My North Star Misled Me

Shark Facts for Kids

This book was written to help a person find their internal quarrels in written words. Written words bring about a different perspective. To overcome something, you must be able to see it from a different viewpoint, you must be able to analyze and understand it in order to accept it or move past it. The most important step in the healing process is acknowledgement that what you are feeling is okay to feel, and that you are not alone in those feelings. Get lost in this book and find yourself in it, all at the same time. Emotional clarity.

(The Young Adult Edition of "The Rainbow Virus" has been edited to eliminate adult language and situations.) "The Rainbow Virus" is a gripping, realistic bioterrorism tale that launches readers on a harrowing adventure with the flips and plunges of the wildest roller coaster. At first, loner scientist Arthur Lupo seems the most eccentric bioterrorist of all time. After vanishing from his lab at a biotech company, he releases viruses that only turn their victims a palette of colors. But then his chief pursuers-disgraced FBI

agent Bobby Loudon and obsessive CDC epidemic-tracker Kathleen Shinohara-discover a horrifying fact. The brilliant Lupo has stolen the world's most lethal viruses from the Army's bioterrorism center. Lupo reveals that his first viruses were only a test. He dramatically proves their infectivity by transforming the terrified citizens of Denver into a rainbow of colors. In a chilling declaration, he announces that he will now release an unstoppable artificial virus whose spread will decimate the world's population. Loudon and Shinohara must race against time, a mysterious assassin, and a secret government faction to find Lupo and stop him. Author and veteran science writer Dennis Meredith has crafted this riveting tale drawing on his decades of experience working at leading research universities such as Caltech, MIT, Cornell, and Duke. Dawn

Vladia Robespierre, newest member of Earth's prestigious Valkyrie Squad, has always struggled to conceal and come to terms with her unfortunate childhood. She and her charismatic half-brother were raised outside the State Rearing Facilities, making normal Terrans afraid to even touch such 'disease ridden, blood babies'. But when war breaks out between Earth and the Lunar Colonies, Vladia finds herself consumed by a far greater danger: the destruction of every one and thing she holds dear. Faced with declassification and death, Vladia seeks an unlikely ally in the squad's robot, Rehel, as she resists the reality that a reign of tyranny looms near- not at the hands of Earth or Luna, but of her own brother's. Set in the not too distant future, *The Valkyrie Profiles* is the first in a trilogy that examines the technological and governmental influences on the degeneration of human relations and the elitism of class division. Although Earth is militaristically strong, its social and cultural collapse has become a disease

Cameos from English History, from Rollo to Edward II.

Honi Tropau takes us on one woman's journey into the past-the "yesterday" when a 12-year old Hungarian girl trekked across a continent to realize her fantasy of America and Honi's own inner voyage of self-discovery. She had always been haunted by the notion that a thread of continuity unites generation to generation, that as we seek to know our forebears, we discover ourselves. In a chaotic world, we finally come to know who we are-not alone in a mindless universe but a part of a family, the family that Honi remembers survived.

It's a land of bitter cold and blowing snow, of blazing sunshine and warm, gentle breezes. It's a land of mountains and lakes, of cities and wildlife. It's a land of rich history, yet full of unknowns. The Keweenaw is part of the United states that rests farther north than 90% of the population of Canada. It sits in the Eastern time zone, but is farther west than Chicago. Over 600 feet above sea level, it still boasts the deepest of the Great Lakes. It's impossible to capture the richness and beauty of the Keweenaw in one book. You can't do it in a hundred books. Still, natives and newcomers alike will find a wealth of knowledge and entertainments about a place tucked away at the edge of Michigan -- the Keweenaw Peninsula.

Boundaries is a disturbing story about the blurred lines between love and betrayal, freedom and control, fantasy and treachery, good and evil, past and future. Diane Alders is a successful, workoholic sales executive in the medical field who has a void in her heart as a result of the tragic death of her husband seven years ago. Mickey Rollins is a genius and entrepreneur about to introduce a revolutionary new therapy that will 'repair' injured or impaired brains. Their sputtering romance hits full speed when Mickey invites Diane to accompany him on a lavish and bizarre vacation to the exotic South Seas intended to stretch their senses, fulfill wild dreams, and bring them closer together. Disaster strikes, and it is Diane who becomes Mickey's first human test subject. There's a catch...the healing process requires a surrogate, and Mickey chooses their mutual friend, lover and temptress—the beautiful Suki. The resurrection of Diane that transpires is not only a transfer of physical and cerebral attributes, but a blending of relationships, feelings, and emotions, drawing many into the fray, ending as shockingly as it begins.

Dawn is the debut novel of H Rider Haggard. Haggard later said he was inspired to write the book while living in Norwood. He and his wife were attending a Church service when they saw sitting near them "a singularly beautiful and pure-faced young lady" Afterwards we agreed that this semi-divine creature - on whom to the best of my knowledge I have never set eyes again from that day to this - ought to become the heroine of a novel. So then and there we took paper, and each of us began to write the said novel. I think that after she had completed two or three folio sheets my wife ceased from her fictional labours. But, growing interested, I continued mine, which resulted in the story called "Dawn." Haggard never found out who the girl was but was sufficient inspired to write the first draft at Norwood in 1882, while studying for the Bar. The novel was originally called Angela, which was the first name of the heroine of the story; Angela was also the name of Haggard's eldest daughter. Haggard later redrafted the novel several times, one version being called There Remaineth a Rest. He sent it out to several publishers but it was rejected. He rewrote it again and eventually it was accepted by a publisher.

But what if you could learn about life before making mistakes? In Oak Park, Virginia, where the story takes place, life is both familiar and unpredictable, "just like any other place on earth with smart and simple people, pretty and ugly people, uppity and lowly folks. Somebody is always in some mess that they had no business in, or caught up in something they never expected." When her adopted granddaughter, Ruby Gray, asks her about love, Miss Lucky, through her hard-won wit and wisdom, imparts to her the secrets to life and the essence of love.

"The Adventures of Tom Sawyer" – Tom Sawyer lives with his Aunt Polly and his half-brother Sid. He skips school to swim and is made to whitewash the fence the next day as punishment. Tom falls in love with Becky Thatcher, a new girl in town, but shortly after Becky shuns him, he accompanies Huckleberry Finn to the graveyard at night, where they witness a trio of body snatchers getting into a fight. Tom and Huck run away to an island. While enjoying their new-found freedom, they become aware that the community is sounding the river for their bodies... "Adventures of Huckleberry Finn" – Huck Finn and his friend Tom Sawyer have each come into a considerable sum of money as a result of their earlier adventures. Huck is placed under the guardianship of the Widow Douglas, who is attempting to "civilize" him. Finding civilized life confining, his spirits are raised somewhat when Tom helps him to escape one night, but his alcoholic father turns up and kidnaps him... "Tom Sawyer Abroad" – Tom, Huck, and their friend Jim set sail to Africa in a futuristic hot air balloon, where they survive encounters with lions, robbers, and fleas to see some of the world's greatest wonders, including
