A catastrophic, unexplainable plane crash leaves three hundred and thirty dead -- no survivors. Among the victims are the wife and two daughters of Joe Carpenter, a Los Angeles Post crime reporter. A year after the crash, still gripped by an almost paralyzing grief, Joe encounters a woman named Rose, who claims to have survived the crash. She holds out the possibility of a secret that will bring Joe peace of mind. But before he can ask any questions, she slips away. Driven now by rage (have the authorities withheld information?) and a hope almost as unbearable as his grief (if there is one survivor, are there others?), Joe sets out to find the mysterious woman. His search immediately leads him into the path of a powerful and shadowy organization hell-bent on stopping Rose before she can reveal what she knows about the crash. *Sole Survivor* unfolds at a heart-stopping pace, as a desperate chase and a shattering emotional odyssey lead Joe to a truth that will force him to reassess everything he thought he knew about life and death -- a truth that, given the chance, will rock the world and redefine the destiny of humanity. **BONUS:** This edition contains an excerpt from Dean Koontz's *The City*.

fury demand: find the truth, no matter what. People of talent and accomplishment, people admired and happy and sound of mind, have been committing suicide in surprising numbers. When Jane seeks to learn why, she becomes the most-wanted fugitive in America. Her powerful enemies are protecting a secret so important—so terrifying—that they will exterminate anyone in their way. Because it is born of love. Don't miss any of Dean Koontz's gripping Jane Hawk thrillers: THE SILENT CORNER • THE WHISPERING ROOM • THE CROOKED STAIRCASE • THE FORBIDDEN DOOR • THE NIGHT WINDOW Praise for The Silent Corner "Gripping . . . The paranoia and mystery increase as the story unfolds. . . . Koontz has created [a] wonderful character in Jane Hawk. . . . Koontz rocks it again."—Associated Press "In this era of stingy text-message prose, Mr. Koontz is practically Shakespeare. . . . The Silent Corner brims with both action and emotion."—Pittsburgh Post-Gazette "The Silent Corner is vintage Dean Koontz: paranoia-fueled suspense . . . sleek and highly realized action, developed characters, and more twists and turns than any two ordinary novels combined. . . . Cold Fire

Chris Snow, the light-phobic, oddball hero of Dean Koontz's *Fear Nothing*, is once again caught in the middle of something ugly. The children (and pets) of Moonlight Bay, California, are disappearing. The first to go is Jimmy Wing, the son of Snow's former girlfriend, Lilly. Then Snow's own hyper-intelligent dog goes missing. Snow decides that he will find them, but what he uncovers is more than just a simple kidnapping; before he can turn back, he's up against an age-old vendetta, an active time machine, and a genetic experiment gone awry. *Seize the Night* offers up the same eclectic mix of characters that appeared in *Fear Nothing*: boardhead Bobby, disc jockey Sasha, Snow, and all of their friends band together to find the missing kids and figure out why the people of Moonlight Bay are morphing into demonic versions of their former selves. They outsmart corrupt cops, outrun genetically enhanced monkeys, and outlive a time warp with a vengeance--all between nightfall and sunrise, the only time that Snow can be outside. Though the premise is a little bit hard to believe, and the surf lingo occasionally irritating, *Seize the Night* is ultimately fun to read. Koontz successfully draws you in and keeps you entertained through an unexpected climax and an enlightening resolution.

Dean Koontz has surpassed his longtime reputation as “America’s most popular suspense novelist” (Rolling Stone) to become one of the most celebrated and successful writers of our time. Reviewers hail his boundless originality, his art, his unparalleled ability to create highly textured, riveting drama, at once viscerally familiar and utterly unique. Author of one #1 New York Times bestseller after another, Koontz is at the pinnacle of his powers, spinning mysteries and miracles, enthralling tales that speak directly to today’s readers, balm for the heart and fire for the mind. Dylan O’Connor is a gifted young artist just trying to do the right thing in life. He’s on his way to an arts festival in Santa Fe when he stops to get a room for himself and his twenty-year-old autistic brother, Shep. But in a nightmarish instant, Dylan is attacked by a mysterious “doctor,” injected with a strange substance, and told that he is now a carrier of something that will either kill him or transform his life in the most remarkable way. Then he is told that he must flee--before the doctor’s enemies hunt him down for the secret circulating through his body. No one can help him, the doctor says, not even the police. Stunned, disbelieving, Dylan is turned loose to run for his life and straight

into an adventure that will turn the next twenty-four hours into an odyssey of terror, mystery--and wondrous discovery. It is a journey that begins when Dylan and Shep's path intersects with that of Jillian Jackson. Before that evening Jilly was a beautiful comedian whose biggest worry was whether she would ever find a decent man. Now she too is a carrier. And even as Dylan tries to convince her that they'll be safer sticking together, cold-eyed men in a threatening pack of black Suburbans approach, only seconds before Jilly's classic Coupe DeVille explodes into thin air. Now the three are on the run together, but with no idea whom they're running from--or why. Meanwhile Shep has begun exhibiting increasingly disturbing behavior. And whatever it is that's coursing through their bodies seems to have plunged them into one waking nightmare after another. Seized by sinister premonitions, they find themselves inexplicably drawn to crime scenes--just minutes before the crimes take place. What this unfathomable power is, how they can use it to stop the evil erupting all around them, and why they have been chosen are only parts of a puzzle that reaches back into the tragic past and the dark secrets they all share: secrets of madness, pain, and untimely death. Perhaps the answer lies in the eerie, enigmatic messages that Shep, with precious time running out, begins to repeat, about an entity who does his work "by the light of the moon." *By the Light of the Moon* is a novel of heart-stopping suspense and transcendent beauty, of how evil can destroy us and love can redeem us--a masterwork of the imagination in which the surprises come page after page and the spell of sublime storytelling triumphs throughout.
