### Baby It's Cold Out There

### It's Always Been You

~ Aubrey ~ He's not what I expected. He's just so much more than I imagined he'd be. Cops around here aren't exactly honorable, and yet, I found myself trusting the one in my own backyard, quite literally the floor above me. Still, my instincts have been wrong before. My heart tells me to let him in completely, to love him completely. But I learned to stop following my heart a long time ago. ~ Adam ~ She's locked up tight and won't let go. A single mother, she's bound by the struggles she hides from the world around her. These trials do nothing but burden her, test her in the worst possible way. But I have struggles of my own, secrets, and with their depth, they don't just test me. They consume me and have the capability of breaking me completely, of breaking us completely. ~ Aubrey & Adam ~ Only love will help us. Only love will save us.

A happenstance romance about a case of mistaken identity, a billionaire with a second chance at life, and the young doctor who changes it all for him. Surrogacy This hadn't been the plan for Chicago native Johari Russell. But then again, neither had raking up thousands of dollars in medical school debt. Desperate, she accepts the money for her education from sources she probably shouldn't have, and now, finds herself waiting to meet with one-half of a happy couple with the intention of carrying their future child. This is the new plan for Johari and once she makes one, she sticks to it. She never intended to have such a strong connection with the prospective father of the future child, or for his brown eyes to tighten her tummy in ways it probably shouldn't. And why did he look so familiar to her? Cancer Illness nearly ended Alexander Ricci's life before it barely began, a life of opulence, thanks to the successes of his late father and one that's also very much under the microscope due to his own accomplishments or, erm indiscretions. He and his brother Asa have been dubbed the "Princes of Chicago" by the media, a direct result of a long stent of playboy debauchery. But, at least for

Alexander, that seems so long ago. The face of the tabloids had been one before the life of an altering diagnosis, before chemo and now that he's cancer-free, he just wants to leave that man and his previous legacy behind. The people in his life don't make it easy, though. Especially, after he meets a young woman who makes him not only want for more out of his life but demand for it. Alexander wasn't supposed to meet Johari in that café. She was there for someone else, but it seemed that fate, destiny, had other plans. So how could they both ignore it? Baby, Baby is a standalone, BWWM contemporary romance with no cliffhanger and a happily ever after. This is a tale of fate and second chances. Find out what happens when two people throw all logic out the window and go by the beat of their hearts!

## **Enthrall**

## **The Wisdom of Crowds**

A sizzling, contemporary romance about a secret baby, a cautious restaurant owner, and the playboy billionaire determined to have them both in his life. A blast from his past Asa: She caught me with my pants down and another woman spread eagle in front of me when she came back into my life. And why did I feel like that was fate playing its hand? I never forgot her Noni, the woman just as unique as her name who never failed to light a fire inside me. The last time I saw her I was in a bad place, a dark one that actually sent me to the Big Apple today. I was in the city to lead another one of my late father's corporate divisions yes, but running, escape, had been my true plan of intent. I had lots to get away from, my sins a laundry list, and it had been she, Noni, who got me out of them the last time. She did more than just fill a void. She fixed my messed up soul no matter how brief a time. So why had I let her go? She has a secret Noni: I came upon him in a similar state before desired by women. They flocked to the man like groupies to a tour bus and however naively, I had been one of them over four years ago. A vulnerable place sent me to vacation in Aspen and it had been Asa who found me, made me moan, made me forget and I didn't come away from that vacation unchanged. He gave me the most wonderful little blessing I could ever receive, my son Jalen. He never called me, though. After an amazing weekend, he left my mind to wonder. Hurt, I deleted his number and vowed to never think about him again. It was only later I discovered I was pregnant and now that Asa seems to suddenly be back in my life, I have to figure out how to tell him something very important. I have his son. And I never forgot his father. Baby Be Mine is a BWWM contemporary romance. It's a standalone with no cliffhanger.

## **His Sweetest Song**

## **The Florida Agriculturist**

## **The British Quarterly Review**

A lot can happen during a weekend in Aspen, and for two damaged hearts, they'll find out anything is possible. Asa Ricci just wanted to forget; he wanted to forget about her and the tug of war she had on his heart. His ex, Christine, announcing her engagement to another man was the final straw, which led him to the icy slopes of Aspen to escape and seek refuge in its beauty. He never thought he'd find another so much like himself. Noni Day hated her ex. She hated what he did, what he'd done to her when her career and life were finally starting to take off. She was just one phone call away from living her dream; the reality of owning her own restaurant was at her fingertips. He cheapened that, though. He broke her heart when all she was supposed to be doing now was living, celebrating her life and what good fortune lies ahead. He cursed her with the ultimate betrayal, and now, she just wanted the pain to stop. Her friend Willa thought a quick weekend getaway would be just the trick to ease her damaged heart and little did her childhood friend know, she might not be so far off. Noni kissed someone while on that vacation, a blond stranger with beautiful green eyes, because he asked her to. He wanted to help her, get her out of a jam, so she'd said yes. Never in her life did she believe he'd linger on in her head long after the kiss. Nor that she'd want so much more. **BABY, IT'S COLD OUT THERE** is a sneak peek into the story of Asa and Noni and is a short read of 19,000 words. As a short holiday story, it's to act as a preview to the couple's full book entitled **BABY, BE MINE**, which releases in 2017.

## **Memoirs of Museum Victoria**

Sugar That's some kind of name, isn't it? It wasn't any type of name I'd heard of, but across the world, it seemed I was the only one. You see, he's an international superstar, talented, sexy, and one day, he comes walking into my record store. He tells me he wants to buy some music, and later on, wants to get to know me a little better. I had no idea he was here for his American debut, nor that he was one of the most successful rappers South Korean music had ever seen. If I had, I might not have been so frazzled when I found out and accidentally kidnapped him. But then again Maybe that wouldn't have mattered anyway.

## **Let It Be Love**

He's wicked Diondre Combs. And everything about him tells me that's true. He's intense, all fire and flame, and that's only his pace at half speed. A rising athlete, he takes what he wants and is completely unashamed about his needs no matter how visceral they may be. My job as head of security should be easy. It was easy once upon a time. I put out the flames. I kill the speed, but the moment Diondre walks into my club everything changes. That speed becomes increasingly hard to slow down, and that fire, I not only stoke But let it burn. "Enthrall: A Found by You Novella" is book 3.5 in the **FOUND BY YOU** series. The 30,000-word story is a standalone and is about Griffin Chandler's good friend and college roommate Diondre Combs. It's also 18+ for sexual content, graphic language, and general Diondre "D" Combs debauchery. \*\*\*Previously a part of The Prestige Collection

### **Baby Be Mine**

He's noticed by everyone Griffin Chandler. He's captain of our college's basketball team. I swear to God I've already seen him in a Nike ad, and he's one of the top picks when he goes pro following our spring graduation. His life is on display for the world. Both his accomplishments and demons there for judgment. I'm a girl who likes to play roller derby from, of all places, Wisconsin. My own demons better concealed. And one day He notices me. Found by You is a new adult contemporary romance.

### **Whitaker's Almanack**

When New York Times bestselling author Victoria Alexander created the Effingtons, she introduced an irresistible clan. Now, meet her most unforgettable hero yet . . . Dashing Jonathon Effington, the Marquess of Helmsley, has had more than one lady willingly fall into his arms. But he's so delicious none has ever complained at their inevitable parting. And while Jonathon's no stranger to passion of the flesh, his heart has remained untouched. Until now . . . At each Christmas Ball, Jonathon selects a delectable lady to share the pleasures of the evening—after all, it's a holiday tradition! But he is shocked to discover that his choice is replaced by an enchanting stranger who surprises him with a proposal of marriage. Beautiful Fiona Fairchild is desperate—only a wedding will save her sisters and her inheritance. But Jonathon has no interest in marriage, and what starts as a shocking proposal turns into a scandalous proposition that might ruin them both . . .

### **Found by You**

Hunting for love is a pain in the neck Abbey is the lone human working for Fated Match, a company that pairs members of the supernatural community with their eternal mates. To snag a young vampire socialite as her next client, Abbey journeys to the home of Lucian Redgrave, the most respected vampire on the East Coast. But he's not willing to recommend the agency to the vampire world unless Abbey can first find his perfect match in a month. As Abbey coaches Lucian through his dates, she can't deny the chemistry between them. But humans are toys for vampires, and risking her heart isn't a part of the plan. Each book in the Fated Match series is a standalone story that can be enjoyed out of order. Book #1 Love at Stake Book #2 Dying to Date Book #3 The Alpha's Temporary Mate

## **The Canadian Patent Office Record and Register of Copyrights and Trade Marks**

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in

delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

"Jessica Scott is an exciting new voice in romantic fiction who bursts upon the scene with an unputdownable debut novel!" --Robyn Carr, New York Times bestselling author on *Because of You* She plays by the rules . . . Captain Ben Teague is many things: a tough soldier, a loyal friend, and a bona fide smart-ass. He doesn't have much tolerance for BS, which is why he's mad as hell when a trusted colleague and mentor is brought up on charges that can't possibly be true. He's even more frustrated with by-the-book lawyer Major Olivia Hale. But there's something simmering beneath her icy reserve--and Ben just can't resist turning up the heat . . . . . and he's determined to break them The only thing riskier than mixing business with pleasure is enjoying it . . . and Olivia can't resist locking horns--and lips--with Ben. He's got more compassion in his little finger than any commander she's ever met, a fact that makes him a better leader than he realizes. But when the case that brought them together awakens demons from Olivia's past, she will have to choose between following orders--or her heart . . .

## **"The" Illustrated London News**

A single dad seeking a fresh start. A woman, a house, and the town that never truly left her. After I receive word of an inheritance, I end up back in Kansas, red bottom heels and all to take ownership of a house and property I haven't set foot on in over a decade. My aunt Josephine chose me, the last of her living relatives, and now I'm left to discover what she wants done with her legacy. It's a feat I'm willing to take on. But the man I find in her bathroom is another story. Grayden claims to be a handyman, previous help to my aunt in his well-worn jeans and smart attitude and as it turns out, he has a daughter who wants even less to do with me than I do with her father. She says absolutely nothing to me-zero words, which only slightly surpasses her elusive dad. The man known as Gray is guarded beyond anything else. He's cold and I'm left wondering the reasons why. How did a man like that come to be such an important element to my late aunt's life? And why did my aunt Jo leave him, this house, and this town for me? His Sweetest Song is a standalone contemporary romance by Victoria H. Smith. If you like emotionally-charged romances set in small towns, this 78,000 word novel featuring a single dad looking for a second chance at love and the city-girl he attempts to wrangle is for you!
