## Momstrology

The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can

direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

### **TV USA**

Richard James Burgess draws on his experience as a producer, a musician, and an author in this history of recorded music, which focuses on the development of music production as both art form and profession. This comprehensive narrative begins in 1860 with the first known recording of an acoustic sound and moves chronologically through the twentieth century, examining the creation of the market for recorded sound, the development of payment structures, the origins of the recording studio and those who work there, and, ultimately, the evolution of the recording industry itself. Burgess charts the highs and lows of the industry through the decades, ending with a discussion of how Web 2.0 has affected music production. The focus remains throughout the book on the role of the music producer, and Burgess offers

biographical information on key figures in the history of the industry, including Fred Gaisberg, Phil Spector, and Dr. Dre. Undergirding Burgess's narrative is the argument that while technology has historically defined the nature of music production, the drive toward greater control over the process, end result, and overall artistry came from producers. In keeping with this unique argument, *The History of Music Production* incorporates clear yet in-depth discussion of the developmental engagement of technology, business, and art with music production. Burgess builds this history of music production upon the strongest possible foundation: the key transitions, trends, people, and innovations that have been most important in the course of its development over the past 136 years. The result is a deeply knowledgeable book that sketches a critical path in the evolution of music production, and describes and analyzes the impact recording, playback, and disseminative technologies have had on recorded music and music production. Central to the field and a key reference book for students and scholars alike, it will stand as a companion volume to Burgess's noted, multi-edition book *The Art of Music Production*.

### **The Way I Heard It**

Kids DO come with an instruction manual—their astrological chart. *Momstrology* is the complete guide to understanding how both you and your little one are guided by the stars, and how your charts play a factor in how you relate to each other. Identical twin sisters Ophira and Tali Edut, professional astrologers known

as the Astrotwins, offer a modern look at astrology and parenting, and combine the two into a guide to understanding yourself, your parenting strengths and weaknesses, your little one's personality, and how you and your child can best relate to each other. Thoughtful, informative and fun, Momstrology covers every possible mom/child sign combination, and includes valuable information for dads and caregivers too.

The Broadcast Announcing Worktext provides you with the skills, techniques, and procedures necessary to enter this highly competitive field of broadcast performance. In addition to the principles of good performance, this book addresses the importance of audience and how to communicate effectively to various groups. Television and radio studio environments, announcer specializations and responsibilities, and developing a broadcast delivery style are just a few of the many topics covered. Factual information is presented in brief, easy-to-digest modules and is enhanced with self-study questions and projects. The self-study provides an immediate check on what you learn, and the projects allow for a practical hands-on application of key concepts in the material. The worktext format, with many real-life examples, combines both traditional teaching and practical experience. A companion CD

illustrates techniques and concepts in each chapter with audio and visual examples. This third edition will give you knowledge of other non-traditional forms of announcing, such as online radio announcing, podcast announcing, and other forms of online announcing, such as online shows, clips, and news. \* New coverage of internet radio announcing techniques and other forms of distribution gives the readers a broader view of broadcast outlets \* Presented in brief, easy-to-digest modules with self-study questions and projects that encourage active participation \* CD with samples of broadcast and radio performances for enhanced learning

For several months, prior to publication, some people were asking that we should write this book and that it be entitled, "The Message Of The Cross". • I believed then and now that their request was from the Lord. Consequently, this book is the result of that need. •

This Message, "The Message Of The Cross" is the single most important Message of the Word in any language. The Salvation of the soul and how we live for God is important beyond comprehension. • I feel every Believer will be greatly strengthened in the Word if they will avail themselves of this publication.

### **Meeting Your Half-Orange**

The ultimate coast-to-coast guide for armchair

travelers who never leave their armchair because they're watching their favorite television shows. For more than 75 years, television shows have used their fictional or real settings as major characters. When you think of shows like Seinfeld, E.R., The Mary Tyler Moore Show, and The Golden Girls you can't not think of New York City, Chicago, Minneapolis, and Miami (to say nothing of shows like Chicago Hope, WKRP in Cincinnati, Hot in Cleveland, L.A. Law, It's Always Sunny in Philadelphia, The King of Queens, LA to Vegas, Sex and the City, Brooklyn Nine-Nine, The Middle, or even Gilligan's Island. From comedies to dramedies to dramas, every state in the union (and Washington, D.C.) can claim a show (or two or dozens) as their own. TV USA is the first ever fully illustrated atlas of the in-world restaurants, businesses, and notable locations featured in everyone's favorite television shows. In TV USA, readers will embark on a fully illustrated pop culture road trip from sea to televised sea (check local listings for times). Having a medical emergency in Seattle? Rush over to Gray Sloan Memorial Hospital. Owned and operated by its staff of top-notch doctors, this Level-1 Trauma Center is nationally recognized as a top healthcare provider. (Gray's Anatomy); Looking for a cozy inn in Vermont? You can't go wrong with Dick and Joanna Loudon's Stratford Inn. (Newhart); Visiting New York? You must stop by Rockefeller Plaza to catch a free taping of TGS with Tracy Jordan. There's never a line, so seats are always available (30 Rock). TV USA is the perfect guided tour for the whole family, without the trauma of having your dad threaten to turn the car around.

## **The Message of the Cross**

Glamour, Gidgets, and the Girl Next Door is the latest creation from entertainment biographer and pop culture consultant Herbie J Pilato. Based on exclusive celebrity interviews, this book runs the gamut of female television legends, from Donna Douglas (who played Elly May Clampett on *The Beverly Hillbillies*) to the stars of the original *Charlie's Angels*. According to Pilato, "There are so many charismatic women who have made their 'beauty-mark' in television. I wanted to celebrate their contributions, not only with regard to aesthetic appeal but to honor the intelligence, individual wit, and unique talent and style that each of them have contributed to television—and how that great medium in particular was utilized to introduce and showcase so many amazing and wonderful women to the world." Suffice it to say, for exclusive and key information on TV's top leading ladies who shattered expectations and paved the way for successive generations, this book is the number one resource and go-to guide.

## **Punk Rock Blitzkrieg**

The "entertaining and enlightening" (Stephen King) final word on the genius and mischief of the Ramones, told by the man who created the beat behind their iconic music and lived to tell about it. When punk rock reared its spiky head in the early seventies, Marc Bell had the best seat in the house. Already a young veteran of the prototype American metal band Dust, Bell took residence in artistic, seedy Lower

Manhattan, where he played drums in bands that would shape rock music for decades to come, including Wayne County, who pioneered transsexual rock, and Richard Hell and the Voidoids, who directly inspired the entire early British punk scene. If punk had royalty, in 1978 Marc became part of it when he was knighted “Marky Ramone” by Johnny, Joey, and Dee Dee of the iconoclastic Ramones. The band of tough misfits were a natural fit for Marky, who dressed punk before there was punk, and who brought his “blitzkrieg” style of drumming as well as the studio and stage experience the band needed to solidify its lineup. Together, they changed the world. But Marky Ramone changed, too. The epic wear and tear of a dysfunctional group (and the Ramones were a step beyond dysfunction) endlessly crisscrossing the country and the world in an Econoline—practically a psychiatric ward on wheels—drove Marky from partying to alcoholism. When his life started to look more out of control than Dee Dee’s, he knew he had a problem. Marky left music in the mid-eighties to enter recovery and eventually returned to help the Ramones finally receive their due as one of the greatest and most influential bands of all time. Covering in unflinching detail the cult film *Rock ‘N’ Roll High School* to “I Wanna Be Sedated” to Marky’s own struggles, *Punk Rock Blitzkrieg* is an authentic and always honest look at the people who reinvented rock music, and not a moment too soon.

## **Plunkett's Entertainment & Media Industry Almanac 2006: The Only Complete Guide to the Technologies and Companies Changing the Way the World Shares En**

A Navy SEAL has nothing left to live for and everything to kill for after he discovers that the American government is behind the deaths of his team in this ripped-from-the-headlines political thriller that is “so powerful, so pulse-pounding, so well-written—rarely do you read a debut novel this damn good” (Brad Thor, #1 New York Times bestselling author). On his last combat deployment, Lieutenant Commander James Reece’s entire team was killed in a catastrophic ambush. But when those dearest to him are murdered on the day of his homecoming, Reece discovers that this was not an act of war by a foreign enemy but a conspiracy that runs to the highest levels of government. Now, with no family and free from the military’s command structure, Reece applies the lessons that he’s learned in over a decade of constant warfare toward avenging the deaths of his family and teammates. With breathless pacing and relentless suspense, Reece ruthlessly targets his enemies in the upper echelons of power without

regard for the laws of combat or the rule of law. With “crackerjack plotting, vivid characters both in and out of uniform, and a relentless pace to a worthy finish” (Stephen Hunter, #1 New York Times bestselling author), *The Terminal List* is perfect for fans of Vince Flynn, Brad Thor, and Nelson DeMille.

### **Book of Lies**

A definitive deep-dive into queer history and culture with hit reality show *RuPaul's Drag Race* as a touchstone, by the creators of the pop culture blog *Tom and Lorenzo* From the singular voices behind *Tom and Lorenzo* comes the ultimate guide to all-things *RuPaul's Drag Race* and its influence on modern LGBTQ culture. *Legendary Children* centers itself around the idea that not only is *RuPaul's Drag Race* the queerest show in the history of television, but that *RuPaul* and company devised a show that serves as an actual museum of queer cultural and social history, drawing on queer traditions and the work of legendary figures going back nearly a century. In doing so, *Drag Race* became not only a repository of queer history and culture, but also an examination and illustration of queer life in the modern age. It is a snapshot of how LGBTQ folks live, struggle, work, and reach out to one another--and how they always have--and every bit of it is tied directly to *Drag Race*. Each chapter is an examination of a specific aspect of the show--the Werk Room, the Library, the Pit Crew, the runway, the Untucked lounge, the Snatch Game--that ties to a specific aspect of queer cultural history and/or the work of

certain legendary figures in queer cultural history.

### **Legendary Children**

A mentally ill woman is accused of killing her mother in this classic Mike Shayne novel from the legendary detective author. Mike Shayne has just poured himself a drink when Phyllis Brighton tries to throw herself out the window of his downtown apartment. Luckily, he blocks her just before she can launch herself over the sill. She tried to warn him she was crazy, but he didn't listen. Her doctor and her new stepfather, on the other hand, both believe Phyllis is suffering from a kind of Electra complex— a fixation with her mother that is so intense that Phyllis would rather kill her than share her with anyone else. Shayne agrees to do whatever he can to keep Phyllis from killing her mother, but that doesn't ensure that the woman will live. When Mrs. Brighton is found with a knife buried in her back, all signs point to the Phyllis's guilt. But this hard-boiled private investigator didn't stop someone from jumping out a window just to send her to the electric chair. And it doesn't take a degree in psychology to find a killer—it takes brains, eyes, and two strong fists. Mike Shayne is just the man for the job. Dividend on Death is the 1st book in the Mike Shayne Mysteries, but you may enjoy reading the series in any order.

### **TV Guide**

"Sacrifices must be made, not just for the party, but for history" MORE THAN 100 MILLION ANXIOUS

AMERICANS WANT TO KNOW: HOW CAN DONALD TRUMP BE BEATEN IN 2020 AND EVICTED FROM THE WHITE HOUSE? Mark Halperin interviewed the nation's most experienced political strategists to discover what they think the Democratic nominee needs to do to win the 270 electoral votes required for victory. Drawing on first-hand experience, tactical savvy, and war stories from presidential campaigns past, America's top operatives explain how to meet the daunting challenge of defeating President Trump. They provide expert advice on bracing for psychological battle, understanding Trump's voters, picking a running mate, mastering the debates, and dodging black swans—time-tested and creative ideas that reveal the secrets every presidential hopeful wants to know, with specific insights on tackling the volatile, unpredictable force of nature that is Donald Trump. While endlessly controversial, the 45th president remains one of the most formidable political campaigners in modern history, with a staggering financial advantage and powerful allies. Only four elected incumbent American presidents have lost reelection bids since 1900. Few of the strategists think beating Trump will be easy. But none believe it is impossible. Their best ideas, gleaned from years of experience at the highest levels of American politics, are all presented in this compelling and fast-paced book. HOW TO BEAT TRUMP will give voters tools to evaluate which candidates are best positioned to defeat the incumbent. More than seventy-five strategists were interviewed for HOW TO BEAT TRUMP, including Jill Alper, David Axelrod, Donna Brazile, James Carville, Tad Devine, Karen Dunn, Adrienne Elrod, Jennifer Granholm, Ben LaBolt, Jeff

Link, Jim Margolis, Mike McCurry, Mark Mellman, Amanda Renteria, John Sasso, Kathleen Sebelius, Bob Shrum, Ginny Terzano, and David Wilhelm.

Four specific trends are driving the DVR industry: consumer content choice, consumer content control, personalization of content libraries, and the ability to transfer content from device-to-device and person-to-person. "Digital Video Recorders" features a macro and micro views of the already established yet still burgeoning DVR industry. As part of the NAB Executive Technology Briefing series, this book gives you a wealth of market knowledge, business models, case studies, and industry insights explained in a non-technical fashion. "Digital Video Recorders" discusses the impact of the technology across many different industries and platforms, explains hardware, software and technology of set-top boxes, DVR infrastructure, on-screen guides, planning and scheduling, content security, and more. Whether you are an executive in the broadcast, telecommunications, consumer electronic, or advertising space, you will expand your knowledge on DVR impact, explore new business opportunities, and get a brief overview of the technical terms needed. You will also be able to accurately analyze and understand the trends, projections and other data, all of which will help lead to the expedited growth and development of DVR industry.

Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.

### **Dividend on Death**

Includes 30 pages of bonus material! The complete, first-ever Golden Girls retrospective, packed with hundreds of exclusive interviews, behind-the-scenes and never-before-revealed stories, more than two hundred color and black-and-white photos, commentary, and more. They were four women of a certain age, living together under one roof in Miami—smart and strong Dorothy, airhead Rose, man-hungry belle Blanche, and smart-mouthed matriarch Sophia. They were the Golden Girls, and for seven seasons, this hilarious quartet enchanted millions of viewers with their witty banter, verve, sass, and love, and reaffirmed the power of friendship and family. Over thirty years after it first aired, *The Golden Girls* has become a cult classic, thanks to fan fiction, arts and crafts, podcasts, hundreds of fan blogs and websites, and syndication. Now, *Golden Girls Forever*

pays homage to this wildly popular, acclaimed, and award-winning sitcom. Drawing on interviews with the show's creators, actors, guest stars, producers, writers, and crew members, Jim Colucci paints a comprehensive portrait of the Girls both in front of the cameras and behind the scenes. Illustrated with hundreds of photos, including stills from the show and a treasure trove of never-before-seen and newly rediscovered photos, *Golden Girls Forever* includes:

- *Girls and Their Guests*: short profiles of the show's most famous guest stars
- *Why I Love the Girls*: Lance Bass, Laverne Cox, Ross Mathews, Perez Hilton, Zachary Quinto, Chris Colfer, Jason Collins, and many, many other celebrities share their love of the Girls
- Exclusive interviews with ninety-four-year-old Betty White; the famously private Bea Arthur and Rue McClanahan, before their deaths; and fan-favorite actors who appeared on the show
- Harvey Fierstein's tribute to his close friend, Estelle Getty

The ebook also features 30 pages of material not included in the print edition, such as 17 Golden Episodes, a piece on Estelle Getty's make-up, the Rue LaRue Cafe, and additional fan art. Bursting with fun facts, anecdotes, reminiscences, and insights, *Golden Girls Forever* is the ultimate companion to the show for fans old and new.

### **The Most Dangerous Animal of All**

Essays discuss topics dealing with the interaction of people and computers and the impact of technology on art, literature, and music

## Transcendence

If you've ever fantasized about feasting on Frank Sinatra's Barbecued Lamb, lunching on Lucille Ball's "Chinese-y Thing," diving ever-so-neatly into Joan Crawford's Poached Salmon, or wrapping your lips around Rock Hudson's cannoli – and really, who hasn't? – hold on to your oven mitts! In *The Dead Celebrity Cookbook: A Resurrection of Recipes by 150 Stars of Stage and Screen*, Frank DeCaro—the flamboyantly funny Sirius XM radio personality best known for his six-and-a-half-year stint as the movie critic on *The Daily Show* with Jon Stewart—collects hundreds of recipes passed on from legendary stars of stage and screen, proving that before there were celebrity chefs, there were celebrities who fancied themselves chefs. Their all-but-forgotten recipes—rescued from out-of-print cookbooks, musty biographies, vintage magazines, and dusty pamphlets—suggest a style of home entertaining ripe for reexamination if not revival, while reminding intrepid gourmands that, for better or worse, Hollywood doesn't make celebrities (or cooks) like it used to. Starring Farrah Fawcett's Sausage and Peppers Liberace's Sticky Buns Bette Davis's Red Flannel Hash Bea Arthur's Good Morning Mushroom Tomato Toast Dudley Moore's Crème Brûlée Gypsy Rose Lee's Portuguese Fish Chowder John Ritter's Famous Fudge Andy Warhol's Ghoulish Goulash Vincent Price's Pepper Steak Johnny Cash's Old Iron Pot Family-Style Chili Vivian Vance's Chicken Kiev Sebastian Cabot's Avocado Surprise Lawrence Welk's Vegetable Croquettes Ann Miller's Cheese Soufflé

Jerry Orbach's Trifle Totie Fields's Fruit Mellow Irene Ryan's Topsy Basingstoke Klaus Nomi's Key Lime Tart Richard Deacon's Bitter and Booze And many other meals from breakfast to dessert.

### **World Guide to Television & Film**

NEW YORK TIMES BESTSELLER Executive producer and host Mike Rowe presents a delightfully entertaining, seriously fascinating collection of his favorite episodes from America's #1 short-form podcast, *The Way I Heard It*, along with a host of personal memories, ruminations, and insights. It's a captivating must-read. *The Way I Heard It* presents thirty-five mysteries "for the curious mind with a short attention span." Every one is a trueish tale about someone you know, filled with facts that you don't. Movie stars, presidents, bloody do-gooders, and villains—they're all here, waiting to shake your hand, hoping you'll remember them. Delivered with Mike's signature blend of charm, wit, and ingenuity, their stories are part of a larger mosaic—a memoir full of surprising revelations, sharp observations, and intimate, behind-the-scenes moments drawn from Mike's own remarkable life and career.

### **The Dead Celebrity Cookbook**

New package for a cult classic. First published in 2003, *The Book of Lies* was hailed as a 21st grimoire and instantly became a cult classic. Now reformatted for the next generation of magicians and all counterculture devotees, it gathers an unprecedented

cabal of occultists, esoteric scholars, and forward thinkers, all curated by Disinformation's former "wicked warlock" Richard Metzger. This compendium of the occult includes entries on topics as diverse and dangerous as Aleister Crowley, Secret Societies, Psychedelics, and Magick in theory and practice. The result is an alchemical formula that may well rip a hole in the fabric of your reality: Terence McKenna asks if we contact "aliens" with the smokable drug DMT Daniel Pinchbeck recounts his psychedelic and magical experiences Techgnosis author Eric Davis writes about H.P. Lovecraft Robert Anton Wilson writes about the similarities between Aleister Crowley and Timothy Leary Donald Tyson's "The Enochian Apocalypse Working" ask if the seeds of the end of the world sown in the Elizabethan era. Other contributors or subjects written about include Brian Barritt, Vere Chappell, Ida Craddock, Joe Coleman, Nevill Drury, Stephen Edred Flowers, T. Allen Greenfield, Gary Lachman, Anton Lavey, Peter Levenda, Grant Morrison, Michael Moynihan, Rosaleen Norton, Jack Parsons, Austin Osman Spare, and Tracy Twyman. It's all here and more!

## **Electronics Buying Guide**

As entertaining as it is educational, Radio: The Book is a must-have guide to success for anyone interested in a career in radio. Providing a wealth of information and relating his own personal experiences, veteran radio personality, Program Director and Programming Consultant Steve Warren shares trade secrets and industry know-how that would usually take years to

accumulate through experience. An invaluable advantage over your competition, this "cheat-sheet" for the radio programmer includes practical advice regarding:

- Radio as a career--from tips on getting started to job negotiations
- Programming--talk radio and music, from format science to picking the hits
- Relationships with listeners--everything from staying in touch with your audience to public image
- Branding, marketing, and advertising the radio station
- Research--music tests, audience analysis, ratings, and more
- Practical information about management policies
- Radio realities--information on rules and regulations

This latest edition has been updated to include:

- Important updates on an ever-evolving field
- Essential forms for radio station functions--production orders, personnel files, absentee reports, PSA schedules, format clocks, remote schedule, and more.

to be accompanied by an on-line section of electronic forms for convenience

- Ideas for successfully programming in new radio formats like satellite, internet, and cable

In such a competitive industry where formal training can be hard to come by, *Radio: The Book, 4e*, is a short-cut to the fast track for current and future programmers and program directors. With an active radio broadcast career that is still exploring new ideas following more than forty years at some of America's most prestigious radio stations (including WNBC, WHN, WNEW, and CBS radio), Steve Warren is more than qualified to mentor readers. Steve has competed successfully in all music formats from Easy Listening to Country to Top 40 to Oldies, always putting the listener first and now, putting you first.

### **Dot.**

Sharpen your mind and get in shape at the same time, with an innovative new workout stimulating multiple areas of the brain as it strengthens and tones the entire body. Acclaimed sports trainer Michael Gonzalez-Wallace (O magazine's "go-to guy" for anything about the body) shows readers a daily ten-minute workout that optimizes muscle power while boosting brain activity—training the brain by training the body.

**\*NOW A HIT TV SERIES\*** Meet Dot in this debut picture book by CEO and founder of Zuckerberg Media, editor-in-chief of Dot Complicated, and former Marketing Director of Facebook, Randi Zuckerberg! Dot's a spunky little girl well versed in electronic devices—she's a technophile. She knows how to tap . . . to swipe . . . to share . . . and she pays little attention to anything else. Dot's tech-savvy expertise, mingled with her resourceful imagination, proves Dot knows lots and lots. But will she be able to unplug for one second to tap...swipe...and share with her real-life friends? Find out in this wonderful story about the day when Dot sets off on an interactive adventure with the world surrounding her.

### **I Really Needed This Today**

How would you like to have a wonderfully well-suited, kind, adoring half-orange who feels like a teammate,

a partner in crime, a true other half? "Half-Orange" refers to the Spanish term *mi media naranja*, which describes one's sweetheart, that perfect other half. What if you heard he or she would be coming along soon? Would you be relieved? Excited? Happy? Well those are the feelings that dating optimism can give you. Rather than admonishing readers to make themselves more available, or turn dating into a full-time job, Spencer's program of dating optimism is a fun, results-oriented way to find a healthy happy relationship, based on brain science and psychology that can help you become a more positive dater. She'll guide you through sowing the orange seed of your ideal relationship and growing it to "fruit-ion." In essence, by focusing positively about dating, you can actually change your brain, which changes everything from your body language to the way you perceive others and what you ultimately attract. Meeting Your Half-Orange is the pep talk that puts finding true love back into your own hands. It will guide you toward becoming so focused on the relationship you want and so happy in your own skin, the right person will be naturally drawn straight to you. You've never read a dating guide like this before. But best of all, it will be the last one you'll ever need.
