### **NCLEX-PN Flashcard Book**

Nursing-focused and easy-to-read, this manual delivers all of the information you need to understand how tests work, interpret their results, and provide quality patient care—pre-test, intra-test, and post-test. Tests and procedures are listed in alphabetical order by their complete names for quick reference. The integrated index allows fast searches by abbreviation, synonym, disease/disorder, specimen type, or test classification. Plus, a Body Systems Appendix includes a list of common laboratory and diagnostic tests for each body system as well as nutrition-related lab tests.

### **Essentials of Nursing Informatics, 7th Edition**

Based on student feedback, Saunders Q&A Review for the NCLEX-PN® Examination is organized to address specific Client Needs and Integrated Processes to mirror the NCLEX-PN test plan. This review follows Silvestri Comprehensive Review as the natural next step for students in the Silvestri suite of products. It contains 3,200 practice questions—including Alternate Item Format—that include comprehensive rationales for both correct and incorrect options, test-taking strategies, and a textbook page reference for further explanation. This title

includes additional digital media when purchased in print format. For this digital book edition, media content may not be included. Remediation tied directly back to your Elsevier textbooks provides resources for further study. Content is organized according to Client Needs, providing an organized review for exam preparation and end-of-course or exit standardized exams. Practice questions, answers, and detailed rationales all appear on the same page, giving you immediate feedback on your responses. Detailed test-taking strategies for each question give you clues for analyzing and uncovering the correct answer option. Rationales are provided for both correct and incorrect options. Provides computerized testing practice in study, quiz, or exam modes, to allow you to choose from 21 different content categories and focus your study sessions. Each question is categorized by level of cognitive ability, Client Needs area, integrated process, and clinical content area to allow you multiple study and exam selections. Contains chapters on academic and nonacademic NCLEX-PN preparation, advice from a recent nursing graduate, and test-taking strategies that help you understand complicated exam questions. Comprehensive exam consists of 85 questions related to all content areas in the book and representative of the percentages identified in the NCLEX-PN test plan.

### **CliffsNotes NCLEX-RN Cram Plan**

This bestselling issues & trends textbook gives you a broad understanding of the problems and opportunities you will face as you make the transition from student to practicing nurse. While most of your studies have focused on learning how to care for the patient, this text teaches you the practical skills essential to managing the business side of your nursing career, including tips on resume writing and interviewing techniques, how to prepare for the NCLEX-RN exam, and effective ways to communicate and handle conflict in the work place. This new edition includes two new chapters on Emergency Preparedness and Building Nursing Management Skills plus numerous chapters that have been updated with the most relevant topics necessary for today's nursing student. Each chapter features lively cartoons, chapter objectives and exercises, boxed information, and critical thinking questions to keep you focused on pertinent information. The Role Transitions chapter orients you to the content and leads off the topics covered in the textbook. Continued coverage of current issues in the Workplace Issues chapter includes updated content on sexual harassment, needle stick injury and other topics. Employment Considerations chapter combines in-depth coverage on seeking employment, resume writing and interviewing techniques. NCLEX-RN and the New Graduate is an entire chapter featuring valuable tips on how to prepare for and successfully pass the exam. Evolve companion website includes Case Studies, Test Taking Strategies, a sample NCLEX Test Tutorial, a sample NCLEX Test, plus access to Resume Maker templates for creating professional resumes and cover letters. UNIQUE! New Emergency Preparedness chapter provides an in-depth look at bioterrorism and rapid response teams. UNIQUE! The revised and newly titled Building Nursing Management Skills chapter focuses on how to manage your time, get organized, develop and use communication skills, and delegate. UNIQUE! New Evidence-Based Practice boxes convey the research element in the topics covered. Updated chapter on Personal Management: Time and Self-care Strategies includes information on how to manage and balance your personal and professional time. Updated Nursing Education chapter includes current information on credentialing, registration and licensing, certification and accreditation. Updated Image of

Nursing: Influences of the Present chapter describes the nurse's role, the traditional role of the nurse, and nurses as advocates, teachers, colleagues and managers. Updated Table of Contents improves the flow of material covered to make it easier for you to quickly find and learn important topics.

## **Saunders Comprehensive Review for NCLEX-RN**

Contemporary Nursing, Issues, Trends, & Management, 6th Edition prepares you for the rapidly evolving world of health care with a comprehensive yet focused survey of nursing topics affecting practice, as well as the issues facing today's nurse managers and tomorrow's nurse leaders. Newly revised and updated, Barbara Cherry and Susan Jacob provide the most practical and balanced preparation for the issues, trends, and management topics you will encounter in practice. Content mapped to the AACN BSN Essentials emphasizes intraprofessional teams, cultural humility and sensitivity, cultural competence, and the CLAS standards. Vignettes at the beginning of each chapter put nursing history and practice into perspective, followed by Questions to Consider While Reading This Chapter that help you reflect on the Vignettes and prepare you for the material to follow. Case studies throughout the text challenge you to apply key concepts to real-world practice. Coverage of leadership and management in nursing prepares you to function effectively in management roles. Career management strategies include advice for making the transition from student to practitioner and tips on how to pass the NCLEX-RN® examination. Key terms, learning outcomes, and chapter overviews help you study more efficiently and effectively. Helpful websites and online resources provide ways to further explore each chapter topic. Coverage of nursing education brings you up to date on a wide range of topics, from the emergence of interactive learning strategies and e-learning technology, to the effects of the nursing shortage and our aging nursing population. Updated information on paying for health care in America, the Patient Protection and Affordable Care Act, and statistics on health insurance coverage in the United States helps you understand the history and reasons behind healthcare financing reform, the costs of healthcare, and current types of managed care plans. A new section on health information technology familiarizes you with how Electronic Health Records (EHRs), point-of-care technologies, and consumer health information could potentially impact the future of health care. Updated chapter on health policy and politics explores the effect of governmental roles, structures, and actions on health care policy and how you can get involved in political advocacy at the local, state, and federal level to help shape the U.S. health care system. The latest emergency preparedness and response guidelines from the Federal Emergency Management Agency (FEMA), the Centers for Disease Control (CDC), and the World Health Organization (WHO) prepare you for responding to natural and man-made disasters.

## **Contemporary Nursing - E-Book**

Often called "the best NCLEX® exam review book ever," Saunders Comprehensive Review for the NCLEX-RN® Examination offers everything you need to prepare for the NCLEX® exam—complete content review, audio reviews and 3400 NCLEX® examination-style questions in the book and online. ## **The Licensing Exam Review Guide in Nursing Home Administration, Seventh Edition**

Thoroughly prepare for the rapidly evolving world of nursing with Contemporary Nursing: Issues, Trends, & Management, 7th Edition. Expert authors Barbara Cherry and Susan Jacob combine their own expertise from both academics and practice as they cover the relevant issues affecting today's nurses. In 28 chapters, including a new chapter on palliative care, this comprehensive new edition takes readers through the evolution of nursing, the role of the nurse today, safe and effective decision-making, collaboration and communication, leadership, job opportunities, and a number of timely issues affecting healthcare and nursing practice today. Full-color design enhances the narrative with a clear, visually appealing explanation of concepts. Humorous cartoons open each chapter to illustrate the chapter themes. Vignettes at the beginning of each chapter personalize nursing history and practice and help readers understand their place in the profession. Questions to Consider While Reading This Chapter follow the vignettes and prepare the reader for the topic to be discussed. Key terms, learning outcomes, chapter overviews, and chapter summaries help readers focus their learning experience. Unit on Leadership and Management in Nursing includes content to prepare nurses to effectively function in the management roles expected of the professional nurse. Unit on Career Management provides strategies on how to make the transition from student to practitioner and tips on how to pass the NCLEX-RN Examination. Case studies help readers apply theory to clinical practice. NEW! Chapter on palliative care focuses on how to best provide patients with relief from the symptoms and stress of a serious illness, and how to improve the quality of life for both the patient and family. NEW! Combined chapter on quality improvement and QSEN keeps readers up to date on the latest competencies from the Institute of Medicine. NEW! Professional/Ethical Issue boxes provide a short scenario about an ethical issue related to the chapter content.

NEW! Updated coverage reflects the latest NCLEX test plan. NEW! Incorporation of Triple Aim in healthcare discusses ways to improve the health of the population, enhance the experience and outcomes of the patient, and reduce per capita cost of care for the benefit of communities. NEW! Expanded coverage of working in an interdisciplinary team reflects the changing healthcare landscape and need to work in collaboration with a variety of healthcare specialists.

## **The Medical Examination for Life Insurance and Its Associated Clinical Methods**

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. FOUNDATIONS IN NURSING RESEARCH, 6/e, an engaging, learner-friendly text, illuminates all steps of the nursing research process, helping students critique research and determine whether study findings are ready to apply in practice. To illustrate specific aspects of the research process, the author extensively excerpts from published studies, including research performed outside the U.S. Pedagogical features include chapter outlines, objectives, definitions of key terms, summaries, class activities, and self-tests. This Sixth Edition has been revised with up-to-date information and references throughout; more coverage of both quantitative and qualitative research; greater focus on evidence-based practice; and an all-new chapter on nursing research and health care economics.

## **Foundations and Adult Health Nursing**

Encouraging, user-friendly, and altogether unique, Mosby's Tour Guide to Nursing School encourages you to not only survive nursing school, but excel in whichever program you select. Throughout the book, Dr. Chenevert compares your journey through nursing school to a road trip, and she offers advice to increase your understanding, help you successfully navigate obstacles, and make your journey more enjoyable. You'll learn how to prepare for the NCLEX® and your nursing career, how to get good grades, how to deal with failure, how to improve oral and written reports, and much more. A must-have for every nursing student! Endorsed by the National Student Nurses Association (NSNA). Written by a nationally known motivational speaker and nurse, the book's down-to-earth approach uses humor and clever analogies to clearly teach the information you need to know. Uses the analogy of a cross-country road trip to help you see the relationships between different aspects of nursing school, as well as give you a finite view of its duration and end result. Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates. The appendix lists numerous diverse resources you'll find useful before, during, and after nursing school. Electronic Age Information covers distance learning, online courses, and podcasts, facilitating your success both in today's electronic classroom and with the advancing technology in nursing. A special NCLEX® chapter (Chapter 29: Are We There Yet? Almost.) provides you with the tools you need to prepare for and pass the NCLEX®. Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated choices during nursing school. Three chapters are devoted to diversity in today's workforce and the non-traditional student. Thorough coverage of ADN,

BSN, and RN-BSN programs (program prerequisites, differences, and more) helps you make informed decisions about your choice of nursing programs. An appendix of Online Resources provides quick and easy access to web sites that will assist both students and graduates with continued study and real-world advice.

## **Nursing Today - Revised Reprint**

The new 6th edition of Core Review for Critical Care Nursing helps readers assess and build their knowledge of critical care nursing as they prepare for the certification exam. The book consists of three 200-question sample examinations that provide extensive practice and review key content. An in-depth rationale, complete with references, is included for each question. Written under the authority of the American Association for Critical-Care Nurses (AACN), this book is an ideal study tool to facilitate preparation for critical care nursing certification. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Based on Core Curriculum for Critical Care Nursing, 6th Edition, the review is designed to follow along with the core text. Three separate sample examinations each address the complete range of important areas in critical care nursing and challenge readers' mastery of the essential knowledge base in the specialty. Answers are provided for each question, accompanied by rationales and references, to assist readers in building their knowledge. Each examination mirrors the certification examination content, multiple-choice question format, and content distribution, giving readers realistic practice for the examination. Contains a review of the synergy model, including Professional Care and Ethical Practice. Contains a review of the AHRQ and JCAHO evidence-based practice guidelines that are incorporated in Core Curriculum for Critical Care Nursing, 6th Ed.

## **Respiratory Physiotherapy**

CliffsNotes NCLEX Cram Plan is the perfect way to review for your RN or PN nursing exam whether you have two months, one month, or even one week left to prepare! CliffsNotes NCLEX-RN Cram Plan uses calendars to create a specific study plan for test-takers depending on how much time they have left before they take the test. Also included is a specialized NCLEX-PN study plan, meaning that NCLEX-PN test-takers can use this book to pass their nursing exam, too! The NCLEX-RN test is taken by individuals who want to become a registered nurse; the NCLEX-PN test is taken by those who want to become a practical nurse. Features of this plan-to-ace-the-test product include: Timed, boxed calendars for preparing to take the test—2-month study calendar, 1-month study calendar, and 1-week study calendar Diagnostic test that helps test-takers pinpoint strengths and weaknesses so they can focus their review on topics in which they need the most help Subject reviews that succinctly cover need-to-know topics on the tests in a list format Model practice test with answers and explanations Administered by appointment year round, more than 230,000 candidates take the NCLEX-RN test annually, and almost 65,000 candidates take the NCLEX-PN. The average passing rate for each test is only 70%.

## **Critical Care Nursing Certification: Preparation, Review, and**

## **Practice Exams, Seventh Edition**

From the experts at the American Association of Critical-Care Nurses (AACN) comes the definitive resource for critical care certification and clinical practice. This new seventh edition has been thoroughly updated to reflect the current state of high acuity, progressive, and critical care nursing practice and includes expanded coverage of pain management, palliative care, and end-of-life care; transplantation; and key AACN initiatives. It also reflects the most current literature, national and international guidelines, clinical studies, and of course, the newest content on the CCRN® exam. Authored by the experts at the American Association of Critical-Care Nurses (AACN), this is the definitive guide to critical care nursing certification and clinical practice. NEW! Significantly updated content corresponds to the most recent CCRN® examination blueprint and reflects the most current literature, national and international guidelines, clinical studies, AACN/ANA scope of practice, and ECCO 3.0. NEW! Expanded coverage of key content reflects the healthcare needs of today's patients, including pain management, palliative care, and end-of-life care; nutritional support; transplantation; and key AACN initiatives. Concise outline format is organized by body system to make information easy to digest. NEW! Clinical Pearls and Key Concepts boxes highlight key content and serve as a convenient quick reference. NEW! Improved navigation includes printed index tabs to help distinguish chapters and find information fast. Basic to advanced levels of coverage, with an emphasis on clinical nursing practice, prepare you for the full range of knowledge you will encounter on the CCRN exam and in practice. Coverage of the AACN Synergy Model is featured in the new opening chapter. Professional Care and Ethical Practice is integrated into the Core Curriculum series framework. A new chapter on Critical Care Patients with Special Needs includes bariatric and geriatric patients in critical care, as well as high-risk obstetric patients. Features new content on chest tubes, liver transplantation for acute liver failure, spirituality, and spiritual aspects of care. Integrates pain as the 5th vital sign and includes JCAHO, HCFA, and AHCPA guidelines relating to pain management. Features AHRQ evidence-based practice guidelines as reference sources for practice interventions. New organization for Patient Care presents patient problems, needs, etc. in order of clinical priority. Expanded Nursing Interventions includes considerations related to patient/family education, patient transfer, and discharge planning. Web-based resources for CDC, AHA, NINR, National Guideline Clearinghouse, NIH Consensus Conference Proceedings, ADA.

## **Study Guide for Foundations of Nursing - E-Book**

Part of the popular LPN Threads series, Introduction to Maternity & Pediatric Nursing provides a solid foundation in obstetrics and pediatric nursing. An easy-to-follow organization by developmental stages, discussion of disorders by body system from simple-to-complex and health-to-illness, and a focus on family health make it a complete guide to caring for maternity and pediatric patients. Written in a clear, concise style by Gloria Leifer, MA, RN, this edition reflects the current NCLEX® test plan with additional material on safety, health promotion, nutrition, and related psychosocial care. Cultural Considerations boxes and a Cultural Assessment Data Collection Tool help in developing individualized plans of care. Updated health promotion content includes Health Promotion boxes focusing on

preventive strategies for achieving prenatal wellness, health during pregnancy, postnatal health, and pediatric illness prevention and wellness -- including the complete immunization schedules for all ages. Nursing Tips provide information applying to the clinical setting. Objectives are listed in each chapter opener. Key terms include phonetic pronunciations and text page references at the beginning of each chapter. Nursing Care Plans with critical thinking questions help you understand how a care plan is developed, how to evaluate care of a patient, and how to apply critical thinking skills. A companion Evolve website includes animations, videos, answers to review questions and answer guidelines for critical thinking questions, an English/Spanish audio glossary, critical thinking case studies, and additional review questions for the NCLEX examination.

## **AACN Certification and Core Review for High Acuity and Critical Care - E-Book**

A student favorite for its easy-to-read style, real-life applications, and humorous cartoons, *Nursing Today: Transition and Trends, 7th Edition Revised Reprint* helps you make a successful transition from student to practicing nurse. It covers the profession's leading issues and opportunities, ensuring that you graduate not only with patient care skills but with career development skills including resume writing, finding a job, and effective interviewing. Test-taking tips and strategies prepare you for the NCLEX-RN® exam, and discussions of communication and management issues prepare you to succeed in the workplace. In this edition, well-known educator JoAnn Zerwekh and coauthor Ashley Zerwekh Garneau provide the latest information on nursing issues and trends including health care reform, patient safety, collective bargaining, and emergency preparedness. Thorough coverage prepares you for a professional nursing career by including all of the most important issues faced by the new nurse. An engaging presentation features lively cartoons, chapter objectives, bibliographies, and colorful summary boxes. Critical Thinking boxes are located in every chapter, with relevant questions and exercises to apply what you have learned to clinical practice. Evidence-Based Practice boxes focus on the research evidence that supports clinical practice. Real-life scenarios in each chapter illustrate and personalize the chapter topics. An emphasis on making the transition into the workplace is included in chapters such as NCLEX-RN® and the New Graduate, Employment Considerations: Opportunities, Resumes, and Interviewing, and Mentoring and Preceptorship. A companion Evolve website includes Case Studies for every chapter, test-taking strategies, a sample NCLEX® test tutorial, a sample NCLEX® exam, appendices, and resume builder templates for creating professional resumes and cover letters. Completely revised chapter on Mentorship, Preceptorship, and Nurse Residency Programs, complete with new relevant websites, online resources, and integrated recommendations from the 2010 Institute of Medicine. Completely revised chapter on NCLEX-RN® Examination and the New Graduate, complete with the 2013 NCLEX-RN® Detailed Test Plan. Health care reform is covered in the Economics of the Health Care Delivery System chapter, including the Patient Protection and Affordable Care Act of 2010 and the new Patient Bill of Rights as they apply to health care delivery and cost. Updated Health Care Organization and Patterns of Nursing Care Delivery chapter covers the results of managed care and explains the "p4p" (pay for performance) payment system, eliminating payment for medical errors as urged by the Institute of Medicine, and the collaboration at all levels of care to prevent medical errors and

improve quality of care. A chapter on collective bargaining and unions covers the creation in 2009 of the largest union and professional organization of registered nurses, the National Nurses United (NNU), and related issues. Updated Emergency Preparedness chapter covers The World Health Organization's (WHO) global pandemic influenza plan and its relation to public health and immunization. Coverage of QSEN and Patient Safety includes not only Quality and Safety Education for Nurses, but also the National Patient Safety Foundation and the Institute of Medicine competencies related to patient safety, as well as better communication among health care providers, quality improvement, and guidelines from The Joint Commission. Coverage of evidence-based practice includes management protocols and interventions used as the basis for clinical outcomes.

## **Introduction to Maternity & Pediatric Nursing - E-Book**

Review Guides/Certification Prep/Pocket Guides

## **Davis's Comprehensive Manual of Laboratory and Diagnostic Tests with Nursing Implications**

The single best resource for learning how technology can make the nursing experience rewarding and successful. With contributions from the world's top experts, *Essentials of Nursing Informatics, Seventh Edition*, provides the information and insights readers need to manage and process data to improve healthcare. Topics include the use of computers to nursing administration, education, and research; electronic medical records and personal health records; coding; and government, clinical, and private sector system requirements. This revised and updated edition covers the latest changes in technology, administration, policy, and their effects on healthcare informatics in the U.S., and it brings readers up to date on computer systems, information theory, continuum of care information technology systems, educational applications, and research applications. This updated seventh edition of *Essentials of Nursing Informatics* covers: Nursing Informatics Techniques System Standards System Life Cycles Informatics Theory Standards—Foundations of Nursing Informatics Policies and Quality Measurement in Health Care Nursing Practice Applications Advanced Applications for the 4th Nursing IT Revolution Research Applications

## **Pediatric Nurse Practitioner Certification Review Guide**

*Holistic Nursing: A Handbook for Practice* guides nurses in the art and science of holistic nursing and offers ways of thinking, practicing, and responding to bring healing to the forefront of healthcare. Using self-assessments, relaxation, imagery, nutrition, and exercise, it presents expanded strategies for enhancing psychophysiology. The Fourth Edition addresses both basic and advanced strategies for integrating complementary and alternative interventions into the clinical practice.

## **Hesi/Saunders Online Review for the NCLEX-RN Examination (1 Year)**

REA's NCLEX-PN Flashcards Are Indispensable! Hundreds of Must-Study Questions and Answers! REA's Interactive Flashcard® book for the NCLEX-PN exam helps nursing students check their test-readiness before taking this all-important exam. Our flashcard book is the perfect on-the-go study supplement and offers a quick and convenient way to practice answering questions. Written by an experienced RN, these flashcards give students full scenarios to evaluate in a multiple-choice format, just like the actual test. This recommended study aid contains more than 350 must-study questions that cover all official test categories found on the NCLEX, with detailed explanations of answers. The book also provides fascinating fun facts about the medical/nursing profession and its history. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, compact book that makes studying a breeze. Nursing students can write their answer on the front of the card, and then compare it to the answer on the back of the card. This concise question and answer format makes it easy to find the right answer, and we even give details explaining why the answer is correct. Fully indexed for smarter study, this book is the perfect way to study for the NCLEX-PN exam!

## **Canadian Maternity and Pediatric Nursing**

Canadian Maternity and Pediatric Nursing prepares your students for safe and effective maternity and pediatric nursing practice. The content provides the student with essential information to care for women and their families, to assist them to make the right choices safely, intelligently, and with confidence.

## **Contemporary Nursing**

Get more out of your textbook with this helpful study tool! Corresponding to the chapters in Cooper and Gosnell's Foundations of Nursing, 7th Edition, this study guide helps you learn, understand, and apply the fundamentals of LPN/LVN nursing. Hundreds of labeling, matching, and fill-in-the-blank questions are included, each with textbook page references. It also includes critical thinking questions based on clinical scenarios, and multiple-choice and alternate-format questions to help you review for the NCLEX-PN examination. "Useful for student nurses or return to practice nurses wanting to improve their knowledge." Reviewed by: Helen Reeves, St Giles Walsall Hospice on behalf of Nursing Times, November 2015 Learning activities help you meet content objectives, and include crossword puzzles, labeling, matching, completion, identification, NCLEX® exam-style multiple-choice review questions, and critical thinking questions. Page references are included for all activities except for the critical thinking questions, to facilitate your review. NEW! An increased emphasis on NCLEX® review prepares you more effectively for the NCLEX-PN® examination, with more NCLEX-style alternate-format type questions and more critical thinking activities.

## **Foundations in Nursing Research**

The best review available for the Critical Care Nursing Certification Exam! Critical Care Nursing Certification: Preparation, Review, and Practice Exams, Seventh Edition is a complete, step-by-step study package that covers everything nurses

need to know to pass the examination administered by the American Association of Critical Care Nurses (AACN). Following the CCRN blueprint, coverage of each subject is weighted to reflect its level of importance on the actual exam. Presented in concise, easy-to-read chapters, the book includes subject-specific practice exams, allowing readers to identify and focus on their weak areas. In addition, the handy “Editor’s Note” feature explains changes to the exam, highlights what is important, and alerts readers to the number of questions they should expect on a given topic. New to this edition is remediation to answers in the practice exams that include rationales, test-taking tips, and strategies

## **NCLEX-RN Questions & Answers Made Incredibly Easy!**

An all-inclusive guide to fundamentals and medical-surgical nursing for the LPN/LVN, Foundations and Adult Health Nursing, 7th Edition covers the skills you need for clinical practice, from anatomy and physiology to nursing interventions and maternity, neonatal, pediatric, geriatric, mental health, and community health care. Guidelines for patient care are presented within the framework of the five-step nursing process; Nursing Care Plans are described within a case-study format to help you develop skills in clinical decision-making. Written by Kim Cooper and Kelly Gosnell, this text includes all of the content from their Foundations of Nursing and Adult Health Nursing books, including review questions to help you prepare for the NCLEX-PN® examination! Full-color, step-by-step instructions for over 100 skills show nursing techniques and procedures along with rationales for each. The 5-step Nursing Process connects specific disorders to patient care - with a summary at the end of each chapter. Nursing Care Plans emphasize patient goals and outcomes within a case-study format, and promotes clinical decision-making with critical thinking questions at the end of each care plan. Clear coverage of essential A&P is provided by an Introduction to Anatomy and Physiology chapter along with an overview of A&P in all body systems chapters. Student-friendly features enhance the learning of nursing skills with summary boxes for Patient Teaching, Health Promotion Considerations, Complementary and Alternative Therapy, Cultural Considerations, Older Adult Considerations, Home Care Considerations, Safety Alert, and Prioritization, Assignment, and Supervision. UNIQUE! Mathematics review in Dosage Calculation and Medication Administration chapter covers basic arithmetic skills prior to the discussion of medication administration. A focus on preparing for the NCLEX examination includes review questions and Get Ready for the NCLEX Examination! sections with key points organized by NCLEX Client Needs Categories. Evidence-Based Practice boxes provide synopses of nursing research articles and other scientific articles applicable to nursing, along with nursing implications for the LPN/LVN. Nursing Diagnosis boxes summarize nursing diagnoses for specific disorders along with the appropriate nursing interventions. UNIQUE! Delegation Considerations boxes provide parameters for delegation to nurse assistants, patient care technicians, and unlicensed assistive personnel. Medication Therapy tables provide quick access to actions, dosages, precautions, and nursing considerations for commonly used drugs. NEW! Reorganized chapters make it easier to follow and understand the material. NEW! Icons in page margins indicate videos, audios, and animations on the Evolve companion website that may be accessed for enhanced learning. UPDATED illustrations include photographs of common nursing skills.

## **Nursing Home Administration**

A solution-oriented synopsis of the majority of issues faced in the on-call setting, such as communication, assessment of the patient, problem identification and treatment.

## **Saunders Comprehensive Review for the NCLEX-RN Examination, Third South Asian Edition-E-book**

The Seventh Edition of this nursing-focused nutrition text has been updated to reflect the latest evidence-based practice and nutrition recommendations. Written in a user-friendly style, the text emphasizes what the nurse really needs to know in practice. Maintaining its nursing process focus and emphasis on patient teaching, this edition includes features to help readers integrate nutrition into nursing care such as sample Nursing Process tables, Case Studies in every chapter, and new Interactive Case Studies online. This is the tablet version which does not include access to the supplemental content mentioned in the text.

## **Nursing Today**

## **Basic Geriatric Nursing - E-Book**

This is the fifth edition of a comprehensive guide that provides all the information necessary to conduct a holistic health assessment across the life span.

## **Saunders Q&A Review for the NCLEX-RN® Examination - E-Book**

This book and companion CD offer 500 questions to help readers practice the skills they are learning and gain realistic test-taking experience for the NCLEX examination. Key topics are covered including tips to help readers tackle any nursing test.

## **Holistic Nursing: A Handbook for Practice**

Sixth Edition A Doody's Core Title! This is an excellent tool for anyone preparing to take the national licensing exam or a current licensed administrator needing a good review." Score: 93, 4 Stars -- Doody's Medical Reviews for the Sixth Edition The seventh edition of this classic review guide for nursing home administration licensure is revised and updated to reflect new information as recently mandated for the federally required national exam. It is based on the same format as the actual exam and provides an easy-to-use, effective way to review essential concepts and practice test-taking skills. The seventh edition reflects all changes to the new exam and includes over 600 test questions with answer keys, full-length rationales, and new content specific to the NAB exam. ### **Retinoscopy (or Shadow Test) in the Determination of Refraction at One Meter Distance, with the Plane Mirror**

The best review available for the Critical Care Nursing Certification Exam! Critical Care Nursing Certification: Preparation, Review, and Practice Exams, Seventh Edition is a complete, step-by-step study package that covers everything nurses need to know to pass the examination administered by the American Association of Critical Care Nurses (AACN). Following the CCRN blueprint, coverage of each subject is weighted to reflect its level of importance on the actual exam. Presented in concise, easy-to-read chapters, the book includes subject-specific practice exams, allowing readers to identify and focus on their weak areas. In addition, the handy "Editor's Note" feature explains changes to the exam, highlights what is important, and alerts readers to the number of questions they should expect on a given topic. New to this edition is remediation to answers in the practice exams that include rationales, test-taking tips, and strategies

### **Physical Examination & Health Assessment**

Contains the knowledge essential to prepare for licensure and employment as a nursing home administrator. Using as its basis the guidelines of the National Association of Boards of Examiners of Nursing Home Administrators, this work includes sections on: Distinguishing delirium from dementia; Psychosis from agitation; GERD; and Glycemic control.

### **Nursing Today - E-Book**

A student favorite for its easy-to-read style, real-life applications, and humorous cartoons, Nursing Today: Transition and Trends, 7th Edition helps you make a successful transition from student to practicing nurse. It covers the profession's leading issues and opportunities, ensuring that you graduate not only with patient care skills but with career development skills including resume writing, finding a job, and effective interviewing. Test-taking tips and strategies prepare you for the NCLEX-RN® exam, and discussions of communication and management issues prepare you to succeed in the workplace. In this edition, well-known educator JoAnn Zerwekh and coauthor Ashley Zerwekh Garneau provide the latest information on nursing issues and trends including health care reform, patient safety, collective bargaining, and emergency preparedness. Thorough coverage

prepares you for a professional nursing career by including all of the most important issues faced by the new nurse. An engaging presentation features lively cartoons, chapter objectives, bibliographies, and colorful summary boxes. Critical Thinking boxes are located in every chapter, with relevant questions and exercises to apply what you have learned to clinical practice. Evidence-Based Practice boxes focus on the research evidence that supports clinical practice. Real-life scenarios in each chapter illustrate and personalize the chapter topics. An emphasis on making the transition into the workplace is included in chapters such as NCLEX-RN and the New Graduate, Employment Considerations: Opportunities, Resumes, and Interviewing, and Mentoring and Preceptorship. A companion Evolve website includes Case Studies for every chapter, test-taking strategies, a sample NCLEX test tutorial, a sample NCLEX exam, appendices, and resume builder templates for creating professional resumes and cover letters.

## **Nutrition Essentials for Nursing Practice**

Transition from student to professional with confidence. Stepping out of the classroom and into professional nursing practice can be stressful. This handy guide will build your confidence and prepare you to meet the challenges you'll face as a new staff nurse in today's dynamic health-care environment. You'll explore your future responsibilities as a leader and a manager and the workplace issues and trends that you'll encounter in practice.

## **Saunders Q & A Review for the NCLEX-PN® Examination E-Book**

An easy-to-read text focusing on all areas of nursing to aid in successful preparation for the NCLEX-RN. A unique feature of this book is the test-taking strategies included in each chapter. Additionally, students will find content review, practice tests at the end of each chapter with answers and rationales for right and wrong answers and a free CD-ROM that includes the 2,700 practice questions from the text plus 600 additional practice questions.

## **AACN Core Curriculum for High Acuity, Progressive and Critical Care Nursing - E-Book**

NCLEX-RN QUESTIONS & ANSWERS MADE INCREDIBLY EASY!, 7E is designed to help pre-licensure nursing students prepare for the licensing examination. This book and its accompanying electronic resources feature thousands of questions at the application level or above to prompt active learning and higher-order thinking. The book's seven parts cover the basics of NCLEX test construction and how students should prepare, the four major content areas of pre-licensure programs (medical-surgical, psychiatric/mental health, maternity, and pediatrics), a section on issues in nursing, and three comprehensive tests of varying lengths that help simulate the actual NCLEX experience. The questions align with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan. Throughout the book, the Made Incredibly Easy design, art, and captions help to engage students and present a fun, relaxed, encouraging, and supportive learning experience. Other features include the use of all the types of alternate-format questions and detailed rationale for both correct and incorrect answers.

## **Critical Care Nursing Certification: Preparation, Review, and Practice Exams, Seventh Edition**

As nursing students move toward becoming professionals, they must gain theoretical knowledge, learn clinical skills, and develop professional values. Joseph Catalano presents a wide range of pertinent topics and offers the most up-to-date coverage for the Issues & Trends course in this new 4th edition of his cutting-edge text. It explores the evolution and history of nursing, and examines the impact of reform, the legal system, and politics on the profession.

### **Introduction to Critical Care Nursing**

This money-saving package is a must-have for nursing students! It includes Sole's Introduction to Critical Care Nursing 4th edition text and an electronic version of the textbook that allows students to search, highlight information, take notes, share notes and more. This package makes it simple for students to make the most of their study time and get more use out of their textbooks!

### **Saunders Strategies for Test Success**

Practice makes perfect with Saunders Q&A Review for the NCLEX-RN® Examination, 7th Edition. This popular review offers more than 6,000 test questions, giving you all the Q&A practice you need to pass the NCLEX-RN® examination! Each question enhances review by including a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. Questions are organized to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. Q&A practice is also provided on an Evolve companion website, with many study and testing options. From the most trusted name in NCLEX review, Linda Anne Silvestri, this resource is part of the popular Saunders Pyramid to Success. A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Chapters organized by Client Needs simplify review and reflect the question mix in the NCLEX-RN test plan blueprint. Rationales are provided for both correct and incorrect answer options. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, and questions incorporating audio and video. An 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. A Priority Nursing Tip is included with each question, highlighting need-to-know patient care information. Introductory chapters feature preparation guidance for the NCLEX-RN including chapters on academic and nonacademic preparation, advice from a recent nursing graduate, and transitional issues for the foreign-educated nurse. NEW! Reflects the latest NCLEX-RN® test plan to familiarize you with newly added content they may encounter on the exam. NEW! Additions to the Evolve companion website include a 75-question post-test, case studies with follow-up questions, and links to animations for selected rationales, offering unique remediation opportunities. NEW! Trade drug names replaced with generic drug names reflecting latest test plan changes. NEW! Health Problem label included to help you study selected health topics. This will also allow you to focus your study

when reviewing questions on Evolve.

### **Nursing Now**

Prepare for a successful career in caring for geriatric populations! Williams' Basic Geriatric Nursing, 7th edition is an easy-to-read text which presents the theories and concepts of aging along with appropriate nursing interventions. This comprehensive book helps you understand the unique physiologic and psychosocial changes that affect the elderly adult. Threaded throughout this new edition are practical QSEN boxes and Nurse Alert features, which highlight safety, cultural considerations, health promotion, coordinated care, and home care specific to elderly patients. In addition, an online Study Guide, NCLEX®-PN review questions, and real-world clinical situation boxes help you to study for exams and apply concepts to practice. Coordinated Care boxes address such topics as restraints, elder abuse, and end-of-life care as related to responsibilities of nursing assistants and other health care workers who are supervised by LPN/LVNs. Clinical Situation boxes present patient scenarios with lessons for appropriate nursing care and patient sensitivity. UNIQUE! A FREE Study Guide, presented in a comprehensive PDF format on Evolve, reinforces your understanding. 10th grade reading level makes learning easier for you. Nursing Care Plans include Critical Thinking boxes to help you to assimilate and synthesize information. Nursing Process sections provide a framework for the discussion of the nursing care of the elderly patient as related to specific disorders. Cultural Considerations throughout text cover biocultural variations as well as health promotion for specific ethnic groups so you can provide culturally competent care. Health Promotion and Patient Teaching boxes highlight health promotion, disease prevention, and age-specific interventions. Home Health Considerations boxes provide information on home health care for the older adult. NEW! QSEN boxes provide you with the knowledge, skills, and attitudes necessary to continuously improve the quality and safety of care of the older adult. NEW! Nurse Alert feature emphasizes important safety and health promotion content specific to the elderly patient. NEW! Updated and expanded art program makes learning the material easier through clear and timely photographs and illustrations.
