A popular tourist boat mysteriously sinks into Beacon Lake three days before the boat's insurance policy is due to expire. The boat's owner, Fred Glenn, hires Marine Rescue and Salvage (MRS) to haul the boat out of the lake. MRS fails to successfully raise the boat, and a dispute arises between Glenn and MRS. The Riverboat Queen had been docked at a boat ramp owned and operated by Nita City, who has chosen to terminate Glenn's lease. Why did the boat sink? Was

the insurance policy going to be renewed? Who is responsible for the costs incurred as MRS tried to raise the boat? Is Nita City justified in terminating Glenn's lease? The Riverboat Queen Case Files include four lawsuits drawn from the same fact pattern: three civil and one criminal. Because professors won't have to present new fact patterns for each case file, students can focus on examining the cases based on facts they already know, maximizing skills development and trial practice opportunities. The case files topics include a contract dispute and counterclaim, bad faith denial of an insurance claim and breach of contract, breach of contract landlord/tenant, and attempted insurance fraud. This dynamic case file compilation includes over fifty exhibits, including diagrams, emails, and photographs, as well as evidentiary issues such as hearsay and business records exceptions.

With clear explanations, examples, and visual aids, *The Legal Research and Writing Handbook*, Eighth Edition by Andrea Yelin and Hope Viner Samborn offers complete coverage of a complex subject in a student-friendly, accessible text. In this thoroughly updated new edition, the authors continue to keep pace with legal research, citation, and technology in today's law firms. This practical text focuses on efficient research processes and techniques for both traditional and electronic sources, along with step-by-step instruction through each stage of the legal writing process, from prewriting strategies, to revising. The text is enhanced with examples and visual aids, expert writing and practice tips, hands-on exercises, ethics alerts, up-to-date web resources, and easy-to-navigate page design. Excellent exercises are provided to reinforce student learning. Key Features: Updated and expanded coverage of electronic resources reflecting how paralegals do research today Detailed discussion of how to use legal authorities in legal communications and how to

synthesize them and present them to attorneys
Examples, exhibits, practical tips, updated exercises,
and web resources in every chapter Expanded
discussion of e-mail and e-memos In-depth coverage
of the IRAC method, as well as how to write legal
memoranda and legal correspondence

For better or worse, virtually everyone who has ever attended high school can recall events from their high school experience. It is often astounding just how much information we retain! "A New Kat At Scecina" looks at the experiences of two students friendship within a single year of their high school experience. One student, Makaley represents stability having had one year of the high school under her belt at Scecina. Kat (shorten for Katherine) is a new student who has traveled with her parents around the world but is new to Scecina. Despite their differences, both girls

experience challenges eventually coming to realize the value of their friendship. Scecina Memorial High School is an actual Roman Catholic high school located on the northeast side of Indianapolis, Indiana. The high school has been at this location for more than 60 years. The motto of Scecina is: "Give A Little Extra". Makaley and Kat do indeed give a little extra to develop and build a great lifelong friendship never to be forgotten as well as the memory of those who also gave a little extra.
