Open Ice

Shares the lessons and values Dan Bylsma learned from his parents and from his life, starting from his school days through his professional hockey career.

Playing with Fire

A story about my hockey odyssey and passion for the game. My compelling journey starts on a schoolyard rink in Kitchener, Ontario. Filled with inspiring memoirs, relationships, players and coaches, including chance childhood meetings with Darryl Sittler and Wayne Gretzky. Along the way, young dreams turn to reality as I play my first NHL game at the Joe Louis Arena in Detroit, starting on a line with Dale Hunter & John Druce. Impassioned coaches I played for like Bryan Murray, Terry Murray, Barry Trotz, and Doug MacLean influenced my love of the sport and outlook on life. Truthful hockey experience while suffering silently from mental illness I didn't understand, grew in my teen years. Full of entertaining thoughtful stories, SHATTERED ICE is a hockey journey, a Canadian hockey journey, my journey!

Stat Shot: A Fan's Guide to Hockey Analytics

"Gives die-hard fans and newcomers to the sport the inside edge!" —Scotty Bowman, NHL's winningest coach and former coach of the Detroit Red Wings
"Nothing gets by John Davidson. If the first edition didn't already make you a fan, then this edition will!" —Mark Messier, NHL All-Star
"My dog, Blue, and I ran out to get Hockey For Dummies, 2nd Edition. We give it two paws up!" —Don Cherry,

former NHL coach and “Coaches Corner” commentator for Hockey Night in Canada “a must read for all hockey fans!” —John Vanbiesbrouck, former goaltender, New York Islanders “the most comprehensive, easily understood source of hockey history and instruction I’ve ever come across. Not only was ‘JD’ a superb player in the NHL, he is also an extremely skilled commentator sharing his knowledge of the game with fans all over North America. From hat tricks to power plays, Hockey For Dummies provides the reader with the wisdom of an expert. —From the Foreword by Wayne Gretzky This updated edition of the bestselling guide to all things hockey is packed with illustrations and play-by-play descriptions, diagrams, and photos of the NHL’s greatest players. It tells you how to: Gear up safely with the right equipment Improve your skills with drills Warm up mentally—and physically—before hitting the ice Respect rules and good sportsmanship Find US and Canadian leagues and camps Former New York Ranger, John Davidson offers you plays only the pros know and tips for playing hockey at any level. And he fills you in on: Hockey ABCs, its origins, positions, gear, rules, and more The complete NHL—explores the various leagues, greatest players, training, and tons of fascinating facts, figures, and priceless trivia The best ways to follow the game from the stands or on TV How the pros do it—includes tips from Gretzky on passing, Messier on winning face-offs, and other star players on how to play like a pro From youth leagues to the secrets of the NHL greats, Hockey For Dummies, is your total guide to this cool sport.

The Steel Remains

The New York Times bestseller that makes scientific subjects both understandable and fun: “Every sentence sparkles with wit and charm.” —Richard Dawkins From the Pulitzer Prize-winning New York Times science journalist and bestselling author of *Woman*, this is a playful, passionate guide to the science all around us (and inside us)—from physics to chemistry, biology, geology, astronomy, and more. Drawing on conversations with hundreds of the world’s top scientists, Natalie Angier creates a thoroughly entertaining guide to scientific literacy. For those who want a fuller understanding of some of the great issues of our time, *The Canon* offers insights on stem cells, bird flu, evolution, and global warming. For students—or parents whose kids ask a lot of questions about how the world works—it brings to life such topics as how the earth was formed, or what electricity is. Also included are clear, fascinating explanations of how to think scientifically and grasp the tricky subject of probability. *The Canon* is a joyride through the major scientific disciplines that reignites our childhood delight and sense of wonder—and along the way, tells us what is actually happening when our ice cream melts or our coffee gets cold, what our liver cells do when we eat a caramel, why the horse is an example of evolution at work, and how we’re all really made of stardust.

Walking Together Forever

Making advanced stats simple, practical, and fun for hockey fans Advanced stats give hockey's powerbrokers an edge, and now fans can get in on the action. Stat Shot is a fun and informative guide hockey fans can use to understand and enjoy what analytics says about team building, a player's junior numbers, measuring faceoff success, recording save percentage, the most one-sided trades in history, and everything you ever wanted to know about shot-based metrics. Acting as an invaluable supplement to traditional analysis, Stat Shot can be used to test the validity of conventional wisdom, and to gain insight into what teams are doing behind the scenes ,, or maybe what they should be doing. Whether looking for a reference for leading-edge research and hard-to-find statistical data, or for passionate and engaging storytelling, Stat Shot belongs on every serious hockey fan's bookshelf.

The Down Goes Brown History of the NHL

Discover the wealth of information available through the Lycos service, including access to exclusive information from Lycos' partners and affiliates. Author Mike Miller provides an inexpensive, compact, easy-to-follow introduction to the Internet using the Lycos Portal Service.

The Instigator

The first-to-market, most comprehensive, insightful, and groundbreaking annual baseball book on the market. A must-have book or gift for every true fan, with lifetime statistics and leader boards for every player in the major leagues and projections for how they might do in the future.

National Hockey League Official Guide and Record

Behind the Moves

This updated record book ensures that devotees of puck-driven action are as well educated on the sport as they are loyal to it. The only official book of its kind and presented by the National Hockey League itself, this guide to all things hockey reflects the 2017-2018 season in an easy-to-understand format. The book is annually updated to feature new statistics, an index of every retired player since 1917, a detailed breakdown of the hot prospects for the next generation of teams, and information on all the current players.

The New York Times Guide to Essential Knowledge

Provides information about careers in the sports industry, including educational requirements, salary, and prospects for each profession.

Hockey Player for Life

Looking back on a memorable career, Darren McCarty recounts his time as one of the most visible and beloved members of the Detroit Red Wings as well as his personal struggles with addiction, finances, and women and his daily battles to overcome them. As a member of four Red Wings' Stanley Cup-winning teams, McCarty played the role of enforcer from 1993 to 2004 and returning again in 2008 and 2009. His "Grind Line" with teammates Kris Draper and Kirk Maltby physically overmatched some of the best offensive lines in the NHL, but he was more than just a brawler: his 127 career goals included several of the highlight variety, including an inside-out move against Philadelphia in the clinching game of the 1997 Stanley Cup Finals. As colorful a character as any NHL player, he has arms adorned with tattoos, and he was the lead singer in the hard rock band Grinder during the offseason. Yet this autobiography details what may have endeared him most to his fans: the honest, open way he has dealt with his struggles in life off the ice. Whether dealing with substance abuse, bankruptcy, divorce, or the death of his father, Darren McCarty has always seemed to persevere.

Mobil Travel Guide 2008 Florida

The 2020 edition of The New York Times Bestselling Guide. PLAY BALL! The 25th edition of this industry-leading baseball annual contains all of the important statistics, player predictions and insider-level commentary that readers have come to expect, along with significant improvements to several statistics that were created by, and are exclusive to, Baseball Prospectus, and an expanded focus on international players and teams. Baseball Prospectus 2020 provides fantasy players and insiders alike with prescient PECOTA projections, which The New York Times called “the überforecast of every player’s performance.” With more than 50 Baseball Prospectus alumni currently working for major-league baseball teams, nearly every organization has sought the advice of current or former BP analysts, and readers of Baseball Prospectus 2020 will understand why!

Hockey Superstars: 2019 - 2020

With every passing season, statistical analysis is playing an ever-increasing role in how hockey is played and covered. Knowledge of the underlying numbers can help fans stretch their enjoyment of the game. Acting as an invaluable supplement to traditional analysis, Stat Shot: A Fan’s Guide to Hockey Analytics can be used to test the validity of conventional wisdom and to gain insight into what teams are

doing behind the scenes — or maybe what they should be doing! Inspired by Bill James's Baseball Abstract, Rob Vollman has written a timeless reference of the mainstream applications and limitations of hockey analytics. With over 300 pages of fresh analysis, it includes a guide to the basics, how to place stats into context, how to translate data from one league to another, the most comprehensive glossary of hockey statistics, and more. Whether A Fan's Guide to Hockey Analytics is used as a primer for today's new statistics, as a reference for leading edge research and hard-to-find statistical data, or read for its passionate and engaging storytelling, it belongs on every serious fan's bookshelf. A Fan's Guide to Hockey Analytics makes advanced stats simple, practical, and fun.

Shattered Ice

Mobil Travel Guides feature in-depth profiles of the best lodgings, restaurants, sights and attractions that each easily drivable region has to offer. Comprehensive and easy to use, each Regional Travel Guide is full of exciting new tours and loaded with maps.

The Brief Wondrous Life of Oscar Wao

Second only to family, the game of hockey is the tribe to which sports writer Jack

Falla passionately belongs. If Home Ice let readers in on the role hockey played in his early life, Open Ice takes them on a trip beyond his backyard rink to a reunion of the six living members of the five-Cups-in-a-row Montreal Canadiens of 1956-60; his chat with the legendary Alex Delvecchio; the "rink rats" of Boston, fans who played hockey at all hours of the night; and a memorable Bruins game with his grandson. A collection of essays that touches on hockey's greats, like "Rocket" Richard and the mysterious Hobey Baker, as well as the game's enduring nostalgic power, Open Ice is a treat for hockey lovers everywhere.

The Comprehensive Guide to Careers in Sports

Living with an old-world mother and rebellious sister, an urban New Jersey misfit dreams of becoming the next J. R. R. Tolkien and believes that a long-standing family curse is thwarting his efforts to find love and happiness. A first novel by the author of the collection, Drown. Reprint.

Postcapitalism

This colossal Guide includes information on every top level event, every IIHF member nation, and, indeed, every player to appear in even a single game since international hockey first took hold in 1920. In all, more than 12,000 players are

Download Ebook Nhl Fantasy Guide 2008

included, as well as every coach, every referee, every linesman and every stat imaginable. The 2012 IIHF Guide and Record Book is the official and only complete source of information for international hockey. It covers all top-level events from the Olympics to World Championships to junior events, from men's hockey to women's hockey, from 1920 to the past and present seasons. At 640 pages, it contains the scores and standings for every international game and event ever contested, the statistics for every player, coach, and on-ice official in IIHF competition history, and the results and histories of every nation that has ever participated in an IIHF event. Full of information on every aspect of the international game, this is the one and only source fans will need if they are interested in the World Junior Championship, Team Canada, or any other aspect of the international game. With a special section on the World Junior Championships taking place in Alberta this Christmas, this is the most important book hockey fans will need this season.

Sports Business Resource Guide & Fact Book

In 2008, the Vancouver Canucks were Team Modern, revolutionizing the NHL under their new GM, former player agent Mike Gillis. Cool, calculating, and unsparing with the media, the onetime number one draft pick of the old Colorado Rockies swept away the tangled psychological past of the Canucks with bold innovation, remodeling Vancouver as a destination city for NHL star players. To do so, he built

the Canucks from a non-playoff team in 2008 to the best in hockey from 2010-2012. He modernized the players' diets and psychological approach, he rebuilt the dressing room, and he sought sleep consultants to help with the Canucks' punishing travel schedule. More than that, his winning team lifted Vancouver from eighth overall in NHL revenues to second by 2013. When the team took to the ice for Game 7 of the 2011 Cup Final, it seemed there was nothing the Canucks couldn't overcome with their "Canucktivity" approach. The hockey world was at their feet. But things changed in Game 7. Physically exhausted and bullied by the Bruins, the Canucks succumbed 4-0. To cap the greatest season in team history, Vancouver rioted. Gillis tried a number of aggressive moves to get back to the Final, from switching Luongo for Schneider to trading players, but nothing worked. From there, the dominoes fell: Alain Vigneault was dismissed, John Tortorella hired; Tortorella raged, fans bayed for Gillis' head; and finally, Gillis and Tortorella were both fired. In spring 2014, tried-and-true Canuck hero Trevor Linden was installed as president, with former teammate Jim Benning by his side as GM. No one was quite sure if this was an improvement, but at least the hysterical screaming had stopped. How did it happen? Ice Storm follows the journey that led the Canucks from the top of the mountain to the bottom of the abyss in six short years.

Baseball Prospectus 2020

We know that our world is undergoing seismic change—but how can we emerge from the crisis a fairer, more equal society? Over the past two centuries or so, capitalism has undergone profound changes—economic cycles that veer from boom to bust—from which it has always emerged transformed and strengthened. Surveying this turbulent history, Paul Mason’s *Postcapitalism* argues that we are on the brink of a change so big and so profound that this time capitalism itself, the immensely complex system within which entire societies function, will mutate into something wholly new. At the heart of this change is information technology, a revolution that is driven by capitalism but, with its tendency to push the value of much of what we make toward zero, has the potential to destroy an economy based on markets, wages, and private ownership. Almost unnoticed, in the niches and hollows of the market system, swaths of economic life are beginning to move to a different rhythm. Vast numbers of people are changing how they behave and live, in ways contrary to the current system of state-backed corporate capitalism. And as the terrain changes, new paths open. In this bold and prophetic book, Mason shows how, from the ashes of the crisis, we have the chance to create a more socially just and sustainable economy. Although the dangers ahead are profound, he argues that there is cause for hope. This is the first time in human history in which, equipped with an understanding of what is happening around us, we can predict and shape the future.

Download Ebook Nhl Fantasy Guide 2008

Discover today's greatest hockey stars! For over thirty years kids (and their parents) have looked forward to Paul Romanuk's annual Hockey Superstars books! As always, this year seventeen of the NHL's superstars are profiled, with glossy, full-page, full-colour photos, with bios, previous-season stats, and pull-out interview quotes. It's a must-have for any hockey fan heading into the next exciting season! The 2019-2020 edition features: Brent Burns, San Jose Sidney Crosby , Pittsburgh Max Domi, Montreal Marc-Andre Fleury, Vegas Johnny Gaudreau, Calgary Mark Giordano, Calgary Martin Jones, San Jose Nikita Kucherov, Tampa Bay Mitch Marner, Toronto Connor McDavid, Edmonton Alex Ovechkin, Washington David Pastrnak, Boston Elias Pettersson, Vancouver Brayden Point, Tampa Bay Mikko Rantanen, Colorado Morgan Rielly, Toronto Pekka Rinne, Nashville Mark Scheifele, Winnipeg

The Bill James Handbook 2020

Two decades of lockouts, soaring ticket prices, and on-ice tinkering have convinced many hard-core fans that the NHL's long-time commissioner Gary Bettman is the devil in disguise, but this book examines his motivations, peels back his often

prickly demeanor, and explains how he manages to lead, confound, and keep order. It details the unlikely ascension of a fatherless Jewish kid from Long Island—who never played hockey and can barely skate—to the sport's biggest job. The seven-fold increase in gross revenue during Bettman's 20-year tenure as NHL commissioner makes him a business success story, and on his watch, professional hockey has also expanded far beyond its regional strongholds. By taming the NHL's famously fractious owners, all but busting its players' union, and enforcing a lawyerly discipline even on trash talk, Bettman has become a figure of almost unrivaled power in the business of sports, and this biography delves into how his influence shapes rival leagues in other countries, dictates the schedule of the Olympic Winter Games, and spills onto the ice itself.

So You Want to Play in the Nhl

"The point is, and I learned this a long time ago before I could let other things into my life to have the opportunity and the chance to play hockey, anywhere at anytime meant the world to me. To be playing the game with my friends on the ice, in a parking lot or in someone's backyard or basement whether it was in the dead of winter or on a warm summer's night, it made me feel alive and it gave me the idea that I could do anything if I put my my mind to it and worked hard enough. It nourished my soul and fed my brain. I am a hockey player for life." Excerpt from Hockey Player For Life

Ice Storm

Even before Sidney Crosby and Alexander Ovechkin began their NHL careers in 2005, the two players were rivals. They first met at the World U20 (Junior) Championship, playing for the gold medal, and ever since they have been opponents in the NHL and international arenas. No two star players could be so different. Crosby is the consummate captain and team player, the responsible face of the NHL. Ovechkin is the loose cannon on ice and off, capable of a great play or a cocky comment. Sid vs. Ovi traces this intense rivalry game by game, year by year, from 2005 to 2011 and beyond. Their biographies are given consideration alongside their in-game performance and career development to present a clear picture of their lives, their careers, their league, and their countries. Hockey fans can well be divided into those who prefer one or the other of this pair of scintillating talents. But one thing is certain - the presence of one inspires the other to greater heights. From the Trade Paperback edition.

The Comprehensive Guide to Careers in Sports

Fred Shero, the head coach of the teams forever remembered as the "Broad Street Bullies," chose the hours before Game 4 of the 1974 Stanley Cup Finals to inscribe this on the locker room blackboard: "Win together now and we walk together

forever." Well, of course, that team went on to win not one, but two Stanley Cups. Shero could not have been more prophetic. Thirty years later, members of those Cup teams are still revered in the city of Philadelphia and throughout the hockey world, for that matter. In *Walking Together Forever: The Broad Street Bullies Then and Now* author Jim Jackson wants to bring people back to those glorious days of the 1974 and 1975 Stanley Cup championships through the telling of so many of the incredible anecdotes that emanated from the many memorable characters that created the glory: *Walking Together Forever: The Broad Street Bullies Then and Now* will follow the major principals of the Cup wins, taking readers through the remainder of those heroes' hockey careers, into retirement, and up to the present. Many of the stories of their personal trials, travails, and successes since hoisting Lord Stanley's Cup are as compelling as those from the championship years themselves. In the eyes of hockey fans, members of those teams have indeed "walked together forever."

Ice Hockey Made Simple

This easy-to-read guide, filled with illustrations and action photographs, contains everything for the fan and non-fan alike to understand and enjoy the sport of ice hockey. Each section stands alone, so it can be used as a handy reference guide, and it is so lightweight it can easily be taken to games. The book includes:- The Rules of Hockey Simplified - The Most Recent NHL Changes - What to Look For

Download Ebook Nhl Fantasy Guide 2008

During Play - Statistics Explained - League and Playoff Formats - Stars of the Past and Present - Awards and Records- A Complete Glossary. The National Hockey League expansion of the last decade and the increased television coverage exposed millions of new fans to hockey. The Stanley Cup is now seen in over 170 countries, while annual sales of NHL merchandise today exceed \$1 billion. Yet hockey remains one of the least understood sports. With the help of this guide, you can learn to follow the excitement of America's fastest-paced sport in no time at all.

My Last Fight

A guide for sports fans on how to watch and appreciate the game of hockey More and more fans are watching the NHL each week, but many of them don't know exactly what they should be watching. How does an offense create shooting lanes for its best sniper? When a center breaks through and splits between two defensemen, which defender is to blame? Why does a goalie look like a Hall of Famer one week and a candidate for the minor leagues the next? This guide for sports fans on how to watch and appreciate the game of hockey takes you inside a coach's mind as he builds a roster or constructs a game plan, to the chaos of the goalie's crease, and deep into the perpetual chess match between offense and defense. Discussing topics such as what to look for when a team goes on the power play and why playing center might be the most grueling job in sports, Take

Your Eye Off the Puck shows fans how to get the most out of watching their favorite sport.

Hockey Abstract Presents Stat Shot

Martin Brodeur is a giant in the world of hockey. He is the number-one goalie in the game today, and one of the greatest goaltenders of the modern age. He has been netminder for the New Jersey Devils for 13 years, leading them to three Stanley Cup victories and winning numerous individual awards in the process, including two Vezina trophies. A three-time Olympian for Canada, Brodeur was part of the gold-medal winning team at the 2002 Winter Olympics in Salt Lake City. He was in goal when Team Canada captured the 2004 World Cup and has been a part of every major Canadian team since he broke into the NHL in 1992. He is rated as the fourth most popular and recognizable hockey player of all time (after Wayne Gretzky, Bobby Orr, and Mario Lemieux). In *Brodeur: Beyond the Crease*, the game's best netminder takes a candid, personal look at his career, his sport, the business of hockey, the evolution of the sport, and his journey to the apex of the modern game. It is one man's detailed, unique view of the kaleidoscope of intrigue and competitive chaos that defines today's NHL, a rare opportunity to understand the sport through the eyes of one of the game's most insightful athletes at the height of his abilities. *Brodeur: Beyond the Crease* traces Brodeur's career, revealing how he became the best, from minor hockey through junior to the NHL

and Team Canada. It examines his rich national and personal hockey heritage, and the pivotal role his father and others played in his career, as well as his thoughts and insights on: being part of the effort that turned the New Jersey Devils around from being what Wayne Gretzky called "a Mickey Mouse organization" into one of the game's most powerful and successful franchises; being in the crease in 2002 when Canada ended a 50-year gold medal drought at the Olympics; being a Canadian and a Quebecer playing and living in the US; life as a husband and father of four, his love of motorcycles, and the lifestyle of the modern athlete; pursuing greatness and sporting records; the best goalies he's ever seen and the best NHL shooters; how he prepares for game day; what it's like to be the wealthiest man ever to play his position, and what it was like to watch \$8 million in salary fly out the window during the NHL lockout of 2004-2005. In association with award-winning sports journalist Damien Cox, the top goalie in the game takes us inside the game and beyond, to reveal the man behind the mask.

IIHF 2012 Guide and Record Book

Minnesota Wild

The perfect gift for the diehard Leafs fan (is there any other?), this big and

beautiful -- and official -- publication is bursting with fascinating Maple Leafs trivia and photos. The Toronto Maple Leafs Ultimate Book of Facts, Stats, and Stories is the definitive guide to everything you want to know about the Toronto Maple Leafs as they approach their centennial season. From the first puck drop in 1917 right up to the present day, it brings together the monumental games, the Stanley Cup wins, the blockbuster trades, and the many milestones in the club's celebrated history. This fully illustrated compendium includes a wealth of exhaustive information and unique stats--including a complete register of every player to have worn the famous sweater--as well as entertaining stories, fascinating trivia, and amazing photographs.

Lycos Personal Internet Guide

The NHL is, indisputably, weird. One moment, you're in awe of the speed, skill and intensity that define the sport, shaking your head as a player makes an impossible play, or shatters a longstanding record, or sobs into his first Stanley Cup. The next, everyone's wearing earmuffs, Mr. Rogers has shown up, and guys in yellow raincoats are officiating playoff games while everyone tries to figure out where the league president went. That's just life in the NHL, a league that often can't seem to get out of its own way. No matter how long you've been a hockey fan, you know that sinking feeling that maybe, just maybe, some of the people in charge here don't actually know what they're doing. And at some point, you've probably

wondered- Has it always been this way?

Hockey For Dummies

This updated record book ensures that devotees of puck-driven action are as well educated on the sport as they are loyal to it. The only official book of its kind and presented by the National Hockey League itself, this guide to all things hockey reflects the 2018-2019 season in an easy-to-understand format. The book is annually updated to feature new statistics, an index of every retired player since 1917, a detailed breakdown of the hot prospects for the next generation of teams, and information on all the current players.

Brodeur

As more students enter the growing field of sports management, there is a greater need for information informing them about their career choices. *Careers in Sports* provides an overview of what students should consider and expect from the varied career options available to them. This book answers the questions students are most likely to have, including what courses they should take, what areas are available to them, what salary can they expect to earn after graduation, and how they can get the job of their dreams. In the highly competitive field of sports

management, it is important for individuals to prepare themselves well and to make the right decisions along the way. Although there are no guarantees of success, this book will increase students' likelihood of finding success in the sports industry. Encouraging research and realistic expectations, this book has been developed by an author with many years of experience as a respected practitioner, teacher and internship coordinator.

National Hockey League Official Guide & Record

A dark lord will rise. Such is the prophecy that dogs Ringil Eskiath—Gil, for short—a washed-up mercenary and onetime war hero whose cynicism is surpassed only by the speed of his sword. Gil is estranged from his aristocratic family, but when his mother enlists his help in freeing a cousin sold into slavery, Gil sets out to track her down. But it soon becomes apparent that more is at stake than the fate of one

young woman. Grim sorceries are awakening in the land. Some speak in whispers of the return of the Aldrain, a race of widely feared, cruel yet beautiful demons. Now Gil and two old comrades are all that stand in the way of a prophecy whose fulfillment will drown an entire world in blood. But with heroes like these, the cure is likely to be worse than the disease.

Take Your Eye Off the Puck

The Toronto Maple Leafs Ultimate Book of Facts, Stats, and Stories

Widely acknowledged as the best hockey book ever written and lauded by Sports Illustrated as one of the Top 10 Sports Books of All Time, The Game is a reflective and thought-provoking look at a life in hockey. Intelligent and insightful, former

Download Ebook Nhl Fantasy Guide 2008

Montreal Canadiens goalie and former President of the Toronto Maple Leafs, Ken Dryden captures the essence of the sport and what it means to all hockey fans. He gives us vivid and affectionate portraits of the characters — Guy Lafleur, Larry Robinson, Guy Lapointe, Serge Savard, and coach Scotty Bowman among them — that made the Canadiens of the 1970s one of the greatest hockey teams in history. But beyond that, Dryden reflects on life on the road, in the spotlight, and on the ice, offering up a rare inside look at the game of hockey and an incredible personal memoir. This commemorative edition marks the 20th anniversary of *The Game's* original publication. It includes black and white photography from the Hockey Hall of Fame and a new chapter from the author. Take a journey to the heart and soul of the game with this timeless hockey classic.

The Game

A dazzling blend of intellectualism and eroticism, this poetry collection employs sumptuous, sensory language to explore a wide range of subjects—including a blood-drinking Tibetan deity, lemons in Robert Graves' garden, and an East London strip club. By boldly traversing the boundary between the erotic and the sexual, these love poems are both passionate and strikingly original.
