Star Wars Kirigami

In September 1939, the tanks of Panzer-Regiment 5 swept into Poland, a devastating part of the German blitzkrieg that opened World War II with a terrifying display of military force. The following spring, the regiment rumbled across France, again showing the destructive power of the panzer. But the unit's greatest fame would come in the North African desert, where Panzer-Regiment 5 joined Erwin Rommel's vaunted Afrika Korps as it battled the British back and forth beneath the scorching sun of Libya and Egypt.

Frank Lloyd Wright (1867–1959) is the most renowned and popular architect and designer in America. His buildings, including Fallingwater and New York's Guggenheim Museum, are iconic landmarks. Now you can create 14 of his best loved buildings using the art of kirigami (cutting and folding). Each project features step-by-step instructions and a template that you remove from the book. You follow the lines on the template, cutting and folding to make your own model. All you need is a craft knife, a cutting mat, and a ruler. Clear cutting tips help you with the tricky stages, while photos of the finished model show you the final design. To make things easier, the most intricate parts of the templates are pre-die-cut. Then simply display your finished model and admire your handiwork. Suitable for folding experts and beginners alike, Frank Lloyd Wright Paper Models is a must for Wright fans and architectural model enthusiasts.
