## Little Friends

Their children are friends first. They hit it off immediately, as kids do. And so the parents are forced to get to know each other. Three wildly different couples. Three marriages, floundering. There are barbecues, dinner parties, a holiday in Greece. An affair begins, resentments flare, and despite it all the three women become closer. Unnoticed their children run wild. The couples are so busy watching each other that they forget to watch their children. Until tragedy strikes. But the summer won't be over until our story twists, and twists again, while three families search desperately for answers. Because while they have been looking the other way, evil has crept into their safe little world and every parent's biggest nightmare is about to come true . . . Big Little Lies meets Little Fires Everywhere in this tense domestic thriller from the bestselling author of Richard and Judy sensation Daughter.

## The Minister's Manual for Funerals

The plans for this book began several years ago as I personally sought quality resources for my work with

grieving families. With such an abundance of homelectical materials in general, I was concerned that there seemed to be very little to offer guidance for the funeral setting. The goal of this book is to provide resource material for a setting that has so much potential for ministry. - From the Preface.

## **Student Solutions Manual to Accompany Physics 5th Edition**

In a career that has spanned fifty years and taken him from one of the greatest movies of all time to some of television's best series, Emmy-award winning character actor William Windom takes you behind the scenes of show business from Broadway to Hollywood in his candid and witty autobiography. Shortly after returning from active duty in World War II, Windom entered the acting world, launching his career in parts on and off Broadway in the late 1940s and 1950s. With refreshing candor, he tells how he landed his first Hollywood role as the winning attorney against Gregory Peck in 1962's "To Kill a Mockingbird" and then went on to act in popular television series including "Columbo," "Star Trek," "All In the Family," and "Dallas," But perhaps his most enjoyable roles came from his regular appearances on "The Farmer's Daughter,," and as Doc Hazlitt in the popular "Murder, She Wrote," Through Windom's personal anecdotes, Hollywood aficionados can get up close and personal with some of the industry's biggest names, including John Wayne, Sam Goldwyn, and Angela Lansbury, and aspiring performers can glean wisdom on choosing agents and managers, working with directors, and

performing an audition by following Windom's expert and time-tested advice. Humorous, honest, and endlessly entertaining, "Journeyman Actor" delivers an intimate glimpse into the career of one of Hollywood's most successful character actors.
