The twentieth-anniversary edition of Marion Blumenthal Lazan's acclaimed Holocaust memoir features new material by the author, a reading group guide, a map, and additional photographs. "The writing is direct, devastating, with no rhetoric or exploitation. The truth is in what's said and in what is left out."—ALA Booklist (starred review) Marion Blumenthal Lazan's unforgettable and acclaimed memoir recalls the devastating years that shaped her childhood. Following Hitler's rise to power, the Blumenthal family—father, mother, Marion, and her brother, Albert—were trapped in Nazi Germany. They managed eventually to get to Holland, but soon thereafter it was occupied by the Nazis. For the next six and a half years the Blumenthals were forced to live in refugee, transit, and prison camps, including Westerbork in Holland and Bergen-Belsen in Germany, before finally making it to the United States. Their story is one of horror and hardship, but it is also a story of courage, hope, and the will to survive. Four Perfect Pebbles

Lyddie

In December 1995, Jean-Dominique Bauby, the 43-year-old editor of French Elle, suffered a massive stroke that left him permanently paralyzed, a victim of "locked in syndrome." Once known for his gregariousness and wit, Bauby now finds himself imprisoned in an inert body, able to communicate only by blinking his left eye. The miracle is that in doing so he was able to compose this stunningly eloquent memoir. In a voice that is by turns wistful and mischievous, angry and sardonic, Bauby gives us a celebration of the liberating power of consciousness: what it is

like to spend a day with his children, to imagine lying in bed beside his wife, to conjure up the flavor of delectable meals even as he is fed through a tube. Most of all, this triumphant book lets us witness an indomitable spirit and share in the pure joy of its own survival.

The Box-Car Children

A new Outlander novel — the seventh — from #1 National Bestselling author Diana Gabaldon. Readers have been waiting with bated breath for the seventh volume in bestselling author Diana Gabaldon's epic Outlander saga — a masterpiece of historical fiction featuring Jamie and Claire, from one of the genre's most popular and beloved authors. Jamie Fraser, erstwhile Jacobite and reluctant rebel, knows three things about the American rebellion: the Americans will win, unlikely as that seems in 1778; being on the winning side is no guarantee of survival; and he'd rather die than face his illegitimate son — a young lieutenant in the British Army — across the barrel of a gun. Fraser's time-travelling wife, Claire, also knows a couple of things: that the Americans will win, but that the ultimate price of victory is a mystery. What she does believe is that the price won't include Jamie's life or happiness — not if she has anything to say. Claire's grown daughter Brianna, and her husband, Roger, watch the unfolding of Brianna's parents' history — a past that may be sneaking up behind their own family. From the Hardcover edition.

The Secret of the Old Mill

Susie Salmon is just like any other young girl. She wants to be beautiful, adores her charm bracelet and has a crush on a boy from school. There's one big difference though – Susie is dead. Now she can only observe while her family manage their grief in their different ways. Her father, Jack is obsessed with identifying the killer. Her mother, Abigail is desperate to create a different life for herself. And her sister, Lindsay is discovering the opposite sex with experiences that Susie will never know. Susie is desperate to help them and there might be a way of reaching them. Alice Sebold's novel *The Lovely Bones* is a unique coming-of-age tale that captured the hearts of readers throughout the world. Award-winning playwright Bryony Lavery has adapted it for this unforgettable play about life after loss.

Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD - and fit in with the kids there. And who knows, maybe his real gift will come to light . . . A new story from the master of middle-grade and YA humour Gordon Korman, *Ungifted* is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way.

The Silver Sword

It isn't that Abby Carson can't do her schoolwork. She just doesn't like doing it. And in February a warning letter arrives at her home. Abby will have to repeat sixth grade—unless she meets some specific conditions, including taking on an extra-credit project to find a pen pal in a distant country. Seems simple enough. But when Abby's first letter arrives at a small school in Afghanistan, the village elders agree that any letters going back to America must be written well. In English. And the only qualified student is a boy, Sadeed Bayat. Except in this village, it is not proper for a boy to correspond with a girl. So Sadeed's younger sister will write the

letters. Except she knows hardly any English. So Sadeed must write the letters. For his sister to sign. But what about the villagers who believe that girls should not be anywhere near a school? And what about those who believe that any contact with Americans is . . . unhealthy? Not so simple. But as letters flow back and forth—between the prairies of Illinois and the mountains of central Asia, across cultural and religious divides, through the minefields of different lifestyles and traditions—a small group of children begin to speak and listen to one another. And in just a few short weeks, they make important discoveries about their communities, about their world, and most of all, about themselves.

"Every morning I jump out of bed and step on a land mine. The land mine is me. After the explosion, I spend the rest of the day putting the pieces back together. Now, it's your turn. Jump " Zest. Gusto. Curiosity. These are the qualities every writer must have, as well as a spirit of adventure. In this exuberant book, the incomparable Ray Bradbury shares the wisdom, experience, and excitement of a lifetime of writing. Here are practical tips on the art of writing from a master of the craft-everything from finding original ideas to developing your own voice and style-as well as the inside story of Bradbury's own remarkable career as a prolific author of novels, stories, poems, films, and plays. "Zen In The Art Of Writing" is more than just a how-to manual for the would-be writer: it is a celebration of the act of writing itself that will delight, impassion, and inspire the writer in you. In it, Bradbury encourages us to follow the unique path of our instincts and enthusiasms to the place where our inner genius dwells, and he shows that success as a writer depends on how well you know one subject: your own life.

ONE SUMMER in the French countryside, among sun-kissed fields of lavender . . .
ANOTHER SUMMER in upstate New York, along familiar roads that lead to surprises . . .
. . . When Summer Everett makes a split-second decision, her summer divides into two parallel worlds. In one, she travels to France, where she's dreamed of going: a land of chocolate croissants, handsome boys, and art museums. In the other, she remains home, in her ordinary suburb, where she expects her ordinary life to continue — but nothing is as it seems. In both summers, she will fall in love and discover new sides of herself. What may break her, though, is a terrible family secret, one she can't hide from anywhere. In the end, it might just be the truth she needs the most. From New York Times bestselling author Aimee Friedman comes an irresistible, inventive novel that takes readers around the world and back again, and asks us what matters more: the journey or the destination.

Adventures of Huckleberry Finn

In *West of the Moon*, award-winning and New York Times bestselling author Margi Preus expertly weaves original fiction with myth and folktale to tell the story of Astri, a young Norwegian girl desperate to join her father in America. After being separated from her sister and sold to a cruel goat farmer, Astri makes a daring escape. She quickly retrieves her little sister, and, armed with a troll treasure, a book of spells and curses, and a possibly magic hairbrush, they set off for America. With a mysterious companion in tow and the malevolent "goatman" in pursuit, the girls head over the Norwegian mountains, through field and forest, and in and out of folktales and dreams as they steadily make their way east of the sun and west of the moon. Praise for *West of the Moon* FIVE STARRED REVIEWS "Like dun silk shot thought with gold, Preus interweaves the mesmerizing tale of Astri's treacherous and harrowing mid-nineteenth-century emigration to America with bewitching tales of magic. A fascinating author's note only adds to the wonder." --Booklist, starred review "Norwegian history, fiction and folklore intertwine seamlessly in this lively, fantastical adventure and moving coming-of-age story." --Kirkus Reviews, starred review "Enthralling and unflinching, this historical tale resonates with mythical undertones that will linger with readers after the final page is turned." --School Library Journal, starred review "Astri is like a girl out of a fairy

tale, and the native folktales that Preus weaves through the narrative serve as guides, lessons, and inspiration for her." --Publishers Weekly, starred review "Several Norwegian folktales are seamlessly integrated into the fast-paced, lyrically narrated story, which features a protagonist as stalwart and fearless as any fairy-tale hero." --The Horn Book Magazine, starred review "It's Astri's voice, however, that is most appealing: her direct, no-nonsense narration has a sharp bite, yet it also reveals the vulnerable young girl who's willing to continue to fight but is nonetheless exhausted by the weight of her struggle. The chapters have an episodic structure that makes this an ideal choice for readaloud or storytelling adaptations, while the mix of folklore, fact, and fantasy will please fans of Edith Patou's East." --The Bulletin of The Center for Children's Books

A Touch of Gold

The night the Nazis come to take their mother away, three children escape in a terrifying scramble across the rooftops. Alone in the chaos of Warsaw they have to learn to survive on their own. Then they meet Jan, a ragged boy with a paperknife - the silver sword - that they recognize as belonging to their lost father. The sword becomes their symbol of hope as, with Jan, they begin the hazardous journey across war-torn Europe to find their parents. Ian Serraillier's moving account of a family torn apart by war speaks as much to us today as it did when it was first written.

An Echo in the Bone

In 1940, when the Nazis reach their Norwegian village, twelve-year-old Peter and his friends use their sleds to transport gold bullion to the secret harbor where Peter's uncle waits to take it to the United States for safekeeping.
