King Khama, Emperor Joe, and the Great White Queen

In this thoughtful and systematic exploration, Friesen and Stoner understand the Bible to be an extended argument about life, love and power. In the various biblical texts, this argument presents two versions of the Hebrew god, one who aligns with kings and the religious establishment, the other who makes a fool of kings and aligns with everyday people. Through discussion of each biblical text, the authors highlight how this argument plays out in the history of the Israelites, the prophetic attempts to articulate an alternative to the nation-state, the life and teachings of Jesus, and the multi-ethnic community that emerged after Jesus' death. Written in a popular style, the book serves as a concise and sometimes irreverent introduction to the entire Bible while demonstrating its immediate relevance to the problems of violence, insecurity and injustice.

I know what people think when they hear the name Sebastian Bennett. Determined. Ruthless. Head of a business empire. From the outside, I look bulletproof. I may be bulletproof, but I can't seem to deflect them. No matter how many times I patiently explain that I don't believe in love. I hadn't counted on Ava Lindt. Beautiful. Funny. Just as stubborn as I am. It's frankly infuriating. I only hired her as a consultant to make our next jewelry collection launch unforgettable. So why is it thoughts of her that I can't shake? Those curves, that smile... it's irresistible. And completely off-limits. She won't risk her job. I won't risk my heart. But one kiss, one touch at a time, our sizzling chemistry is turning into a deep connection. With her time at Bennett Enterprises drawing to a close, I'll have to decide what I was wrong about—her, or love.
