### **The Abridgment of The History of the Reformation of the Church of England**

The 31-day devotional, M.U.M's The Word, is a collaboration of author Kimberly West Williams' intimate thoughts, journal writings, and affirmations she spoke to herself through the years of being a single mother, caring for her son. Williams has decided to turn these reflections and passages into a unique 31-day devotional in hopes to encourage and inspire other women and single mothers. By sharing what helped her, it is her prayer this book is a light in dark times as many women struggle as single parents every day. "May you never give up and may you build an unforgettable legacy for future matriarchs and generations to come. May M.U.M's The Word inspire and enlighten you. May it remind you there is always light at the end of the tunnel and there is someone, somewhere who always cares." M.U.M's The Word is not meant to be another feel good book, but rather, these personal and intimate words are meant to strengthen and affirm who you are and most importantly-whose you are. No matter how deep or dark life may get, this book is full of confirmation that we are continuously filled with greatness through God, and there is a purpose for all we may endure.

### **An Alarm to Unconverted Sinners**

Lesson 12 - Concentration - The two important Laws that will enable you to fully concentrate your mind. - The stunning effect that a change in environment can have on your success. - The 'radio principle'and how you can use it to tap into abundance. - The door to your successand how to find "The Magic Key" to unlock it. - The staggeringly simple pledge that will enable you to spend only ten minutes a day focusing on your future. - Why thought is organized energyand how you use its amazing potential. - The secret of concentrated attentionand how to use it to manage your time more effectively. - The simple visualization technique that trains your mind to concentrate. - The startling hypnotic truth behind the psychology of crowds. Lesson 13 - Co-operation - How you can use the two forms of co-operation

to propel yourself to unbelievable new heights. - Why you should aim for success through co-operation rather than competition. - Why the curse of procrastination drives you towards failure and how you can get out of it. - Why the 'psychology of inaction' is the chief reason of failure. - Your six states of mind that are fatal to continuing action. - The two forms of action and why you are only doing one of them. - Why you should put as much effort into preparation as execution. - The three most important factors that give you personal power. - The four-step process to extinguish your procrastination for good. - The three major motivating forces that compel you to act.

Author and travel writer Dixe Wills likes to champion the underdog. In this new book, he celebrates 70 living things from the world of nature that are unfairly maligned by humans and yet manage to beat the odds in some inspiring or uplifting way. From bacteria and bluebottles, to puddles and wasps, there's so much we can learn from the curious creatures and the natural world around us. Take the slug, for example: "Slugs, like us, yearn to be the object of a little human love and sympathy. Unlike slugs, you have a chance of this dream coming true. Also, beer will not kill you. Not immediately, anyway." Written in Dixe's inimitable style, this charming book is sure to delight his many fans and gain him new readers with an interest in the natural world.

## **The Asianization of America**

From his early days Wodehouse adored cricket and references to the game run like a golden thread through his writings. He not only wrote about this glorious British pastime, but also played it well, appearing six times at Lords, where his first captain was Sir Arthur Conan Doyle. Illustrated with wonderful drawings and contemporary score-sheets, Wodehouse at the Wicket is the first ever compendium of Wodehouse's writings on cricket. Edited by cricket historian Murray Hedgcock, this delightful book also contains fascinating facts about Wodehouse's cricketing career and how it is reflected in his work. This is the perfect gift for Wodehouse readers and fans of all things cricket.

Ignacio Berroa, one of the leaders of the Songo movement in the U.S., delivers an in-depth overview of the important rhythms associated with Afro-Cuban music. Ignacio breaks down the complex rhythms needed to master this unique style into a simple approach. Each rhythm is demonstrated first in a traditional context, then transferred to the drumset. Also included is a discussion and demonstration of Songo featuring the legendary "Changuito." A must for all musicians interested in Afro-Cuban music. (72 min.)

## **Is Ulster Right?**

English spy Andrew Truesdale has been sent to Florence on a mission--to befriend widowed contessa Olivia di Montebaldi and discover if she's plotting a nationalist revolution in the aftermath of Napoleon's defeat. Andrew expects the assignment to be easy. After all, his job with the British Diplomatic Corps required him to perfect the art of flirtation and become a consummate seducer of women. Everything changes, however, when he arrives at Olivia's villa. Instead of the middle-aged woman he expects, Andrew finds a vivacious young beauty who piques his interest and his lust. But while Andrew may be taken aback by the contessa, Olivia knows exactly who Andrew is and that he is dangerous. She may let him claim her body, but can she trust him with her secrets?

## **Engayged**

James "Hercules" Martino has until the end of the summer (a.k.a. two weeks) to accomplish the twelve tasks given to him by his Uncle Anthony. The tasks will take him to the far reaches of Baltimore, lead him to a Beautiful and Unattainable Woman, and change the way he sees his past, present, and future. Spare in words, but abundant in big ideas and laugh out loud humor, James Proimos has crafted a novel for any teenager who's ever had a complicated relationship with a parent. In other words, everyone.

## **Transactions of the American Pediatric Society**

Your text simplified as the essential facts to prepare you for your exams. Over 2,000 highly probable test items.

## **Wodehouse At The Wicket**

Like most bank managers, Dave Calvin had acquired an irresistible charm that he could switch on whenever he felt the necessity. Underneath it he was cold, calculating, brutal - a perfect murderer. For years he had waited - watching an endless stream of money pass through his hands - knowing that a risk was only worth taking if the reward was justified. And a \$300,000 payroll was justification

enough - even for murder

## **Vita Sackville-West: Selected Writings**

This comprehensive, practical guide explores how contemporary furniture is used within interior design to define a space, create division and enclosure, and alter or redefine circulation. Initial chapters illustrate the different contexts in which furniture is used, from the office and domestic interiors to retail and exhibition space; look at types of furniture, whether off-the-shelf or bespoke; and explore the new vogue for recycling and vintage. Later chapters examine both traditional materials such as wood and the more unusual such as stone and glass, while also explaining new methods of manufacture - such as Computer Numerical Controlled and Selected Laser Sintering. The final chapter looks at how a design is developed, the site surveyed, prototypes made and specifications and schedules drawn up. Furniture for Interior Design is a detailed, highly illustrated guide to specifying and placing existing manufactured furniture, but also shows the reader how to design, detail, and commission batch-produced furniture or one-off, site-specific pieces.

Aristocrat, novelist, essayist, traveler, and lover of Virginia Woolf, Vita Sackville-West lived a fascinating and daring life on the periphery of the Bloomsbury circle. She wrote in an astounding variety of genres, including travel narrative, historical and literary studies, poetry, fiction, and essays, and is probably best known for her novels, *The Edwardians* and *All Passion Spent*, and incomparable writings about English country houses and gardens. Here, for the first time, is an anthology that represents the full expanse of her interests and styles. Over half of the works, including intimate diaries and a dream notebook, have never been published. Edited by a foremost expert on the Bloomsbury circle, Vita Sackville-West: *Selected Writings* provides the best and most accessible introduction to this unique writer.

## **Powerhouse for God**

What comes in something plain, but is also very useful? An unruled composition book! This book has unruled pages, free of lines and has no unnecessary visual distractions. If you need a book wherein you can use for free-form writing, or even drawing, then this is the perfect tool for you to express yourself without limitations. It's a good opportunity for children to write freely and teaches them to become more conscious of placing the print on the page rather than just filling up the lines. This is ideal for free-form journaling or sketching, note taking, drawing, doodling, among endless possibilities.

## **Finger Plays for Nursery and Kindergarten**

"For anyone even remotely interested in American literature and journalism, Not So Wild a Dream is a must-read, and a joy."- Dan Rather In this captivating first-person account, Eric Sevareid describes in thrilling detail his time as a journalist covering international affairs during World War II. From a young man in North Dakota to an instrumental figure in establishing CBS as an international news

organization, Sevareid witnessed the shaping of America's journalistic landscape. His experiences provide an invaluable glimpse into the trials and tribulations of a dogged reporter. With current distrust of the press on the rise, Sevareid's insight is poignant and all the more necessary. "The book is an excellent sketch of the war's progress, and a thoughtful personal record of Mr. Sevareid's adventures--one of the most far ranging war correspondent journals yet published."- Library Journal
