"Beating them All!" is a universal preparation manual that will assist test-takers across the country in beating any elementary reading instruction exam (National Evaluation Systems, Inc. (NES) exam). The strategies and methods presented in this text are research-based and will allow candidates the best opportunity to pass on their first attempt. Features: Universal, Comprehensive Preparation. The areas include "case studies, short answers, " and "multiple-choice questions." It will be an invaluable resource for students who want and need to pass NES exams. Sound Preparation Methods. The preparation methods in this manual have been field tested, refined, and re-tested with groups of real students facing these exams. It includes repeatable attack-plans on time management. Effective Strategies. All of the defined strategies in "Beating them All!" have been field tested and refined to ensure effectiveness and ease in acquisition/application. Valid Content. The core reading-instruction content that is assessed on the RICA, and the other NES exams, has been identified and validated through separate explorations. Because NES exams share so much of this core content, it is essential for all candidates to know the material in "Beating them All!" in advance of taking any test. ""The strengths of this text are in the area of analysis of various reading and writing components and test issues, which are seamlessly and brilliantly presented in a cogent and

Adopt the investment strategy that turned a school teacher into a millionaire. *Millionaire Teacher* shows you how to achieve financial independence through smart investing — without being a financial wizard. Author Andrew Hallam was a high school English teacher. He became a debt-free millionaire by following a few simple rules. In this book, he teaches you the financial fundamentals you need to follow in his tracks. You can spend just an hour per year on your investments, never think about the stock market's direction — and still beat most professional investors. It's not about get-rich-quick schemes or trendy investment products peddled by an ever-widening, self-serving industry; it's about your money and your future. This new second edition features updated discussion on passive investing, studies on dollar cost averaging versus lump sum investing, and a detailed segment on RoboAdvisors for Americans, Canadians, Australians, Singaporeans and British investors. Financial literacy is rarely taught in schools. Were you shortchanged by your education system? This book is your solution, teaching you the ABCs of finance to help you build wealth. A beloved classic that captures the powerful bond between man and man’s best friend. Billy has long dreamt of owning not one, but two, dogs. So when he’s finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he’s ecstatic. It doesn’t matter that times are tough; together they’ll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan’s brawn, Little Ann’s brains, and Billy’s sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. A fresh, fun, and "thought-provoking" New York Times bestseller about the American electoral college and why every vote counts from bestselling and award-winning duo Kelly DiPucchio and LeUyen Pham. "Where are the girls?" When Grace's teacher reveals that the United States has never had a female president, Grace decides she wants to be the nation's first and immediately jumpstarts her political career by running in her school's mock election! The race is tougher than she expected: her popular opponent declares that he's the "best man for the job" and seems to have captured the votes of all of the class's boys. But Grace is more determined than ever. Even if she can't be the best man for the job, she can certainly try to be the best person! This timely story not only gives readers a fun introduction to the American electoral system but also teaches the value of hard work, courage, independent thought -- and offers an inspiring example of how to choose our leaders.
