Chloe, Allie, and Laura begin their concert tour with the good-looking guys in the popular band Iron Cross. Allie's mom and her brother with Down's syndrome add a little variety to their entourage. But as soon as the glitz and glamour wear off, the girls find life on the road a little overwhelming. Even solid, well-balanced Laura appears to be feeling the stress - and Chloe isn't quite sure how to confront her about the growing signs of drug addiction we want it all, or so we say / but what gets lost along the way? / along the road to riches, fame / we know we'll never be the same The guys in Iron Cross occupy Chloe's thoughts a little more than she cares to admit. Still, life on the road gets less and less glamorous and more and more overwhelming-especially when solid, well-balanced Laura begins acting strange. Her hostility toward Chloe's concern makes the girls wonder how much longer they can keep their act together Story Behind the Book Over the years, I have worn many hats, from pre-school teacher to Young Life leader to political activist to senior editor. But most of all I love to write! In the past few years, I have published more than ninety books for children, teens, and adults. I hope the Diary of a Teenage Girl series will impact the lives of teens through an honest and gutsy approach of a "diary style" book.

But that doesn't mean life is about to get any easier. Maya's still devoted to living Green, and her uncle offers her a Green column in his newspaper. ## **The Golf Diaries**

Sliding into the Rabbit Hole... Would She Ever Return? On the surface, Alice Laxton seems no different from any other college girl: bright, inquisitive, excited about the life ahead of her. But for years, a genetic time bomb has been ticking away. Because of Alice's near-genius intelligence, teachers and counselors have always made excuses for her "little idiosyncrasies." But during a stress-filled senior year at college, a new world of voices, visions, and unexplainable "knowledge" causes

Alice to begin to lose her grip on reality. As Alice's schizophrenia progresses, she experiences a disturbing religious "awakening," believing that God and angels and demons are speaking to her. When others attempt to intervene, Alice is subjected to a wide range of "treatments" even more frightening and painful than her illness. Powerfully raw and brutally honest, Finding Alice is a story of individual suffering and hope, a family's shared ordeal, and a search for true mental and spiritual healing.

band leader of Iron Cross. Then, just as an unexpected romance catches Redemption by surprise, Caitlin O'Conner - whose relationship with Josh is taking on a new dimension - joins the tour as their chaperone. Chloe's wild ride only speeds up, and this one-of-a-kind musician faces the fact that life may never be normal again. Monday, June 13 prepare my heart for the storm / keep me safe, keep me warm / heap those bags, around my heart / build that wall, before it starts / pile them up, and pile them high / keep me safe, keep me dry / before the waves come rushing in / Lord, please, make me strong again

Chloe, Allie, and Laura split their time between "normal" high school life—going to classes, attending prom—and touring as Redemption, a rising new Christian band. When Allie's mom needs to bow out of their summer tour, Caitlin O'Conner fills in as chaperone. And a good thing, too. Caitlin is the perfect person to have around as Chloe's feelings for the handsome lead singer of Iron Cross continue to grow. Amid a grueling concert schedule, Chloe realizes that attraction is a powerful and even dangerous force. But when death hits close to home, Chloe's heart is slammed by another emotion: guilt. In good times and bad, with blessing and temptation, and especially when things spin out of control, trusting God is the challenge. 'Cause there comes a time when we all have to face the music. Story Behind the Book

Chloe and her band, Redemption, are being given amazing opportunities, but with it comes the responsibility of serving God wholeheartedly. In this book, perhaps more than the others in the Diary series, Chloe begins to grasp what sort of ministry (not just a music career) that God is calling her to. As an author, I travel a similar road. I am

constantly weighing my "art/craft" against what God is pressing on my heart to write, while striving to be authentic and uncompromising.

### **Who I Am**

Who Do You Ask When You Don't Have the Answers? What's a girl to do when caught between a rock and a hard place? The "hard place" is losing the use of her beloved car, and the "rock" is her immovable dad. In order to regain driving privileges, Kim Peterson's dad talks her into writing an advice column for teens in his newspaper. Kim reluctantly agrees and writes under a pen name. But as she reads letters from peers and friends, she becomes keenly aware of two things: (1) Some kids have it way worse than her, and (2) she does not have all the answers! Who can she turn to? Thursday, September 1 I've been saving for my own car, but my parents decided that I can only get a car if I keep a clean driving record. That means absolutely NO tickets—period—nada. And the policeman said he'd clocked me going 72 in a 55 mile zone. Oops. When Kim Peterson gets a speeding ticket, her dad offers her a way to retain her driving privileges. If she'll write the anonymous teen advice column for his newspaper, she can still get a car. So Kim becomes "Jamie" of "Just Ask Jamie." No big deal, she thinks. She answers letters about stuff that's everyday and stuff that's not: parents, piercings, dating, drugs, depression, and people who are just users. Nothing Kim can't handle. But when a classmate is killed, the letters turn to questions about life, death, and what it all means. And Kim starts to wonder if she really does have all the answers—and if not, where to find them. The Christian faith of her adoptive family? The Buddhism of her Korean heritage? Who can she turn to—to just ask? Story Behind the Book "My teenage years remain vivid in my mind. It was a turbulent time full of sharp contrasts—love and hate, pain and pleasure, trust and doubt.
