## **Getting Ready to Teach Reading, Grade 5**

In November 1960, all of America watched as a tiny six-year-old black girl, surrounded by federal marshals, walked through a mob of screaming segregationists and into her school. An icon of the civil rights movement, Ruby Bridges chronicles each dramatic step of this pivotal event in history through her own words.

## **The Wild Robot Escapes**

The New York Times bestseller *A Long Walk to Water* begins as two stories, told in alternating sections, about two eleven-year-olds in Sudan, a girl in 2008 and a boy in 1985. The girl, Nya, is fetching water from a pond that is two hours' walk from her home: she makes two trips to the pond every day. The boy, Salva, becomes one of the "lost boys" of Sudan, refugees who cover the African continent on foot as they search for their families and for a safe place to stay. Enduring every hardship from loneliness to

### **Practical Assessments for Literature-based Reading Classrooms**

Research confirms that the teacher makes the greatest difference in the learning success of students, so it's important that new teachers get off to a strong start. With help from veteran teacher and mentor Gini Cunningham, inexperienced teachers can better understand and successfully tackle the many daily challenges they will face in the classroom:

/p>\*Setting up classroom procedures and managing class time\*Coordinating standards, curriculum, and textbooks\*Developing manageable lesson and unit plans\*Handling discipline problems and engaging students in learning\*Using effective assessment practices and monitoring student achievement

Teaching is a physically and emotionally demanding career, but Cunningham's practical advice and memorable anecdotes will help teachers prepare for and enjoy their work--even on the most difficult days. And administrators can use this accessible guide to support new professionals and avoid early burnout. The New Teacher's Companion is a valuable resource for any teacher who wants the classroom to be a rich and rewarding place for teachers and students alike.

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel *Hatchet* with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of America's best-loved novels by PBS's *The Great American Read*. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight.

And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Common Core instructional shifts—building knowledge through content-rich nonfiction, reading for and writing with evidence, and regular practice with complex text—to engage students in work that matters. Worthy texts and worthy tasks help students see the connection between their hard work as readers and writers and their capacity to contribute to stronger communities and a better world. The stories, examples, and resources that permeate Transformational Literacy come primarily from the more than 150 EL Education schools around the country that support teachers to select, supplement, customize, and create curriculum, and improve instruction. The book also draws on EL Education's open source Common Core English Language Arts curriculum—often cited as one of the finest in the country—and professional development offered to thousands of teachers to implement that curriculum effectively. Transformational Literacy combines the best of what EL Education knows works for kids—purposeful, inquiry-based learning—and the new imperative of the Common Core—higher and deeper expectations for all students. Teach standards through a compelling and purposeful curriculum that prioritizes worthy texts and worthy task Improve students' evidence-based reading, thinking, talking, and writing Support students to develop a new mindset toward the challenge of reading complex texts Transformational Literacy introduces an approach to literacy instruction that will engage, challenge, and inspire student with work that matters.
