Newspaper Index: Milwaukee Journal

There is absolutely no better guide for haunted Wisconsin. Linda S. Godfrey. With her smooth journalistic style and her keen sense of what makes a good ghost story, she has the ability to send chills up and down your spine --Brad Steiger, author of Real Ghosts, Restless Spirits, and Haunted Places Wisconsin's leading authority on the paranormal presents strange stories from around the state, from witches in the Wisconsin Dells to spirits in the State Capitol. Readers will encounter Kenosha's Headless Nun, the Man Bat of Lacrosse, Rocky the Rock Lake Monster, and John Dillinger's phantom. They will explore Aztalan's ancient mounds, the ghostly bars and taverns of Madison and Milwaukee, and the creepy town of Caryville, one of the most haunted places in America.

Ayer Directory, Newspapers, Magazines and Trade Publications

"Inspired by the ambitions of Milwaukee's first bishop, John Martin Henni, Marquette College opened in September 1881 on a hilltop overlooking the city's expanding downtown. Named for the great explorer and missionary of the American Midwest, Pere Jacques Marquette, the institution's educational foundation drew upon the well-developed, clearly-elucidated traditions of the Society of Jesus. After twenty-five years as a small, liberal arts college, Marquette blossomed into Wisconsin's largest private university through its affiliation with the Milwaukee Medical College in 1907, the purchase of two, privately-owned law schools in 1908, the establishment of an engineering college that same fall, and finally, the opening of journalism and business programs in 1910. By this time, the institution had moved from its original hilltop site at Tenth and State streets to Grand Avenue, alongside the Church of the Gesu. Soon Marquette set a course toward coeducation, the first Catholic college/university in the world to make this

choice. Marquette's reputation as Milwaukee's university grew steadily during the 1920s, accompanied by the school's first building boom. Dependent from its earliest days upon tuition income, the school struggled through the hardships of the Great Depression and enrollment disruptions of World War II. With the end of that conflict, however, Marquette came into full glory, becoming by the late 1950s the largest Catholic university in the country. The quarter of a century preceding the school's centennial celebration in 1981 was highlighted by an urban renewal program that transformed the campus neighborhood, by the appearance of a lay-dominated leadership core, and by an outspoken student body experiencing every emotion of the 1960s and 1970s." "Based on a complete rereading of the university archives, this volume depicts the first one hundred years of Milwaukee's Jesuit University, with an emphasis upon the themes of student life, administrative decision-making, and Marquette in Milwaukee."--BOOK JACKET.

N.W. Ayer & Son's American Newspaper Annual and Directory

The definitive biography of the most dangerous demagogue in American history, based on first-ever review of his personal and professional papers, medical and military records, and recently unsealed transcripts of his closed-door Congressional hearings In the long history of American demagogues, from Huey Long to Donald Trump, never has one man caused so much damage in such a short time as Senator Joseph McCarthy. We still use "McCarthyism" to stand for outrageous charges of guilt by association, a weapon of polarizing slander. From 1950 to 1954, McCarthy destroyed many careers and even entire lives, whipping the nation into a frenzy of paranoia, accusation, loyalty oaths, and terror. When the public finally turned on him, he came crashing down, dying of alcoholism in 1957. Only now, through bestselling author Larry Tye's exclusive look at the senator's records, can the full story be told. Demagogue is a masterful portrait of a human being capable of immense evil, yet beguiling charm. McCarthy was a tireless worker and a genuine war hero. His ambitions knew few limits. Neither did his socializing, his drinking, nor his gambling. When he finally made it to the Senate, he flailed around in search of an agenda and angered many with his sharp elbows and lack of integrity. Finally, after three years, he hit upon anti-communism. By recklessly charging treason against everyone from George Marshall to much of the State Department, he became the most influential and controversial man in America. His chaotic, meteoric rise is a gripping and terrifying object lesson for us all. Yet his equally sudden fall from fame offers reason for hope that, given the rope, most American demagogues eventually hang themselves.

Report

Just a decade after the first printing press arrived in Honolulu in 1820, American Protestant missionaries produced the first newspaper in the islands. More than a thousand daily, weekly, or monthly papers in nine different languages have appeared since then. Today they are often considered a secondary source of information, but in their heyday Hawai'i's newspapers formed one of the most diversified, vigorous, and influential presses in the world. In this original and timely work, Helen Geracimos Chapin charts the role Hawai'i's newspapers played in shaping major historic events in the islands and how the rise of the newspaper abetted the rise of American influence in Hawai'i. Shaping History is

based on a wide selection of written and oral sources, including extensive interviews with journalists and others working in the newspaper industry. Students of journalism and Hawaiian history will find this comprehensive history of Hawai'i's newspapers especially valuable.

National College Newspaper Directory

The Main Street Moment

After 9/11, liberal professors and students faced an onslaught of attacks on their patriotism and academic freedom. In a lively narrative this book tells the story of attacks on academic freedom in the past five years. It highlights nationally prominent and lesser known cases, drawing upon media reports, university documents, and reports and studies seldom seen by the public. It shows how conservative attacks on higher education distort the facts in order to pursue an assault on liberal ideas. A wave of Web sites and think-tanks urge students to spy on their professors for any sign of deviation from the new PC: Patriotic Correctness. Free speech on campus is facing its greatest threat in a half century, and Patriotic Correctness: Academic Freedom and Its Enemies documents the danger to rights and looks to solutions for ensuring and promoting the free exchange of ideas requisite in any thriving democracy.

'Dear Mrs. Griggs'

Professor Thomas relates security policy to the country's economy and technological capacity, discusses the capabilities of each of the armed services, and considers the issue of arms importation vs. indigenous production. He also explores the prospects for the future under Rajiv Gandhi. Originally published in 1987. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

American Catholic Pacifism

Describes the history, key people, and teams that compete in the Big East Conference of NCAA basketball.

Haunted Wisconsin

Presents information on enrollment, fields of study, admission requirements, expenses, and student activities at more than two thousand four-year colleges and universities and 1,650 two-year community colleges and trade schools. Original. 70,000 first printing.

Circular Letter

Patriotic Correctness

In the wake of the worst economic crisis since the Great Depression and the Supreme Court's landmark Citizens United decision, politicians are targeting working Americans as never before. As American Federation of State, County and Municipal Employees (AFSCME) President Gerald W. McEntee and Secretary-Treasurer Lee Saunders show, efforts to crush what's left of the working middle class and the American Dream are supported by those willing to stop at nothing to enshrine profits for the few at the expense of the many. But these forces vastly underestimate the power of Americans—union and non-union alike—united for economic justice and a vibrant democracy. In fact, AFSCME's leaders argue that

the response to the unprecedented attacks on the rights of workers amid growing income inequality in the United States has triggered something extraordinary: the Main Street Moment. From Washington to Wisconsin, Americans are fighting back against the crony capitalists trying to undo a century of hard-won victories for workers. These Americans know that the best bulwark against economic calamity is organized labor. Unions brought you the weekend and the forty-hour work week; unions created the middle class. And now unions must save America from those who would sacrifice democracy for the sake of profit. The Main Street Moment is the definitive manifesto for progressives and working people who know that America can only be transformed if we all stand united.

The Quill

Demagogue

For almost fifty years, through her tireless service to the poor and her courageous witness for peace, Dorothy Day offered an example of the gospel in action. Now the publication of her diaries, previously sealed for twenty-five years after her death, offers a uniquely intimate portrait of her struggles and concerns. Beginning in 1934 and ending in 1980, these diaries reflect her response to the vast changes in America, the Church, and the wider world. Day experienced most of the great social movements of her time but, as these diaries reveal, even while she labored for a transformed world, she simultaneously remained grounded in everyday human life: the demands of her extended Catholic worker family; her struggles to be more patient and charitable; the discipline of prayer and worship that structured her days; her efforts to find God in all the tasks and encounters of daily life. A story of faithful striving for holiness and the radical transformation of the world, Day's life challenges readers to imagine what it would be like to live as if the gospels were true.
