A new addition to the 'Language in Use' series for 1998 will be photocopiable progress tests for the Intermediate level. They are to be used at regular intervals in the teaching programme, and can easily be managed in class time. There are four progress tests and a summary test which cover grammar, vocabulary, spelling, punctuation, reading, writing, listening and speaking. The features which distinguish Language in Use include - flexibility - The innovative Teacher's Book material allows teachers to tailor the material; dual syllabus -Alternating units on grammar and vocabulary; clarity - The clear organisation of the material makes the course attractive and easy to use; creativity - Involving and stimulating tasks encourage personal input from learners; self-study - A workbook and self study cassette contain genuine self-study work.

### **Murach's MySQL**

A series of Workbooks offering practical English lessons for school students preparing for work.

### **Straightforward Pre-Intermediate**

This how-to guide to MySQL is perfect for beginning programmers or experienced developers. It shows how to code all the essential SQL statements for working with

a MySQL database. It shows how to design a database, including how to use MySQL Workbench to create an EER model. It shows how to take advantage of relatively new MySQL features such as foreign keys, transactions, stored procedures, stored functions, and triggers. And it presents a starting set of skills for a database administrator (DBA). A must-have for anyone who works with MySQL.

### **Solutions**

In this delightful book, Louise L. Hay discusses the power and importance of affirmations and shows you how to apply them right now! Louise explains that when you state an affirmation, you're really saying to your subconscious mind: "I am taking responsibility. I am aware that there is something I can do to change." Within these pages, Louise discusses specific topics and concerns (health, fearful emotions, addictions, prosperity issues, love and intimacy, and more) and presents exercises that show you how to make beneficial changes to virtually every area of your life. On the enclosed CD, Louise offers you helpful information about affirmations that you can also use to your benefit. She recommends that you listen to the CD at any time of the day or night—whenever you'd like positive thoughts and ideas to permeate your consciousness and fill you with hope and joy.

Two thousand years ago coming times were announced in which revelations would be openly disclosed to those who turn towards the Light and petition for it. Those times have arrived and the Truth is being revealed in a unique way within each person who surrenders to it, dissolving the illusions that separate humans from Reality here on this planet. This book, fruit of the work of a group on the inner levels of life, invites us to undertake the search faithfully, bringing us the keys to the sublime portals that now are opening up to terrestrial humans.
