Am I the Princess Or the Frog?

More (nearly) true confessions from the diaries of Jamie Kelly. A hilarious middle-schooler's diary about her stinky beagle, mad best friend, disgustingly lovely rival and unrequited crush on the eighth-best-looking boy in the class. It's Wimpy Kids for girls! Fantastic black and white cartoons throughout.

Everything I Never Told You

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a

disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

Dear Dumb Diary: Never Do Anything, Ever

WINNER OF THE NOBEL PRIZE[©] IN LITERATURE 2013 A New York Times Notable Book A Washington Post Notable Work of Fiction A Best Book of the Year: The Atlantic, NPR, San Francisco Chronicle, Vogue, AV Club In story after story in this brilliant new collection, Alice Munro pinpoints the moment a person is forever altered by a chance encounter, an action not taken, or a simple twist of fate. Her characters are flawed and fully human: a soldier returning from war and avoiding his fiancée, a wealthy woman deciding whether to confront a blackmailer, an adulterous mother and her neglected children, a guilt-ridden father, a young teacher jilted by her employer. Illumined by Munro's unflinching insight, these lives draw us in with their quiet depth and surprise us with unexpected turns. And while most are set in her signature territory around Lake Huron, some strike even closer to home: an astonishing suite of four autobiographical tales offers an unprecedented glimpse into Munro's own childhood. Exalted by her clarity of vision and her unparalleled gift for storytelling, *Dear Life* shows how strange, perilous, and extraordinary ordinary life can be.

Dear Dumb Diary #9: That's What Friends Aren't For

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York's work-advice columnist. There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Advance praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Clear and concise in its advice and expansive in its scope, Ask a Manager is the book I wish I'd had in my

desk drawer when I was starting out (or even, let's be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck*

Never Underestimate Your Dumbness

More (nearly) true confessions from the diaries of Jamie Kelly. A hilarious middle-schooler's diary about her stinky beagle, mad best friend, disgustingly lovely rival and unrequited crush on the eighth-best-looking boy in the class. It's *Wimpy Kid* with a girl central character. Fantastic black and white cartoons throughout.

Never Do Anything, Ever

You'll Never Know, Dear

Everyone's favorite Mackerel Middle-Schooler, Jamie Kelly, is back with another hilarious, candid (and sometimes not-so-nice) diary! There's a new girl in at Mackerel Middle School. Colette is friendly, fabulous, smart, totally talented, and an all-around amazing individual. She is more brilliantly diabolical than Isabella, as blindly loyal as Stinker, and even harder-to-resist than Angeline. It's enough to make Jamie throw up a little. And Jamie just can't help but wonder: Is it humanly possible for a girl to be more perfectly perfect than the most perfect girl in the world?

Dear Dumb Diary #3: Am I the Princess or the Frog?

Dear Sonali, is a passion project from the TV's *Divorce Court* Host. Seeking to share her mother's wisdom with a daughter of her own, this mother of six boys has written letters for young women to help them grow, conquer and thrive. From money to men, to passion and profession Judge Lynn gives her best advice from her particular point of view. At once, practical, methodical and motivational, Judge Lynn shares the best she has with all of the women that call her *The Auntie in Their Head* or *Mom2*.

Never Do Anything, Ever

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true -- or at least as true as it needs to be. Jamie is crushing on Hudson. Someone too-gross-to-be- named is crushing on Jamie. And Hudson is crushing on . . . Princess Turd of Turdsylvania (a.k.a. *The Prettiest Girl in the World*). Middle school

may be grim, but it's no fairy tale. And crazy doesn't even begin to cover it.

Alice's Adventures in Wonderland

NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—Bustle

Dear Dumb Diary #4: Never Do Anything, Ever

Jamie Kelly shares with her diary her excitement about the fact that students from Wodehouse Middle School will be going to Mackerel Middle School temporarily.

Dear Cyborgs

"Lydia is dead. But they don't know this yet. So begins the story of this exquisite debut novel, about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee; their middle daughter, a girl who inherited her mother's bright blue eyes and her father's jet-black hair. Her parents are determined that Lydia will fulfill the dreams they were unable to pursue—in Marilyn's case that her daughter become a doctor rather than a homemaker, in

James's case that Lydia be popular at school, a girl with a busy social life and the center of every party. When Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together tumbles into chaos, forcing them to confront the long-kept secrets that have been slowly pulling them apart. James, consumed by guilt, sets out on a reckless path that may destroy his marriage. Marilyn, devastated and vengeful, is determined to find a responsible party, no matter what the cost. Lydia's older brother, Nathan, is certain that the neighborhood bad boy Jack is somehow involved. But it's the youngest of the family—Hannah—who observes far more than anyone realizes and who may be the only one who knows the truth about what happened. A profoundly moving story of family, history, and the meaning of home, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, exploring the divisions between cultures and the rifts within a family, and uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another"--

Dear Dumb Diary #2: My Pants Are Haunted

THE NATIONAL BESTSELLER “This riveting, courageous memoir ought to be mandatory reading for every American.” —Michelle Alexander, New York Times bestselling author of *The New Jim Crow* “I cried reading this book, realizing more fully what my parents endured.” —Amy Tan, New York Times bestselling author of *The Joy Luck Club* and *Where the Past Begins* “This book couldn’t be more timely and more necessary.” —Dave Eggers, New York Times bestselling author of *What Is the What* and *The Monk of Mokha* Pulitzer-Prize winning journalist Jose Antonio Vargas, called “the most famous undocumented immigrant in America,” tackles one of the defining issues of our time in this explosive and deeply personal call to arms. “This is not a book about the politics of immigration. This book—at its core—is not about immigration at all. This book is about homelessness, not in a traditional sense, but in the unsettled, unmoored psychological state that undocumented immigrants like myself find ourselves in. This book is about lying and being forced to lie to get by; about passing as an American and as a contributing citizen; about families, keeping them together, and having to make new ones when you can’t. This book is about constantly hiding from the government and, in the process, hiding from ourselves. This book is about what it means to not have a home. After 25 years of living illegally in a country that does not consider me one of its own, this book is the closest thing I have to freedom.” —Jose Antonio Vargas, from *Dear America*

Thinking, Fast and Slow

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true or at least as true as it needs to be. *Dear Dumb Diary*, My social studies teacher, Mr. VanDoy, never smiles. I know that's hard to believe, because everybody smiles about something, right? Isabella smiles when her brothers get in trouble. Angeline smiles when she thinks about how much prettier she is than, like, a waterfall or a unicorn. I smile when I think

about a unicorn kicking Angeline over a waterfall. But Mr. VanDoy doesn't smile at all. I wonder if when you become an adult, you can lose your sense of humor the way you lose your teeth or hair or fashion sense.

Dear Life

While preparing for her aunt's marriage to her school's assistant principal, Jamie Kelly still manages to document in her diary all of the stupid things her archrival Angelina does, which is most relevant because they will soon be cousins.

Dear Martin

New York Times Bestselling author Jamie Kelly is back with another hilarious, candid, and sometimes not-so-nice diary! Dear Dumb Diary, I went back and read some of my very oldest diaries. The entries say things like "I eated salad dressing" and "I got a Barbie shoe stuck in Stinker's nose again" and "The vet was mean to me about the Barbie shoe so I tried to bite him but vets are quick at not getting bit because dogs try all the time but dogs don't usually kick so I did that." What amazed me was just how dumb I used to be, considering how smart I am now. There must have been a day when I just woke up smart.

Dear Dumb Diary #5: Can Adults Become Human?

"Powerful, wrenching." -JOHN GREEN, #1 New York Times bestselling author of *Turtles All the Way Down* "Raw and gripping." -JASON REYNOLDS, New York Times bestselling coauthor of *All American Boys* "A must-read!" -ANGIE THOMAS, #1 New York Times bestselling author of *The Hate U Give* Raw, captivating, and undeniably real, Nic Stone joins industry giants Jason Reynolds and Walter Dean Myers as she boldly tackles American race relations in this stunning New York Times bestselling debut, a William C. Morris Award Finalist. Justyce McAllister is a good kid, an honor student, and always there to help a friend—but none of that matters to the police officer who just put him in handcuffs. Despite leaving his rough neighborhood behind, he can't escape the scorn of his former peers or the ridicule of his new classmates. Justyce looks to the teachings of Dr. Martin Luther King Jr. for answers. But do they hold up anymore? He starts a journal to Dr. King to find out. Then comes the day Justyce goes driving with his best friend, Manny, windows rolled down, music turned up—way up, sparking the fury of a white off-duty cop beside them. Words fly. Shots are fired. Justyce and Manny are caught in the crosshairs. In the media fallout, it's Justyce who is under attack. "Vivid and powerful." -Booklist, Starred Review "A visceral portrait of a young man reckoning with the ugly, persistent violence of social injustice." -Publishers Weekly

Dear America

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true -- or at least as true as it needs to be. They were just a soft, ordinary pair of thrift-shop jeans until Jamie Kelly tried them on . . . Then they became a tight, scratchy, slightly smelly, and utterly ordinary pair of thrift-shop jeans with an embarrassing haunting problem. Do the pants have the power to soothe a vengeful beagle, vanquish The Prettiest Girl in the World, or make the wearer irresistible to the eighth cutest guy in the grade? Are the haunted pants so dazzling they can hurt and maybe permanently damage the eyes of onlookers? Or are the haunted pants just, well, haunted (which is kind of gross when you think about it)?

Let's Pretend This Never Happened

Isabella and Jamie collect clothes and a few bucks here and there for the Juvenile Optometry Federation. Hooray! Now Jamie feels as gentle and sweet as that pig Angeline. Includes grey-scale illustrations, author-profile and book preview.

Live Each Day to the Dumbest (Dear Dumb Diary Year Two #6)

"A genre-bending novel told through the witty dialogues of three superheroes in their down time discussing their origin stories and moments of protest against body and state, ultimately weaving an intimate path through notions of art, money, resistance, and friendship"--

Dumbness is a Dish Best Served Cold (Dear Dumb Diary: Deluxe)

Jamie thought today went well, given that Angeline got her hair tangled in a trinket hanging on her backpack and the school nurse snipped two feet of silky blond hair from the left side of her head! Now she only looks like the 'prettiest girl in the world' if you're standing on her right. Includes grey-scale illustrations, author-profile and book preview

Totally Not Boring School Planner

Jamie Kelly writes in her diary about her search for inner beauty, her fund raising efforts for the Juvenile Optometry Federation, and her practice strategy for the Jump-Rope-A-Thon.

Dear Edward

Isabella and Jamie collect clothes and a few bucks here and there for the Juvenile Optometry Federation. Hooray! Now Jamie feels as gentle and sweet as that pig Angeline. Includes grey-scale illustrations, author-profile and book preview.

Dear Sonali, Letters to the Daughter I Never Had

Newbery Medal Winner * Teachers' Top 100 Books for Children * ALA Notable Children's Book Beverly Cleary's timeless Newbery Medal-winning book explores difficult topics like divorce, insecurity, and bullying through the thoughts and emotions of a sixth-grade boy as he writes to his favorite author, Boyd Henshaw. After his parents separate, Leigh Botts moves to a new town with his mother. Struggling to make friends and deal with his anger toward his absent father, Leigh loses himself in a class assignment in which he must write to his favorite author. When Mr. Henshaw responds, the two form an unexpected friendship that will change Leigh's life forever. From the beloved author of the Henry Huggins, Ramona Quimby, and Ralph S. Mouse series comes an epistolary novel about how to navigate and heal from life's growing pains.

Me! (Just Like You, Only Better)

Bestselling author Jamie Kelly is back with an all-new, all-funny diary! But she has no idea that anybody is reading it. So please, please, please don't tell her. Dear Dumb Diary, So now I'm friends with Angeline. This is automatic friendship, and I have to just accept it and make the best of things. See, if I objected, then Aunt Carol might divorce Angeline's uncle, sending both of them tumbling into a deep pit of depression for the rest of their lives, and Angeline could wind up feeling so guilty that she would have to go be locked up in an old dirty insane asylum for years and years, and Stinker's puppies could grow up not knowing both their parents --- and I couldn't live with myself for doing something like that to a puppy.

Dear Dumb Diary: Let's Pretend This Never Happened

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true or at least as true as it needs to be. Her best friend's a backstabber. Her worst enemy is a sweetheart. And her dog is just waiting for the right moment to seek his revenge. Why should Jamie even bother going to school? Why not? After a run-in with Mega-Popular Angeline, aka Pure Evil, Jamie reforms her selfish ways & becomes the decent human being she never thought she could be. But she quickly realizes that helping others kind of stinks. Is someone trying to thwart her attempts at irresistible inner beauty? Or will Jamie finally achieve the "I'm an angel" glow she knows will make Hudson Rivers fall madly in love w/ her?

Dear Dumb Diary #8: It's Not My Fault I Know Everything

There are more than 5 million Dear Dumb Diary books in print! Bestselling author Jamie Kelly is back with an all-new, all-funny diary! But she has no idea that anybody is reading it. So please, please, please don't tell her. Dear Dumb Diary, I went five whole days without seeing or hearing from Angeline. I was beginning to get used to it. It's true that I have learned to overlook many of Angeline's flaws, like her flawlessness, but she can still be difficult to be around. Like when she's lit perfectly, for example. To my extreme credit, I have learned to pretend to ignore Angeline's failure to not be perfect.

Dear Dumb Diary #12: Me! (Just Like You, Only Better)

FINALIST FOR THE 2018 MARY HIGGINS CLARK AWARD An addictive novel of psychological suspense from the award-winning author of *Night Night*, *Sleep Tight*, about three generations of women haunted by a little girl's disappearance, and the porcelain doll that may hold the key to the truth . . . Seven-year-old Lissie Woodham and her four-year-old sister Janey were playing with their porcelain dolls in the front yard when an adorable puppy scampered by. Eager to pet the pretty dog, Lissie chased after the pup as it ran down the street. When she returned to the yard, Janey's precious doll was gone . . . and so was Janey. Forty years after Janey went missing, Lis—now a mother with a college-age daughter of her own—still blames herself for what happened. Every year on the anniversary of her sister's disappearance, their mother, Miss Sorrel, places a classified ad in the local paper with a picture of the toy Janey had with her that day—a one-of-a-kind porcelain doll—offering a generous cash reward for its return. For years, there's been no response. But this year, the doll came home. It is the first clue in a decades-old mystery that is about to turn into something far more sinister—endangering Lis and the lives of her mother and daughter as well. Someone knows the truth about what happened all those years ago, and is desperate to keep it hidden.

Speak

NEW YORK TIMES BESTSELLER • #ReadWithJenna Book Club Pick as Featured on Today • A “dazzling” novel that “will break your heart and put it back together again” (J. Courtney Sullivan, bestselling author of *Saints for All Occasions*) about a young boy who must learn to go on after surviving tragedy “A reading experience that leaves you profoundly altered for the better . . . Don't miss this one.”—Jodi Picoult, bestselling author of *Small Great Things* and *A Spark of Light* What does it mean not just to survive, but to truly live? One summer morning, twelve-year-old Edward Adler, his beloved older brother, his parents, and 183 other passengers board a flight in Newark headed for Los Angeles. Among them are a Wall Street wunderkind, a young woman coming to terms with an unexpected pregnancy, an injured veteran returning from Afghanistan, a business tycoon, and a free-spirited woman running away from her controlling husband. Halfway across the country, the plane crashes. Edward is the sole survivor. Edward's story captures the attention of the nation, but he struggles to find a place in a world without his family. He continues to feel that a part of himself has been left in the sky,

forever tied to the plane and all of his fellow passengers. But then he makes an unexpected discovery—one that will lead him to the answers of some of life’s most profound questions: When you’ve lost everything, how do you find the strength to put one foot in front of the other? How do you learn to feel safe again? How do you find meaning in your life? Dear Edward is at once a transcendent coming-of-age story, a multidimensional portrait of an unforgettable cast of characters, and a breathtaking illustration of all the ways a broken heart learns to love again. Praise for Dear Edward “Dear Edward made me think, nod in recognition, care about its characters, and cry, and you can’t ask more of a novel than that.”—Emma Donoghue, New York Times bestselling author of Room “Weaving past and present into a profoundly beautiful, page-turning story of mystery, loss, and wonder, Dear Edward is a meditation on survival, but more important, it is about carving a life worth living. It is about love and hope and caring for others, and all the transitory moments that bind us together.”—Hannah Tinti, author of The Twelve Lives of Samuel Hawley and The Good Thief

Dear Dumb Diary #6: The Problem with Here Is That it's Where I'm From

Jamie is crushing on Hudson. Someone too-gross-to-be- named is crushing on Jamie. And Hudson is crushing on . . . Princess Turd of Turdsylvania (a.k.a. The Prettiest Girl in the World). Middle school may be grim, but it's no fairy tale. And crazy doesn't even begin to cover it.

Dear Life

In Dear Life, palliative care specialist Dr. Rachel Clarke recounts her professional and personal journey to understand not the end of life, but life at its end. Death was conspicuously absent during Rachel's medical training. Instead, her education focused entirely on learning to save lives, and was left wanting when it came to helping patients and their families face death. She came to specialize in palliative medicine because it is the one specialty in which the quality, not quantity of life truly matters. In the same year she started to work in a hospice, Rachel was forced to face tragedy in her own life when her father was diagnosed with terminal cancer. He'd inspired her to become a doctor, and the stories he had told her as a child proved formative when it came to deciding what sort of medicine she would practice. But for all her professional exposure to dying, she remained a grieving daughter. Dear Life follows how Rachel came to understand—as a child, as a doctor, as a human being—how best to help patients in the final stages of life, and what that might mean in practice.

Ask a Manager

Organization is for people who are just too lazy to spend two hours looking for something. Get organized with this laugh-out-loud funny school planner, full of snark, wit . . . and stickers! This cool trifold format is packed with laughs! Jamie Kelly

brings DDD fans a school planner with two sheets of stickers, a pen, and three interactive books: Glamorously Important Notes, All About Me, and Addresses of People I Don't Hate (Mostly). Complete with fill-ins, prompts, extra places to jot down assignments, and some brand-new full color art, this is one school planner everyone will want! After all, PLANNING to put something off until the day before it's due is a totally legitimate kind of planning.

Dear Dumb Diary #7: Never Underestimate Your Dumbness

The hilarious and bestselling series from Jim Benton continues! It's not easy being a middle-schooler, and nobody knows that better than Jamie Kelly. There are surprises around every corner: some good, some bad, all dumb. But when Jamie inherits a trunk of her grandmother's things, she never expects to find the biggest surprise of all -- Grandma's diary. Violating the privacy of a diary is something Jamie would never do . . . unless she was absolutely certain that she wanted to do it. And when she does, she learns that, deep down, everyone is exactly the same. Dumb. Jamie still has no idea that anyone is reading her diary, so please, please, please don't tell her. And definitely don't tell her that she's the star of her very own Dear Dumb Diary movie, available on DVD. (Her glamorous ego might not be able to handle it.)

Dear Dumb Diary: Never Do Anything, Ever

Jamie is upset because she is now automatic friends with her old enemy Angeline, and so she tries to find something that she and her real friend, Isabella, can do together for the school talent show without Angeline.

That is what Friends are Not for

Jamie Kelly writes in her diary about her "flawless" friend, Angeline, her favorite band, and all the trials and tribulations of middle school.

The Problem with Here Is That It's Where I'm From

Sneak a peek inside the NY Times bestselling diary of Jamie Kelly, who promises that everything she writes is true -- or at least as true as it needs to be. Dear Dumb Diary, Isabella is probably right. She almost always is. When I think back on all the things I've seen Angeline do, the one thing they have in common is that they're all dumb. (They're all strawberry-scented, too, but I think that's just her conditioner -- although her body might actually secrete its own strawberry scent.) But of all the dumb things she's ever done, this has got to be the dumbest. . . .

Dear Mr. Henshaw

The (nearly) true confessions of Jamie Kelly. Dear whoever is Reading My Dumb Diary Are you sure you're supposed to be reading someone else's diary? Maybe I told you that you could, so that's OK. But if you are Angeline, I did NOT give you permission, so stop it. Dear Dumb Diary, School was OK today. Angeline got her hair tangled up in one of the jillion things she has dangling from her backpack, and the school nurse - who is now one of my main heroes - snipped half a metre of silky blonde hair from the left side of her head, so now Angeline only looks like The Prettiest Girl in the World if you're standing on her right.

Never Do Anything, Ever

Major New York Times bestseller Winner of the National Academy of Sciences Best Book Award in 2012 Selected by the New York Times Book Review as one of the ten best books of 2011 A Globe and Mail Best Books of the Year 2011 Title One of The Economist's 2011 Books of the Year One of The Wall Street Journal's Best Nonfiction Books of the Year 2011 2013 Presidential Medal of Freedom Recipient Kahneman's work with Amos Tversky is the subject of Michael Lewis's The Undoing Project: A Friendship That Changed Our Minds In the international bestseller, Thinking, Fast and Slow, Daniel Kahneman, the renowned psychologist and winner of the Nobel Prize in Economics, takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. The impact of overconfidence on corporate strategies, the difficulties of predicting what will make us happy in the future, the profound effect of cognitive biases on everything from playing the stock market to planning our next vacation—each of these can be understood only by knowing how the two systems shape our judgments and decisions. Engaging the reader in a lively conversation about how we think, Kahneman reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives—and how we can use different techniques to guard against the mental glitches that often get us into trouble. Winner of the National Academy of Sciences Best Book Award and the Los Angeles Times Book Prize and selected by The New York Times Book Review as one of the ten best books of 2011, Thinking, Fast and Slow is destined to be a classic.

Dear Dumb Diary #4: Never Do Anything, Ever

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true or at least as true as it needs to be. Her best friend's a backstabber. Her worst enemy is a sweetheart. And her dog is just waiting for the right moment to seek his revenge. Why should Jamie even bother going to school? Why not? After a run-

in with Mega-Popular Angeline, aka Pure Evil, Jamie reforms her selfish ways & becomes the decent human being she never thought she could be. But she quickly realizes that helping others kind of stinks. Is someone trying to thwart her attempts at irresistible inner beauty? Or will Jamie finally achieve the "I'm an angel" glow she knows will make Hudson Rivers fall madly in love w/ her?

Dear Girls

Jamie Kelly is back and dumber than ever in this super-deluxe four-color Dear Dumb Diary special edition! Life at Mackerel Middle School is as dumb as ever -- but Jamie Kelly may have finally found the key to fame, fortune, and fabulousness. Together with Isabella and Angeline, she's come up with a moneymaking idea, and it has to do with food. Everyone likes food! They're going to be rich! The only problem? They have to come up with something that people actually want to eat. Jamie has some sophisticated thoughts on food, like, "She was manipulating us like dough. Like the sweet, delicious dough that we are. And she was baking us into the type of delicious cookies you can only get from dough like us. And she was putting sprinkles of us on top of us, and -- forget it. I'm hungry. I want some cookies." This is sure to go well.
