day, while garage sailing with him and her best friend, Lana, she finds a key. A creepy looking skeleton key carved from silver. It had to have been hundreds of years old. Not long after this, Myra falls ill. She can't eat or sleep, and when she does sleep, she has the most peculiar dreams. She knows that something is wrong. She feels it in her bones, and the voices in her head are becoming difficult to drown out. One night, they lead her down into her parents' library, and she makes a startling discovery. Swept away on the back of a dragon into the depths of outer space, Myra and her friends find themselves drowning in a sea of blood and war. They must summon the courage to fight, or an entire world will die. Sacrifice is a silver key in the door of battle.

Build Seven-Figure Financial Security without Ever Picking, Buying, or Selling A Single Stock! Most people think that you have to buy and sell the right stocks at the right time to make big money on Wall Street. In this enlightening, entertaining guide, veteran financial commentator Dr. Paul Farrell shows you how to grow a seven-figure nest egg without midnight jitters, time-consuming study, or paying a nickel in commissions

to stockbrokers and others who get their piece of the pie by helping themselves to a chunk of yours.

"Market timing is for chumps," says Dr. Farrell. "You want a portfolio that works without you having to sit through any schooling about what to buy, when to sell, how to mix and allocate, what to pay, where the heck the economy and the market are going." Now one book teaches you how to create and use that kind of portfolio-where the only excitement you get is from the millionaire's nest egg you collect in the end

In 1915 the Ladybird logo was registered by Loughborough printer Wills & Hepworth, who used downtime on their printing presses to experiment with producing wholesome illustrated books for children. Now, 100 years of iconic Ladybird books later, Lawrence Zeegen explores the design decisions and illustration influences behind the classic titles. Starting with the company's early days and then moving through the "golden age" of 1950-1970 to the innovative publishing of today, this is both a design retrospective and social history of the last century as explored through the lens of the Ladybird world

"1659. Mughal India. The imperial court, a place of opulence and excess; music, drugs, eunuchs and harems. Two brothers, whose mother's death inspired the Taj Mahal, are heirs to this Muslim empire. Now they fight ferociously for succession. Dara, the crown prince, has the love of the people - and of his emperor father - but younger brother Aurangzeb holds a different vision for India's future. Islam inspires poetry in Dara, puritanical rigour in Aurangzeb. Can Jahanara, their beloved sister, assuage Aurangzeb's resolve to seize the Peacock Throne and purge the empire?"--Page 4 of cover
