## Rebuilt

Have you ever thought to yourself: "There's got to be more to life than this?"  
There's an adventure in your life waiting to be unlocked by your radical yes.  
Christina Koch left a life of darkness and said yes to following Jesus, as He helped  
her: Uproot lies in her life and replace them with truth Walk through seasons of  
confusion and wilderness Overcome fear and anxiety Take courageous, life-  
changing risks Christina will inspire, embolden, and infuse strength and radical  
faith as she shares her journey with you of being catapulted into her yes-more than  
she ever imagined. Join her as she lives out her own voyage of saying yes to Jesus  
in The Journey of a Radical Yes. Learn what it's like to let go of the reins and  
surrender to Jesus as He calls you out of your own boat to walk on water.

## The Situation

The Situation - A Radical Journey Thru Sisterhood is an intimate portrayal of two  
sisters, Carolyn and Lila, whose lives are deeply intertwined over forty years. "The  
official FDNY response time to 9/11 was ?five seconds. ?Five seconds. That's how  
long it took for FDNY, for NYPD, for Port Authority, EMS to respond to an urgent  
need from the public. ?Five seconds. Hundreds died in an instant. Thousands more  
poured in to continue to fight for their brothers and sisters. The breathing problems  
started almost immediately and they were told they weren't sick, they were crazy.  
And then, as the illnesses got worse, and things became more apparent, "?W?ell?,"  
okay, you're sick?," but it's not from the pile." And then when the science became  
irrefutable, "?O?kay, it's the pile, but this is a New York issue. I don't know if we  
have the money."And I'm sorry if I sound angry and undiplomatic. But I'm angry,  
and you should be too, and they're all angry as well and they have every  
justification to be that wayYour indifference cost these men and women their most  
valuable commodity: time. It's the one thing they're running out of." - Jon Stewart's  
testimony before Congress Jon Stewart's testimony before Congress reminded  
America - in scathing terms - of their responsibility to 9/11 first responders, but the  
effects of that day spread to nearby residents as well. Carolyn Glasoe Bailey owned  
an art gallery in lower Manhattan, and years later in Los Angeles, she was

diagnosed with brain cancer. Her doctors told her it was mostly likely due to her proximity to Ground Zero. When Jon Stewart took to CSPAN, it moved Lila Glasoe Francese, her sister, to finally release the book she wrote about Carolyn's journey. When Carolyn is diagnosed with glioblastoma brain cancer, Lila is unaware of the complexity of the diagnosis and unprepared for the devastating path to come. When she was told she had cancer, Carolyn opted into treatment, even knowing it might change her personality. At that time, Lila went to search for a book to help her understand what her sister was going through and what her family should expect. She couldn't find anything to support her. So she wrote the book she needed at the time to support others in their own journey. *The Situation* takes readers on an emotional and intense journey that explores the lifelong bond between siblings and the aching loss of deep relationship. Like *When Breath Becomes Air* by Paul Kalanithi and *Being Mortal* by Atul Gawande, it deals intimately with the choices terminal patients face, and the effect of those choices on those who love them.

## **The Radical's Journey**

The bestselling author's inspiring autobiographical account of personal pain, spiritual awakening, and divine grace. "Inspiring. Sue Monk Kidd is a direct literary descendant of Carson McCullers."—*Baltimore Sun* "Grounded in personal experience and bolstered with classic spiritual disciplines and Scripture, this book offers an alternative to fast-fix spirituality."—*Bookstore Journal* Blending her own experiences with an intimate grasp of spirituality, Sue Monk Kidd relates the passionate and moving tale of her spiritual crisis, when life seemed to have lost meaning and her longing for a hasty escape from the pain yielded to a discipline of "active waiting."

## **Paid For: My Journey Through Prostitution**

In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down--overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks--without a trace of cancer in her body! Within these pages, Anita recounts stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. As part of a traditional Hindu family residing in a largely Chinese and British society, Anita had been pushed and pulled by cultural and religious customs since she was a little girl. After years of struggling to forge her own path while trying to meet everyone else's expectations, she had the realization, as a result of her epiphany on the other side, that she had the power to heal herself . . . and that there are miracles in the Universe that she'd never even imagined. In *Dying to Be Me*, Anita freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being! This is a book that definitely makes the case that we are spiritual beings having a human experience . . . and that we are all One!

## **Food from the Radical Center**

For many of us, feelings of deficiency are right around the corner. It doesn't take much--just hearing of someone else's accomplishments, being criticized, getting into an argument, making a mistake at work--to make us feel that we are not okay. Beginning to understand how our lives have become ensnared in this trance of unworthiness is our first step toward reconnecting with who we really are and what it means to live fully. —from *Radical Acceptance* “Believing that something is wrong with us is a deep and tenacious suffering,” says Tara Brach at the start of this illuminating book. This suffering emerges in crippling self-judgments and conflicts in our relationships, in addictions and perfectionism, in loneliness and overwork—all the forces that keep our lives constricted and unfulfilled. *Radical Acceptance* offers a path to freedom, including the day-to-day practical guidance developed over Dr. Brach's twenty years of work with therapy clients and Buddhist students. Writing with great warmth and clarity, Tara Brach brings her teachings alive through personal stories and case histories, fresh interpretations of Buddhist tales, and guided meditations. Step by step, she leads us to trust our innate goodness, showing how we can develop the balance of clear-sightedness and compassion that is the essence of *Radical Acceptance*. *Radical Acceptance* does not mean self-indulgence or passivity. Instead it empowers genuine change: healing fear and shame and helping to build loving, authentic relationships. When we stop being at war with ourselves, we are free to live fully every precious moment of our lives.

## **Radical Forgiveness**

Two cubicle convicts. One jungle village. A life without boundaries. In this real-life comedic memoir, Laura Berger and Glen Tibaldeo expose the blessings and ironic struggles of ditching their cut-throat corporate jobs for life in a tranquil jungle paradise. Following the spirit and encouragement of friends met on a desperately needed vacation two years earlier, they leave their Chicago home with eleven suitcases, two laptops, and two cats to land in Pair-o-Dice Village, the scene of their big life gamble. Surprisingly intense life changes immediately prompt a slew of rarely contemplated questions. Could you: Completely change your sources of happiness? Let a boa constrictor loose in your house to get rid of the bats? Drink mystery potions from a shaman? Brave cliff sides when you're deathly afraid of heights? Make friends with your pesky inner voice at all costs? Join a journey of laughter as Laura and Glen pick apart the foibles in all of us. Find yourself rooting for a couple in a life adventure, at the brink of losing everything they have to get everything they've ever wanted. From random wildlife dropping from the sky and battles with vipers to culture clashes and visits with shamans, *Radical Sabbatical* captures the thrills and realities of boldly following a dream in a story any thrill-seeker-armchair or roaming-will love.

## **The Cure for Hate**

Maajid Nawaz spent his teenage years listening to American hip-hop and learning about the radical Islamist movement spreading throughout Europe and Asia in the 1980s and 90s. At 16, he was already a ranking member in Hizb ut-Tahrir, a

London-based Islamist group. He quickly rose through the ranks to become a top recruiter, a charismatic spokesman for the cause of uniting Islam's political power across the world. Nawaz was setting up satellite groups in Pakistan, Denmark, and Egypt when he was rounded up in the aftermath of 9/11 along with many other radical Muslims. He was sent to an Egyptian prison where he was, fortuitously, jailed along with the assassins of Egyptian President Anwar Sadat. The 20 years in prison had changed the assassins' views on Islam and violence; Maajid went into prison preaching to them about the Islamist cause, but the lessons ended up going the other way. He came out of prison four years later completely changed, convinced that his entire belief system had been wrong, and determined to do something about it. He met with activists and heads of state, built a network, and started a foundation, Quilliam, funded by the British government, to combat the rising Islamist tide in Europe and elsewhere, using his intimate knowledge of recruitment tactics in order to reverse extremism and persuade Muslims that the 'narrative' used to recruit them (that the West is evil and the cause of all of Muslim suffering), is false. Hailed by everyone from Tony Blair to Anderson Cooper to Bill Maher, Radical is a fascinating and important look into one man's journey out of extremism and into something else entirely. This U.S. edition contains a "Preface for US readers" and a new, updated epilogue.

## **Radical Sabbatical**

"In [this book], Mark Bertolini, the long-time chairman and CEO of Aetna, the Fortune 500 health insurance company, reveals that genuine leadership is not about dollars and market share but about improving lives and communities."--Amazon.com summary.

## **Islam and the Future of Tolerance**

Describes the experiences of a man who loses his hearing in his thirties and receives a computer chip implant that allows him to regain that sense, while exploring the ethical and philosophical implications of becoming cybernetic.

## **Radical**

Transcript of a video released on YouTube by the Quilliam Foundation which campaigns against extremism in Islam.

## **Radical Candor**

## **My Journey**

In this dialogue between a famous atheist and a former radical, Sam Harris and Maajid Nawaz invite you to join an urgently needed conversation: Is Islam a religion of peace or war? Is it amenable to reform? Why do so many Muslims seem drawn to extremism? The authors demonstrate how two people with very different views can find common ground.

## **You Were Born for This**

The old adage is ingrained in us that if you don't have anything nice to say then don't say anything at all. While this advice may work for home life, as Kim Scott has seen first hand, it is a disaster when adopted by managers in the work place. Scott earned her stripes as a highly successful manager at Google before moving to Apple where she developed a class on optimal management. *Radical Candor* draws directly on her experiences at these cutting edge companies to reveal a new approach to effective management that delivers huge success by inspiring teams to work better together by embracing fierce conversations. *Radical Candor* is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism - delivered to produce better results and help employees develop their skills and boundaries of success. Great bosses have a strong relationship with their employees, and Scott has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. *Radical Candor* offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first hand experience, and distilled clearly to give actionable lessons to the reader, *Radical Candor* shows how to be successful while retaining your integrity and humanity. *Radical Candor* is the perfect handbook for those who are looking to find meaning in their job and create an environment where people both love their work, their colleagues and are motivated to strive to ever greater success.

## **Dying to Be Me**

This compelling autobiography describes the extraordinary struggle of an outspoken activist and journalist rising above the horrors of colonisation to offer an uncensored account of Kenya's blood-stained history. Despite his harsh years of imprisonment during which time he was subject to torture followed by exile, he does not speak from a broken perspective. Instead his memoirs are infused with the freedom songs of the Kenyan people and rich with traditional allegorical stories as he fights for justice, buoys for international support, lives and tells.

## **Rebel Cinderella**

Rose Pastor arrived in New York City in 1903, a Jewish refugee from Russia who had worked in cigar factories since the age of eleven. Two years later, she captured headlines across the globe when she married James Graham Phelps Stokes, scion of one of the legendary 400 families of New York high society. Together, this unusual couple joined the burgeoning Socialist Party and, over the next dozen years, moved among the liveliest group of activists and dreamers this country has ever seen. Their friends and houseguests included Emma Goldman, Big Bill Haywood, Eugene V. Debs, John Reed, Margaret Sanger, Jack London, and W.E.B. Du Bois. Rose stirred audiences to tears and led strikes of restaurant waiters and garment workers. She campaigned alongside the country's earliest feminists to publicly defy laws against distributing information about birth control, earning her notoriety as "one of the dangerous influences of the country" from

President Woodrow Wilson. But in a way no one foresaw, her too-short life would end in the same abject poverty with which it began.

## **Radical Compassion**

“To build a world that works for everyone, we must first make the radical decision to love every facet of ourselves...‘The body is not an apology’ is the mantra we should all embrace.” —Kimberlé Crenshaw, legal scholar and founder and Executive Director, African American Policy Forum “Taylor invites us to break up with shame, to deepen our literacy, and to liberate our practice of celebrating every body and never apologizing for this body that is mine and takes care of me so well.” —Alicia Garza, cocreator of the Black Lives Matter Global Network and Strategy + Partnerships Director, National Domestic Workers Alliance “Her manifesto on radical self-love is life altering—required reading for anyone who struggles with body image.” —Claire Foster, Foreword Review Humans are a varied and divergent bunch with all manner of beliefs, morals, and bodies. Systems of oppression thrive off our inability to make peace with difference and injure the relationship we have with our own bodies. *The Body Is Not an Apology* offers radical self-love as the balm to heal the wounds inflicted by these violent systems. World-renowned activist and poet Sonya Renee Taylor invites us to reconnect with the radical origins of our minds and bodies and celebrate our collective, enduring strength. As we awaken to our own indoctrinated body shame, we feel inspired to awaken others and to interrupt the systems that perpetuate body shame and oppression against all bodies. When we act from this truth on a global scale, we usher in the transformative opportunity of radical self-love, which is the opportunity for a more just, equitable, and compassionate world—for us all.

## **The Untethered Soul (EasyRead Super Large 24pt Edition)**

“I was told to come alone. I was not to carry any identification, and would have to leave my cell phone, audio recorder, watch, and purse at my hotel. . . .” For her whole life, Souad Mekhennet, a reporter for *The Washington Post* who was born and educated in Germany, has had to balance the two sides of her upbringing – Muslim and Western. She has also sought to provide a mediating voice between these cultures, which too often misunderstand each other. In this compelling and evocative memoir, we accompany Mekhennet as she journeys behind the lines of jihad, starting in the German neighborhoods where the 9/11 plotters were radicalized and the Iraqi neighborhoods where Sunnis and Shia turned against one another, and culminating on the Turkish/Syrian border region where ISIS is a daily presence. In her travels across the Middle East and North Africa, she documents her chilling run-ins with various intelligence services and shows why the Arab Spring never lived up to its promise. She then returns to Europe, first in London, where she uncovers the identity of the notorious ISIS executioner “Jihadi John,” and then in France, Belgium, and her native Germany, where terror has come to the heart of Western civilization. Mekhennet’s background has given her unique access to some of the world’s most wanted men, who generally refuse to speak to Western journalists. She is not afraid to face personal danger to reach out to individuals in the inner circles of Al Qaeda, the Taliban, ISIS, and their affiliates; when she is told to come alone to an interview, she never knows what awaits at her destination. Souad Mekhennet is an ideal guide to introduce us to the human

beings behind the ominous headlines, as she shares her transformative journey with us. Hers is a story you will not soon forget.

## **Mission-Driven Leadership**

Maajid Nawaz spent his teenage years listening to American hip-hop and learning about the radical Islamist movement spreading throughout Europe and Asia in the 1980s and 90s. At 16, he was already a ranking member in Hizb ut-Tahrir, a London-based Islamist group. He quickly rose through the ranks to become a top recruiter, a charismatic spokesman for the cause of uniting Islam's political power across the world. Nawaz was setting up satellite groups in Pakistan, Denmark, and Egypt when he was rounded up in the aftermath of 9/11 along with many other radical Muslims. He was sent to an Egyptian prison where he was, fortuitously, jailed along with the assassins of Egyptian President Anwar Sadat. The 20 years in prison had changed the assassins' views on Islam and violence; Maajid went into prison preaching to them about the Islamist cause, but the lessons ended up going the other way. He came out of prison four years later completely changed, convinced that his entire belief system had been wrong, and determined to do something about it. He met with activists and heads of state, built a network, and started a foundation, Quilliam, funded by the British government, to combat the rising Islamist tide in Europe and elsewhere, using his intimate knowledge of recruitment tactics in order to reverse extremism and persuade Muslims that the 'narrative' used to recruit them (that the West is evil and the cause of all of Muslim suffering), is false. Radical, first published in the UK, is a fascinating and important look into one man's journey out of extremism and into something else entirely. This U.S. edition contains a "Preface for US readers" and a new, updated epilogue.

## **The Body Is Not an Apology**

One of the most beloved and trusted mindfulness teachers in America offers a lifeline for difficult times: the RAIN meditation, which awakens our courage and heart Tara Brach is an in-the-trenches teacher whose work counters today's ever-increasing onslaught of news, conflict, demands, and anxieties--stresses that leave us rushing around on auto-pilot and cut off from the presence and creativity that give our lives meaning. In this heartfelt and deeply practical book, she offers an antidote: an easy-to-learn four-step meditation that quickly loosens the grip of difficult emotions and limiting beliefs. Each step in the meditation practice (Recognize, Allow, Investigate, Nurture) is brought to life by memorable stories shared by Tara and her students as they deal with feelings of overwhelm, loss, and self-aversion, with painful relationships, and past trauma--and as they discover step-by-step the sources of love, forgiveness, compassion, and deep wisdom alive within all of us. A PENGUIN LIFE TITLE

## **Called**

The book illustrates how insidiously the problem of race connects post-rationally with a range of negative discourses and images conjured up by the narrative of the War on Terror.

## **The Legacy Journey**

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

## **The Journey of a Radical Yes**

This volume offers a crucial examination of right-wing extremism, supported by detailed empirical analyses of right-wing militants' experiences within and outside their organizations. The authors delve deeply into the motivations that prompt initial membership in these groups, the elements that make membership appealing, and the factors that ultimately cause members to leave. Interpreting the present empirical data within their psychological theory of radicalization, the authors determine the commonalities and differences between instances of radicalization and derive policy-relevant implications to combat right-wing extremism. In a turbulent global environment where this strain of extremist ideology has gained more mainstream popularity, this book is a critical and timely addition to scholarship on radicalization by leading experts in the field.

## **When the Heart Waits**

Radical Forgiveness blows a breath of fresh life into a subject that has for too long been treated with undue sentimentality, not to mention hypocrisy & a good deal of license. The author gives us a particular version of forgiveness that is spiritually based \*(though not religious), clear-cut, disciplined & practical---a process that we can use to bring greater happiness, peace & joy into our lives.

## **America's Child**

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth—and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as

the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

## **My Journey Home**

Presents a cultural and social history of the turbulent 1960s that describes the sexual revolution and political activism.

## **My Orange Duffel Bag**

How does an affluent, middle-class, private-school-attending son of a doctor end up at the Aryan Nations compound in Idaho, falling in with and then recruiting for some of the most notorious neo-Nazi groups in Canada and the United States? The Cure for Hate paints a very human picture of a young man who craved attention, acceptance, and approval and the dark place he would go to get it. Tony McAleer found an outlet for his teenage rage in the street violence of the skinhead scene. He then grew deeply involved in the White Aryan Resistance (WAR), rising through the ranks to become a leader, and embraced technology and the budding internet to bring white nationalist propaganda into the digital age. After fifteen years in the movement, it was the outpouring of love he felt at the birth of his children that inspired him to start questioning his hateful beliefs. Thus began the spiritual journey of personal transformation that enabled him to disengage from the highest levels of the white power movement. This incisive book breaks commonly held stereotypes and delivers valuable insights into how regular people are drawn to violent extremism, how the ideology takes hold, and the best ways to help someone leave hate behind. In his candid and introspective memoir, Tony shares his perspective gleaned from over a thousand hours of therapy, group work, and facilitating change in others that reveals the deeper psychological causes behind racism. At a period in history when instances of racial violence are on the upswing, The Cure for Hate demonstrates that in a society frighteningly divided by hate and in need of healing, perhaps atonement, forgiveness, and most importantly, radical compassion is the cure.

## **Radical Acceptance**

Travel the world, change lives, save souls. (Note: Results not typical.) A young idealist heeds the call to radical obedience, gives away all of his belongings and shaking off the fetters of a complacent life, travels halfway around the world. There he discovers, among the poor and the fatherless of West Africa, that he has only surrendered to a new kind of captivity. There is no doubt that young people today are fully invested in social and human rights issues. They start their own nonprofits, they run their own charities, they raise money for worthy causes. Books on saving the world abound, topping the bestsellers' lists, fueling the drive to prove not only commitment to the world but devotion to God. Now there is a new crop of books starting to emerge, detailing the consequences of trying to save a world that is not ours to save. But none of these books tell the story that Runaway

Radical tells; this is the first book to highlight the painful personal consequences of the new radicalism, documenting in heartbreaking detail what happens when a young person becomes entrapped instead of liberated by its call. His radical resolve now shaken, he returns home to rebuild his life and his faith. Runaway Radical serves as an important and cautionary tale for all who lead and participate in compassion activism, in the art of doing good— both overseas and at home— amidst this new culture of radical Christian service.

## **I Refuse to Die**

Called is the heart-breaking, humorous, and refreshingly honest account of one twenty-something's adventure of learning what it means to be called by God—an adventure that took him to England, C. S. Lewis's house, and back again—and why it was only in the reality of his worst nightmare that he learned what it means to be called. What is it like to be "called" by God for a particular purpose? What can you learn for your own life of faith from such a calling? Through a series of personal anecdotes, illuminating conversations, and candid reflections, Called brings you face-to-face not only with the world of C. S. Lewis, but also with the very real peaks and valleys of pursuing a calling. Seeking to reclaim the uniquely Christian sense of calling, Pemberton shows that God's call cannot be reduced to one's dreams, skills, or passions, vividly and powerfully illustrating how Christ turns ideas of failure and success on their head. Called will encourage you to realize God has entered into your story, calling out to you anew each day with the words, "Follow me," leaving you to ask, Will I be obedient to the calling set before me?

## **Radical Skin, Moderate Masks**

From beloved astrologer Chani Nicholas comes an essential guide for radical self-acceptance. Your weekly horoscope is merely one crumb of astrology's cake. In her first book *You Were Born For This*, Chani shows how your birth chart—a snapshot of the sky at the moment you took your first breath—reveals your unique talents, challenges, and opportunities. Fortified with this knowledge, you can live out the life you were born to. Marrying the historic traditions of astrology with a modern approach, *You Were Born for This* explains the key components of your birth chart in an easy to use, choose your own adventure style. With journal prompts, reflection questions, and affirmations personal to your astrological makeup, this book guides you along the path your chart has laid out for you. Chani makes the wisdom of your birth chart accessible with three foundational keys: The First Key: Your Sun (Your Life's Purpose) The Second Key: Your Moon (Your Physical and Emotional Needs) The Third Key: Your Ascendant and Its Ruler (Your Motivation for Life and the Steersperson of Your Ship) Astrology is not therapy, but it is therapeutic. In a world in which we are taught to look outside of ourselves for validation, *You Were Born for This* brings us inward to commit to ourselves and our life's purpose.

## **Runaway Radical**

Sohrab Ahmari was a teenager living under the Iranian ayatollahs when he decided that there is no God. Nearly two decades later, he would be received into the

Roman Catholic Church. In *From Fire, by Water*, he recounts this unlikely passage, from the strident Marxism and atheism of a youth misspent on both sides of the Atlantic to a moral and spiritual awakening prompted by the Mass. At once a young intellectual's finely crafted self-portrait and a life story at the intersection of the great ideas and events of our time, the book marks the debut of a compelling new Catholic voice.

## **Holocaust to Resistance, My Journey**

Before he was the world's foremost Catholic biographer, Joseph Pearce was a leader of the National Front, a British-nationalist, white-supremacist group. Before he published books highlighting and celebrating the great Catholic cultural tradition, he disseminated literature extolling the virtues of the white race, and calling for the banishment of all non-white from Britain. Pearce and his cohorts were at the center of the racial and nationalist tensions—often violent—that swirled around London in the late-1970s and early 80s. Eventually Pearce became a top member of the National Front, and the editor of its newspaper, *The Bulldog*. He was a full-time revolutionary. In 1982 he was imprisoned for six months for hate speech, but he came out with more anger, and more resolve. Several years later, he was imprisoned again, this time for a year and it spurred a sea change in his life. In *Race with the Devil: My Journey from Racial Hatred to Rational Love*, Pearce himself takes the reader through his journey from racist revolutionary to Christian, including: The youthful influences that lead him to embrace the National Front and their racist platform His dark, angry, exhilarating but ultimately empty days as a revolutionary on the front lines His imprisonment and subsequent dark night of the soul The role that Catholic luminaries such as G. K. Chesterton, Hilaire Belloc, and C. S. Lewis played in his conversion from racist radical to joyful Christian And his eventual reception in the Catholic Church *Race with the Devil* is one man's incredible journey to Christ, but it also much more. It is a testament to God's hand active among us and the infinite grace that Christ pours out on his people, showing that we can all turn—or return—to Christ and his Church.

## **Radical**

"Informational and inspirational."—Booklist America has never felt more divided. But in the midst of all the acrimony comes one of the most promising movements in our country's history. People of all races, faiths, and political persuasions are coming together to restore America's natural wealth: its ability to produce healthy foods. In *Food from the Radical Center*, Gary Nabhan tells the stories of diverse communities who are getting their hands dirty and bringing back North America's unique fare: bison, sturgeon, camas lilies, ancient grains, turkeys, and more. These efforts have united people from the left and right, rural and urban, faith-based and science-based, in game-changing collaborations. Their successes are extraordinary by any measure, whether economic, ecological, or social. In fact, the restoration of land and rare species has provided—dollar for dollar—one of the best returns on investment of any conservation initiative. As a leading thinker and seasoned practitioner in biocultural conservation, Nabhan offers a truly unique perspective on the movement. He draws on fifty years of work with community-based projects around the nation, from the desert Southwest to the low country of the Southeast. Yet Nabhan's most enduring legacy may be his message of hope: a vision of a new

environmentalism that is just and inclusive, allowing former adversaries to commune over delicious foods.

## **From Fire, by Water**

"Prairie Radical is the memoir of a young man whose life was radically changed when he joined the civil rights movement and spoke out against the war in Vietnam. It is an inside history of Students for a Democratic Society (SDS), the largest student organization of the 1960s as seen by one of its national officers who spent 1967-68 in the SDS national office at the height of the antiwar movement. It is also the history of the vibrant and innovative SDS chapter at the University of Texas in Austin, one of the Prairie Power strongholds, where the cultural rebellion and the political movement were united. Robert Pardun's story is set within the context of what was happening in Vietnam and interwoven with what we now know was happening inside the government and the FBI."--Jacket.

## **In and Out of Islamism**

Tom Harpur, bestselling author of *The Pagan Christ* points the way toward a rebirth of spiritual life. With insight and revelation, and accompanied by such figures as Pope John Paul II, Mother Teresa, the Dalai Lama, and Billy Graham, Harpur tells how escaping the grip of fundamentalism helped him renew his faith.

## **Born Again**

Throughout history, God has used dreams, visions and the prophetic word to instruct and encourage His people. He still uses these methods to communicate with us today—all we have to do is listen. *My Journey* is a collection of revelations the Lord has given Linda Walker over the years. Some of these prophetic words offered direction or warning, while others were simply messages of love from the heavenly Father to His beloved child. Although Linda did not immediately understand some of these messages, looking back she can clearly see how God used each word to keep her on the right path. God speaks to each of us in unique ways. We must learn to listen for His voice. *My Journey* will bless and encourage you to seek God with your whole heart, and get to know Him more intimately each day. God is speaking. Are you listening?

## **Prairie Radical**

In the spring of 1944, nearly 500,000 Jews were deported from the Hungarian countryside and killed in Auschwitz. In Budapest, only 150,000 Jews survived both the German occupation and dictatorship of the Hungarian National Socialists, who took power in October 1944. Zsuzsanna Ozsváth's family belonged among the survivors. This memoir begins with the the author's childhood during the Holocaust in Hungary. It captures life after the war's end in Communist-ruled Hungary and continues with her and her husband's flight to Germany and eventually the United States. Ozsváth's poignant story of survival, friendship, and love provides readers with a rare glimpse of an extraordinary journey.

## **Radical Responsibility**

Documents the story of the author's childhood in an abusive and impoverished family, describing how he earned a full college football scholarship and reinvented himself by embracing specific positive rules for living.

## **Race with the Devil**

An astonishingly brave memoir of prostitution and its lingering influence on a woman's psyche and life. "The best work by anyone on prostitution ever, Rachel Moran's *Paid For* fuses the memoirist's lived poignancy with the philosopher's conceptual sophistication. The result is riveting, compelling, incontestable. Impossible to put down. This book provides all anyone needs to know about the reality of prostitution in moving, insightful prose that engages and disposes of every argument ever raised in its favor." —Catharine A. MacKinnon, law professor, University of Michigan and Harvard University Born into a troubled family, Rachel Moran left home at the age of fourteen. Being homeless, she was driven into prostitution to survive. With intelligence and empathy, she describes the exploitation she and others endured on the streets and in the brothels. Moran also speaks to the psychological damage inherent to prostitution and the inevitable estrangement from one's body. At twenty-two, Moran escaped the sex trade. She has since become a writer and an abolitionist activist.

## **I Was Told to Come Alone**

WHAT IS JESUS WORTH TO YOU? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily BUT WHO DO YOU KNOW WHO LIVES LIKE THAT? DO YOU? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. (From the 2010 edition)"

An Invitation to Discover Personal Freedom, Authentic Relationships, and Limitless Possibility What is the greatest obstacle to your fulfillment, success, and happiness? "It's the belief," teaches Fleet Maull, "that your current situation, whatever it is, has the power to determine your future." Before he was a revered meditation teacher, Fleet Maull served 14 years in prison for drug trafficking. And during that time, he embarked on a path of transformation and service that today has helped tens of thousands—from inmates to hospice patients to top-level business leaders. With *Radical Responsibility*, he invites us to experience for

ourselves the life-changing journey from victim to co-creator. Here, he guides us step by step to shift our fear-based conditioning into the habits of courage, compassion, and positive change. Join him to delve deeply into:

- The complete Radical Responsibility® method for breaking free of your learned limitations and accessing limitless possibility
- Discovering basic goodness— your indestructible inner resource for happiness, connection, and strength
- Fleet Maull's mindfulness-based emotional intelligence (MBEI) model—neuroscience-informed principles and tools for shedding shame and blame and embracing self-awareness, resilience, and freedom from our self-created suffering
- Getting off the Drama Triangle and into the Empowerment Zone—profound practices to transform interpersonal conflicts
- Creating your life plan—a clear and achievable map for living your highest purpose, and many other chapters of real-world-tested insights and strategies

If you would like to take your life to the next level and truly optimize your health, relationships, career, and other life pursuits, Radical Responsibility will give you the expert guidance to move beyond the inner walls of your beliefs and realize your full potential. This book includes access to guided audio sessions for many of the exercises, available online.
