The Beautiful Mystery

An instant New York Times Bestseller and August 2017 LibraryReads pick! “Penny’s absorbing, intricately plotted 13th Gamache novel proves she only gets better at pursuing dark truths with compassion and grace.” —PEOPLE “Louise Penny wrote the book on escapist mysteries.” —The New York Times Book Review “You won't want Louise Penny's latest to end. Any plot summary of Penny’s novels inevitably falls short of conveying the dark magic of this series. It takes nerve and skill — as well as heart — to write mysteries like this. ‘Glass Houses,’ along with many of the other Gamache books, is so compelling that, for the space of reading it, you may well feel that much of what’s going on in the world outside the novel is ‘just noise.’” —Maureen Corrigan, The Washington Post When a mysterious figure appears in Three Pines one cold November day, Armand Gamache and the rest of the villagers are at first curious. Then wary. Through rain and sleet, the figure stands unmoving, staring ahead. From the moment its shadow falls over the village, Gamache,

now Chief Superintendent of the Sûreté du Québec, suspects the creature has deep roots and a dark purpose. Yet he does nothing. What can he do? Only watch and wait. And hope his mounting fears are not realized. But when the figure vanishes overnight and a body is discovered, it falls to Gamache to discover if a debt has been paid or levied. Months later, on a steamy July day as the trial for the accused begins in Montréal, Chief Superintendent Gamache continues to struggle with actions he set in motion that bitter November, from which there is no going back. More than the accused is on trial. Gamache's own conscience is standing in judgment. In *Glass Houses*, her latest utterly gripping book, number-one New York Times bestselling author Louise Penny shatters the conventions of the crime novel to explore what Gandhi called the court of conscience. A court that supersedes all others.

As Lyle digs deeper, he finds that all is not what it seems but the truth is even darker and more sordid than he could

ever have imagined. And who is the traitor in the ranks at Ashbeck CID?

Hardly a day goes by when nine year old Laurent Lepage doesn't cry wolf. From alien invasions, to walking trees, to winged beasts in the woods, to dinosaurs spotted in the village of Three Pines, his tales are so extraordinary no one can possibly believe him. Including Armand and Reine-Marie Gamache, who now live in the little Quebec village. But when the boy disappears, the villagers are faced with the possibility that one of his tall tales might have been true. And so begins a frantic search for the boy and the truth. What they uncover deep in the forest sets off a sequence of events that leads to murder, leads to an old crime, leads to an old betrayal. Leads right to the door of an old poet. And now it is now, writes Ruth Zardo. And the dark thing is here. A monster once visited Three Pines. And put down deep roots. And now, Ruth knows, it is back. Armand Gamache, the former head of homicide for the Sûreté du Québec, must face the possibility that, in not believing the boy, he himself played a terrible part in what happens next.

Entomology & Death

"What happened here last night isn't allowed," said

Madame Dubois. It was such an extraordinary thing to say it stopped the ravenous Inspector Beauvoir from taking another bite of his roast beef on baguette. "You have a rule against murder?" he asked. "I do. When my husband and I bought the Bellechasse we made a pact. Everything that stepped foot on this land would be safe." It is the height of summer, and Armand and Reine-Marie Gamache are celebrating their wedding anniversary at Manoir Bellechasse, an isolated, luxurious inn not far from the village of Three Pines. But they're not alone. The Finney family—rich, cultured, and respectable—has also arrived for a celebration of their own. The beautiful Manoir Bellechasse might be surrounded by nature, but there is something unnatural looming. As the heat rises and the humidity closes in, some surprising guests turn up at the family reunion, and a terrible summer storm leaves behind a dead body. It is up to Chief Inspector Gamache to unearth secrets long buried and hatreds hidden behind polite smiles. The chase takes him to Three Pines, into the dark corners of his own life, and finally to a harrowing climax.

Created around the world and available only on the Web, internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through online crowd-funding, they are produced with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by

chance. The second in a first-ever set of books cataloging Internet television series, this volume covers in depth the drama and mystery genres, with detailed entries on 405 shows from 1996 through July 2014. In addition to casts, credits and story lines, each entry provides a website, commentary and episode descriptions. Index of performers and personnel are included.

The gamble pays off when a woman recognizes the victim as Lisemette, a child she cared for in the state mental institution many years ago. Lisemette was a "forgotten girl", abandoned by her family and left behind in the institution. But Louise soon discovers something even more disturbing: Lisemette had a twin, and both girls were issued death certificates more than thirty years ago. Wiggins grew up on the streets of London, one of the urchins trained in surveillance by Sherlock Holmes and known as the Baker Street Irregulars. He has promised to avenge the death of his best friend, and to track down a missing girl from the East End.
