“A delightfully original take on...the prospects for liberal democracy in the broader Islamic Middle East.”—Matthew Kaminski, Wall Street Journal As the Arab Spring threatens to give way to authoritarianism in Egypt and reports from Afghanistan detail widespread violence against U.S. troops and women, news from the Muslim world raises the question: Is Islam incompatible with freedom? In Islam without Extremes, Turkish columnist Mustafa Akyol answers this question by revealing the little-understood roots of political Islam, which originally included both rationalist, flexible strains and more dogmatic, rigid ones. Though the rigid traditionalists won out, Akyol points to a flourishing of liberalism in the nineteenth-century Ottoman Empire and the unique “Islam liberal synthesis” in present-day Turkey. As he powerfully asserts, only by accepting a secular state can Islamic societies thrive. Islam without Extremes offers a desperately needed intellectual basis for the reconcilability of Islam and liberty.

As the phoenix emerges from its ashes, Zebian emerges ablaze in these pages, not only as a survivor of abuse, but as a teacher and healer for all those who have struggled to understand, reclaim, and rise above a history of pain. The book is divided into six chapters, and six stages of healing: Falling, Burning to Ashes, Sparks of Phoenix, Rising, Soaring, and finally, A New Chapter, which demonstrates a healthy response to new love as the result of authentic healing. With her characteristic vulnerability, courage, and softness, Zebian seeks to empower those who have been made to feel ashamed, silenced, or afraid; she urges them, through gentle advice and personal revelation, to raise their voices, rise up, and soar.

Vocabulary of the Holy Qur'an

Masalah-masalah yang kita hadapi kini sebenarnya adalah satu cubitan kasih daripada Allah untuk menginsafkan kita agar kembali ke pangkal jalan. Insya-Allah, Allah sekali-kali tidak akan mengecewakan kita. Cuma kitalah yang sering menzalimi dan mengecewakan diri kita sendiri. Menerima Islam untuk diamalkan dan diperjuangkan samalah seperti menjemput kedatangan rahmat, kekuatan, keamanan dan keindahan. Menerima Islam tidak akan merugikan, menyusahkan dan menjatuhkan kita. Bahkan dengan Islamlah darjat dan maruah kita akan ditinggikan. Justeru, buku ini ditulis untuk mereka, khususnya para peserta Modul Mukmin Profesional yang sering bertanya: • Mengapa kaedah yang sebegini unik tidak dibukukan? • Alangkah baik kalau modul ini ditulis. • Apakah cara saya boleh mengulang kaji bahanbahan dalam modul ini? • Sudah sampai masanya modul yang berkesan ini dibukukan. Buku ini bukan sahaja relevan untuk dijadikan panduan untuk hidup selepas mati, tetapi ia juga relevan untuk hidup sebelum mati.

Revival of Religion's Sciences (Ihya Ulum ad-din) 1-4 Vol 1

Grand explanations of how to understand the complex twenty-first-century world have all fallen short—until now. In *The Second World*, the brilliant young scholar Parag Khanna takes readers on a thrilling global tour, one that shows how America's dominant moment has been suddenly replaced by a geopolitical marketplace wherein the European Union and China compete with the United States to shape world order on their own terms. This contest is hottest and most decisive in the Second World: pivotal regions in Eastern Europe, Central Asia, Latin America, the Middle East, and East Asia. Khanna explores the evolution of geopolitics through the recent histories of such underreported, fascinating, and complicated countries as Azerbaijan, Uzbekistan, Colombia, Libya, Vietnam, and Malaysia—nations whose resources will ultimately determine the fate of the three superpowers, but whose futures are perennially uncertain as they struggle to rise into the first world or avoid falling into the third. Informed, witty, and armed with a traveler's intuition for blending into diverse cultures, Khanna mixes copious research with deep reportage to remake the map of the world. He depicts second-

world societies from the inside out, observing how globalization divides them into winners and losers along political, economic, and cultural lines—and shows how China, Europe, and America use their unique imperial gravities to pull the second-world countries into their orbits. Along the way, Khanna also explains how Arabism and Islamism compete for the Arab soul, reveals how Iran and Saudi Arabia play the superpowers against one another, unmask Singapore's inspirational role in East Asia, and psychoanalyzes the second-world leaders whose decisions are reshaping the balance of power. He captures the most elusive formula in international affairs: how to think like a country. In the twenty-first century, globalization is the main battlefield of geopolitics, and America itself runs the risk of descending into the second world if it does not renew itself and redefine its role in the world. Comparable in scope and boldness to Francis Fukuyama's *The End of History* and the Last Man and Samuel P. Huntington's *The Clash of Civilizations and the Remaking of World Order*, Parag Khanna's *The Second World* will be the definitive guide to world politics for years to come. "A savvy, streetwise primer on dozens of individual countries that adds up to a coherent theory of global politics." –Robert D. Kaplan, author of *Eastward to Tartary and Warrior Politics* "A panoramic overview that boldly addresses the dilemmas of the world that our next president will confront." –Dr. Zbigniew Brzezinski, former national security advisor "Parag Khanna's fascinating book takes us on an epic journey around the multipolar world, elegantly combining historical analysis, political theory, and eye-witness reports to shed light on the battle for primacy between the world's new empires." –Mark Leonard, Executive Director, European Council on Foreign Relations "Khanna, a widely recognized expert on global politics, offers an study of the 21st century's emerging "geopolitical marketplace" dominated by three "first world" superpowers, the U.S., Europe and China The final pages of his book warn eloquently of the risks of imperial overstretch combined with declining economic dominance and deteriorating quality of life. By themselves those pages are worth the price of a book that from beginning to end inspires reflection." –Publishers Weekly From the Hardcover edition.

No doubt, that words if used effectively, or inappropriately could have a tremendous impact on those who hear or read it. A word could end relationships, start a fight, change moods, or incite emotions. *Better Me: 365 ways to transform your everyday life*, contains a selection of powerful words that were said during my talks as well as inspiration sparked from my mentors throughout the past 10 years. I am hoping that within this compilation you will find inspiration that would change your life for the better. I did not forget to leave a space after every quote for you to jot down your reflections. Perhaps, your reflections could become part two of the book if you would share them with me in the future.

In *The Malay Dilemma*, former prime minister Mahathir Mohamad examines and analyses the make-up of the Malays and the problem of racial harmony in Malaysia. First published in 1970, the book seeks to explain the causes for the 13 May 1969 riots in Kuala Lumpur. Dr Mahathir sets out his view as to why the Malays are economically backward and why they feel they must insist upon immigrants becoming real Malaysians speaking in due course nothing but Malay, as do immigrants to America or Australia speak nothing but the language of what the author calls "the definitive people". He argues that the Malays are the rightful owners of Malaya. He also argues that immigrants are guests until properly absorbed, and that they are not properly absorbed until they have abandoned the language and culture of their past.

Cultural Appropriation and the Arts

The Causes of the Indian Revolt

Al-Ghazali's "Moderation in Belief"

Young offers a systematic philosophical investigation of the moral and aesthetic issues to which cultural appropriation gives rise. Questions considered include: 'Can culture appropriation result in the production of aesthetically successful works of art?' and 'Is cultural appropriation in the arts morally objectionable?'

Fundamentals of Guidance

Indonesia's great size and diversity and its history of regional dissension have made its struggle for national integration particularly complex. Christine Drake presents an informed and balanced picture of past and present developments in this struggle, offering readers a realistic assessment of the current status and future prospects of national integration in Indonesia. By addressing historical, political, social, and economic issues in conjunction with statistical analysis, Professor Drake argues that the spatial pattern of integration is far more complex than the commonly accepted core-periphery model of Indonesian integration and development. The author examines the effectiveness of Indonesian government policies in promoting national integration and concludes that in general they have led to greater national unity, although many serious problems remain.

What is Sufism?

Justice, Society and Nature examines the moral response which the world must make to the ecological crisis if there is to be real change in the global society and

economy to favour ecological integrity. From its base in the idea of the self, through principles of political justice, to the justice of global institutions, the authors trace the layered structure of the philosophy of justice as it applies to environmental and ecological issues. Philosophical ideas are treated in a straightforward and easily understandable way with reference to practical examples. Moving straight to the heart of pressing international and national concerns, the authors explore the issues of environment and development, fair treatment of humans and non-humans, and the justice of the social and economic systems which affect the health and safety of the peoples of the world. Current grass-roots concerns such as the environmental justice movement in the USA, and the ethics of the international regulation of development are examined in depth. The authors take debates beyond mere complaint about the injustice of the world economy, and suggest what should now be done to do justice to nature.

Attitude of Gratitude

The Beginning of Guidance

Buku ini ditulis dengan mesej yang jelas: Zikir tanpa fikir akan menghasilkan individu yang beku, kaku dan mundur walaupun mungkin baik tingkah laku. Fikir tanpa zikir akan membentuk manusia yang aktif, dinamik tetapi merosakkan dirinya dan orang lain dengan pelbagai kemungkaran dan kejahatan. Pada cerita dulu-dulu, ada jejak iktibar yang perlu disusuri semula. Pada alam ciptaan Tuhan, ada pengajaran yang dapat diambil. Ia bergantung pada bagaimana kita melihatnya. Dan bagaimana kita melihat sesuatu, bergantung pada siapa diri kita. Dengan gaya santai dan simple, penulis mengocak 'fikir' dan 'zikir' pembaca - langkah kecil yang diharapkan dapat menjadi pemangkin kepada langkah yang lebih gah untuk memantapkan 'fikir' dan 'zikir' ummah. Kelebihan yang terdapat pada beliau (Pahrol Mohd Juoi) adalah keupayaan mengolah sesuatu persoalan daripada dimensi yang berbeza dan memberikan persepsi baru terhadap perkara yang digarapnya.' Ann Wan Seng, Setiausaha Agung Kehormat MACMA Buku ini terbahagi kepada tiga bahagian: Bahagian 1: Iktibar Kisah Dulu-dulu - Mencari hikmah dan ibrah, teladan dan sempadan, daripada cerita rakyat yang merupakan suara hati orang bijaksana untuk mendidik umat. Bahagian 2: Berguru dengan Alam - Melihat nikmat tanpa melupakan Pemberi nikmat, dengan menjadikan alam sebagai Maha Karya Tuhan yang sentiasa berbicara dengan manusia tentang keagungan Penciptanya. Bahagian 3: Kata Dikota - Memuatkan kata-kata yang indah dan benar, yang mampu mengubat rasa yang gundah serta membuat fikiran menjadi lebih besar, seterusnya mampu mengubah jiwa!

The Malay Dilemma

Di tengah-tengah kemelut hidup yang maha dahsyat ini, masih ramai yang lebih prihatin dan lebih berminat dengan tentang gajet-gajet teknologi berbanding persoalan hati. Betapa ramai manusia yang lebih serius untuk servis keretanya berbanding 'servis' hatinya. Kereta dicuci, ditukar dan dihias dengan pelbagai aksesori sedangkan jiwa, fikiran dan emosi terbiar kotor dan berkarat. Justeru, tidak hairanlah mengapa ramai manusia umpama kereta rosak yang sedang terhincut-hincut dalam perjalanan hidup yang penuh cabaran ini. Manusia seharusnya tidak terkapa-kapa dengan pelbagai soalan tanpa jawapan. Buku ini ditulis atas dorongan ingin melihat Islam kembali menjadi cara hidup, bukan semata-mata cara mati. Buku ini akan memperlihatkan keterkaitan (linkage) yang kukuh antara hubungan dengan Allah dan manusia, ibadah dengan kerja, laba dengan pahala, material dengan spiritual, dunia dengan akhirat. Insya-Allah, buku pertama dalam Modul Mukmin Profesional ini akan memfokus kepada Mukmin Profesional, Hidup Cemerlang dengan Memberi, Erti Kecemerlangan Dunia dan Akhirat, Sikap Positif Penentu Kejayaan dan Kesedaran Celik Mata Hati.

Cekik Mata Hati

"Demi sesungguhnya, adalah bagi kamu pada diri Rasulullah itu contoh ikutan yang baik, iaitu bagi orang yang sentiasa mengharap (keredhaan) ALLAH dan (balasan baik) hari akhirat, serta ia pula menyebut dan mengingati ALLAH banyak-banyak (dalam masa susah dan senang)." Al-Ahzab : 21 Jauh jarak kita dengan Junjungan Besar Nabi Muhammad SAW umpama langit dan bumi. Lebih 1400 tahun jauhnya sehingga kita kadangkala terasa untuk mengenali baginda itu satu utopia sahaja. Padahal sudah disediakan jambatan antara kita dengan baginda. Jambatan yang menjadi penghubung antara kita dengan Pencipta. Jambatan itu pula adalah himpunan ayat al-Quran dan hadis yang sangat tinggi nilainya. Daripada keduanya, kita mencedok sunnah-sunnah warisan baginda. Lalu kita meneliti dan menghayatinya agar siratal mustaqim menjadi laluan yang kita tempuhi. Laluan yang menjadi impian sang pencinta agama. Dan pencinta agama itu adalah kita! HEBATNYA RASULULLAH ini menghimpunkan cara pengurusan yang dilaksanakan yang akhirnya membawa kita menelusuri jejak-jejak kebijaksanaan baginda, baik dari sudut perniagaan, ketenteraan, dakwah mahupun berkeluarga. Sungguh! Baginda suri teladan sepanjang zaman. Tidakkah kita teruja untuk mahu mencontohi baginda?

Chicken Soup for the Soul: Stay-at-Home Moms

Centuries after his death, al-Ghazali remains one of the most influential figures of

the Islamic intellectual tradition. Although he is best known for his *Incoherence of the Philosophers*, *Moderation in Belief* is his most profound work of philosophical theology. In it, he offers what scholars consider to be the best defense of the Ash'arite school of Islamic theology that gained acceptance within orthodox Sunni theology in the twelfth century, though he also diverges from Ash'arism with his more rationalist approach to the Quran. Together with *The Incoherence of the Philosophers*, *Moderation in Belief* informs many subsequent theological debates, and its influence extends beyond the Islamic tradition, informing broader questions within Western philosophical and theological thought. The first complete English-language edition of *Moderation in Belief*, this new annotated translation by Aladdin M. Yaqub draws on the most esteemed critical editions of the Arabic texts and offers detailed commentary that analyzes and reconstructs the arguments found in the work's four treatises. Explanations of the historical and intellectual background of the texts also enable readers with a limited knowledge of classical Arabic to fully explore al-Ghazali and this foundational text for the first time. With the recent resurgence of interest in Islamic philosophy and the conflict between philosophy and religion, this new translation will be a welcome addition to the scholarship.

ANAKKU HIDUP SEKALI BIAR BERERTI

Dunia hari ini terlalu mencabar dan banyak rintangan yang perlu dilalui. Hanya mereka yang kuat iman dan takwa sahaja akan berjaya mengharungi mehnah mendatang. Dunia juga sudah terlalu tua dan tiba masanya akan "pergi" jua. Andai tiada bekalan dibawa, rugilah insan yang menjejakkan kaki ke akhirat nan abadi. Kita, ada kalanya alpa dalam arus kemodenan hari ini. Hanya peringatan daripada ibu dan ayah menjadi paksi kekuatan diri untuk terus berada di landasan hakiki. Doa mereka menjadi sebab rahmat ILAHI bertandang dalam kehidupan, kasih sayang mereka jua tidak pernah surut. Sungguh, jasa mereka terlalu banyak dan tidak terbalas dek kita. ANAKKU HIDUP SEKALI BIAR BERERTI merupakan sebuah catatan cinta insan rabbani yang amat menyayangi kita. Hayatilah apa yang tercatat, selamilah apa yang terlafaz, pasti ketemu mutiara indah sebagai pegangan dalam mengharungi pancaroba hidup. Ambillah segala teguran kerana ia menuntun kita ke arah bahagia hakiki dan bukan merugi. Beruntunglah mereka yang beramal dengannya dan rugilah bagi yang ingkar.
