## **PISA Take the Test Sample Questions from OECD's PISA Assessments**

### **MATHEMATICS FOR C.D.S. ENTRANCE EXAM.**

Competition Science Vision (monthly magazine) is published by Pratiyogita Darpan Group in India and is one of the best Science monthly magazines available for medical entrance examination students in India. Well-qualified professionals of Physics, Chemistry, Zoology and Botany make contributions to this magazine and craft it with focus on providing complete and to-the-point study material for aspiring candidates. The magazine covers General Knowledge, Science and Technology news, Interviews of toppers of examinations, study material of Physics, Chemistry, Zoology and Botany with model papers, reasoning test questions, facts, quiz contest, general awareness and mental ability test in every monthly issue.

### **Dsssb-Teachers Pgt-Chemistry ( R-1312)**

Educators play a significant role in the intellectual and social development of children and young adults. Next-generation teachers can only be as strong as their own educational foundation which serves to cultivate their knowledge of the learning process, uncover best practices in the field of education, and employ

leadership abilities that will inspire students of all ages. **Teacher Education: Concepts, Methodologies, Tools, and Applications** explores the current state of pre-service teacher programs as well as continuing education initiatives for in-service educators. Emphasizing the growing role of technology in teacher skill development and training as well as key teaching methods and pedagogical developments, this multi-volume work compiles research essential to higher education professionals and administrators, educational software developers, and researchers studying pre-service and in-service teacher training.

### **Lakhmir Singh's Science for Class 8**

#### **ENGLISH (TGT/PGT)**

Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, *Topi Shukla* is an intriguing story of two friends—one Hindu and the other Muslim. Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons. Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow. Although it is set in the India of the 1960s, the communal tensions and issues portrayed in the novel make it just as relevant to the troubled times we face today. This fascinating novel will be of tremendous interest to the general reader, as well as to students of literature in translation, partition fiction, and social history. The novel's engagement with intertextuality and metafiction will add to its interest for readers keen on literary theory.

#### **Planned Economy for India**

The thoroughly revised & updated 2nd edition of Disha's Bestseller book 'Shortcuts in Reasoning (Verbal, Non-Verbal & Analytical)' will help aspirants in learning the various tips and tricks required to crack the Reasoning section of the various Competitive Exams. ## **Quantitative Aptitude**

On 21 May 1991, journalist Neena Gopal had finished just one part of an interview with Rajiv Gandhi—the last of his life—when his car reached the election rally at Sriperumbudur. Moments later, Rajiv Gandhi was dead, blown up by suicide bomber Dhanu, irrevocably changing the course of Indian politics, as Neena Gopal, just yards behind him, watched in horror. In this gripping, definitive book, Gopal reconstructs the chain of events in India and at the LTTE's headquarters in Sri Lanka where the assassination plot was hatched, and follows the trail of investigation that led to the assassins being brought to justice. Drawing on extensive interviews, research and her own vast experience as a journalist, she deftly establishes the background—the shortsightedness of India's Sri Lanka policy; the friction between the intelligence agencies and between the agencies and the external affairs ministry; the many warnings that went unheeded; and the implacable hatred that LTTE supremo Prabhakaran felt for Rajiv Gandhi. Bringing all these complex threads together, Gopal takes us step by step to Sriperumbudur as Rajiv Gandhi walked inexorably to his death on that tragic May evening twenty-five years ago.
