and damn near defenseless except for the kitten claws she somehow thought would save her. Taking her home to the club is a cluster waiting to happen, I know it, and she knows it, but I can't stop myself. Our fates were sealed the second I saw the bruises covering her body. She's mine now and God help anyone who tries to take her from me. Warning: Violence, language, and possible triggers. If you love outlaws who live by their own code and will do anything to protect the women in their lives, you'll love the bad boys of Southern Rebel MC. Each book is a full-length standalone with recurring characters and all books are set in the Southern Rebel MC world.

I don't play by the rules. I'm wild. Pierced. Tatted from head to toe. People say I'm a bad boy, but what's so bad about wanting to have a good time? Straight up, I don't really care what you, or anyone else thinks about it. There's this blonde chick who has had my eye for awhile. Her name is Carly. She's HOT, but innocent. I'm going for it. I'm going to make her bow to the prince. In true Steel style. Forever Steel, baby.
