They are always there, raging, rumbling, and ruminating on the spirit of the West they say has been lost to cappuccino bars, environmental wackos, and yuppies. They are the Boys at the Bar--and you'll probably call them lots of names, not all of them complimentary. What you won't call them is boring. The Bar is the Corral Club in Steamboat Springs, Colorado. This collection of Sureva Towler's essays on the boys--many of which appeared in The Denver Post--give the reader an insight into the often troubling, often hilarious politics of Western small-town life. As the boys drink, laugh, and carouse, they also tell the stories that define us. A lament for the West that is being lost, this book is also a celebration for what remains and a reminder to drop in to the local watering hole for a cold one with friends.

Blending the iconoclastic feminism of The Notorious RBG and the confident irreverence of Go the F**ck to Sleep, a brazen and empowering illustrated collection that celebrates inspirational badass women throughout history, based on the popular Tumblr blog. Well-behaved women seldom make history. Good thing these women are far from well behaved . . . Illustrated in a contemporary animation style, Rejected Princesses turns the ubiquitous "pretty pink princess" stereotype portrayed in movies, and on endless toys, books, and tutus on its head, paying homage instead to an awesome collection of strong, fierce, and yes, sometimes weird, women: warrior queens, soldiers, villains, spies, revolutionaries, and more who refused to behave and meekly accept their place. An entertaining mix of biography, imagery, and humor written in a fresh, young, and riotous voice, this thoroughly researched exploration salutes these awesome women drawn from both historical and fantastical realms, including real life, literature, mythology, and folklore. Each profile features an eye-catching image of both heroic and villainous women in command from across history and around the world, from a princess-cum-pirate in fifth century Denmark, to a rebel preacher in 1630s Boston, to a bloodthirsty Hungarian countess, and a former prostitute who commanded a fleet of more than 70,000 men on China's seas.

Bold From It

Originally published in 1984, this collection of 14 short stories set in Arkansas and Mississippi went on to win that year's National Book Award for fiction, confirming Ellen Gilchrist's place as one of the preeminent literary talents of her generation. *Victory Over Japan* takes us into the lives of an unforgettable group of Southern women — beautiful, complicated, enchanting, and sometimes dangerous — in and out of bars, marriages, divorces, lovers' arms, and even earthquakes, in an attempt to find happiness, or at least some satisfaction. Throughout these stories, one hears echoes of Flannery O'Connor and Eudora Welty, but Ms. Gilchrist has her own unique literary voice, and it is outrageously funny, moving, tragic, and always appealing. PRAISE: "To say that Ellen Gilchrist can write is to say that Placido Domingo can sing. All you need to do is listen." —Jonathan Yardley, *The Washington Post* "She is what they call a natural, writing with passion, authority and a noticeable lack of the self-consciousness that weighs down much of contemporary fiction." —*San Francisco Examiner-Chronicle* "Ellen Gilchrist's achievement is to create lives which refuse to be bound on the page by words and sentences . . . the writing is full of understanding that doesn't advertise itself as perception or insight." —*London Daily Telegraph*
